

Reasons To Love Boris Johnson Political Gift For

This is likewise one of the factors by obtaining the soft documents of this **Reasons To Love Boris Johnson Political Gift For** by online. You might not require more get older to spend to go to the ebook introduction as competently as search for them. In some cases, you likewise get not discover the revelation Reasons To Love Boris Johnson Political Gift For that you are looking for. It will extremely squander the time.

However below, as soon as you visit this web page, it will be appropriately unconditionally simple to acquire as skillfully as download guide Reasons To Love Boris Johnson Political Gift For

It will not endure many grow old as we explain before. You can accomplish it though bill something else at house and even in your workplace. thus easy! So, are you question? Just exercise just what we meet the expense of under as well as review **Reasons To Love Boris Johnson Political Gift For** what you behind to read!

London 2012 and the Post-Olympics City - Phil Cohen 2017-09-20

This book brings together a body of new research which looks both backwards and forwards to consider how far the London 2012 Olympic legacy has been delivered and how far it has been a hollow promise. Cohen and Watt consider the lessons that can be learnt from the London experience and aptly apply them to other host cities, specifically Rio 2016 and Tokyo 2020. The Olympics are often described as a 'mega-event' in a way that assumes the host cities have no other existence outside, before or beyond the contexts imposed by the Games themselves. In terms of regeneration, the London 2012 Olympics promised to trigger a mega-regeneration project that was different to what had come before. This time the mistakes of other large-scale projects like London Docklands and Canary Wharf would be put right: top-down planning would be replaced by civic participation, communication and 'the local'. This edited collection questions how far the 2012 London legacy really is different. In so doing, it brings fresh evidence, original insights and new perspectives to bear on the post-Olympics debate. A detailed and well-researched study, this book will be of great interest to scholars of urban geography, sociology, urban planning, and sports studies.

Friends Voters Countrymen - Boris Johnson 2002

Falling Down - Phil Burton-Cartledge 2021-09-14

Despite winning the December 2019 General Election, the Conservative parliamentary party is a moribund organisation. It no longer speaks for, or to, the British people. Its leadership has sacrificed the long-standing commitment to the Union to 'Get Brexit Done'. And beyond this, it is an intellectual vacuum, propped up by half-baked doctrine and magical thinking. Falling Down offers an explanation for how the Tory party came to position itself on the edge of the precipice and offers a series of answers to a question seldom addressed: as the party is poised to press the self-destruct button, what kind of role and future can it have? This tipping point has been a long time coming and Burton-Cartledge offers critical analysis to this narrative. Since the era of Thatcherism, the Tories have struggled to find a popular vision for the United Kingdom. At the same time, their members have become increasingly old. Their values have not been adopted by the younger voters. The coalition between the countryside and the City interests is under pressure, and the latter is split by Brexit. The Tories are locked into a declinist spiral, and with their voters not replacing themselves the party is more dependent on a split opposition - putting into question their continued viability as the favoured vehicle of British capital.

For the Record - David Cameron 2019-09-24

David Cameron was elected Conservative leader in 2005, promising to modernize the party following its three successive electoral defeats. He became Prime Minister in 2010, forming Britain's first coalition government in 70 years, at a moment of economic crisis, and went on to win the first outright Conservative majority for 23 years at the 2015 general election. In For the Record, he will explain how the governments he led transformed the UK economy while implementing a modern, compassionate agenda that included reforming education and welfare, legalizing gay marriage, honoring the UK's commitment to overseas aid and spearheading environmental policies. He will shed light on the seminal world events of his premiership—the Arab Spring; the rise of ISIS; the invasion of Ukraine; the conflicts in Libya, Iraq and

Syria—as well as events at home, from the Olympic Games in 2012 to the Scottish referendum. He will provide, for the first time, his perspective on the EU referendum and his views on the future of Britain's place in the world following Brexit. Revealing the battles and achievements of his life and career in intimate and frank detail, For the Record will be an important assessment of the significant political events of the last decade, the nature of power and the role of leadership at a time of profound global change.

An Unsolicited Gift - Dennis Friedman 2010

This book reveals the powerful influence of parenting which is far greater than is generally accepted. It sheds light on the early interactions between mother and infant and demonstrates how clearly understood 'babble talk' and body language can help a child later adopt a lifestyle which is appropriate to his talents. The significant decisions he will make as an adult range from the work he does, the leisure activities he enjoys, his choice of partner and his sexual interests.

