Breakneck - Erica Spindler 2009-01-20

A remorseless killer. A string of innocent, clean-cut victims. Detectives M.C. Riggio and Kitt Lundgren must race against a cold-blooded predator who moves at breakneck speed in this heart-pounding thriller from New York Times bestselling author Erica Spindler. Hot on the heels of their last case, partners Mary Catherine (M.C.) Riggio and Kitt Lundgren, detectives in the police department's Violent Crimes Bureau in industrial, blue-collar Rockford, Illinois, are called out to a college student's apartment where a young man with no criminal record, not even a noise complaint from his neighbors, appears to have been murdered in his sleep. The trail seems cold, until another victim turns

up, and then another... each one striking closer to home for M.C. The growing list of seemingly emotionless kills leaves M.C. and Kitt little to follow—like the first victim, all the targets are young adults, kid-next-door types who've never taken a step outside the law. Meanwhile, the case starts to take its toll on M.C.'s personal life, setting her on edge with her partner and putting their hard-earned friendship in jeopardy. As M.C. and Kitt hunt a faceless killer, they are led deep into the cyberuniverse, where no one is who he seems and you never know who's watching. At the heart of this mesmerizing thriller is the relationship between two headstrong women as they struggle to balance their dual roles, to learn to trust, and to walk the fine line between upholding the law—and taking it into their own hands.

From New York Times bestselling author, Lauren Willig, comes this scandalous novel set in the Gilded Age, full of family secrets, affairs, and murder. Annabelle and Bayard Van Duyvil live a charmed life in New York: he's the scion of an old Knickerbocker family, she grew up in a Tudor house in England, they had a fairytale romance in London, they have three-year-old twins on whom they dote, and he's recreated her family home on the banks of the Hudson and named it Illyria. Yes, there are rumors that she's having an affair with the architect, but rumors are rumors and people will gossip. But then Bayard is found dead with a knife in his chest on the night of their Twelfth Night Ball, Annabelle goes missing, presumed drowned, and the papers go mad. Bay's sister, Janie, forms an unlikely alliance with a reporter to try to uncover the truth, convinced that Bay would never have killed his wife, that it must be a third party, but the more she learns about her brother and his wife, the more everything she thought she knew about them starts to unravel. Who were her brother and his wife, really? And why did her brother die with the name George on his lips?

The Girl in the Missing Poster - Barbara Copperthwaite 2021-02-23
MISSING - Have you seen this girl? Nineteen-year-old Leila Hawkins was last seen on 24 June, 1994, when she left her parents' anniversary party early and ran into the stormy night wearing her twin sister Stella's long red coat. She was never seen again. I wrap my arms around the tree trunk, pressing my cheek against it until the bark digs in and the missing poster is finally secured. I try not to look at the photograph on it. At the features so similar to mine. Perhaps this will be the year someone comes forward. Were crucial mistakes made by detectives from the very beginning? Could the pressure of living two lives have led my sister to run away - or even end it? Or did someone in her tight circle of friends and family have reason to want her gone? Someone out there must know something. But the last thing I ever expect is a direct response from the person who took Leila. Wracked with guilt and completely alone in the world without the other half of me, I have no choice but to agree to his strange request: private, intimate details of my life in return for answers. As the final moments of my sister's life play out before me, I feel closer to her than I ever dreamed I'd be again. So close, it could almost be happening to me. When she was

sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's Jar of Hearts.
