

A Horn For Louis Louis Armstrong As A Kid Stepping

Eventually, you will extremely discover a new experience and talent by spending more cash. yet when? realize you understand that you require to acquire those every needs like having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more in this area the globe, experience, some places, like history, amusement, and a lot more?

It is your extremely own times to work reviewing habit. among guides you could enjoy now is **A Horn For Louis Louis Armstrong As A Kid Stepping** below.

Louis Armstrong's New Orleans - Thomas Brothers 2007-04-17

A rags-to-riches narrative of the eminent jazz artist's early life describes how his childhood was marked by such challenges as poverty, Jim Crow legislation, and vigilante terrorism but how his musical prowess was shaped by the culturally rich African-American traditions of New Orleans. Reprint.

A Horn for Louis - Eric A. Kimmel 2009-09-09

How did famous New Orleans jazz trumpet player Louis Armstrong get his first horn? Seven-year-old Louis Armstrong was too poor to buy a real instrument. He didn't even go to school. To help his mother pay the rent, every day he rode a junk wagon through the streets of New Orleans, playing a tin horn and collecting stuff people didn't want. Then one day, the junk wagon passed a pawn shop with a gleaming brass trumpet in the window. . . . With messages about hard work, persistence, hope, tolerance, cooperation, trust, and friendship, *A Horn for Louis* is perfect for aspiring young musicians and nonfiction fans alike! History Stepping Stones now feature updated content that emphasizes Common Core and today's renewed interest in nonfiction. Perfect for home, school, and library bookshelves!

[Louis Armstrong](#) - Michael A. Schuman 2007-06-01

Depicts the life and career of the popular jazz musician and describes his contributions to American music.

Louis Armstrong, in His Own Words - Louis Armstrong 2001

This unparalleled collection of Louis Armstrong's candid writings reveals a side of the artist not many people knew. Here are Armstrong's own thoughts on his life and career: from poverty in New Orleans to playing in the famous cafes, cabarets, and saloons of Storyville; from his big break in 1922 with the King Oliver band to his storming of New York; from his breaking of color barriers in Hollywood to the infamous King of the Zulus incident in 1949; and finally, to his last days in Queens, New York. Providing a balanced portrait of his life as a musician, entertainer, civil rights activist, and cultural icon, these writings reveal Armstrong's candid, often controversial, opinions about racism, marijuana, bebop, and other jazz artists such as Jerry Roll Morton and Coleman Hawkins. ... Publisher description.

Oh, Play That Thing - Roddy Doyle 2011-12-14

Roddy Doyle's last novel, *A Star Called Henry*, was chosen by the *The New York Times Book Review* as one of the eleven Best Books of the Year; *The Washington Post* said it was "not only Doyle's best novel yet; it is a masterpiece, an extraordinarily entertaining epic." Now Doyle, author of six bestselling novels, twice nominated for the Booker Prize and once a winner, turns his protagonist Henry Smart's rich observation and linguistic acrobatics loose on America, in an energetic saga full of epic adventures, breathless escapes, and star-crossed love. Publishers

Weekly says "Doyle just gets better and better." Our Irish hero arrives in New York in 1924 to bury himself in the teeming city and start a new life; having escaped Dublin after the 1916 Rebellion, Henry Smart is on the run from the Republicans for whom he committed murder and mayhem. Lying to the immigration officer, avoiding Irish eyes that might recognise him, hiding the photograph of himself with his wife because it shows a gun across his lap, he throws his passport into the river and tries to forge a new identity. He charms his way into the noisy, tough Lower East Side, reads to Puerto Rican cigar makers, hauls bottles for a bootlegger and composes ads on sandwich boards, finally setting up his own business with the intention of making his fortune. But he makes enemies along the way among mobsters such as Johnny No and Fast Olaf. Henry hightails it out of Manhattan with a gun at his back and Fast Olaf's hustler of a half-sister on his arm. This was a time when America was ripe for the picking, however, and a pair of good, strong con artists could have the world at their fingertips. The Depression was sending folks to ride the rails in search of a new life and new hope, and all trains led to Chicago. As Henry's past tries to catch up with him, he takes off on a journey to the great port, where music is everywhere: wild, happy music played by a man with a trumpet called Louis Armstrong. Armstrong needs a white man, and the man he chooses is Henry Smart. The bestselling *A Star Called Henry* followed Henry Smart from his birth in 1902 until the age of twenty, by which time he had already had a lifetime's worth of adventures in his native Ireland. With these books, Doyle was trying in some ways to write a story like Charles Dickens' *David Copperfield*, starting at the beginning of his life and following him through many years of adventures. To write the new book, he had to research the vanished world of pre-war America. "I went to Chicago, on the south side, to see if any of the old jazz clubs were still around. I was very keen to see what Henry would have seen as he'd stood outside, under the awnings. But all the jazz clubs that were along State Street, they're all gone; every one of them's gone. There's one that's still standing - it was, originally, The Sunset Cafe, where Louis Armstrong played, but now it's a hardware store. The Vendome Cinema, where he used to play during

