An imaginative approach to spiritual practice in difficult times, through the Buddhist teaching of the six paramitas or "perfections"--qualities that lead to kindness, wisdom, and an awakened life. In frightening times, we wish the world could be otherwise. With a touch of imagination, it can be. Imagination helps us see what's hidden, and it shape-shifts reality's roiling twisting waves. In this inspiring reframe of a classic Buddhist teaching, Zen teacher Norman Fischer writes that the paramitas, or "six perfections"—generosity, ethical conduct, patience, joyful effort, meditation, and understanding—can help us reconfigure the world we live in. Ranging from our everyday concerns about relationships, ethics, and consumption to our artistic inspirations and broadest human yearnings, Fischer depicts imaginative spiritual practice as a necessary resource for our troubled times.

Shambhala: The Sacred Path of the Warrior - Chogyam Trungpa 2015-06-16

The classic guide to enlightened living that first presented the Buddhist path of the warrior to Western readers—with a new foreword and cover presentation. There is a basic human wisdom that can help solve the world's problems. It doesn't belong to any one culture or region or religious tradition—though it can be found in many of them throughout history. It's what Chögyam Trungpa called the sacred path of the warrior. The sacred warrior conquers the world not through violence or aggression but through gentleness, courage, and self-knowledge. The warrior discovers the basic goodness of human life and radiates that goodness out into the world for the peace and sanity of others. That's what the Shambhala teachings are all about, and this is the book that has been presenting them to a wide and appreciative audience for more than thirty years.

A Flash of Lightning in the Dark of Night - Dalai Lama XIV Bstan-'dzin-rgya-mtsho 1994

Describes the path to enlightenment as followed by the Bodhisattva Warrior-King of Shambhala - Jeremy Hayward 2008

A pioneer in introducing Tibetan Buddhism to the West, Chogyam Trungpa is also one of its most controversial figures. Born in Tibet and trained in the traditional manner, he arrived in the U.S. in 1970, a time when there was virtually no knowledge of Buddhism in the general culture. He defied notions of how a holy man should act. Dressing in

Western clothing and at times exhibiting unconventional behavior, his "crazy wisdom" made him a magnet for a generation of spiritual seekers. One of those seekers was Jeremy Hayward. This intimate memoir begins with their first meeting in 1970, then progresses year by year until Trungpa's death and beyond. Hayward vividly describes Trungpa's powerful, direct way of working with students, his groundbreaking work in bringing Buddhism to the West, and the teachings Trungpa presented each year. He also describes his own personal spiritual journey with Chogyam Trungpa as a guide.

Becoming Bodhisattvas - Pema Chödrön 2018-09-04

Best-selling American Buddhist nun Pema Chödrön presents a friendly and encouraging guide to spiritual practice for all those who want to take up the path of the bodhisattva—one who aspires to live life with courage, generosity, patience, fearlessness, and compassion. The Way of the Bodhisattva has long been treasured as an indispensable guide to enlightened living, offering a window into the greatest potential within us all. Written in the eighth century by the scholar and saint Shantideva, it presents a comprehensive view of the Mahayana Buddhist tradition's highest ideal—to commit oneself to the life of a bodhisattva warrior, a person who is wholeheartedly dedicated to the freedom and common good of all beings. And it has inspired many of the tradition's greatest teachers, providing a remarkable source of insight on the means by which we may heal ourselves and our troubled world. These essential teachings present the core of the Buddhist path, from cultivating deep-seated confidence to infusing one's life with selflessness, joyfulness, kindness, and compassion. Pema Chödrön here invites you to journey more deeply into this liberating way of life, presenting Shantideva's text verse-by-verse and offering both illuminating stories and practical exercises to enrich the text and bring its timeless teachings to life in our world today. Previously published under the title *No Time to Lose*. *Shantideva's Guide to the Bodhisattva's Way of Life* - Śāntideva 2002
This famous and universally loved poem for daily living has inspired many generations of Buddhists and non-Buddhists since it was first composed in the 8th century by the famous Indian Buddhist master Shantideva. This new translation, made under the guidance of Geshe Kelsang Gyatso, conveys the great lucidity and poetic beauty of the original, while preserving its full impact and spiritual insight. Reading these verses slowly, while contemplating their meaning, has a profoundly liberating effect on the mind. The poem invokes special positive states of mind, moves us from suffering and conflict to happiness and peace, and gradually introduces us to the entire Mahayana Buddhist path to enlightenment.

