Black Flowers, White Lies - Yvonne Ventresca
2016-10-04

Her father died before she was born, but Ella Benton knows they have a supernatural connection. Since her mother discourages these beliefs, Ella keeps her cemetery visits secret. But she may not be the only one with secrets. Ella's mother might be lying about how Dad died sixteen years ago. Newfound evidence points to his death in a psychiatric hospital, not as a result of a tragic car accident as her mother always claimed. After a lifetime of just the two of them, Mom suddenly feels like a stranger. When a handprint much like the one Ella left on her father's tombstone mysteriously appears on the bathroom mirror, at first she wonders if Dad is warning her of danger as he did once before. If it's not a warning, could her new too-good-to-be-true boyfriend be responsible for the strange occurrences? Or maybe it's the grieving building superintendent whose dead daughter strongly resembles Ella? As the unexplained events become more frequent and more sinister, Ella becomes terrified about who—or what—might harm her. Soon the evidence points to someone else entirely: Ella herself. What if, like her father, she's suffering from a breakdown? In this second novel from award-winning author Yvonne Ventresca, Ella desperately needs to find answers, no matter how disturbing the truth

might be. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Martinique Alive Guide - Lynne Sullivan
2011-04-15

The earliest inhabitants called it the island of flowers and Christopher Columbus was so awed by it that he wrote it is the best, most fertile, the softest... the most charming place in the world. You'll understand these accolades when you see Martinique for the first time. The volcanic mass is covered in luxuriant greenery, outlined in soft sand and sprinkled with colorful blooms. Part of the Lesser Antilles, the island is separated from its French sibling, Guadeloupe, by the British island of Dominica. Mont Pelée, a 4,470-foot active volcano, dominates the far northern region and the lofty peaks of the Pitons du Carbet tower over the central plains. Inland, a dense rain forest provides shelter for an array of wild vegetation. To the south, the terrain turns hilly with rounded formations called mornes, and uncommon succulents thrive in the arid soil. Tourists are drawn to the white-sand beaches that line the southern coast washed by the Caribbean to the west; battered by the Atlantic on the east. Most of the island's activity is centered around the bay that cuts deeply into the southwestern shoreline. The bustling capital city of Fort-de-France wraps around the north side of this bay. The most popular resort towns stretch along its south side. Martinique has traditionally been called the Paris of the Antilles and a little piece of France in the Caribbean. Evidence of this truth is everywhere and, although there are other French Caribbean islands, Martinique radiates more of the culture and charm of cosmopolitan Paris. Restaurants serve haute cuisine, stores display haute couture and people speak haute Français. However, in true West Indies fashion, you're just as likely to be served spicy Créole at a beach-side café by an islander wearing madras and speaking thickly-accented patois. Don't let rumors of unfriendly French islanders keep you away from this fabulous vacation spot. Perhaps the locals were a bit aloof in the past, but recently they have taken giant steps toward making Americans feel welcome. Most hotels employ English-speaking

staff. Traffic signs are being posted in both French and English. Taxi drivers, tour guides, shopkeepers and restaurant employees are taking language lessons and anxiously looking for occasions to practice their pronunciation. This is a unique and highly detailed guide to the island, with full information on all of the hotels, restaurants and things to see and do. It is excerpted from the 650-page Martinique, Guadeloupe, Dominica & St. Lucia Alive guide. *Martinique* - Olivier Rebiere 2018-12-17

The Rose of Martinique - Andrea Stuart
2007-12-01

The acclaimed biography of Josephine Bonaparte, the Caribbean-born Creole who became the first wife of Napoleon and Empress of France. One of the most remarkable women of the modern era, Josephine Bonaparte was born Rose de Tasher on her family's sugar plantation in Martinique. She embodied all the characteristics of a true Creole—sensuality, vivacity, and willfulness. Rescued from near starvation, she grew to epitomize the wild decadence of post-revolutionary Paris. It was there that Josephine first caught the eye of Napoleon Bonaparte. A true partner to Napoleon, she was equal parts political adviser, hostess par excellence, confidante, and passionate lover. Josephine managed to be in the forefront of every important episode of her era's turbulent history: from the rise of the West Indian slave plantations that bankrolled Europe's rapid economic development, to the decaying of the ancien régime, to the French Revolution itself, from which she barely escaped the guillotine. Using diaries and letters, Andrea Stuart brings her so utterly to life that we finally understand why Napoleon's last word before dying was the name he had given her: Josephine. "A comprehensive and truly empathetic biography. Andrea Stuart, who was raised in the Caribbean, combines scholarly distance with a genuine attempt to understand her heroine."

