**An mein Rebel Girl** - Sybille Beck 2018-08-06

Jede Mutter wünscht sich für ihre Tochter, dass sie zu einer starken, freien und unabhängigen Frau heranwächst. Sie möchte sie vor Fehlern bewahren und ihr Ratschläge für ein gutes Leben geben. Dieses Buch versammelt die Erfahrungen und Tipps einer Mutter, die sie ihren Töchtern fürs Leben mitgeben möchte. Dass sie für ihre Träume kämpfen soll und auch mal unbequem werden darf. Oder dass es nicht so schlimm ist, wenn sie nicht weiß, was sie will, solange sie nur genau weiß, was sie nicht will. Dass sie jede Menge gute Bücher lesen sollte und bei den schlechten nach 20 Seiten aufhören. Und dass es den einen Satz gibt, den sie sich absolut nie und von niemandem sagen lassen soll, nämlich: "Das ist nichts für Mädchen."

*Names on a Map* - Benjamin Alire Saenz 2009-10-13

"A book of great lyrical power, *Names on a Map* is a heartbreaking mirror for our own time, about an American family torn apart by an unjust war. In Ben Saenz' dexterous, tender hands, this novel is a salve upon the wounds of both then and now." —Ruben Martinez, award winning author of *Crossing Over: A Mexican Family on the Migrant Trail*  
A haunting novel from award-winning author and poet Benjamin Alire Saenz, about a family of Hispanic immigrants handling the psychological effects of a war they don't feel is theirs to fight In 1967, at the height of the Vietnam War, the Espejo family of El Paso, Texas, is just like thousands of other American families coping with a war they feel does not concern them. When Gustavo, the eldest son—the "bad boy" of the family—is told to report for basic training, his ideology and sense of patriotism is put to the test. Opting to flee to Mexico and avoid the draft, Gustavo soon realizes he is no more culturally connected to his ancestral homeland than he is to the America that called him to war. Poignant and insightful, *Names on a Map* explores with complex detail the harsh nature of immigrant life in the United States—and the emotional tug-of-war experienced by all those with allegiance to more than one country.

*Surf Tribe* - Stephan Vanfleteren 2018-04

With 'Surf Tribe', photographer Stephan Vanfleteren shows that there is far more to surf culture than just sport and competition. Surfing is also about a deep admiration and respect for the ocean, as well as the feeling of insignificance when confronted with the forces of nature. Surfers use the waves for fun, but also to forget and to battle, both with others and with themselves. Vanfleteren looks beyond the traditional borders of the United States and Australia and searches the globe for people who live in places where sea and land meet. He documents a fluid community, which has nature as its sole leader. He portrays both young talent as well as living icons and old legends, both competition surfers and freesurfers. No action shots on azure blue waves but static and serene black and white portraits in Vanfleteren's well-known, haunting style, which show the real people behind the surfers, in all their strength and vulnerability. A series of images that penetrates to the true core of surf culture.

Journey Through the Heart of a Modern Mystic - Sandra Credendino-Nile 2004

This book is a compilation of original inspirational narrative, poetry, prose, art and lyrics, in five parts, honoring the sacredness of human existence and life experiences. All of the poems rhyme and have a rhythm of an almost musical sense. Some contain profound messages regarding present worldly conditions. It inspires to search deep within the soul and reevaluate and explore our priorities and personal relationships, as well as the relationship and love we have with and for ourselves, God, Nature, and Humankind. This work is un-convoluted, honest, compassionate and touching. It is also very clear. This artist finds a way with words that is so understandable and easy to relate to that you don't have to have a degree in literature, philosophy, or even be a fan of the art to appreciate all she has to say. In part three all of the poems pertain to romantic and sensual love. Each one is a short story in itself. Some of them are very personal pieces which acknowledge and express the deepest of human emotions. This is done with truthfulness, wisdom and grace. For the closing pieces the author shares a heartfelt eulogy written for her grandmother (to whom the book is dedicated) and a last poem found by her daughter (shortly before completion of this collection) which was written by the author in 1966. It is a variable testimony of the truthfulness and purity of her work.

The collection aims to answer these questions through case studies and a conceptual rethinking of the process of politically engaged translation, considering not only trained translators and publishers, but also feminist activists and groups, NGOs and writers. *The King and the Sea* - Heinz Janisch 2015-03-06

These stunningly illustrated, ultra-short stories are seemingly simple but ultimately profound tales. "Buzz off," said the king, shooing the bee from his flower. "Don't you know I'm the king?" "And I'm the queen," said the bee, stinging the king's nose. In each story, the king has an encounter which he tries to rule over. But of course the rain doesn't stop just because a king orders it, and tired eyelids can be much stronger than a king's will. The king sees that his power has limits; the world is diverse and much of it operates under its own rules. "An extraordinarily beautiful children's book that leaves plenty of room for your own thoughts a It deals with big questions in a small way."-Litrix.de (German Literature Online)
