I Am Malala - Malala Yousafzai
2013-10-08

A MEMOIR BY THE
YOUNGEST RECIPIENT OF
THE NOBEL PEACE PRIZE As
seen on Netflix with David
Letterman "I come from a
country that was created at
midnight. When I almost died it
was just after midday." When
the Taliban took control of the

Swat Valley in Pakistan, one
girl spoke out. Malala
Yousafzai refused to be
silenced and fought for her
right to an education. On
Tuesday, October 9, 2012,
when she was fifteen, she
almost paid the ultimate price.
She was shot in the head at
point-blank range while riding
the bus home from school, and

few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Wild Justice - Wilbur Smith
2018-01-01

An action-packed terrorist thriller from global bestseller Wilbur Smith "The blonde girl held up her left hand and showed him the shiny grey egg. 'This is a special grenade, designed for killing the occupants of a battle tank,' she said quietly. 'It could blow the fuselage of this aircraft open like a paper bag or kill by concussion any human being within fifty yards.' She watched their faces, saw the fear bloom like an evil flower." One man wants to rule the world. One man needs to stop him. A passenger plane bound for London is taken hostage by the Action Commando for Human Rights. The passengers' only hope is Peter Stride, leader of Thor Command, who uncovers the real leader of this operation, a shadowy figure known only as Caliph with plans as mysterious as they are

violent. When Thor Command obtains evidence that Caliph has agents in almost every country, and is behind nearly every major terrorist activity, Peter understands that no one close to him is safe. But he also learns Caliph's ultimate, terrifying goal: control of the entire world. Is Peter capable of doing what it takes to stop Caliph —once and for all?
Hoosiers and the American Story - Madison, James H.
2014-10-01

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's

stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

The Everything Store - Brad Stone 2013-10-15

The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low

prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

A Government of Wolves - John W. Whitehead 2013-06

“A NATION OF SHEEP WILL BEGET A GOVERNMENT OF WOLVES”-EDWARD R.

MURROW America is fast moving into a state of lockdown. Surveillance cameras, drug-sniffing dogs, SWAT team raids, roadside strip searches, blood draws at DUI checkpoints, mosquito drones, tasers, privatized prisons, GPS tracking devices, zero tolerance policies, overcriminalization, free speech zones—these are all symptoms of the emerging police state in America. *A GOVERNMENT OF WOLVES* paints a chilling portrait of a nation in the final stages of transformation into outright

authoritarianism, whose citizens have become little more than a nation of suspects to be cowed, corralled, and controlled. Pulling from his extensive knowledge of constitutional law, history, and futuristic films, John W. Whitehead helps readers navigate this treacherous terrain and provides them with a blueprint for hopefully finding their way back to freedom.

Wolf Rebel - Paige Tyler 2019-11-26

She let him get away SWAT werewolf Rachel Bennett is hounded by nightmares after a vicious attack left her with PTSD. Not knowing who or what she can trust anymore, she's relieved to be assigned to a high-profile protective detail. Diving into work might be the distraction she needs, until she notices the mysterious hunk who seems to follow her wherever she goes—and recognizes him. Now he needs her help... After he's badly injured, former Navy SEAL Knox Lawson seeks out Rachel when he realizes he's turning

into a werewolf. He'd once been part of the group hunting her kind, but he knew he had to quit when he found Rachel in his crosshairs. Now he desperately needs her help. Rachel isn't sure she trusts Knox, but having him around keeps the nightmares—and the monster creating them—away. Knox might not know much about being a werewolf, but there's no doubt he'll do everything in his power to win her trust and keep her safe. Wolf Instinct - Paige Tyler
2019-06-25

A dark alpha romance set in a world of paranormal special operatives. He's a wolf shifter. She hunts monsters. But the heat between them is undeniable. SWAT werewolf Zane Kendrick is on a hunt to take down the man who attacked his pack. He has a duty to the other shifters, and he's not going to be swayed by the smart, sexy agent who comes to his aid. But there's no denying his wolf instincts telling him to do everything he can to protect her—his one true mate. FBI agent Alyssa Carson is supposed to be working on a case, not getting distracted by the dark promises in Zane's eyes. But this gorgeous alpha is hard to

ignore, particularly when he's whispering to her in his British accent. If she doesn't get her head in the game and start finding answers, both she and Zane could be at risk. As the stakes ratchet up, it'll take everything they have to make it out of this mission with their lives—and hearts—intact. Get ready for some serious smoldering: This shifter romance includes a protective alpha (with a British accent!) who falls for a woman who's supposed to be his enemy, high action and high heat, and a sinister subplot that will leave readers gasping.

Wolf Untamed - Paige Tyler

2020-11-24

The guys in the Special Wolf

Alpha Team (SWAT) are hotter

than ever. SWAT werewolf

Diego Martinez was on a

mission to save lives when he

walked into the hostage

situation—he didn't expect to

find a newly turned teenage

werewolf and the kid's fiercely

protective mother. For Bree

Harlow and her son, Brandon,

Diego is a godsend, and not

just because he saved the day.