Sunlight on Shadows - Lama Shenpen Drolma 2021-09

The spiritual principles and methods found in this book are at the heart of the path of the bodhisattva. The bodhisattva is one who's committed to ending suffering and bringing about happiness for all beings throughout time and space. This may sound like an impossible goal that has nothing to do with our daily lives. But the way of the bodhisattva can be practiced by anyone, anywhere, at any time. To the extent that we practice it, we can be certain we'll be of true and lasting benefit to ourselves and others. We'll learn how to do that in this book. Everything the bodhisattva does comes from a heart of wisdom and compassion. To be able to do this, the bodhisattva trains their mind in bodhicitta—the wisdom mind of great compassion—for the purpose of increasing their positive qualities and decreasing whatever stands in the way of their being of the greatest benefit. This book is concerned with how we give rise to bodhicitta—how we practice, stabilize, deepen, and, ultimately, realize it. This training is made accessible through extensive, step-by-step teachings, questions and answers from group retreats, and over 50 meditation instructions that walk the contemporary reader through the 2500-year-old training of the bodhisattva.

Introduction to the Middle Way - Chandrakirti 2005-02-08

Introduction to the Middle Way presents an adventure into the heart of Buddhist wisdom through the *Madhyamika*, or "middle way," teachings, which are designed to take the ordinary intellect to the limit of its powers and then show that there is more. This book includes a verse translation of the *Madhyamakavatara* by the renowned seventh-century Indian master Chandrakirti, an extremely influential text of Mahayana Buddhism, followed by an exhaustive logical explanation of its meaning by the modern Tibetan master Jamgön Mipham, composed approximately twelve centuries later. Chandrakirti's work is an introduction to the *Madhyamika* teachings of Nagarjuna, which are themselves a systematization of the *Prajnaparamita*, or "Perfection of Wisdom" literature, the sutras on the crucial but elusive concept of emptiness. Chandrakirti's work has been accepted throughout Tibetan Buddhism as the highest expression of the Buddhist view on the sutra level. With Jamgön Mipham's commentary, it is a definitive presentation of the wisdom of emptiness, a central theme of Buddhist teachings. This book is a core study text for both academic students and practitioners of Mahayana and Vajrayana Buddhism.

Reb Anderson first introduces us to the fundamental ideas of Zen Buddhist practice. Who was Shakyamuni Buddha and what was his central teaching? What does it mean to be a bodhisattva and take the bodhisattva vow? Why should we confess and acknowledge our ancient twisted karma? What is the significance of taking refuge in Buddha, dharma, and sangha? The author explores the ten basic precepts, including not killing, not stealing, not lying, not misusing sexuality, and not using intoxicants. A gifted storyteller, Anderson takes us to the heart of situations, where moral judgments are not easy and we do not have all the answers. With wisdom

The Essence of Buddhism - Traleg Kyabgon 2014-11-11

This comprehensive guide to the Buddhist path from the Tibetan point of view is as accessible as it is complete. Traleg Kyabgon breaks the teachings down conveniently into the three traditional "vehicles," while never letting us forget that the point of all the Dharma is nothing other than insight into the mind and heart. Along the way he provides vivid definitions of fundamental Buddhist concepts such as compassion, emptiness, and Buddha-nature and answers common questions such as: • Why does Buddhism teach that there is "no self"? • Are Buddhist teachings pessimistic? • Does Buddhism encourage social passivity? • What is the role of sex in Buddhist tantra? • Why is it said that samsara is nirvana? • Does it take countless lifetimes to attain enlightenment, or can it be achieved in a moment?

