*The Dread Line* - Bruce DeSilva  
2016-09-06

The Dread Line: the latest Liam Mulligan novel from award winning author Bruce DeSilva. Since he got fired in spectacular fashion from his newspaper job last year, former investigative reporter Liam Mulligan has been piecing together a new life--one that straddles both sides of the law. He's getting some part-

time work with his friend McCracken's detective agency. He's picking up beer money by freelancing for a local news website. And he's looking after his semi-retired mobster-friend's bookmaking business. But Mulligan still manages to find trouble. He's feuding with a cat that keeps leaving its kills on his porch. He's obsessed with a baffling jewelry heist. And he's enraged that someone

in town is torturing animals. All this keeps distracting him from a big case that needs his full attention. The New England Patriots, shaken by a series of murder charges against a star player, have hired Mulligan and McCracken to investigate the background of a college athlete they're thinking of drafting. At first, the job seems routine, but as soon as they begin asking questions, they get push-back. The player, it seems, has something to hide--and someone is willing to kill to make sure it remains secret. **A Scourge of Vipers** - Bruce DeSilva 2015-04-07

Bruce DeSilva's *A Scourge of Vipers* is at once a suspenseful crime story and a serious exploration of the hypocrisy surrounding sports gambling and the corrupting influence of big money on politics. To solve Rhode Island's budget crisis, the state's colorful governor, Attila the Nun, wants to legalize sports gambling; but

her plan has unexpected consequences. Organized crime, professional sports leagues, and others who have a lot to lose—or gain—if gambling is made legal flood the state with money to buy the votes of state legislators. Liam Mulligan, investigative reporter for *The Providence Dispatch*, wants to investigate, but his bottom-feeding corporate bosses at the dying newspaper have no interest in serious reporting. So Mulligan goes rogue, digging into the story on his own time. When a powerful state legislator turns up dead, an out-of-state bag man gets shot, and his cash-stuffed briefcase goes missing, Mulligan finds himself the target of shadowy forces who seek to derail his investigation by destroying his career, his reputation, and perhaps even his life. Here is the shocking true saga of the Irish American mob. In *Paddy Whacked*, bestselling author and organized crime expert T. J. *Faces of the Gone* - Brad Parks  
2009-12-08

Four bodies, each with a single bullet wound in the back of the head, stacked like cordwood in a weed-choked vacant lot: That's the front-page news facing Carter Ross, investigative reporter with the Newark Eagle-Examiner. Immediately dispatched to the scene, Carter learns that the four victims—an exotic dancer, a drug dealer, a hustler, and a mama's boy—came from different parts of the city and didn't seem to know one another. The police, eager to calm jittery residents, leak a theory that the murders are revenge for a bar stickup, and Carter's paper, hungry for a scoop, hastily prints it. Carter doesn't come from the streets, but he understands a thing or two about Newark's neighborhoods. And he knows there are no quick answers when dealing with a crime like this. Determined to uncover the true story, he enlists the

aide of Tina Thompson, the paper's smoking-hot city editor, to run interference at the office; Tommy Hernandez, the paper's gay Cuban intern, to help him with legwork on the streets; and Tynesha Dales, a local stripper, to take him to Newark's underside. It turns out that the four victims have one connection after all, and this knowledge will put Carter on the path of one very ambitious killer. *Faces of the Gone* by Brad Parks won the Shamus Award for Best First Novel and the Nero Award for Best American Mystery--it is the first book to receive both awards. The book was named to lists of the year's best mystery debuts by the Chicago Sun-Times and South Florida Sun-Sentinel.