Bree has spent the years since

her divorce trying to do her

best by Brandon. But lately the

boy who used to tell her

everything has been keeping

secrets. In the face of all the bizarre things happening at home, there's something about Diego that Bree can't resist—especially when he's able to explain Brandon's new abilities. But the hostage incident was just the start in a wave of violence that no one can explain, and when Bree and Brandon are caught in the middle, Diego will do everything in his power to protect the family he wants as his own. It was like she'd robbed him of the ability to speak. Shooting her wasn't an option, though. And the idea of arresting her didn't make him feel any better. There's a

new gang of criminals in town who are organized and ruthless in the extreme. When Eric Becker, along with the rest of the Dallas SWAT team, ends up in the middle of a shootout, he immediately senses werewolves—a lot of them. Turns out, the new bad guys are a pack of wolf shifters. In a spray of gunfire, Becker comes face-to-face with the most gorgeous woman he's ever seen. Becker does the logical thing. He hides her and leaves the scene with the rest of his team. Jayna Winston has no idea why that SWAT guy helped her, but she's glad he did. Ever since she and her pack mates got mixed up with those Eastern European mobsters, everything had pretty much fallen apart. Life of Pi - Yann Martel
2022-01-27

"Life of Pi will make you believe in the power of theatre" (Times). After a cargo ship sinks in the middle of the vast Pacific Ocean, there are five survivors stranded on a lifeboat - a hyena, a zebra, an orangutan, a Royal Bengal tiger, and a sixteen year-old boy named Pi. Time is against them, nature is harsh, who will survive? Based on one of the most extraordinary and best-loved works of fiction - winner of the Man Booker Prize, selling over fifteen million copies worldwide - and featuring breath-taking puppetry and state-of-the-art visuals, *Life of Pi* is a universally acclaimed, smash hit adaptation of an epic journey of endurance and hope. Adapted by acclaimed playwright Lolita Chakrabarti, this edition was published to

coincide with the West End premiere in November 2021.

Red Wolf - Jennifer Ashley
2017-05-02

The New York Times bestselling author of *Guardian's Mate* returns to the world of the Shifters and a tale of a new love under fire... A man is only as strong... Red wolf Shifter Dimitri has fought his whole life for respect. It is claimed that red wolves are tainted with coyote blood and therefore not pure. He may not be skilled at verbally defending himself, but because he's a bodyguard, tracker, and champion of the fight clubs, his fists are always ready for some rough and tumble. However, he'd prefer a roll in the hay with the woman who is his oldest friend. ...as the woman who's got his back... A spirited leopard Shifter and a fellow tracker, Jaycee Bordeaux has no problem forging a mate bond with Dimitri, but soon the two are called to infiltrate a rogue group bent on enslaving Shifters. Jaycee may have defended Dimitri from taunts before, but they now face a

more lethal danger—one that threatens not only the future of their people, but also their love.

Wolf Boys - Dan Slater
2016-09-13

The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican-American detective who realizes the War on Drugs is unstoppable. "A hell of a story...undeniably gripping." (The New York Times) In this astonishing story, journalist Dan Slater recounts the unforgettable odyssey of Gabriel Cardona. At first glance, Gabriel is the poster-boy American teenager: athletic, bright, handsome, and charismatic. But the ghettos of Laredo, Texas—his border town—are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn't long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico's most dangerous drug cartel: Los Zetas. Friends from his

childhood join him and eventually they catch the eye of the cartel's leadership. As the cartel wars spill over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia's pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In *Wolf Boys*, Slater takes readers on a harrowing, often brutal journey into the heart of the Mexican drug trade. Ultimately though, *Wolf Boys* is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

Dead Sexy - Paige Tyler
2011-07-01

Romance author Simone Kent thinks she might just have found the most perfect guy in all of New York City-in bed and out. But Drake Parrish is about as far from perfect as any man can get. Eight years ago, he was cursed by an evil Voodoo priestess to live part of his life as a zombie. Since then he has lived like a recluse on New York's Upper East Side, afraid to go out for fear he'll suddenly turn into one of the walking dead. The sex is the hottest either of them has ever experienced and Simone discovers just how naughty she can be with Drake, while he finds himself experiencing things for Simone that he hasn't felt in a very long time. When the Voodoo priestess learns of their relationship, however, she comes after him again. She's determined he won't have a future with Simone, even if that means

killing both him and the woman he loves.

The Challenger Sale -

Matthew Dixon 2011-11-10

What's the secret to sales success? If you're like most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, The Challenger Sale argues that classic relationship building is a losing approach, especially when it comes to selling complex,

large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and while all of these types of reps can deliver average sales performance, only one—the Challenger—delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales

force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers' expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth.