Grenada, Carriacou and Petite Martinique - Paul Crask 2009

TRAVEL & HOLIDAY GUIDES. The volcanic island of Grenada and the smaller Grenadines, Carriacou and Petite Martinique, sit at the southern tip of the Windward Islands chain in the eastern Caribbean. In 2004, they were decimated by Hurricane Ivan. The nutmeg trees on which the economy was once reliant were destroyed, and buildings and infrastructure collapsed. But now the islands have been rebuilt, renovated and improved. They are once more open for business, and enjoying a newfound prosperity as visitor numbers increase year on

year. This guide takes hikers on treks through the rainforest, and divers to The Bianca C, the largest shipwreck in the Caribbean. It shows cultural visitors the nation's diverse heritage and rich musical traditions and leads those in need of a little lie-down to unspoilt beaches and secluded coves.

[Travel Guide to the Jewish Caribbean and South America, A](#) - Frank, Ben G. 2010-09-23

A Travel Guide to the Jewish Caribbean and South America is a tremendous work encompassing history, culture, and modern travel to some of the most important sites in these places. This is a practical, anecdotal, and adventurous journey including kosher restaurants, cafes, synagogues, and museums, plus cultural and heritage sites. Though many understand American Jewish history as beginning with the East European mass immigration of the nineteenth and early twentieth centuries, Jews in the Americas planted roots as early as 1654, when twenty-three Jews fleeing the Inquisition arrived in New Amsterdam. While the European roots of American Jews are often explored, less discussed are the still-vibrant Jewish communities throughout the Caribbean and Latin America. Explored here are the oldest surviving synagogue in the Western Hemisphere, Mikve Israel in Curaçao; the largest Jewish community in the Caribbean, in Puerto Rico; the three synagogues in Havana, Cuba; the Israeli cafe in Cuzco, Peru, near the historic Inca site, Machu Picchu; and other Jewish sites from Buenos Aires to Mexico City. Also included are general travel information and tips.

[Race and Racism in Continental Philosophy](#) - Robert Bernasconi 2003-06-18

The 15 original essays in *Race and Racism in Continental Philosophy* explore the resources that continental philosophy brings to debates about contemporary race theory and investigate the racism of some of Europe's most important thinkers. Attention is devoted to the influence of the work of W. E. B. Du Bois, Jean-Paul Sartre, Richard Wright, and Frantz Fanon. Questions about race in European philosophy -- especially in the work of Nietzsche, Heidegger, Lévi-Strauss, and Arendt -- are also considered. This volume provides an indispensable critical introduction to new perspectives on thinking about race and racism.

This collection, entitled Plucking a Poetic String: "Living and Loving" (with some other writings) hopefully will provide a partial glimpse of just who I am, where I have been, and what I have seen and felt along the way. In the following pages of poems (over fifty) and other writings are some of my major inspirations (starting as far back as 1977). Every encounter with people, places, and things everywhere has taught me a lot about life, and the writings have become a reflection of my experiences. All the poems and other writings complete the 2015 Legacy I volume, particularly dedicated to my family but

also shared with friends, acquaintances, and others I am meeting every day. May you find some thoughts within these pages that will be meaningful enough to remind you of people, places, and things "too special to forget."

The Journeying Moon - Ernle Bradford
2014-04-01

A memoir of life as an adventurer and sailor in the Mediterranean, by the noted naval historian. Ernle Bradford spent his twenty-first birthday in Egypt, serving in the Royal Navy during World War II. It was there that he came across the profoundly affecting words of Anton Chekhov: "Life does not come again; if you have not lived during the days that were given to you, once only, then write it down as lost." After the war, Bradford married and settled in London, but the mandate of those words inspired him and his wife to quit their jobs, sell their home, and sail to France in their small ship Mother Goose. The Journeying Moon chronicles their adventures as they travel through Europe and the Mediterranean. From the people of Malta who believed Bradford was a spy from MI5, to his interactions with the Sicilian Mafia, Bradford tells the charming and vivid tale of his days as a true adventurer.