the intermissions, is now a parking lot for the local college. That I found upsetting. But on the other hand it was very liberating because in its absence I can invent." Music, often American soul or blues, is always important in Roddy Doyle's work, often as escapism for the working-class Dubliners in the *Barrytown* books. Doyle grew up listening to American music and likes to write while listening to music. For Henry in America, Doyle says, "when he hears this music, he feels he's being baptized. He's new. He feels he's gotten away from Ireland. He's gotten away from the misery of it all and he's listening to this glorious celebration."

[What a Wonderful World](#) - Ricky Riccardi 2011-06-21

In this richly detailed and prodigiously researched book, jazz scholar and musician Ricky Riccardi reveals for the first time the genius and remarkable achievements of the last 25 years of Louis Armstrong's life, providing along the way a comprehensive study of one of the best-known and most accomplished jazz stars of our time. Much has been written about Armstrong, but the majority of it focuses on the early and middle stages of his career. During the last third of his career, Armstrong was often dismissed as a buffoonish if popular entertainer. Riccardi shows us instead the inventiveness and depth of his music during this time. These are the years of his highest-charting hits, including "Mack the Knife" and "Hello, Dolly"; the famed collaborations with Ella Fitzgerald and Duke Ellington; and his legendary recordings with the All Stars. An eminently readable and insightful book, *What a Wonderful World* completes and enlarges our understanding of one of America's greatest and most beloved musical icons.

[A Life in Jazz](#) - Danny Barker 2016-07-27

As a musician who grew up in New Orleans, and later worked in New York with the major swing orchestras of Lucky Millinder and Cab Calloway, Barker is uniquely placed to give an authoritative but personal view of jazz history. In this book he discusses his life in music, from the children's 'spasm' bands of the seventh ward of New Orleans, through the experience of brass bands and jazz funerals involving his grandfather, Isidore Barbarin, to his early days on the road with the blues singer Little Brother Montgomery. Later he goes on to discuss New

York, and the jazz scene he found there in 1930. His work with Jelly Roll Morton, as well as the lesser-known bands of Fess Williams and Albert Nicholas, is covered before a full account of his years with Millinder, Benny Carter and Calloway, including a description of Dizzy Gillespie's impact on jazz, is given. The final chapters discuss Barker's career from the late 1940s. Starting with the New York dixieland scene at Ryan's and Condon's he talks of his work with Wilbur de Paris, James P. Johnson and This is Jazz, before discussing his return to New Orleans and New Orleans Jazz Museum. A collection of Barker's photographs, In Search of Buddy Bolden - Donald M. Marquis 2005-09-01

The beginnings of jazz and the story of Charles "Buddy" Bolden (1877-1931) are inextricably intertwined. Just after the turn of the century, New Orleanians could often hear Bolden's powerful horn from the city's parks and through dance hall windows. Despite his lack of formal training, his unique style—both musical and personal—made him the first "king" of New Orleans jazz and the inspiration for such later jazz greats as King Oliver, Kid Ory, and Louis Armstrong. For years the legend of Buddy Bolden was overshadowed by myths about his music, his reckless lifestyle, and his mental instability. In *In Search of Buddy Bolden* overlays the myths with the substance of reality. Interviews with those who knew Bolden and an extensive array of primary sources enliven and inform Donald M. Marquis's absorbing portrait of the brief but brilliant career of the first man of jazz. This paperback edition includes a new preface and appendix relating events and discoveries that have occurred since the book's original publication in 1978.