Elements of Wit - Benjamin Errett 2014-10-07

Got wit? We've all been in that situation where we need to say something clever, but innocuous; smart enough to show some intelligence, without showing off; something funny, but not a joke. What we need in that moment is wit—that sparkling combination of charm, humor, confidence, and most of all, the right words at the right time. Elements of Wit is an engaging book that brings together the greatest wits of our time, and previous ones from Oscar Wilde to Nora Ephron, Winston Churchill to Christopher Hitchens, Mae West to Louis CK, and many in between. With chapters covering the essential ingredients of wit, this primer sheds light on how anyone—introverts, extroverts, wallflowers, and bon vivants—can find the right zinger, quip, parry, or retort...or at least be a little bit more interesting.

Chums - Simon Kuper 2022-04-28

THE SUNDAY TIMES BESTSELLER Power. Privilege. Parties. It's a very small world at the top. 'A searing onslaught on the smirking Oxford insinuation that politics is all just a game. It isn't. It matters' Matthew Parris 'A sparkling firework of a book' Lynn Barber, Spectator 'Exquisite and depressing in equal measure' Matthew Syed, Sunday Times Boris Johnson, Michael Gove, David Cameron, George Osborne, Theresa May, Dominic Cummings, Daniel Hannan, Jacob Rees-Mogg: Whitehall is swarming with old Oxonians. They debated each other in tutorials, ran against each other in student elections, and attended the same balls and black tie dinners. They aren't just colleagues - they are peers, rivals, friends. And, when they walked out of the world of student debates onto the national stage, they brought their university politics with them. Eleven of the fifteen postwar British prime ministers went to Oxford. In Chums, Simon Kuper traces how the rarefied and privileged atmosphere of this narrowest of talent pools - and the friendships and worldviews it created - shaped modern Britain. A damning look at the university clique-turned-Commons majority that will blow the doors of Westminster wide open and change the way you look at our democracy forever.

Global Media Perceptions of the United States - Yahya R. Kamalipour 2021-02-15

As a timely portrait of international perceptions and media coverage of the United States, this comprehensive collection reveals the global effects of the tumultuous environments and controversial views promoted during the Donald J. Trump presidency. More than thirty accomplished and prominent media,

communication, and journalism scholars represent twenty countries with methodically researched assessments of their respective country's major national newspapers, social media, or comprehensive public opinion surveys. Together, these analyses offer a unique cross-cultural approach that helps students and scholars understand the image of the USA and President Trump through the eyes of politicians, media personalities, and ordinary people across the globe.

Johnson's Life of London - Boris Johnson 2012-05-31

The exhilarating story of how London came to be one of the most exciting and influential places on earth—from the city's colorful, witty, and well-known mayor. Once a swampland that the Romans could hardly be bothered to conquer, over the centuries London became an incomparably vibrant metropolis that has produced a steady stream of ingenious, original, and outsized figures who have shaped the world we know. Boris Johnson, the internationally beloved mayor of London, is the best possible guide to these colorful characters and the history in which they played such lively roles. Erudite and entertaining, he narrates the story of London as a kind of relay race. Beginning with the days when “a bunch of pushy Italian immigrants” created Londinium, he passes the torch on down through the famous and the infamous, the brilliant and the bizarre—from Hadrian to Samuel Johnson to Winston Churchill to the Rolling Stones—illuminating with unforgettable clarity the era each inhabited. He also pauses to shine a light on innovations that have contributed to the city's incomparable vibrancy, from the King James Bible to the flush toilet. As wildly entertaining as it is informative, this is an irresistible account of the city and people that in large part shaped the world we know.

The Prime Ministers - Iain Dale 2020-11-12

It has almost been 300 years since Sir Robert Walpole arguably became the first holder of the office of Prime Minister in 1721 - an office which today is under scrutiny like never before. The Prime Ministers, edited by leading political commentator Iain Dale, brings to life all 55 of Britain's 'First Among Equals' with an essay for each office holder, written by key figures in British politics. From the obscure 18th-century figures like the Earl of Shelburne to 20th-century titans like Churchill and Thatcher, this book provides a much-needed reminder about their motivations, failures and achievements.

Civilizing the State - John Restakis 2021-11-02

The liberal state is dead, long live the partner state Across the world, the liberal nation state is on its knees. Rising inequality, deep political polarization, and the pervasive power of corporations are tearing apart the social contract and threatening to crush democracy. Civilizing the State traces the history and development of the liberal state and its changing role from the enabler of capitalism to protector of citizen welfare, to its hollowing out and capture by corporate and elite interests rendering it unfit to address the compounding crises of inequality, injustice, ecological collapse, and loss of legitimacy. Author John Restakis explores citizen-powered alternatives and experiments in co-operation, deep democracy, solidarity economics, and commoning from Spain, India, the global peasant movement, and the emerging stateless democracy of Rojava rising from the wreckage of the Syrian civil war. The final section views the current crisis as an opportunity to reimagine the state not as handmaid to predatory elites but as a partner state that promotes equity, economic democracy, co-operation, and human thriving, driven by deep democracy and a fully sovereign civil society. Incisive, penetrating, and inspirational, this is essential reading for all engaged citizens with a stake in co-creating a better future for all.