Lion of Speech - Dilgo Khyentse 2020-11-24

A traditional biography on the life of Mipham Rinpoche—one of the greatest 19th-century masters—from Dilgo Khyentse Rinpoche, one of the greatest 20th-century masters. The first half of this volume comprises the first-ever English translation of the biography of Mipham Rinpoche written by Dilgo Khyentse Rinpoche, a teacher to His Holiness the Dalai Lama as well as an entire generation of other teachers and students throughout the Himalayan region and the West. Composed in 1939, it was left behind in Tibet in 1959 when Khyentse Rinpoche went into exile and was lost for fifty-one years before its discovery in 2010 by an extraordinary stroke of good luck. Reverential in tone, it is informed by both oral accounts preserved in notes kept by Khyentse Rinpoche's elder brother and the recollections of Mipham's devoted personal attendant of thirty-seven years. In keeping with the identification of Mipham as an emanation of Manjushri, the lion of speech, the second half comprises a selection of Mipham's writings, designed to give the reader an experience of Mipham's eloquent speech and incisive thought. It includes both a new translation of *The Lion's Roar: A Comprehensive Discourse on the Buddha-Nature and A Lamp to Dispel the Dark*, a teaching of the Great Perfection, as well as excerpts from previously published translations of his works on *Madhyamaka* and tantra.

The Nectar of Manjushri's Speech - Kunzang Pelden 2010-02-09

The Bodhicharyavatara, or *Way of the Bodhisattva*, composed by the eighth-century Indian master Shantideva, has occupied an important place in the Tibetan Buddhist tradition throughout its history. It is a guide to cultivating the mind of enlightenment through generating the qualities of love, compassion, generosity, and patience. In this commentary, Kunzang Pelden has compiled the pith instructions of his teacher Patrul Rinpoche, the celebrated author of *The Words of My Perfect Teacher*.

Don't Believe Everything You Think - Thubten Chodron 2013-01-08

It can be hard for those of us living in the twenty-first century to see how fourteenth-century Buddhist teachings still apply. When you're trying to figure out which cell phone plan to buy or brooding about something someone wrote about you on Facebook, lines like "While the enemy of your own anger is un subdued, though you conquer external foes, they will only increase" can seem a little obscure. Thubten Chodron's illuminating explication of Togmay Zangpo's revered text, *The Thirty-seven Practices of Bodhisattvas*, doesn't just explain its profound meaning; in dozens of passages she lets her students and colleagues share first-person stories of the ways that its teachings have changed their lives. Some bear witness to dramatic transformations—making friends with an enemy prisoner-of-war, finding peace after the murder of a loved one—while others tell of smaller lessons, like waiting for something to happen or coping with a minor injury.

The Way of the Bodhisattva - Shantideva 2008-10-14

Treasured by Buddhists of all traditions, *The Way of the Bodhisattva* (Bodhicharyavatara) is a guide to cultivating the mind of enlightenment and to generating the qualities of love, compassion, generosity, and patience. This text has been studied, practiced, and expounded upon in an unbroken tradition for centuries. Presented in the form of a personal meditation in verse, it outlines the path of the Bodhisattvas—those who renounce the peace of individual enlightenment and vow to work for the liberation of all beings and to attain buddhahood for their sake. This version is translated from the Tibetan and includes a foreword by His Holiness the Dalai Lama, a translator's preface, a thorough introduction, a note on the translation, and three appendices of commentary by the Nyingma master Kunzang Pelden.

In *The Places That Scare You*, Pema Chödrön provides essential tools for dealing with the many difficulties that life throws our way, teaching us how to awaken our basic human goodness and connect deeply with others—to accept ourselves and everything around us complete with faults and imperfections. Drawing from the core teachings of Buddhism, she shows the strength that comes from staying in touch with what's happening in our lives right now and helps us unmask the ways in which our egos cause us to resist life as it is. Returning to Silence - Dainin Katagiri 2017-10-24

For twenty-five hundred years Buddhism has taught that everyone is Buddha—already enlightened, lacking nothing. But still there is the question of how we can experience that truth in our lives. In this book, Dainin Katagiri points to the manifestation of enlightenment right here, right now, in our everyday routine. Genuineness of practice lies in "just living" our lives wholeheartedly. The Zen practice of sitting meditation (zazen) is this not a means to an end but is the activity of enlightenment itself. That is why Katagiri Roshi says, "Don't expect enlightenment—just sit down!" Based on the author's talks to his American students, *Returning to Silence* contains the basic teachings of the Buddha, with special emphasis on the meaning of faith and on meditation. It also offers a commentary on "The Bodhisattva's Four Methods of Guidance" from Dogen Zenji's *Shobogenzo*, which speaks in depth about the appropriate actions of those who guide others in the practice of the Buddha Way. Throughout these pages, Katagiri Roshi energetically brings to life the message that "Buddha is your daily life."