Satchmo at the Waldorf - Terry Teachout 2015-01-01

THE STORY: SATCHMO AT THE WALDORF is a one-man, three-character play in which the same actor portrays Louis Armstrong, the greatest of all jazz trumpeters; Joe Glaser, his white manager; and Miles Davis, who admired Armstrong's playing but disliked his onstage manner. It takes place in 1971 in a dressing room backstage at the Empire Room of New York's Waldorf-Astoria Hotel, where Armstrong performed in public for the last time four months before his death. Reminiscing into a tape recorder about his life and work, Armstrong

seeks to come to terms with his longstanding relationship with Glaser, whom he once loved like a father but now believes to have betrayed him. In alternating scenes, Glaser defends his controversial decision to promote Armstrong's career (with the help of the Chicago mob) by encouraging him to simplify his musical style, while Davis attacks Armstrong for pandering to white audiences.

The Life of Louis Armstrong - Wendie C. Old 2014-09

"Music has been in my blood from the day I was born," said Louis Armstrong. Author Wendie C. Old weaves a rich, colorful tapestry of the life of this beloved and brilliant musician known to his fans as Satchmo. Louis Armstrong rose from poverty and a troubled childhood to set the music world on fire with his lively trumpet playing and trademark raspy singing voice. With a natural talent for showmanship, Armstrong won fame while touring around the world, and proved to be one of the most extraordinary performers of the Jazz Age and beyond. This book is developed from LOUIS ARMSTRONG: KING OF JAZZ to allow republication of the original text into ebook, paperback, and trade editions.

Louis Armstrong - Judith Pinkerton Josephson 2007-09-01

True or False? Louis Armstrong was often called The World's Greatest Trumpet Player. True! Louis Armstrong changed the sound of American music with his exciting, powerful trumpet-playing. He helped make jazz one of the world's most popular forms of music. And his gruff singing voice and shining personality made him one of the most popular entertainers of all time.

Saint Louis Armstrong Beach - Brenda Woods 2012-09-13

A boy, a dog, and New Orleans' most famous storm—Hurricane Katrina. Saint is a boy with confidence as big as his name is long. A budding musician, he earns money playing clarinet for the New Orleans tourists, and his best friend is a stray dog named Shadow. At first Saint is sure that Hurricane Katrina will be just like the last one--no big deal. But then the city is ordered to evacuate and Saint refuses to leave without Shadow. Saint and Shadow flee to his neighbor's attic--and soon enough it's up to Saint to save them all. "Woods takes us right into New Orleans,

right into the eye of the storm and the heart of New Orleans' people." — Jacqueline Woodson, National Book Award-winning author of *Brown Girl Dreaming* "Provides a vivid description of what life was like in pre-Katrina New Orleans, and how quickly peoples' lives were shattered. The characters are well-developed, and readers truly will care about their fates." — Library Media Connection, starred review "A small gem that sparkles with hope, resilience and the Crescent City's unique, jazz-infused spirit." — Kirkus Reviews, starred review

Satchmo's Blues - Alan Schroeder 2009-05-21

A picture-book biography of Louis Armstrong's childhood in New Orleans recounts how he saved his money to buy a brass cornet from a pawnshop so he could play jazz music like his idol, Bunk Johnson. Reprint.

A Horn for Louis - Eric A. Kimmel 2009-09-09

How did famous New Orleans jazz trumpet player Louis Armstrong get his first horn? Seven-year-old Louis Armstrong was too poor to buy a real instrument. He didn't even go to school. To help his mother pay the rent, every day he rode a junk wagon through the streets of New Orleans, playing a tin horn and collecting stuff people didn't want. Then one day, the junk wagon passed a pawn shop with a gleaming brass trumpet in the window. . . . With messages about hard work, persistence, hope, tolerance, cooperation, trust, and friendship, *A Horn for Louis* is perfect for aspiring young musicians and nonfiction fans alike! History Stepping Stones now feature updated content that emphasizes Common Core and today's renewed interest in nonfiction. Perfect for home, school, and library bookshelves!

Horn Of Plenty - Robert Goffin 1977-08-21

Between the starting point of a man's life and its peak, there is often a middle stretch that reveals the secret of his career.