Staring Down the Wolf -
Mark Divine 2020-03-03
A leadership book by former

Navy SEAL and New York Times bestselling author Mark Divine, *Staring Down the Wolf* focuses on harnessing the principles of purpose and discipline in life to achieve success. What does it take to command a team of elite individuals? It requires a commitment to seven key principles: Courage, Trust, Respect, Growth, Excellence, Resiliency, and Alignment. All of these are present in an elite team which commits to them deeply in order to forge the character worthy of uncommon success. Retired Navy SEAL Commander, entrepreneur and New York Times bestselling author Mark Divine (founder of SEALFIT, NavySeal.com, and Unbeatable Mind) reveals what makes the culture of an elite team, and how to get your own team to commit to serve at an elite level. Using principles he learned on the battlefield, training SEALs, and in his own entrepreneurial and growth company ventures, Mark knows what it is to lead elite teams, and how easily the team can fail by breaching these

commitments. Elite teams challenge themselves to step up everyday to do the uncommon. Developing the principles yourself and aligning your team around these commitments will allow you to thrive in VUCA (volatility, uncertainty, complexity, ambiguity) environments, no matter your background or leadership experience. Drawing from his twenty years leading SEALs, and twenty five years of success and failure in entrepreneurship and ten years coaching corporate clients, Mark Divine shares a very unique perspective that will allow you to unlock the tremendous power of your team. "Mark Divine has a gift for creating highly effective dynamic teams. Mark interleaves key aspects of leadership, mental toughness, resiliency and cultivating higher plains of existence into a foundational concept of being an authentic 'Leader of leaders.' This book is indispensable for anyone looking to lead, build and foster an elite culture." -Mike

Magaraci, retired Force Master Chief of Naval Special Warfare "From his time as a Commander in the SEAL Teams to building several successful multimillion dollar businesses, Mark Divine is an authority on building elite teams and leaders capable of tapping their fullest potential." -David Goggins, Retired Navy SEAL, author of New York Times Bestseller Can't Hurt Me "To grow to your fullest capacity in your life and as a leader, we need to challenge ourselves. There's no one I know who's challenged himself more than Mark Divine. He's the perfect visionary to help get you out of your comfort zone and shattering the status quo." -Joe De Sena, Founder and CEO of Spartan *Wolf Heat* - Paige Tyler 2018-10-30
PARANORMAL ROMANTIC SUSPENSE Werewolf SWAT Office Jayden Brooks has yet to meet The One-but when he rescues teacher Selena Rosa from a hostage situation at her high school, he knows he's in trouble. Her scent is

irresistible. There's a reason for that powerful scent—and it isn't an expensive perfume. Thanks to the traumatizing events at the school, the werewolf gene flipped on and Selena's going through the change. Even scarier, she's on track to become an omega—an out-of-control and violent breed. It's going to take everything Brooks' has if he wants any chance to pull her back from the edge...and ultimately win her heart.

Wolf Unleashed - Paige Tyler

"A SWAT team of hunky werewolves? I think I have an emergency NOW!!" —Kerrellyn Sparks, New York Times bestselling author for *In the Company of Wolves* SHE BRINGS OUT THE WOLF IN HIM Lacey Barton can't deny her crazy attraction to Alex Trevino, but that doesn't mean she has time for the gorgeous SWAT officer. She's hell-bent on discovering who's behind the brutal dogfights sending countless mauled animals to her veterinarian office. The trail leads Lacey to a ring of

vicious drug dealers and suddenly she's in way over her head—right smack in the middle of a SWAT stakeout. With Lacey in danger, Alex's wolf side is unleashed. But when she witnesses Alex shift, she's even more terrified... Now it's up to Alex to crack the case—and earn back Lacey's trust and, ultimately, her heart. SWAT (Special Wolf Alpha Team) Series Hungry Like the Wolf (Book 1) Wolf Trouble (Book 2) In the Company of Wolves (Book 3) To Love a Wolf (Book 4) Wolf Unleashed (Book 5) More praise for Paige Tyler's SWAT series: "Wolf Trouble is about as good as it gets."—Booklist "Scorching heat and sensual spark...A must read."—Publishers Weekly "A steamy...action-packed walk on the wild side!"—J.D. Tyler, bestselling author of the Alpha Pack series **The Chapo Guide to Revolution** - Chapo Trap House 2019-10-15 Instant New York Times bestseller "Howard Zinn on acid or some bullsh*t like that." —Tim Heidecker The creators

of the cult-hit podcast Chapo Trap House deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the Chapo Way. In a guide that reads like “a weirder, smarter, and deliciously meaner version of The Daily Show’s 2004 America (The Book)” (Paste), Chapo Trap House shows you that you don’t have to side with either sinking ships. These self-described “assholes from the internet” offer a fully ironic ideology for all who feel politically hopeless and prefer broadsides and tirades to reasoned debate. Learn the “secret” history of the world, politics, media, and everything in-between that THEY don’t want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after

dinner without ever becoming a poster, gamer, or podcaster. A book that’s “as intellectually serious and analytically original as it is irreverent and funny” (Glenn Greenwald, New York Times bestselling author of No Place to Hide) The Chapo Guide to Revolution features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, “never before seen” drafts of Aaron Sorkin’s Newsroom manga, and the ten new laws that govern Chapo Year Zero (everyone gets a dog, billionaires are turned into SoyLent, and logic is outlawed). If you’re a fan of sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we’re in, then Chapo, let’s go...
