A Mythological Approach to Exploring the Origins of Chinese Civilization - Shuxian Ye 2022

Is the lion the symbol of China? Or should it be the dragon or the phoenix? This book makes a provocative interpretation of the Chinese ancient totems such as the bear and the owl. Taking a mythological approach, it explores the origin of Chinese civilization using the quadruple evidence method, which integrates ancient and

unearthed literature, oral transmission, and archeological objects and graphs. It testifies to the authenticity of unresolved ancient myths and legends from the origins of Chinese Jade Ware (6200BC-5400 BC) to the names of the Yellow Emperor (2698-2598 BC) and the legends from the Xia (2010BC-1600BC), Shang (1600BC-046BC), Zhou (1046BC-771BC), and Qin (221BC-206BC) Dynasties. The book lays the foundation for a reconstruction of Chinese Mythistory. With well over 200 photographs of historic artifacts, the book appeals to both researchers and general readers.

Andrew Jackson - William Garrott Brown 1900

Joanna Russ - Gwyneth Jones 2019-08-30

Experimental, strange, and unabashedly feminist, Joanna Russ's groundbreaking science fiction grew out of a belief that the genre was ideal for expressing radical thought. Her essays and criticism, meanwhile, helped shape the field and still exercise a powerful influence in both SF and feminist literary studies. Award-winning author and critic Gwyneth Jones offers a new appraisal of Russ's work and ideas. After years working in male-dominated SF, Russ emerged in the late 1960s with Alyx, the uber-capable can-do heroine at the heart of Picnic on Paradise and other popular stories and books. Soon, Russ's fearless embrace of gender politics and life as an out lesbian made her a target for male outrage while feminist classics like *The Female Man* and *The Two of Them* took SF in innovative new directions. Jones also delves into Russ's longtime work as a critic of figures as diverse as Lovecraft and Cather, her foundational place in feminist fandom, important essays like "Amor Vincit Foeminam," and her career in academia.

Golden Age of Chinese Art - Hugh Scott 2012-10-23

For almost three hundred years the noble T'ang Dynasty fostered a period of artistic and intellectual endeavor which has never been equaled in the history of China. Sculpture, ceramics, glass, and textiles were some of the major artifacts that emerged from this glorious renaissance of Chinese taste and skill. This book is the story of the T'ang told through objects in the author's collection, one of the most representative in private hands. It includes a marvelous array of gold and silver mirrors, jade,

jewelry and gilt bronzes. The 124 illustrations, 24 in full color are accompanied by a history of the T'ang era, and a chapter on each of the categories in the collection gives a comprehensive background to the illustrations. The knowledgeable comments of a well-known collector are authoritative, and will be invaluable to other collectors, as well as to all connoisseurs of Chinese art.

Rebirth: Unparalleled God Emperor - Ren ZhenXiaDeWoNiu 2020-06-05

Due to an accident, he was reborn into the body of a useless beggar. He wanted to see how he would change his life, how he would go to the peak, how his life would be like a dream, how his world would be like a painting, he didn't want to be a peerless hero, he didn't want to be a prince on a white horse, he wanted to ask who was a mortal, and he swore to be an adult ...

The Golden Dragon - Louis Shalako

Opera star Largo Banzini is killed by a dart from a blowgun at the end of Act One of *The Golden Dragon*. It's an impossible crime, and Inspector Gilles Maintenon, who lost his wife Ann only a short time ago, has been a bit off lately. They have two thousand witnesses, all kinds of political pressure, too many people with some kind of a motive, and not enough real information. He's also a pretty good teacher, and the bright young Constable Louis Bedard has been assigned to the case. Somebody sees something in this young man, who has enough seniority to write the sergeant's exam. He has ideas, if only he can overcome a basic shyness. If he does well, there's no need to go back to traffic duties and foot patrols. This is the seventh volume in *The Inspector Gilles Maintenon Mystery Series*.

The Path Of Destiny - Mike Shelton 2018-09-23
A Prophecy. A Powerful Sword. A Reluctant Wizard. Wizards and magic have long been looked down upon in the Realm. So what happens when you find out you're a wizard? Darius San Williams, son of one of King Edward's councilors, cares little for his father's politics and vows to leave the city of Anikari to protect and bring glory to the Realm. But when a new-found and ancient magic emerges within him, he and his friends Christine and Kelln are faced with decisions that could shatter or fulfill the prophecy and the lives of all those they know. Trying to escape fate, Darius learns that no matter where he goes, prophecy and destiny are waiting to find him. If you love magic, sword & Sorcery, wizards, and epic fantasy don't miss

this first book in *The Cremelino Prophecy*-- and discover what remarkable destiny awaits Darius. *Dragon Unleashed* - Grace Draven 2020-06-09 A dragon shapeshifter and a healer with power over the earth fight a corrupt empire in this thrilling and deeply emotional romantic fantasy from the USA Today bestselling author of *Radiance*. Magic is outlawed in the Krael Empire and punishable by death. Born with the gift of earth magic, the free trader Halani keeps her dangerous secret closely guarded. When her uncle buys a mysterious artifact, a piece of bone belonging to a long-dead draga, Halani knows it's far more than what it seems. Dragas haven't been seen for more than a century, and most believe them extinct. They're wrong. Dragas still walk among the denizens of the Empire, disguised as humans. Malachus is a draga living on borrowed time. The magic that has protected him will soon turn on him--unless he finds a key part of his heritage. He has tracked it to a group of free traders, among them a grave-robbing earth witch who fascinates him as much as she frustrates him with her many secrets. Unbeknownst to both, the Empire's twisted empress searches for a draga of her own, to capture and kill as a trophy. As Malachus the hunter becomes the hunted, Halani must risk herself and all she loves to save him from the Empire's machinations and his own lethal birthright.

