Pure Spring - Brian Doyle
2007-04-01

In the sequel to the award-winning *Boy O'Boy*, it's spring in post-World War II Ottawa and Martin O'Boy has finally found a true home with

Grampa Rip. Martin's also found a job, working for the Pure Spring soft drink company. Best of all, he's in love with beautiful Gerty McDowell. But everything's not perfect. Martin lied to kindly Mr. Mirsky, Pure Spring's owner, to get the job. Grampa Rip's brain increasingly goes missing. There's that mysterious, yet oddly familiar, man in the park. There are also Martin's memories, the sudden appearance of famed Soviet defector Igor Gouzenko, and Martin's shady boss, Randy. And worst of all, Randy is robbing Gerty's grandfather, and he's forcing Martin to be his accomplice. Martin's happiness, sense of duty, and love for Gerty collide. Can he find his way through these dire developments? Brian Doyle's fast-paced plot and vivid characterizations, along with the lively colloquial dialogue and period detail, create a rich historical portrait that confirms the author's place as a master storyteller.

The Ranger Smokes Too Much
- Pierre Coran 1992

Charlock Halms tries to help the ranger's dog who is sick because the ranger smokes too much.

ARS 45 - 1957

Uncle Ronald - Brian Doyle

Gillmor 2010-04-23

Austin Grouper thinks he has it all--a dog named Fresco, a best friend named Sternberg, and a red bicycle--until yucky Amy moves in next door and invites Austin to her birthday party, and it seems then that the only suitable present for Amy is the moon itself.

You Big and Me Small -
Gregoire Solotareff 2017-08-15
A charming story about friendship and acceptance. A lion finds a baby elephant, cold and alone outside the door of his castle. The lion takes in the elephant and they become friends. They play games

(mostly what the lion wants) and the small elephant sings for the lion, songs that his mother taught him. The lion tells the elephant many stories of his adventurous life, his travels, the animals he fought, his many grand possessions and, most especially, his throne and crown. For, he is the king. "You big and me small" becomes their secret couplet of affection. But soon the elephant outgrows the lion, as an elephant will. The lion is unhappy. He no longer feels like the king, he is no longer bigger. The elephant goes on his knees so the lion can ride on his back. Still the lion feels small. The elephant sings to the lion that even though he is the smaller, he will always be the greater, for he is a lion. Still it is not enough for the lion. In a sour mood, he sends the elephant away. Time passes. One day, the elephant is riding through town in a taxi when he sees someone on a sidewalk, draped in a blanket. It is the lion, cold and alone. "Good morning majesty! Can I help you?" "Majesty?" asks the

lion, astonished. "I recognize you! You are the little elephant that I brought in and then drove out of my house! I am big and you are small!" "You big and me small!" replies the elephant. They throw themselves into each other's arms. "What has happened to you?" asks the elephant. "Oh," said the lion. "I have not been a king for a long time. I was chased away. I was too proud!" The elephant reassures the king that while he may not have a crown, he will always be great, he will always be big. "You are always the king!" And this time it is the elephant that helps the lion.

Angel Square - Brian Doyle
2003

In 1945 in Ottawa's Lowertown, Tommy, also known as "The Shadow," and two of his friends, one French Canadian, one Irish, try to find out who attacked the father of their Jewish friend Sammy. Reprint.

The Pull of the Ocean - Jean-Claude Mourlevat 2009-05
Loosely based on Charles Perrault's "Tom Thumb," seven brothers in modern-day France flee their poor parents' farm, led by the youngest who, although mute and unusually small, is exceptionally wise.