First Lady - Michael Ashcroft 2022-03-18

“Well researched and insightful ... By writing First Lady, Michael Ashcroft has done us a favour ... This book tells us a lot about the way Britain under Boris Johnson is being run.” - Kathy Gyngell, The Conservative Woman “[The] explosive book that has set Westminster alight.” - Mail on Sunday Carrie Johnson is not only the consort of the Prime Minister, Boris Johnson; she is also considered by some to be the second most powerful unelected woman in Britain after the Queen. Since she moved into Downing Street in July 2019, questions have been raised about her perceived influence, her apparent desire to control events, and the number of her associates who have been appointed to positions of standing in the government machine. So, are these concerns justified? In this carefully researched unauthorised biography, Michael Ashcroft charts the extraordinary ascent of Mrs Johnson, speaking to multiple sources who have been close to her and to Boris Johnson in recent years to produce a fascinating portrait of a woman who is still under the age of

thirty-five. The book scrutinises Mrs Johnson's colourful family, her attempt to become a professional actress, and her early decision to work in politics. Long before she moved into No. 10, Mrs Johnson made a name for herself as a Conservative Party press aide before becoming a special adviser to two Cabinet ministers and eventually director of communications at Conservative campaign headquarters. Aside from politics, she is also the mother of two young children and campaigns in the fields of the environment and animal welfare. Carrie Johnson is without doubt a very modern prime ministerial spouse. This examination of her career and life offers the electorate the chance to assess exactly what role she plays in Boris Johnson's unpredictable administration and why that matters.

Britain's Best Political Cartoons 2022 - Tim Benson 2022-10-27

In Britain's Best Political Cartoons 2022 the nation's finest satirists turn their eyes and their pens to the biggest, funniest and most poignant news stories of the year so far. Bringing much needed humour to a tumultuous year in politics, this companion features the work of Peter Brookes, Steve Bell, Morten Morland, Nicola Jennings, Christian Adams, Dave Brown, Brian Adcock and many more, alongside captions from Britain's leading cartoon expert. The result is a razor-sharp, witty and essential companion to another year like no other.

'A wonderful book . . . A beautiful thing to look at . . . Our brilliant cartoonists show there is still something to satirise . . . A great stocking filler.' Giles Coren 'A blockbuster collection of the year's funniest political cartoons . . . [compiled by] Britain's leading authority on political cartoons . . . It made us chuckle.' Eamonn Holmes

Boris - Andrew Gimson 2012

A fully updated edition of Gimson's 2006 biography, with new material covering Boris's years as Mayor of London. His distinctive appearance ('Like a haystack on a bicycle'), befuddled manner and ready wit have assured a high media profile and a large fanbase with the general public. In 2008 he was elected Mayor of London with over 1 million votes, the largest personal mandate of any UK politician. In this, the first and most authoritative biography of Boris, Andrew Gimson investigates Boris' twin-faced dilemma - politics or entertainment - and asks how deep his political ambition runs. Boris has transcended his class, education and his various occupations (Mayor of London, Conservative MP for Henley-on-Thames, Conservative spokesman for Higher Education, columnist on the Daily Telegraph, motoring correspondent for GQ, novelist, TV presenter) to become a paradoxical character - the old Etonian who fascinates teenagers as well as grandparents, the classical scholar who is also a TV quiz-show contestant. Despite being a comic actor of genius, he is not just an act and Andrew Gimson's biography covers all facets of this complex individual. There is his exotic Turkish ancestry, his place among five siblings, his competitive relationship with his father Stanley, the distinguished university career, his five years as a journalist in Brussels, his first failed venture into politics ('I fought Clwyd South - and Clwyd South fought back'), overseeing the Spectator during the David Blunkett affair and the Liverpool editorial fiasco which led to Boris' sacking from the shadow cabinet, his exile and return under David Cameron, his two marriages, four children and love affairs. Interviewing Boris' contemporaries, his family and his detractors, Andrew Gimson has created a fascinating and amusing portrait of this unique man of our times.

The Wit and Wisdom of Boris Johnson - Harry Mount 2019-09-05

A return to the wit and wisdom of Boris Johnson - Brexiteer, Foreign Secretary, Prime Minister. New and updated edition. 2019 - the year that Boris took on the 'lingering gloomadon-poppers', pledged to steer the UK between the 'Scylla and Charybdis of Corbyn and Farage' and into the calmer waters of political freedom. Of course there was always bound to be 'a bit of plaster coming off the ceilings of Europe's Chanceries'. Harry Mount has updated his edited collection of the Prime Minister's wit and wisdom with three new chapters dealing with Boris's time as Brexiteer-in-chief; Foreign Secretary and 'On the Threshold of Downing Street'. He describes Boris's Brexit campaign, his leadership breakdown in 2016, his ups and downs as Foreign Secretary, his time outside the political establishment, his turbulent private life and how Boris felt it was his manifest destiny to become the Prime Minister. So buckle up for a riotous tour of the million-pound NHS funder, golden wonder, pro-having, pro-eating blond behemoth. This is the Wit and Wisdom of Boris Johnson.

