Ordeal by Hunger - George R. Stewart 2013-09-30

"Compulsive reading—a wonderful account, both scholarly and gripping, of a horrifying episode in the history of the west." —Arthur M.

Schlesinger Jr. The tragedy of the Donner party constitutes one of the most amazing stories of the American West. In 1846 eighty-seven people—men, women, and children—set out for California, persuaded to attempt a new overland route. After struggling across the desert, losing many oxen, and nearly dying of thirst, they reached the very summit of the Sierras, only to be trapped by blinding snow and bitter storms. Many perished; some survived by resorting to cannibalism; all were subjected to unbearable suffering. Incorporating the diaries of the survivors and other contemporary documents, George Stewart wrote the definitive history of that ill-fated band of pioneers; an astonishing account of what human beings may endure and achieve in the final press of circumstance.

"Island Boy is certain to be a favorite for family sharing, as well as a must for school and public libraries. Teachers will love it; buy extra copies."—School Library Journal "As encompassing as the portrait of a life depicted in the award-winning *Miss Rumphius*, Cooney's latest work is an ode to simple acts of daily living."—Publishers Weekly

Anna of Byzantium - Tracy Barrett 2011-04-13

For fans of Joan of Arc and Alexander the Great, comes "a gripping saga of alliances, intrigues, deceits, and treacheries" about Anna Comnena of the Byzantine Empire. Anna Comnena has every reason to feel entitled. She's a princess, her father's firstborn and his chosen successor. Someday she expects to sit on the throne and rule the vast Byzantine Empire. So the birth of a baby brother doesn't perturb her. Nor do the "barbarians" from foreign lands, who think only a son should ascend to power. Anna is as dismissive of them as are her father and his most trusted adviser--his mother, a manipulative woman with whom Anna studies the art of diplomacy. Anna relishes her lessons, proving adept at checkmating opponents in swift moves of mental chess. But as she matures into a young woman, her arrogance and intelligence threaten her grandmother. Anna will be no one's puppet. Almost overnight, Anna sees her dreams of power wrenched from her and bestowed on her little brother. Bitter at the betrayal, Anna waits to avenge herself, and to seize

what is rightfully hers. The Hunger - Alma Katsu 2019-03-05

"Deeply, deeply disturbing, hard to put down, not recommended reading after dark." --Stephen King A tense and gripping reimagining of one of America's most haunting human disasters: the Donner Party with a supernatural twist. Evil is invisible, and it is everywhere. That is the only way to explain the series of misfortunes that have plagued the wagon train known as the Donner Party. Depleted rations, bitter quarrels, and the mysterious death of a little boy have driven the isolated travelers to the brink of madness. Though they dream of what awaits them in the West, long-buried secrets begin to emerge, and dissent among them

escalates to the point of murder and chaos, unknowingly propelling them into one of the deadliest and most disastrous Western adventures in American history. As members of the group begin to disappear, the survivors start to wonder if there really is something disturbing, and hungry, waiting for them in the mountains...and whether the evil that has unfolded around them may have in fact been growing within them all along. Effortlessly combining the supernatural and the historical, *The Hunger* is an eerie, thrilling look at the volatility of human nature, pushed to its breaking point.

The Expedition of the Donner Party and Its Tragic Fate - Eliza Poor Donner Houghton 1997-01-01

George and Tamsen Donner and their children, among the very first to leave from Illinois, joined emigrants headed to California in the spring of 1846. Beyond Fort Bridger, Captain Donner led a large party through a much-advertised shortcut. Delays and difficulties caused them to be snowbound in the High Sierras, facing the grim specter of starvation and extreme suffering. Though only four years old at the time of the expedition, the captain's youngest daughter, Eliza Donner, would never

forget the excitement of crossing the prairies—or the horror of that winter. Details impressed on her young mind were later substantiated by the recollections of her older sisters and other survivors. Her book, originally published in 1911, is an intimate and authoritative account of the Donner disaster. George and Tamsen Donner and those who shared their fate are fully humanized in the telling. Eliza also relates what happened to her and a sister after being rescued and what it was like to grow up in a world that turned the Donners into a grisly legend.

Across the Plains in the Donner Party - Virginia Reed Murphy 2016-10-16

Virginia Elizabeth Backenstoe was born June 28, 1833 in Springfield, Sangamon County, Illinois, the daughter of Lloyd Backenstoe and Margaret Keyes. She was the sister of Martha J. (Reed) Lewis, James F. Reed Jr, Thomas K. Reed, Charles C. Reed and William Y. Reed. Virginia's family was part of the ill-fated Donner Party which was trapped in the Sierra Nevada Mountains during a snow storm in 1846 while emigrating to California. They suffered extreme hardship. The survivors resorted to consuming human flesh to stay alive. Virginia's father was banished from the wagon train after killing a teamster in the Wasatch Mountains during a dispute. Virginia wrote an extensive account of the trip which was published in Century Magazine. Virginia died February 14, 1921 in Los Angeles County, California. She is buried in Oak Hill Memorial Park, San Jose, Santa Clara County, California, USA The Donner Party (sometimes called the Donner-Reed Party) was a group of American pioneers led by George Donner and James F. Reed who set out for California in a wagon train in May 1846. They were delayed by a series of mishaps and mistakes, and spent the winter of 1846-47 snowbound in the Sierra Nevada. Some of the pioneers resorted to cannibalism to survive. The journey west usually took between four and six months, but the Donner Party was slowed by following a new route called Hastings Cutoff, which crossed Utah's Wasatch Mountains and Great Salt Lake Desert. The rugged terrain and difficulties encountered