Anansi and the Moss-Covered Rock - Eric A. Kimmel 2018-01-01

"Anansi the Spider, a master trickster, uses the powers of a magical rock to dupe his neighbors...a musical introduction sets the mood...the text of the book is read clearly and expressively."-Booklist

Swing That Music - Louis Armstrong 1993-08-22

The first autobiography of a jazz musician, Louis Armstrong's *Swing That*

Music is a milestone in jazz literature. Armstrong wrote most of the biographical material, which is of a different nature and scope than that of his other, later autobiography, *Satchmo: My Life in New Orleans* (also published by Da Capo/Perseus Books Group). *Satchmo* covers in intimate detail Armstrong's life until his 1922 move to Chicago; but *Swing That Music* also covers his days on Chicago's South Side with "King" Oliver, his courtship and marriage to Lil Hardin, his 1929 move to New York, the formation of his own band, his European tours, and his international success. One of the most earnest justifications ever written for the new style of music then called "swing" but more broadly referred to as "Jazz," *Swing That Music* is a biography, a history, and an entertainment that really "swings."

Bird & Squirrel On the Edge!: A Graphic Novel (Bird & Squirrel #3) -

James Burks 2015-10-27

Bird and Squirrel are almost home, but the adventure isn't over yet! *Bird and Squirrel* are almost home. All that's left for them to do is cross the Great Mountains. But before they can, the duo stops to chase off wolves hunting a baby bear and in the process Bird gets a knock on the noggin that gives him amnesia. Now Squirrel has to set aside his fears and keep both Bird and the bear cub safe as they journey on foot over the mountains. But with a pack of hungry wolves on their tail, can Squirrel step up and be the leader they need to keep them all alive?

[Satchmo](#) - Michael Meckna 2004

The definitive reference on the father of jazz, Louis "Satchmo" Armstrong.

A Horn for Louis - Eric A. Kimmel 2006-11-14

How did famous New Orleans jazz trumpet player Louis Armstrong get his first horn? Seven-year-old Louis Armstrong was too poor to buy a real instrument. He didn't even go to school. To help his mother pay the rent, every day he rode a junk wagon through the streets of New Orleans, playing a tin horn and collecting stuff people didn't want. Creating the Jazz Solo - Vic Hobson 2018-10-09

Throughout his life, Louis Armstrong tried to explain how singing with a barbershop quartet on the streets of New Orleans was foundational to his musicianship. Until now, there has been no in-depth inquiry into what he meant when he said, "I figure singing and playing is the same," or, "Singing was more into my blood than the trumpet." *Creating the Jazz Solo: Louis Armstrong and Barbershop Harmony* shows that Armstrong understood exactly the relationship between what he sang and what he played, and that he meant these comments to be taken literally: he was singing through his horn. To describe the relationship between what Armstrong sang and played, author Vic Hobson discusses elements of music theory with a style accessible even to readers with little or no musical background. Jazz is a music that is often performed by people with limited formal musical education. Armstrong did not analyze what he played in theoretical terms. Instead, he thought about it in terms of the voices in a barbershop quartet. Understanding how Armstrong, and other pioneer jazz musicians of his generation, learned to play jazz and how he used his background of singing in a quartet to develop the jazz solo has fundamental implications for the teaching of jazz history and performance today. This assertive book provides an approachable foundation for current musicians to unlock the magic and understand jazz the Louis Armstrong way.

Talk that Music Talk - Sunpie (Musician) 2014

A sumptuous visual chronicle explores the traditional methods of teaching brass band music in the birthplace of jazz, sharing evocative interviews to provide a rare window into New Orleans music culture as experienced in its clubs, schools and churches. Original.

Trumpet For Dummies - Jeffrey Reynolds 2011-02-23

How to get a good sound, read music, and master a variety of styles-including classical, pop, jazz, and Latin Listening to a trumpet trilla

series of high notes during a military march or wail longingly during a blues rendition-is a pleasure second to none. And masters, including Wynton Marsalis and Louis Armstrong, have made the trumpet truly Gabriel's horn, one of the most eloquent voices in classical music and jazz. Yet even a virtuoso begins somewhere. This down-to-earth and user-friendly guide shows those new to the trumpet everything they need know to play the instrument-from basic technique (including getting a good sound), caring for a trumpet, and learning pieces from many musical genres. Demonstrates how to play classical, pop, jazz, and Latin-with audio samples on the enclosed CD-ROM Includes tips on how to buy or rent the best instrument An ideal guide for students just learning the trumpet, or students who need a little boost, or fans of the trumpet who've never got around to learning it, here is the complete guide to making one of the world's most popular-and beloved instruments-their own. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Louis Armstrong - Laurence Bergreen 2012-08-08