**Delivering Death** - Julie  
Kramer 2014-01-07

From the author of *Stalking Susan* comes the latest installment in the “compulsively readable” (WCCO-TV) bestselling Riley Spartz thriller series, featuring a smart, sassy, and always entertaining TV reporter as she

matches wits with a media-savvy killer. The most appealing mystery heroine since Janet Evanovich's Stephanie Plum, TV reporter Riley Spartz is a star investigative journalist for Channel 3—and no stranger to the seedier side of her hometown. But when she receives a package of smelly human teeth in the mail at work, she's quickly embroiled in a homicide investigation that spirals into one of the odder cases the Minneapolis police force has ever seen. Though the cops try to keep certain grisly details quiet, this murder has a strange twist—it seems that the killer wants the crime publicized. Is it a revenge killing, or something more? Riley's investigation takes her inside a lucrative identity theft ring that links low-life crooks like now-dead Leon Akume to white-collar opportunists like once-wealthy Jack Clemens. Despite a prime motive for murder, Jack also has the ultimate alibi: he's behind bars. While Riley pushes to keep the homicide in the news, her boss

is convinced that coverage of the Mall of America's unique version of a royal wedding is key to the station winning ratings. As the stakes continue to rise for her job and her life, Riley must outwit the killer in a trap that could leave yet another person dead... An irresistible suspense novel that will keep readers turning pages until the stunning conclusion, *Delivering Death* brings the humor, intrigue, and twists and turns Julie Kramer's fans have been waiting for.

the end of that time been

kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt *Staten Island Noir* - Patricia Smith 2012-11-06

"In a thrilling tilt-a-whirl of crime and drama . . . Smith has carefully chosen writers concerned with the true nature of the small suburban borough." —Electric Literature Staten Island may be New York City's forgotten borough, but it ranks high up on the list of places known for organized crime. If that wasn't enough to boost its noir reputation, there are its haunted mansion, hate crimes, and Cropsey urban legend. Dark deeds will always find a home on this side of the Verrazano bridge, and they give Staten Island a character all its own. *Staten Island Noir* includes editor Patricia Smith's Robert L. Fish Memorial Award-winning short story, "When They Are Done with

Us," which was also selected for inclusion in *The Best American Mystery Stories* 2013. You'll find more tales by Bill Loehfelm, S.J. Rozan, Ted Anthony, Todd Craig, Ashley Dawson, Bruce DeSilva, Louisa Ermelino, Binnie Kirshenbaum, Michael Largo, Mike Penncavage, Linda Nieves-Powell, Shay Youngblood, and Eddie Joyce. "It's not enough for noir to be dark. It's got to be bad-ass. Its words, its decaying and horrible beauty have got to hit you like a spiked heel dragged from your guts to your gullet. It's got to twist the hot knife of passion in that soft space right below your belly while pumping bullets into your heart. It's got to make you bleed . . . *Staten Island Noir* features some dusky and drop-dead gorgeous gems (emphasis on the dead) that do just that." —Grub Street Daily "[An] exceptionally strong anthology." —Publishers Weekly, starred review [Modern Death in Irish and Latin American Literature](#) - Jacob L. Bender 2020-09-22 This comparative literature

study explores how writers from across Ireland and Latin America have, both in parallel and in concert, deployed symbolic representations of the dead in their various anti-colonial projects. In contrast to the ghosts and revenants that haunt English and Anglo-American letters—where they are largely either monstrous horrors or illusory frauds—the dead in these Irish/Latinx archives can serve as potential allies, repositories of historical grievances, recorders of silenced voices, and disruptors of neocolonial discourse.

**Providence Rag** - Bruce DeSilva 2015-03-17

Edgar Award-winner Bruce DeSilva returns with Liam Mulligan, an old-school investigative reporter for a dying newspaper in Providence, Rhode Island. Inspired by a true story, Providence Rag finds Mulligan, his pal Mason, and the newspaper they both work for at an ethical crossroad. The youngest serial killer in history butchered five of his neighbors before he was old enough to drive. When he was caught eighteen years ago, Rhode Island's antiquated criminal statutes--never intended for someone like him--required that all juveniles, no matter their crimes, be released at age twenty-one. The killer is still behind bars, serving time for crimes supposedly committed on the inside. That these charges were fabricated is an open secret; but nearly everyone is fine with it--if the monster ever gets out more people will surely die. But Mason is not fine with it. If officials can get away with framing this killer they could do it to anybody. As Mason sets

out to prove officials are perverting the justice system, Mulligan searches frantically for some legal way to keep the monster behind bars. The dueling investigations pit the friends against each other in a high-stakes race against time-- and snares them in an ethical dilemma that has no right answer.