while traveling along the Humboldt River in present-day Nevada resulted in the loss of many cattle and wagons and splits within the group. By the beginning of November 1846, the settlers had reached the Sierra Nevada where they became trapped by an early, heavy snowfall near Truckee (now Donner) Lake, high in the mountains. Their food supplies ran extremely low and, in mid-December, some of the group set out on foot to obtain help. Rescuers from California attempted to reach the settlers, but the first relief party did not arrive until the middle of February 1847, almost four months after the wagon train became trapped. Of the 87 members of the party, 48 survived to reach California, many of them having eaten the dead for survival. Historians have described the episode as one of the most bizarre and spectacular tragedies in Californian history and western-US migration.

Apples to Oregon - Deborah Hopkinson 2013-04-16

The slightly true narrative of how a brave pioneer father brought apples, pears, plums, grapes, and cherries (and children) across the plains.

Apples, ho! When Papa decides to pull up roots and move from Iowa to Oregon, he can't bear to leave his precious apple trees behind. Or his peaches, plums, grapes, cherries, and pears. Oh, and he takes his family along too. But the trail is cruel. First there's a river to cross that's wider than Texas, then there are hailstones as big as plums, and then there's even a drought, sure to crisp the cherries. Luckily Delicious (the nonedible apple of Daddy's eye) won't let anything stop her father's darling saps from tasting the sweet Oregon soil. A hilarious tall tale from the team that brought you Fannie in the Kitchen that's loosely based on the life of a real fruiting pioneer.

Saving the Donner Party - Richard F. Kaufman, PhD 2014-07-28

Books, articles, and commentaries have told the story of how the storm of the century in the fall of 1846 trapped eighty-one innocent men, women, and children in the Sierra Nevada Mountains and how brave men risked their lives to save them. In *Saving the Donner Party*, author Dr. Richard F. Kaufman tells the story of the rescuers of the Donner Party. During the last two decades, Dr. Kaufman has compiled a record of historical documents and letters from Sutter's Fort State Park and the California State Library. He reviews the older literature with a more modern approach, introducing orbital satellite studies with panoramic descriptions of travel routes not seen before. Using historical weather statistics and tree ring technology, he presents a more thorough understanding of the so-called "storm of the century" that enveloped the Donner Party. His account focuses on the massive effort and expenditure of resources by the rescue parties, involving the progress of the Mexican War going on at that time. *Saving the Donner Party* presents an in-depth interpretation of the event with surprising revelations that changed the historical setting and legacy of California, adding richly to the literature of this topic and updating the knowledge of the Donner Party episode.

Blue Willow - Doris Gates 1976-09-30

To Janey Larkin, the blue willow plate was the most beautiful thing in her life, a symbol of the home she could only dimly remember. Now that her father was an itinerant worker, Janey didn't have a home she could call her own or any real friends, as her family had to keep moving, following the crops from farm to farm. Someday, Janey promised the willow plate, with its picture of a real house, her family would once again be able to set down roots in a community. *Blue Willow* is an important fictional account of the Dust Bowl and the Great Depression, and has been called *The Grapes of Wrath* for children. It won a Newbery Honor and many other awards.

The Best Land Under Heaven: The Donner Party in the Age of Manifest Destiny - Michael Wallis 2017-06-06

"A book so gripping it can scarcely be put down. . . . Superb."— New York Times Book Review "WESTWARD HO! FOR OREGON AND CALIFORNIA!" In the eerily warm spring of 1846, George Donner placed this advertisement in a local newspaper as he and a restless caravan prepared for what they hoped would be the most rewarding journey of a lifetime. But in eagerly pursuing what would a century later become known as the "American dream," this optimistic-yet-motley crew of emigrants was met with a chilling nightmare; in the following months, their jingoistic excitement would be replaced by desperate cries for help that would fall silent in the deadly snow-covered mountains of the Sierra Nevada. We know these early pioneers as the Donner Party, a name that

has elicited horror since the late 1840s. With *The Best Land Under Heaven*, Wallis has penned what critics agree is "destined to become the standard account" (Washington Post) of the notorious saga. Cutting through 160 years of myth-making, the "expert storyteller" (True West) compellingly recounts how the unlikely band of early pioneers met their fate. Interweaving information from hundreds of newly uncovered documents, Wallis illuminates how a combination of greed and recklessness led to one of America's most calamitous and sensationalized catastrophes. The result is a "fascinating, horrifying, and inspiring" (Oklahoman) examination of the darkest side of Manifest Destiny.