Supernatural - Colin Wilson 2013-06-06 It's the hot genre of the decade so far, and now Colin Wilson lends his weight to the subject of the Supernatural, in this far-reaching encyclopedia of whole spectrum of supernatural phenomena from ghosts and poltergeists to reincarnation, and from precognition and 'psychic detection' to magic and demonic possession. The Dragon Orb - Mike Shelton 2017-01-15 The fate of a kingdom rests on the shoulders of three young wizards who couldn't be more different. Bakari is a brilliant scholar wizard who's more at home in a library than a battlefield. Alli is a beautiful young battle wizard who's grace in battle is both enchanting and deadly. Roland is a counselor wizard with a seemingly limitless depth of untapped power -- and the ego to match it. As the magical barrier protecting the kingdom of Alaris from dangerous outsiders begins to fail, and a fomenting rebellion threatens to divide the country in a civil war, the three wizards are thrust into the middle of a power struggle. When the barrier comes down, the truth comes out. Was everything they were taught about their kingdom based on a lie? Will they all choose to fight on the same side, or end up enemies in the battle over who should rule Alaris?

Kingdom of the Golden Dragon - Isabel Allende 2021-01-05 Alexander Cold, his grandmother Kate, and his closest friend Nadia return in the follow-up to *City of the Beasts* on a new quest to find the fabled Golden Dragon of the Himalayas, another fantastical voyage of suspense, magic, and awe-inspiring adventure from internationally celebrated novelist Isabel Allende. Not many months have passed since teenager Alexander Cold followed his bold grandmother into the

heart of the Amazon to uncover its legendary Beast. This time, reporter Kate Cold escorts her grandson and his closest friend, Nadia, along with the photographers from International Geographic, on a journey to another location far from home. Entering a forbidden sovereignty tucked in the frosty peaks of the Himalayas, the team's task is to locate a sacred statue and priceless oracle that can foretell the future of the kingdom, known as the Golden Dragon. In their scramble to reach the statue, Alexander and Nadia must use the transcendent power of their totemic animal spirits—Jaguar and Eagle. With the aid of a sage Buddhist monk, his young royal disciple, and a fierce tribe of Yeti warriors, Alexander and Nadia fight to protect the holy rule of the Golden Dragon—before it can be destroyed by the greed of an outsider.

The Golden Dragon - Mike Shelton 2018-10-30
How much wizard power is too much? Some people are born with magical powers. Others are not. It's that simple. Roland Tyre, High Wizard of the Citadel, has always wanted to be the most powerful wizard in the land and adored by all. But there is already someone else that vies for that title - Bakari, the Dragon King; one of his best friends. While Bakari and the dragon riders race off to find the lost dragon artifacts and the mythical golden dragon, Roland discovers his own magical artifact that gives him the opportunity to increase his own powers and influence in the land. Can friendships survive greed for power? And who will emerge as the most powerful wizard in the land? A grand adventure awaits with powerful wizards, kidnappings, traitors, kingdoms changing hands, and of course dragons and other magical creatures. Is the Golden Dragon real and if so, who will find him first?

The Tucson Artifacts - Donald N. Yates
2017-01-09

In the 1920s, a series of inscribed leaden crosses and ceremonial swords were excavated in the desert outside Tucson. This new inventory presents a complete set of documentary photographs plus transcriptions of the Latin accompanied by English translations. These improbable gems of American archeology record a unique trans-Pacific Jewish colony from Charlemagne's Europe in eighth to ninth century Arizona. Donald Yates's research and readings will forever lay to rest any modern-day notions that pre-Columbian civilizations developed without Old World influences.

The Birth of Japanese Historiography - John R. Bentley 2020-12-29

As the first book in English on the origins of Japanese historiography, using both archaeological and textual data, this book examines the connection between ancient Japan and the Korean kingdom of Paekche and how tutors from the kingdom of Paekche helped to lay the foundation for a literate culture in Japan. Illustrating how tutors from the kingdom of Paekche taught Chinese writing to the Japanese court through the prism of this highly civilized culture, the book goes on to argue that Paekche tutors guided the early Japanese court through writing, recording family history, and ultimately an early history of the ruling family. As the Japanese began to create their own history, they relied on Paekche histories as a model.

Triangulating textual data from Kojiki, Nihon shoki, and Sendai kuji hongji, the author here demonstrates that various aspects of early king genealogies and later events were manipulated. Offering new theories about the Japanese ruling family, it is posited that Emperor Jitō had her committee put Jingū in power, and Suiko on the throne in place of original male rulers to enhance images of strong, female rulers, as she

envisioned herself. *The Birth of Japanese Historiography* will be a valuable resource for students and scholars of Japanese history, historiography, and linguistics.

The Art of the English Trade Gun in North America - Nathan E. Bender 2018-06-18

Symbolic ornamentation inspired by ancient Greek and Roman art is a long-standing Western tradition. The author explores the designs of 18th century English gunsmiths who engraved classical ornamental patterns on firearms gifted or traded to American Indians. A system of allegory is found that symbolized the Americas of the New World in general, and that enshrined the American Indian peoples as "noble savages." The same allegorical context was drawn upon for symbols of national liberty in the early American republic. Inadvertently, many of the symbolic

designs used on the trade guns strongly resonated with several Native American spiritual traditions.