Craft is Political - D Wood 2021-04-22

Throughout the 21st century, various craft practices have drawn the attention of academics and the general

public in the West. In *Craft is Political*, D Wood has gathered a collection of essays to argue that this attention is a direct response to and critique of the particular economic, social and technological contexts in which we live. Just as Ruskin and Morris viewed craft and its ethos in the 1800s as a kind of political opposition to the Industrial Revolution, Wood and her authors contend that current craft activities are politically saturated when perspectives from the Global South, Indigenous ideology and even Western government policy are examined. *Craft is Political* argues that a holistic perspective on craft, in light of colonialism, post-colonialism, critical race theory and globalisation, is overdue. A great diversity of case studies is included, from craft and design in Turkey and craft markets in New Zealand to Indigenous practitioners in Taiwan and Finnish craft education. *Craft is Political* brings together authors from a variety of disciplines and nations to consider politicised craft.

David Cameron - M. T. Books 2014-01-06

Empty Books present...**DAVID CAMERON: EVERYTHING I KNOW ABOUT ANYTHING** Across 68 stunningly empty pages, the most inept leader of any nation at any time in history reveals every single thing he knows about anything, including:- running a country- real life- compassion and humility From foreign policy to economic stability, social welfare to the environment, education to our cultural heritage, if David Cameron knows about it, it's in this book. With plenty of blank pages for notes, musings and pencil sketches, it's a wonderful tribute to a ham-faced tit, for whom dishonesty is (apparently) the best policy. "The perfect gift for anyone with a sense of humour and the slightest inclination to not vote Conservative".

GUARDIAN "Ideal. There's nothing to him: he's like a hollow Easter egg with no bag of sweets inside".

CHARLIE BROOKER "Dave won't like this - but at least he won't need to learn to read". WILL MORAN,

AUTHOR, LIKE YOUR FRIENDS Other Empty Books include: **THE WIT AND WISDOM OF JEREMY**

CLARKSON THE COMPLETE GUIDE TO EVERYTHING GREAT ABOUT THE DAILY MAIL **MANCHESTER**

JOHNSON: EVERYTHING I KNOW ABOUT THE REAL WORLD **THE INTEGRITY OF PIERS MORGAN**

[The British Prime Minister in an Age of Upheaval](#) - Mark Garnett 2021-03-11

In this timely book, Mark Garnett provides a bracing reassessment of the role of the British Prime Minister, from Margaret Thatcher's controversial tenure to Boris Johnson's attempt to confront a pandemic with a ministerial team created to face the very different challenge of Brexit. Taking a thematic approach, Garnett explores the impact of major political developments and personalities on key aspects of prime ministerial functions as party leader, Cabinet-maker, chief diplomat and electoral talisman. Much of the controversy over the position of Prime Minister, he concludes, arises from a confusion between the occupant's inescapable political prominence and his or her - often limited - ability to achieve positive policy outcomes. With both David Cameron and Theresa May forced to resign since 2016, the book questions whether the nature of the job has become a deterrent for politicians who are motivated by a desire to serve the British public, opening the way for individuals with much less laudable motivations.

The Impossible Office? - Anthony Seldon 2021-04

How and why has the office of British Prime Minister lasted an incredible 300 years? Who have been the best, and worst?

The Cockroach - Ian McEwan 2019-10-01

Kafka meets the world of Brexit in a biting funny political satire from Ian McEwan That morning, Jim Sams, clever but by no means profound, woke from uneasy dreams to find himself transformed into a gigantic creature. Jim Sams has undergone a metamorphosis. In his previous six-legged existence he was ignored or loathed, but in his new incarnation he has woken up to discover he is the most powerful man in Britain: the Prime Minister. His mission: a nationalist revival, with or without Europe. Nothing must get in his way: not the opposition, nor the dissenters within his own party. Not even the rules of parliamentary democracy. In this biting funny, Kafkaesque satire, Ian McEwan engages with scabrous humour a very recognizable political world and turns it on its head.