The King and the Sea - Heinz Janisch 2015-03-06

These stunningly illustrated, ultra-short stories are seemingly simple but ultimately profound tales. "Buzz off," said the king, shooing the bee from his flower. "Don't you know I'm the king?" "And I'm the queen," said the bee, stinging the

king's nose. In each story, the king has an encounter which he tries to rule over. But of course the rain doesn't stop just because a king orders it, and tired eyelids can be much stronger than a king's will. The king sees that his power has limits; the world is diverse and much of it operates under its own rules. "An extraordinarily beautiful children's book that leaves plenty of room for your own thoughts a It deals with big questions in a small way." - Litrix.de (German Literature Online)

Your Glacial Expectations - Olafur Eliasson 2017-05-09

An arresting volume to commemorate Olafur Eliasson's latest work of installation art, featuring lush illustrations and unique insights from participating writers, photographers, and artists One of the most wide-ranging and ambitious creative minds of his generation, Icelandic-Danish artist Olafur Eliasson has produced a dizzying spectrum of work around the world. Perhaps best known in the United States for

his 2008 New York City Waterfalls installation, his constant inventiveness and public projects have entranced huge numbers of people. Working in a variety of fields and media, there is no end to his creative ambition and the delight his works elicit. The title of the book and accompanying exhibition refers to the glaciers that formed the landscape around the installation's site in Denmark, their traces still evident in the site's topography and geology. The project does not end at the property boundaries, but incorporates the entire surrounding landscape. Five mirrors, ranging from a perfect circle to elongated ellipses, reflect the changing sky above and the contemplator's own gaze as though in the surfaces of glacial pools. This publication offers a unique and highly detailed insight, captured over the course of four seasons, of this singular landscape. Working with geologists, landscape architects, and other specialists, Eliasson has

created an outdoor space only a privileged few will ever see. This publication documents and enhances the work through photographs, essays, and collaborators who render the power of the project in images and words.

Up to Low - Brian Doyle 2004
A cast of motley characters helps Young Tommy and Baby Bridget discover that there are many ways to love and heal and die.

Music and Society - Elie Siegmeister 1938

The Pied Piper of Peru - Ann Tompert 2002

The legend of Martin de Porres, and how he rids a monastery of mice.

The Sopranos - Alan Warner 2011-01-18

NOW A SELL-OUT PLAY: OUR

LADIES OF PERPETUAL
SUCCOUR The choir from Our
Lady of Perpetual Succour
School for Girls is being bussed
to the national finals in the big,
big city. And it's an important
day for The Sopranos - Orla,
Kylah, (Ra)Chell, Amanda
Konky and Fionnula (the
Cooler) - pub-crawling,
shoplifting and body-piercing
being the top priorities. Then
it's time to lose that
competition - lose, because a
nuclear sub has just anchored
in the bay and, tonight, the
Man Trap disco will be full of
submariners on shore-leave.
There is no time for delays. . .
But after the fifth bottle of
alco-pop up the back of the bus
it's clear that all is not going to
plan, for anyone. The Sopranos
are never going to be the same.
'Compassionate and riotously
funny. It is a long time since I
read a novel which had me
rocking with laughter' -The
Times

Angel and the Polar Bear -
Marie-Louise Gay 1988

Angel woke up one morning.
There was water all over her
apartment! "Well," said Angel,

"what should I do now? I can't
swim." Then Angel got a good
idea, and the fun began...

**The Making of Modern
Colombia** - David Bushnell
1993-02-09

Colombia's status as the fourth
largest nation in Latin America
and third most populous—as
well as its largest exporter of
such disparate commodities as
emeralds, books, processed
cocaine, and cut
flowers—makes this, the first
history of Colombia written in
English, a much-needed book.
It tells the remarkable story of
a country that has consistently
defied modern Latin American
stereotypes—a country where
military dictators are virtually
unknown, where the political
left is congenitally weak, and
where urbanization and
industrialization have spawned
no lasting populist movement.
There is more to Colombia than
the drug trafficking and
violence that have recently
gripped the world's attention.
In the face of both cocaine
wars and guerrilla conflict, the
country has maintained steady
economic growth as well as a

relatively open and democratic government based on a two-party system. It has also produced an impressive body of art and literature. David Bushnell traces the process of state-building in Colombia from the struggle for independence, territorial consolidation, and reform in the nineteenth century to economic development and social and political democratization in the twentieth. He also sheds light on the modern history of Latin America as a whole.

