Cross Stitch Mini Motifs: Flowers - Susan Bates 2016-01-29

This book contains over 54 cross stitch motifs, all on the theme of flowers. Inside there are pretty little floral garlands, bold poppies, sprigs

of lavender, pansies, violas and flowering herbs. There are softly coloured roses and also bolder designs which have a contemporary feel to them, such as the colourful flowering cacti motifs in brightly coloured, decorated pots. You can stitch the motifs individually, or mix and match them to make up your own 'sampler' style design. The motifs are small and easy to stitch as they are made up of full cross stitches only and some backstitch outlining, for the detail. They can be stitched by beginners and more confident stitchers alike.