What Just Happened?! - Marina Hyde 2022-10-04

THE SUNDAY TIMES BESTSELLER Relive the delusional fever-dream of the modern era. 'Thank f*ck for

Marina Hyde: the most lethal, vital, screamingly funny truth-teller of our time.' PHOEBE WALLER-BRIDGE 'The most brilliantly funny columnist of our time.' GARY LINEKER 'It's a scientific FACT: Marina Hyde is Britain's funniest writer.' CAITLIN MORAN No other writer is more suited to chronicling the absurd times in which we live. In *What Just Happened?!* Marina Hyde slashes her way through the hellscape of post-referendum politics, where the chaos never stops. Clamber aboard as we relive every inspirational moment of magic, from David Cameron to Theresa May to Boris Johnson. Marvel at the sights, from Trumpian WTF-ery to celebrity twattery. And boggle at the cast of characters: Hollywood sex offenders, populists, sporting heroes (and villains), dastardly dukes, media barons, movie stars, reality TV monsters, billionaires, police officers, various princes and princesses, wicked advisers, philanthropists, fauxlanthropists, telly chefs, and (naturally) Gwyneth Paltrow. It's the full state banquet of crazy - and you're most cordially invited. Drawn from her spectacularly funny Guardian columns, *What Just Happened?!* is a welcome blast of humour and sanity in a world where reality has become stranger than fiction. 'A joyous rallying voice in British journalism.' GRAYSON PERRY 'An infinite number of gag-writers, working all day in a gag factory, couldn't come up with any of the perfectly-formed one-liners that populate Marina Hyde's hilarious writing . . . But behind the wit lurks real anger, argument, exasperation and intelligence. Her writing is more than a gentle poke in the ribs: it's a well-wrought and deftly aimed smash in the teeth.' ARMANDO IANNUCCI [Politics UK](#) - Bill Jones 2021-07-29

This revised and updated tenth edition of the bestselling textbook *Politics UK* is an indispensable introduction to British politics. It provides a thorough and accessible overview of the institutions and processes of British government, an excellent grounding in British political history and an incisive introduction to the issues and challenges facing Britain today. This edition welcomes three brand new chapters - 'Elites in the United Kingdom', 'Gender and British politics' and 'UK Immigration policy in hostile environment' - alongside rigorously updated revised chapters. It delivers excellent coverage of contemporary events, with significant new material covering: the Johnson premiership and the national challenge of Covid-19, the end of the May premiership and the implementation of Brexit, the Labour Party's transition from Corbyn to Starmer, infrastructure and innovation, 'fake news', populism and nationalism, the UK's place in a post-Brexit world, climate change, social mobility and elite recruitment, devolution and regionalism, constitutional strain, the role of political advisers, abuse and incivility in politics and much more. Other features of the new edition include: A wide range of illustrative material, boxes and case studies providing illuminating examples alongside the analysis. A comprehensive 'who's who' of politics in the form of Profile boxes featuring key political figures. And another thing . . . pieces containing short articles on salient and pressing topics, written by distinguished commentators including Sir John Curtice, Sir Simon Jenkins, Andrew Rawnsley, Baroness Julie Smith of Newnham, and Philip Collins. Online interviews on the book's website see notable figures from British political life discussing the pressing issues of today. With chapters written by highly respected scholars in the field and contemporary articles on real-world politics from well-known political commentators, this textbook is an essential guide for all students of British politics.

How To Lose A Referendum - Jason Farrell 2017-06-26

Did David Cameron have to call a referendum? Did history put a gun to his head? And was Britain's departure from the EU destined from the moment he called it? Was it a lost cause, or did the Prime Minister lose it? Sky News senior political correspondent Jason Farrell teams up with political blogger and economics and politics teacher Paul Goldsmith to provide the definitive story of one of the biggest shocks in British political history. Probing into the social fabric of the UK, the psyche of the electorate, and seventy years of European history, Farrell and Goldsmith identify eighteen key reasons why the UK made its choice, from Britain's absence at the birth of the European project to the inflammatory rhetoric of one Nigel Farage, and everything in between. *How to Lose a Referendum* is the product of extensive and refreshingly frank interviews with the key players from both campaigns coupled with a wide-ranging exploration of the historical context around Britain's departure. Why was a project designed for common peace and prosperity ultimately so hard to defend? Whether you're a Leaver or a Remainer, a newcomer to the debate or a battle-hardened politico, this nuanced and thoughtful analysis will change the way you look at Britain's vote for Brexit.