On My Island - Marie-Louise Gay 2000

Many things happen when the island's inhabitants--a boy a wolf, two cats, three ants, and a bat--are looking the other way.

HOMAGE New Orleans - Leon Morris 2015-08-18

Thirty years of music photography and commentary covering jazz, blues, soul, reggae, Cajun, zydeco, World and rock music; including ten years either side of Hurricane Katrina in New Orleans

The Amazing Love Story of Mr. Morf - 2003

Yearbook Commercial Arbitration, Volume XLV (2020)

- Stephan W. Schill 2020-12-17

The Yearbook Commercial Arbitration continues its longstanding commitment to serving as a primary resource for the international arbitration community, with reports on arbitral awards and court decisions applying the leading arbitration conventions and decisions of general interest to the practice of international arbitration as well as announcements of arbitration legislation and rules. Volume XLV (2020) includes: excerpts of arbitral awards made under the auspices of the International Chamber of Commerce (ICC) and the Milan Chamber of Arbitration (CAM), as well as twelve awards reflecting the practice of tribunals constituted under the

auspices of the Arbitration Institute of the Stockholm Chamber of Commerce (SCC); notes on new and amended arbitration rules, including references to their online publication; notes on recent developments in arbitration law and practice in Ethiopia, Lithuania, Macao SAR, Palau, Peru, Poland, Portugal, Russian Federation, Seychelles, Sierra Leone, Singapore, Switzerland, Tanzania, Thailand, and Tonga; excerpts of 87 court decisions applying the 1958 New York Convention from 27 countries – including, for the first time, a selection of seven cases from Egypt, and cases from Tanzania and Uzbekistan – all indexed by subject matter and linked to the commentaries on the New York Convention published in the Yearbook, authored by former General Editor and leading expert Prof. Dr. Albert Jan van den Berg; excerpts from two decision applying the 1965 Washington (ICSID) Convention and seven decisions applying the 1975 Panama (Inter-American) Convention, as well as a

selection of four court decisions of general interest; an extensive Bibliography of recent books and journals on arbitration. The Yearbook is edited by the International Council for Commercial Arbitration (ICCA), the world's leading organization representing practitioners and academics in the field, under the general editorship of Prof. Dr. Stephan W. Schill and with the assistance of the Permanent Court of Arbitration, The Hague. It is an essential tool for lawyers, business people and scholars involved in the practice and study of international arbitration.

Crime Stories - Ceri Jones
2011-01-01

"This collection of five stories explores a variety of different literary approaches to the genre of horror." -- Product description.

Boy O'Boy - Brian Doyle
2003-09-01

Winner of the Canadian Library Association Book of the Year, the Geoffrey Bilson Award, the Ruth Schwartz Award, and an

ALA Notable Books List
selection Martin O'Boy's life is not easy. His beloved Granny has just died, his pregnant mother and father fight all the time and his twin, Phil, is completely incapacitated. Martin is the one his mother counts on. But life in Ottawa's Lowertown is not all bad. He has his best friend, Billy Batson (a.k.a. Captain Marvel), the movies, his cat Cheap and there's the glamorous Buz from next door, who is off at the war. As the war comes to an end with the bombing of Hiroshima -- on Martin's birthday -- Ottawa is in a state of turmoil. Returning soldiers, parties, fights and drunks fill the streets. It would all be very exciting, except for one thing. In their endless pursuit of more funds Martin and Billy have joined the church choir -- as

summer boys. And the organist, Mr. T.D.S. George, is awfully fond of Martin. But Martin, despite his hardships, has a pure soul and his Granny's love, Billy's friendship, Buz's imminent return, and even his mother's reliance on him, which help him to deliver a kind of justice to Mr. George, and to heal himself and others.

Global ELT - Dictionary of Synonyms - Andrew Betsis
2015-03-05

No other description available.