Louis Armstrong was the founding father of jazz and one of this century's towering cultural figures, yet the full story of his extravagant life has never been told. Born in 1901 to the sixteen-year-old daughter of a slave, he came of age among the prostitutes, pimps, and rag-and-bone merchants of New Orleans. He married four times and enjoyed countless romantic involvements in and around his marriages. A believer in marijuana for the head and laxatives for the bowels, he was also a prolific diarist and correspondent, a devoted friend to celebrities from Bing Crosby to Ella Fitzgerald, a perceptive social observer, and, in his later years, an international goodwill ambassador. And, of course, he was a dazzling musician. From the bordellos and honky-tonks of Storyville--New Orleans's red light district--to the upscale nightclubs in Chicago, New York, and Hollywood, Armstrong's stunning playing, gravelly voice, and irrepressible personality captivated audiences and critics alike. Recognized and beloved wherever he went, he nonetheless managed to remain vigorously himself. Now Laurence Bergreen's remarkable book brings to life the passionate, courageous, and charismatic figure who

forever changed the face of American music.

Charlie Parker Played be Bop - Christopher Raschka 1992

Introduces the famous saxophonist and his style of jazz known as bebop.

Satchmo - Gary Giddins 2009-03-05

Gary Giddins has been called "the best jazz writer in America today" (Esquire). Louis Armstrong has been called the most influential jazz musician of the century. Together this auspicious pairing has resulted in Satchmo, one of the most vivid and fascinating portraits ever drawn of perhaps the greatest figure in the history of American music. Available now at a new price, this text-only edition is the authoritative introduction to Armstrong's life and art for the curious newcomer, and offers fresh insight even for the serious student of Pops.

Jazz Survivor - Ken Shuldman 2017-01-23

This is the true story of Louis Bannet, a Jewish jazz musician known throughout Europe in the 1930's and 40's as The Dutch Louis Armstrong. The story travels from the nightclubs of Amsterdam to the nightmares of Auschwitz, where Louis Bannet's trumpet rang out amidst happiness and horror alike. Jazz Survivor gives strong testimony to both the indisputable power of music and the indefatigable strength of the human spirit.

Play, Louis, Play! - Muriel Harris Weinstein 2013-01-08

The fascinating childhood story of the great musician, Louis Armstrong. Cleverly told from the point of view of Louis's first horn!

Hotter Than That - Krin Gabbard 2015-12-29

A swinging cultural history of the instrument that in many ways defined a century The twentieth century was barely under way when the grandson of a slave picked up a trumpet and transformed American culture. Before that moment, the trumpet had been a regimental staple in marching bands, a ceremonial accessory for royalty, and an occasional diva at the symphony. Because it could make more noise than just about anything, the trumpet had been much more declarative than musical for most of its history. Around 1900, however, Buddy Bolden made the trumpet declare in brand-new ways. He may even have invented jazz, or something very much like it. And as an African American, he found a vital new way to

assert himself as a man. Hotter Than That is a cultural history of the trumpet from its origins in ancient Egypt to its role in royal courts and on battlefields, and ultimately to its stunning appropriation by great jazz artists such as Louis Armstrong, Dizzy Gillespie, Miles Davis, and Wynton Marsalis. The book also looks at how trumpets have been manufactured over the centuries and at the price that artists have paid for devoting their bodies and souls to this most demanding of instruments. In the course of tracing the trumpet's evolution both as an instrument and as the primary vehicle for jazz in America, Krin Gabbard also meditates on its importance for black male sexuality and its continuing reappropriation by white culture.

The Chanukkah Guest - Eric A. Kimmel 1992-07

On the first night of Chanukkah, Old Bear wanders into Bubba Brayna's house and receives a delicious helping of potato latkes when she mistakes him for the rabbi.

Play, Louis, Play! - Muriel Harris Weinstein 2010-12-07

Presents the early life of the famous African American cornet player, describing his humble beginnings on the streets of New Orleans to his emergence as a legend among the biggest jazz clubs of the city.

Pops - Terry Teachout 2009

Draws on previously unavailable sources including hundreds of private recordings made throughout the second half of the jazz master's life to assess his artistic achievements and personal arenas, sharing authoritative coverage of such topics as Armstrong's decision to break up his band and his quarrel with Eisenhower.