**Providence Noir** - Ann Hood  
2015-05-11

Peter Farrelly's story "The Saturday Night Before Easter Sunday" has been nominated for an Edgar Award for Best Short Story! Named a Favorite Book of 2015 by Scott MacKay at Rhode Island Public Radio "Even Providence's signature public art has a dark side in Providence Noir (Akashic), which includes a story called 'WaterFire's Smell Tonight' by Pablo Rodriguez. Each tale in this anthology edited by Ann Hood is set in a different part of the city. Pulitzer Prize winner Elizabeth Strout's story takes place at Trinity Repertory Company. Thomas Cobb, whose novel Crazy Heart was made into a movie with Jeff Bridges,

tees up at Triggs Memorial Golf Course, and Dumb and Dumber co-writer and co-director Peter Farrelly, a graduate of Providence College, sets his story in the Elmhurst neighborhood, near his old college stomping grounds." --Boston Globe "Providence, of course, has a history of crime, the mob, corruption and other goodies. In this collection of 15 stories...we are given a darkly hued tour of the city in all its nooks and crannies by such excellent writers as Hood herself, John Searles, Bruce DeSilva, Peter Farrelly, Elizabeth Strout, Hester Kaplan and others, each with their own style, tone and sly approach that will keep you reading, waiting for the sudden murder, the end of troubled relationships, the discovery of bones...[A] wonderful collection." --Providence Journal Akashic Books continues its groundbreaking series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each story is set in a distinct

neighborhood or location within the city of the book. Featuring brand-new stories by: John Searles, Elizabeth Strout, Taylor M. Polites, Hester Kaplan, Robert Leuci, Amity Gaige, Peter Farrelly, Pablo Rodriguez, Bruce DeSilva, Marie Myung-Ok Lee, Luanne Rice, Dawn Raffel, Thomas Cobb, LaShonda Katrice Barnett, and Ann Hood. Anyone who has spent time in Providence, Rhode Island, knows that lurking in the shadows are many sinister noir elements and characters. The city is ripe for this volume, and Akashic is proud to have recruited the amazing Ann Hood as editor. The impressive contributor list conveys the caliber of Providence Noir, which joins Cape Cod Noir, Boston Noir, and Boston Noir 2: The Classics in sketching a dark and alternative portrait of these New England locales. From the introduction by Ann Hood: "Providence was founded in 1636 by a rogue named Roger Williams. Williams escaped here when Massachusetts was ready to

deport him back to England. In the almost four hundred years since, we've become infamous for all sorts of crimes and misdemeanors, including serving as home base for the Patriarca crime family for decades. My very own Uncle Eddie--I can hear Mama Rose screaming at me: 'He wasn't a blood relative! He was related through marriage!'--was gunned down in the Silver Lake section of town in 1964, just a year after he drove me in his white Cadillac convertible in a parade as the newly crowned Little Miss Natick. The writer Geoffrey Wolff told me that once he went to a barber in Princeton, New Jersey and the barber asked him where he was from. 'Providence,' Wolff told him. The barber put down his scissors, raised his hands in the air, and said, 'Providence? Don't shoot!' "I've asked fourteen of my favorite writers to contribute short stories to Providence Noir. We have stories to make you shiver, stories to make you think, stories that will show you my beautiful, noirish city in a way

it's never been highlighted before."

Jolly Fellows - Richard Stott  
2009-08-24

"Stott finds that male behavior could be strikingly similar in diverse locales, from taverns and boardinghouses to college campuses and sporting events. He explores the permissive attitudes that thrived in such male domains as the streets of New York City, California during the gold rush, and the Pennsylvania oil fields, arguing that such places had an important influence on American society and culture. Stott recounts how the cattle

and mining towns of the American West emerged as centers of resistance to Victorian propriety. It was here that unrestrained male behavior lasted the longest, before being replaced with a new convention that equated manliness with sobriety and self-control."