Just Boris - Sonia Purnell 2012-03-01

A major and controversial new biography of one of the most compelling and contradictory figures in modern British life. Born Alexander Boris de Pfeffel Johnson, to most of us he is just 'Boris' - the only politician of the age to be regarded in such familiar, even affectionate terms. Uniquely, he combines comedy with erudition, gimlet-eyed focus with jokey self-deprecation, and is a loving family man with a roving eye. He is also a hugely ambitious figure with seemingly no huge ambitions to pursue - other than, perhaps, power itself. In this revealing biography, written from the vantage point of a once close colleague, Sonia Purnell examines how a shy, young boy from a broken home became our only box-office politician - and most unlikely sex god; how the Etonian product fond of Latin tags became a Man of the People - and why he wanted to be; how the gaffe-prone buffoon charmed Londonders to win the largest personal mandate Britain has ever seen; and how the Johnson family built our biggest - and blondest - media and political dynasty. The first forensic account of a remarkable rise to fame and power, Just Boris unravels this most compelling of political enigmas and asks whether the Mayor who dreams of crossing the Thames to Downing Street has what it takes to be Prime Minister.

Kompromat - Stanley Johnson 2017-07-13

2016. The world is on the brink of crisis. Who could have predicted how events would play out? In this satirical thriller, Stanley Johnson, former MEP and father to Prime Minister Boris Johnson, just might have. In Britain, the British Prime Minister Jeremy Hartley is fighting a referendum he thought couldn't be lost. In the USA, brash showman, Ronald Craig is fighting a Presidential Election nobody thought he could win. In the USSR, Igor Popov, the Russian President, is using both events as part of his plan to destabilise the West.

This is Not Normal - William Davies 2020-10-27

What just happened and how did we get into this mess? Since the 2016 referendum, the UK has been in a crisis of its own making. But there are more reasons for this than Brexit alone. A wave of disruption has hit political parties, the mainstream media, public experts and all kinds of officials. Along the way, there have been dramatic and sometimes shocking events: the burning of Grenfell Tower and the Windrush scandal, the rise and fall of the Brexit Party, Boris Johnson's Conservative purge and his resounding election victory. The state's response to the pandemic was a further sign of how abnormal things had become. As the 'mainstream' of politics and media has come under attack, the basic norms of public life have been thrown into question. Authoritarian and nationalist forces advance as liberalism recedes. This Is Not Normal takes stock of a nation that no longer recognises itself. Davies finds the narrative sense behind apparently chaotic and irrational events, extracting their underlying logic and long-term causes. We are witnessing the combined effects of the 2008 financial crash, the failure of the British neoliberal project, the dying of Empire, and the impact of the changes that technology and communications have had on the public sphere. How the nation revives from the economic and political shocks of the lockdown remains uncertain. This is an essential book for anyone who wants to make sense of the current moment.

Have I Got Views for You - Boris Johnson 2008

A witty anthology of pieces comprising Boris Johnson's thoughts on everything from Tony Blair to the idiosyncrasies of modern British culture. With new articles on subjects as varied as Iraq, football, population control and bike theft, Johnson takes us on a rollercoaster ride through contemporary Britain. He has also interviewed many of the key figures in the political and cultural worlds over the last sixteen years and addresses what these personalities tell of our age. Boris Johnson is one of the great political characters of our time and his writings have appeared in a variety of British and American magazines and newspapers. Vigorous, idiosyncratic, always intelligent and informed, with a very interesting perspective on our times, 'Have I Got Views For You' is a pleasure to read.

The Dream of Rome - Boris Johnson 2007

The Romans created the most successful and longest-lasting empire in history. They conquered and civilised a territory that stretched from Scotland to Libya, from Portugal to Iraq - and then ran it for more than 400 years. The dream of Rome has lived on in the memory of European leaders ever since, and one after the other they have tried to imitate the Roman achievement. Charlemagne tried it. Napoleon tried it. And now the European Union can be seen as the latest attempt to rediscover the unity of the Roman

empire. So how did the Romans pull it off? Boris Johnson has long been fascinated by the Roman achievement - how they managed to weld the peoples of Europe together, and how they created a cultural and political identity that is proving so elusive to us in Europe today. Here he presents an account of how they financed and organised the state. He explains the miraculous process by which people wanted to become Roman citizens and, for the first time, to share a common European identity. With minimal regulation, and a tiny bureaucracy, the Romans created the first single European market, complete with single currency - and all with an army that represented a very small percentage of the population. What was their magic? This is the first book to examine the Roman system in detail, as a way of casting light on the challenges we face today. It is full of the wonderful scenes and extraordinary characters who made our civilisation, and who still inspire the dream of Rome.

The Politics of Pain: Postwar England and the Rise of Nationalism - Fintan O'Toole 2019-11-05

From one of the most perceptive observers of the English today comes a brilliantly insightful, mordantly funny account of their seemingly irrational embrace of nationalism. England's recent lurch to the right appears to be but one example of the nationalist wave sweeping across the world, yet as acclaimed Irish critic Fintan O'Toole suggests in *The Politics of Pain*, it is, in reality, a phenomenon rooted in World War II. We must look not to the vagaries of the European Union but, instead, far back to the end of the British empire, if we hope to understand our most fraternal ally—and the royal mess in which the British now find themselves. O'Toole depicts a roiling nation that almost ludicrously dreams of a German invasion, if only to get the blood going, and that erupts in faux outrage over regulations on "prawn-flavored crisps." A sympathetic yet unsparing observer, O'Toole asks: How did a great nation bring itself to the point of such willful self-harm? His answer represents one of the most profound portraits of the English since Sarah Lyall's New York Times bestseller *The Anglo Files*.

