handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind.

Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? Boy: Built to Love No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use

Artificial Intelligence to create A Boy: Built to Love? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for

work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. \* \* \* \* \* August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?"

asked the boy. The year was 2012; the year Thomas came home.

**Romola** - George Eliot 1874

Romola, one of the best-known novels by George Eliot (C. P. P.), was originally published in 1863. The scene is in Florence, Italy, at the end of the fifteenth century. Roinola, the heroine, a daughter of the Italian family of Bardi, marries Tito Melema, a Greek, but the marriage proves a failure, and she sacrifices herself in devotion to the people during the plague. A marvellously able story of the revival of the taste and beauty and freedom of Hellenic manners and letters, under Lorenzo di Medici and the scholars of his Court, side by side with the revival of Roman virtue, and more than the ancient austerity and piety, under the great Dominican, Savonarola. The period of history is one which of all others

may well have engrossing interest for George Eliot. Treasures of learning and discipline, amassed for mankind ages before, for ages stored and hidden away, see again the sun, are recognized and put to use. What use they will be put to, with what new and fruitful effects on the State and the citizen, with what momentary and with what lasting consequences, this she strives to discover ; this she follows through the public history of Italy during the modern invasion of Charles VIII., and the events which succeed his invasion, and through the private fortunes of her admirably chosen group of characters, some of them drawn from life, all of them true to nature. [A New Omnibus of Crime](#) - Tony Hillerman 2005 In this collection of mystery short fiction from the early 1930s to the present, each selection is introduced and placed in the context of the author and the genre's literary history and includes works by Paul Theroux, P. D. James, Sue Grafton, Dennis Lehane, Patricia Highsmith, Joyce Carol Oates, and other notables.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. *Principle Or Profit* - Ryheim Scott 2016-01-06  
Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to

bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

*The Girl with Ghost Eyes* - M. H. Boroson

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her

husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman

may be the key to holding everything together. *The Host* - Stephenie Meyer 2009-02-26  
Melanie Stryder refuses to fade away. The earth has been invaded by a species that takes over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading 'soul' who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too-vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves - Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's

**Back to Venice** - Michael Grant 2011-05-26

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back

to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

**The Girl with the Silver Eyes** - Dashiell

Hammett 2020-03-04

A Tale of the Continental Op The man who had disturbed my Sunday morning sleep—I found when I reached the Glenton—was a slim, white-faced person of about twenty-five, with big brown eyes that were red-rimmed just now from either sleeplessness or crying, or both. His long brown hair was rumped when he opened the door to admit me; and he wore a mauve dressing-robe spotted with big jade parrots over wine-colored silk pajamas. The room into which he led me resembled an auctioneer's establishment just before the sale—or maybe one of these alley tea-rooms. Fat blue vases, crooked red vases, lanky yellow vases, vases of various shapes and colors; marble statuettes, ebony statuettes, statuettes of any material; lanterns, lamps and candlesticks; draperies, hangings and rugs of all sorts; odds and ends of furniture that were all somehow queerly

designed; peculiar pictures hung here and there in unexpected places. A hard room to feel comfortable in. “My fiancée,” he began immediately in a high-pitched voice that was within a notch of hysteria, “has disappeared! Something has happened to her! Foul play of some horrible sort! I want you to find her—to save her from this terrible thing that...”