Great Eastern Sun - Chogyam Trungpa 2001-07-17

"In Shambhala: The Sacred Path of the Warrior Chögyam Trungpa offers an inspiring and practical guide to enlightened living based on the Shambhala journey of warriorship, a secular path taught internationally through the Shambhala Training program. *Great Eastern Sun: The Wisdom of Shambhala* is a continuation of that path. Shambhala was an exploration of human goodness and its potential to create an enlightened society—a state that the author calls "nowness." And in that spirit of nowness, *Great Eastern Sun*—which is accessible to meditators and nonmeditators alike—centers on the question, "Since we're here, how are we going to live from now on?"

The Heart of Compassion - Dilgo Khyentse 2007-05-29

What would be the practical implications of caring more about others than about yourself? This is the radical theme of this extraordinary set of

instructions, a training manual composed in the fourteenth century by the Buddhist hermit Ngulchu Thogme, here explained in detail by one of the great Tibetan Buddhist masters of the twentieth century, Dilgo Khyentse. In the Mahayana tradition, those who have the courage to undertake the profound change of attitude required to develop true compassion are called bodhisattvas. Their great resolve—to consider others' needs as paramount, and thus to attain enlightenment for the sake of all living creatures—carries them beyond the limits imposed by the illusions of "I" and "mine," culminating in the direct realization of reality, transcending dualistic notions of self and other. This classic text presents ways that we can work with our own hearts and minds, starting wherever we find ourselves now, to unravel our small-minded preoccupations and discover our own potential for compassion, love, and wisdom. Many generations of Buddhist practitioners have been inspired by these teachings, and the great masters of all traditions have written numerous commentaries. Dilgo Khyentse's commentary is probably his most extensive recorded teaching on Mahayana practice. For more information about the author, Dilgo Khyentse, visit his website at www.shechen.org.

- What is karma?
- If all phenomena are empty, does that mean nothing exists?

- What are the qualities I should look for in a teacher?
- What is Buddha-nature?
- Why can't we remember our past lives?

Treasury of Precious Qualities: Book One - Longchen Yeshe Dorje 2010-04-20

This book is a translation of the first part of Jigme Lingpa's *Treasury of Precious Qualities*, which in a slender volume of elegant verses sets out briefly but comprehensively the Buddhist path according to the Nyingma

school. The concision of the root text and its use of elaborate poetic language, rich in metaphor, require extensive explanation, amply supplied here by the commentary of Kangyur Rinpoche. The present volume lays out the teachings of the sutras in gradual stages according to the traditional three levels, or scopes, of spiritual endeavor. It begins with essential teachings on impermanence, karma, and ethics. Then, from the Hinayana standpoint, it describes the essential Buddhist teachings of the four noble truths and the twelve links of dependent arising. Moving on, finally, to the Mahayana perspective, it expounds fully the teachings on bodhicitta and the path of the six paramitas, and gives an unusually detailed exposition of Buddhist vows.

When Things Fall Apart - Pema Chödrön 2005-01-11

A Guide to the Bodhisattava's Way of Life - Shantideva 2017-01-01

Shantideva's *Bodhisattvacharyavatara* (*A Guide to the Bodhisattva's Way of Life*) holds a unique place in Mahayana Buddhism akin to that of the *Dhammapada* in Hinayana Buddhism and the *Bhagavadgita* in Hinduism. In combining those rare qualities of scholastic precision, spiritual depth and poetical beauty, its appeal extends to a wide audience of Buddhists and non-Buddhists alike. Composed in India during the 8th century of the Christian era, it has since been an inspiration to millions of people throughout the world. This present translation by Stephen Batchelor is based upon a 12th century Tibetan commentary as orally explained by Ven. Geshe Ngawang Dhargyey. The ninth chapter on wisdom has been expanded for this edition with relevant commentarial passages.