**Against Expression** - Craig Dworkin 2011-01-17

Charles Bernstein has described conceptual "poetry pregnant with thought." *Against Expression*, the premier anthology of conceptual writing, presents work that is by turns thoughtful, funny, provocative, and disturbing. Editors Craig Dworkin and Kenneth Goldsmith chart the trajectory of the conceptual aesthetic from early precursors such as Samuel Beckett and Marcel Duchamp through major avant-garde groups of the past century, including Dada, Oulipo, Fluxus, and language poetry, to name just a few. The works of more than a hundred writers from Aasprong to Zykov demonstrate a remarkable

variety of new ways of thinking about the nature of texts, information, and art, using found, appropriated, and randomly generated texts to explore the possibilities of non-expressive language.

Cliff Walk - Bruce DeSilva  
2012-05-22

Prostitution has been legal in Rhode Island for more than a decade; Liam Mulligan, an old-school investigative reporter at dying Providence newspaper, suspects the governor has been taking payoffs to keep it that way. But this isn't the only story making headlines...a child's severed arm is discovered in a pile of garbage at a pig farm. Then the body of an internet pornographer is found sprawled on the rocks at the base of Newport's famous Cliff Walk. At first, the killings seem random, but as Mulligan keeps digging into the state's

thriving sex business, strange connections emerge. Promised free sex with hookers if he minds his own business—and a beating if he doesn't—Mulligan enlists Thanks-Dad, the newspaper publisher's son, and Attila the Nun, the state's colorful Attorney General, in his quest for the truth. What Mulligan learns will lead him to question his beliefs about sexual morality, shake his tenuous religious faith, and leave him wondering who his real friends are. Cliff Walk is at once a hard-boiled mystery and an exploration of sex and religion in the age of pornography. Written with the unique and powerful voice that won DeSilva an Edgar Award for Best First Novel, Cliff Walk lifts Mulligan into the pantheon of great suspense heroes and is a giant leap for the career of Bruce DeSilva. The Company She Kept -

Archer Mayor 2015-09-29

During the height of a harsh

Vermont winter, the body of a woman is found hanging from the steel-mesh retaining net lining the cliffs along the interstate. She was brutally murdered, with the word "dyke" carved into her chest. She was also a state senator and best friend and ally of the current governor, Gail Zigman. At Zigman's personal request, Joe Gunther and his Vermont Bureau of Investigation team agree to help the Vermont State Police in their investigation before the victim's high profile and powerful friends create the inevitable publicity maelstrom. Raffner was indeed a lesbian, and the word carved into her chest might be evidence of a hate crime, or it might be a feint designed to confuse and mislead investigators. But the question remains-what was she involved with, who wanted her dead, and what company was she keeping? What Gunther and his team discover during their initial investigation isn't the stuff of a simple murder. Someone killed a prominent figure and fabricated an

elaborate scene for a purpose. And this might only be the beginning...in Archer Mayor's *The Company She Kept*.

**The Great and Holy War** - Philip Jenkins 2014-06-20

*The Great and Holy War* offers the first look at how religion created and prolonged the First World War, and the lasting impact it had on Christianity and world religions more extensively in the century that followed. The war was fought by the world's leading Christian nations, who presented the conflict as a holy war. A steady stream of patriotic and militaristic rhetoric was served to an unprecedented audience, using language that spoke of holy

war and crusade, of apocalypse and Armageddon. But this rhetoric was not mere state propaganda. Philip Jenkins reveals how the widespread belief in angels, apparitions, and the supernatural, was a driving force throughout the war and shaped all three of the Abrahamic religions - Christianity, Judaism, and Islam - paving the way for modern views of religion and violence. The disappointed hopes and moral compromises that followed the war also shaped the political climate of the rest of the century, giving rise to such phenomena as Nazism, totalitarianism, and communism. Connecting remarkable incidents and characters - from Karl Barth to Carl Jung, the Christmas Truce to the Armenian Genocide - Jenkins creates a powerful and persuasive narrative that brings together global politics, history, and spiritual crisis. We cannot understand our present religious, political, and cultural climate without understanding the dramatic changes initiated by the First World War. The

war created the world's religious map as we know it today.