The Politicization of Mumsnet - Sarah Pedersen 2020-10-15

The Politicization of Mumsnet investigates the growing politicization of this parenting discussion forum and its use by politicians to influence middle-class women in the UK.

Laughing at Life and Politics - Stephanie Sarich 2021-03-28

An eclectic mix of New Year's Predictions, political satire and musings about everyday life.

Russophobia - Glenn Diesen 2022

"This courageous piece of work proposes a deep and comprehensive approach of an upmost problem of contemporary international politics at a pivotal moment of our history. An indispensable book for understanding the present state of the world." - Guy Mettan, journalist and author of *Creating Russophobia*
"These days one needs a lot of intellectual and even personal courage to address the notion of Russophobia, which has become so common in the ongoing information war between Russia and the West. To Professor Diesen's credit, his book presents an academically rigorous and well documented attempt to analyze the origins, evolution and modern manifestations of this complex phenomenon." - Andrey Kortunov, Director General of the Russian International Affairs Council
"Glenn Diesen continues the tradition of studying Western presentations of Russia as the inferior and aggressive Other. He sheds important light on 'Us' versus 'Them' strategies exploited by Western political and media circles in cases of RussiaGate, Ukraine, and Syria." - Andrei P. Tsygankov, San Francisco State University
"An incisive takedown of the neo-McCarthyite chauvinism that has consumed Western political culture, to the great detriment of honest journalism and global peace." - Aaron Maté, journalist at the Grayzone and former producer of Democracy Now
Propaganda is the science of convincing an audience without appealing to reason. Over the past centuries, anti-Russian propaganda has been founded on juxtaposing the West and Russia as European versus Asiatic, civilized versus barbaric, modern versus backward, liberal versus autocratic, and even good versus evil. Russia has therefore throughout history been allowed to play one of two roles--either an apprentice of Western civilization by accepting the subordinate role as the student and political object, or a threat that must be contained or defeated. While propaganda has the positive effect of promoting unity and mobilizing resources against an adversary, it has the negative effect of creating irrational decision-making and obstructing a workable peace. Glenn Diesen is a Professor at the University of South-Eastern-Norway.

The Churchill Factor - Boris Johnson 2014-10-23

Read how Britain's new Prime Minister was inspired by Winston Churchill 'The must-read biography of

the year.' Evening Standard 'He writes with gusto... the result is a book that is never boring, genuinely clever ... this book sizzles.' The Times The point of the Churchill Factor is that one man can make all the difference. On the eve of the fiftieth anniversary of Winston Churchill's death, and written in conjunction with the Churchill Estate, Boris Johnson explores what makes up the 'Churchill Factor' - the singular brilliance of one of the most important leaders of the twentieth century. Taking on the myths and misconceptions along with the outsized reality, he portrays - with characteristic wit and passion - a man of multiple contradictions, contagious bravery, breath-taking eloquence, matchless strategizing, and deep humanity. Fearless on the battlefield, Churchill had to be ordered by the King to stay out of action on D-Day; he embraced large-scale strategic bombing, yet hated the destruction of war and scorned politicians who had not experienced its horrors. He was a celebrated journalist, a great orator and won the Nobel Prize for Literature. He was famous for his ability to combine wining and dining with many late nights of crucial wartime decision-making. His open-mindedness made him a pioneer in health care, education, and social welfare, though he remained incorrigibly politically incorrect. Most of all, as Boris Johnson says, 'Churchill is the resounding human rebuttal to all who think history is the story of vast and impersonal economic forces'. The Churchill Factor is a book to be enjoyed not only by anyone interested in history: it is essential reading for anyone who wants to know what makes a great leader.

Seventy-two Virgins - Boris Johnson 2005

The American President, on a State Visit to Britain is giving a major address to a top-level audience in Westminster Hall. Ferocious security is provided by a joint force of the United States Secret Service and Scotland Yard. Then a stolen ambulance runs into trouble with the Parking Authorities. A hapless Member of Parliament, having mislaid his crucial pass, is barred from Westminster, his bicycle regarded as a potential lethal weapon. And a man going by the name of Jones, although born in Karachi, successfully slips through the barriers, and whole new ball game starts

All Out War: The Full Story of How Brexit Sank Britain's Political Class - Tim Shipman 2016-11-03
SHORTLISTED FOR THE ORWELL PRIZE 2017 #1 SUNDAY TIMES BESTSELLER 'The best political book of the year' Andrew Marr 'A superb work of storytelling and reporting. Sets new benchmark for the writing of contemporary political history' Guardian The only book to tell the full story of how and why Britain voted to leave the EU.