The Louis Armstrong Collection (Songbook) - Louis Armstrong 2004-03-01

(Artist Transcriptions). The All Music Guide regards trumpet virtuoso Louis Armstrong as "the most important musician in (jazz's) history." This great songbook features note-for-note transcriptions of this legend's trumpet playing on 16 songs he's famous for: Basin Street Blues * Cornet Chop Suey * Gut Bucket Blues * Hotter Than Hot * Shine * Tiger Rag * When the Saints Go Marching In * and more. Includes a bio and discography.

Who Was Louis Armstrong? - Yona Zeldis McDonough 2004-12-29

If not for a stint in reform school, young Louis Armstrong might never have become a musician. It was a teacher at the Colored Waifs Home who gave him a cornet, promoted him to band leader, and saw talent in the tough kid from the even tougher New Orleans neighborhood called Storyville. But it was Louis Armstrong's own passion and genius that pushed jazz into new and exciting realms with his amazing, improvisational trumpet playing. His seventy-year life spanned a critical time in American music as well as black history.

Who Was Louis Armstrong? - Yona Zeldis McDonough 2004-12-29

If not for a stint in reform school, young Louis Armstrong might never have become a musician. It was a teacher at the Colored Waifs Home who gave him a cornet, promoted him to band leader, and saw talent in the tough kid from the even tougher New Orleans neighborhood called Storyville. But it was Louis Armstrong's own passion and genius that pushed jazz into new and exciting realms with his amazing, improvisational trumpet playing. His seventy-year life spanned a critical time in American music as well as black history.

If I Only Had a Horn - Roxane Orgill 2002-08

Relates how the famous jazz trumpeter began his musical career, as a poor boy in New Orleans, by singing songs on street corners and playing a battered cornet in a marching band.

Satchmo - Louis Armstrong 1986

"In all my whole career the Brick House was one of the toughest joints I ever played in. It was the honky-tonk where levee workers would congregate every Saturday night and trade with the gals who'd stroll up and down the floor and the bar. Those guys would drink and fight one another like circle saws. Bottles would come flying over the bandstand like crazy, and there was lots of just plain common shooting and cutting. But somehow all that jive didn't faze me at all, I was so happy to have some place to blow my horn." So says Louis Armstrong, a tough kid who just happened to be a musical genius, about one of the places where he performed and grew up. This raucous, rich tale of his early days in New Orleans concludes with his departure to Chicago at twenty-one to play

with his boyhood idol King Oliver, and tells the story of a life that began, mythically, on July 4, 1900, in the city that sowed the seeds of jazz.

Struggling to Define a Nation - Charles Hiroshi Garrett 2008-10-12

Identifying music as a vital site of cultural debate, this book captures the dynamic, contested nature of musical life in the United States. It examines an array of genres - including art music, jazz, popular song, ragtime, and Hawaiian music - and well-known musicians, such as Charles Ives, Jelly Roll Morton, Louis Armstrong, and Irving Berlin.

Louis Armstrong, Master of Modernism - Thomas Brothers
2014-02-03

Picking up where Louis Armstrong's New Orleans left off, this biographical account of the legendary jazz trumpet virtuoso highlights the historical role Armstrong played in the creation of modern music and also his encounters with racism.

Heart Full of Rhythm - Ricky Riccardi 2020-08-05

Nearly 50 years after his death, Louis Armstrong remains one of the 20th century's most iconic figures. Popular fans still appreciate his later hits such as "Hello, Dolly!" and "What a Wonderful World," while in the jazz community, he remains venerated for his groundbreaking innovations in the 1920s. The achievements of Armstrong's middle years, however, possess some of the trumpeter's most scintillating and career-defining stories. But the story of this crucial time has never been told in depth until now. Between 1929 and 1947, Armstrong transformed himself from a little-known trumpeter in Chicago to an internationally renowned pop star, setting in motion the innovations of the Swing Era and Bebop. He had a similar effect on the art of American pop singing, waxing some of his most identifiable hits such as "Jeepers Creepers" and "When You're Smiling." However as author Ricky Riccardi shows, this transformative era wasn't without its problems, from racist performance reviews and being held up at gunpoint by gangsters to struggling with an overworked embouchure and getting arrested for marijuana possession. Utilizing a prodigious amount of new research, Riccardi traces Armstrong's mid-career fall from grace and dramatic resurgence. Featuring never-before-published photographs and stories culled from Armstrong's personal

archives, Heart Full of Rhythm tells the story of how the man called

"Pops" became the first "King of Pop."