Boris - Andrew Gimson 2012-03-29

THE MAKING OF A PRIME MINISTER 'My biography of the year' Michael Crick 'The scariest thing I've read since Silence of the Lambs' Ken Livingstone A brilliant and definitive biography of Boris Johnson, the politician who risked his career to lead the Brexit campaign, won the referendum, and finally became the new prime minister. In Andrew Gimson's acclaimed biography of the most colourful British politician of modern times, we are given a comprehensive portrait of the man. Despite tabloid controversies which led to him being dismissed from Michael Howard's shadow cabinet, Boris bounced back to win two terms as London mayor. It was a remarkable tribute to his huge personal popularity, and he was at the heart of things when London showcased itself during the 2012 Olympics. This updated edition of the book is a comprehensive insight into the dramatic political events of 2016. After Boris decided to join the Brexit campaign, which he led with Michael Gove, against all the predictions he secured a historic vote to leave the EU. Within a few tumultuous and unprecedented days, David Cameron resigned as prime minister, Boris was installed as favourite to succeed him - only for Gove to torpedo his challenge, and seemingly end his career. Yet when Theresa May took charge, she surprised many by appointing Boris as Foreign Secretary. Gimson's superb account not only takes the reader behind the scenes, it vividly brings to life one

of the most extraordinary political careers in our history.

Why the Tories Won - Tim Ross 2015-10-12

When David Cameron returned to Tory headquarters early on the morning of 8 May, he declared his sensational election victory to be 'the sweetest' moment of his political career. The Conservatives had won their first Commons majority for twenty-three years and the Prime Minister had achieved the seemingly impossible: increasing his popularity while in government, winning more seats than in 2010 and confounding almost every pundit and opinion poll in the process. Within hours, his defeated rivals Ed Miliband, Nick Clegg and Nigel Farage had all resigned, stunned and devastated by the brutality of their losses. Political journalist Tim Ross reveals the inside story of the election that shocked Britain. Based on interviews with key figures at the top of the Conservative Party, and with private access to Cabinet ministers, party leaders and their closest aides, this gripping account of the 2015 campaign uncovers the secret tactics the Tories used to such devastating effect.

Seventeen Gifts for Frannie and Jess - Nasser Hashmi 2016-05-28

Elderly widow Francesca Hartford is fearful about being a volunteer at the London 2012 Olympics. Her husband, Donald, had died three months before the Games were about to start so who would give her encouragement now?

Betting The House - Tim Ross 2017-11-07

On 18th April 2017, Theresa May stunned Britain by announcing a snap election. With poll leads of more than 20 points over Jeremy Corbyn's divided Labour Party, the first Tory landslide since Margaret Thatcher's day seemed certain. Seven weeks later, Tory dreams had turned to dust. Instead of the 100-seat victory she'd been hoping for, May had lost her majority, leaving Parliament hung and her premiership hanging by a thread. Labour MPs, meanwhile, could scarcely believe their luck. Far from delivering the wipe-out that most predicted, Corbyn's popular, anti-austerity agenda won the party 30 seats, cementing his position as leader and denying May the right to govern alone. This timely and indispensable book gets to the bottom of why the Tories failed, and how Corbyn's Labour overcame impossible odds to emerge closer to power than at any election since the era of Tony Blair. Who was to blame for the Tories' mistakes? How could so many politicians and pollsters fail to see what was coming? And what was the secret of Corbyn's apparently unstoppable rise? Through new interviews and candid private accounts from key players, political journalists Tim Ross and Tom McTague set out to answer these questions and more, piecing together the inside story of this most dramatic and important of elections.

England: A Class of Its Own - Detlev Piltz 2022-04-14

For years German lawyer and author Detlev Piltz has been observing England, its life, customs and above all its classes. He argues that whenever an English person meets another, they will immediately try and place the individual they are talking to in a class by their speech, deportment, clothing, address and general aura. Why might this be, and does the English class system still exist in the twenty-first century? This book argues that it is very much still alive. Piltz examines the 'hard' and 'soft' class markers that permeate English society, from where Britons go on holiday to what they wear, eat, drive and what they name their pets. He explains how the way you pronounce the word 'garage' indicates your class, and asks whether it makes sense still to talk of the English Gentleman, a species of human being so often admired in continental Europe yet parodied and satirized ad infinitum. England: A Class of Its Own is based on an incredible amount of research and riddled with amusing quotations. In the same vein as Jilly Cooper's Class, this is a book that will give pleasure and amusement to many.
