time of unprecedented crisis “One of [Erik Larson’s] best books yet . . . perfectly timed for the moment.”—Time • “A bravura performance by one of America’s greatest storytellers.”—NPR
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • Vogue • NPR • The Washington Post • Chicago Tribune • The Globe & Mail • Fortune • Bloomberg • New York Post • The New York Public Library • Kirkus Reviews • LibraryReads • PopMatters
On Winston Churchill’s first day as prime minister, Adolf Hitler invaded Holland and Belgium. Poland and Czechoslovakia had already fallen, and the Dunkirk evacuation was just two weeks away. For the next twelve months, Hitler would wage a relentless bombing campaign, killing 45,000 Britons. It was up to Churchill to hold his country together and persuade President Franklin Roosevelt that Britain was a worthy ally—and willing to fight to the end. In *The Splendid and the Vile*, Erik Larson shows, in cinematic detail, how Churchill taught the

British people “the art of being fearless.” It is a story of political brinkmanship, but it’s also an intimate domestic drama, set against the backdrop of Churchill’s prime-ministerial country home, Chequers; his wartime retreat, Ditchley, where he and his entourage go when the moon is brightest and the bombing threat is highest; and of course 10 Downing Street in London. Drawing on diaries, original archival documents, and once-secret intelligence reports—some released only recently—Larson provides a new lens on London’s darkest year through the day-to-day experience of Churchill and his family: his wife, Clementine; their youngest daughter, Mary, who chafes against her parents’ wartime protectiveness; their son, Randolph, and his beautiful, unhappy wife, Pamela; Pamela’s illicit lover, a dashing American emissary; and the advisers in Churchill’s “Secret Circle,” to whom he turns in the hardest moments. *The Splendid and the Vile* takes readers out of today’s political dysfunction

Downloaded from

and back to a time of true leadership, when, in the face of unrelenting horror, Churchill's eloquence, courage, and perseverance bound a country, and a family, together.

The Smart Words and Wicked Wit of Winston Churchill - Max Morris 2017-03-21

"For myself I am an optimist," said legendary British politician Winston Churchill. "It does not seem to be much use being anything else." Have you ever wanted to deliver the ultimate Churchillian wisecrack? Give sound advice to a peer on how to deal with life's problems? Or contribute to a heated discussion on international politics? The Smart Words and Wicked Wit of Winston Churchill is the perfect pocket book to carry around in your arsenal as you laugh at Churchill's devious brand of smarts and learn from his political and humanist outlook on life during the turmoil of the Second World War. Discover what he had to say about domestic politics, war and peace, power, struggles and strife, education, philosophy, and

some of the biggest names of his time, including himself. Beautifully designed and curated, this entertaining collection compiles the wisest and wittiest Churchill quotations that speak of the politician's enduring legacy in contemporary pop culture. Full of savvy and wisdoms, The Smart Words and Wicked Wit of Winston Churchill is sure to delight devoted fans of history and casual readers alike.

The Irrepressible Churchill - 2000

The Woman Who Censored Churchill - Ruth Ive 2010-12-26

During the Second World War, the only way Winston Churchill and his American counterpart Franklin D. Roosevelt could communicate was via a top secret transatlantic telephone link. All other Atlantic telephone cables had been disconnected to prevent the Germans intercepting information. Ruth Ive, then a young stenographer working in the Ministry of Information, had the job of censoring the line,

*Downloaded from
omahafoodtruckassociation.org on by
guest*

and she spent the rest of the war listening in to the conversations across the Atlantic, ready to cut the line if anything was said that might compromise security. Ruth was sworn to secrecy about her work, and at the end of the war all documentation proving the existence of the telephone line was destroyed. It was not until 1995, when Churchill's private files were finally declassified, that Ruth was able to research her own history. In *The Woman Who Censored Churchill*, Ruth describes the details of her incredible story and reveals the private conversations of two of the war's most important players.

[Churchill's Shadow: The Life and Afterlife of Winston Churchill](#) - Geoffrey Wheatcroft
2021-10-26

A New York Times Notable Book of the Year A major reassessment of Winston Churchill that examines his lasting influence in politics and culture. Churchill is generally considered one of the greatest leaders of the twentieth century, if

not the greatest of all, revered for his opposition to appeasement, his defiance in the face of German bombing of England, his political prowess, his deft aphorisms, and his memorable speeches. He became the savior of his country, as prime minister during the most perilous period in British history, World War II, and is now perhaps even more beloved in America than in England. And yet Churchill was also very often in the wrong: he brazenly contradicted his own previous political stances, was a disastrous military strategist, and inspired dislike and distrust through much of his life. Before 1939 he doubted the efficacy of tank and submarine warfare, opposed the bombing of cities only to reverse his position, shamelessly exploited the researchers and ghostwriters who wrote much of the journalism and the books published so lucratively under his name, and had an inordinate fondness for alcohol that once found him drinking whisky before breakfast. When he was appointed to the cabinet for the first time in

Downloaded from
omahafoodtruckassociation.org on by
guest

1908, a perceptive journalist called him “the most interesting problem of personal speculation in English politics.” More than a hundred years later, he remains a source of adulation, as well as misunderstanding. This revelatory new book takes on Churchill in his entirety, separating the man from the myth that he so carefully cultivated, and scrutinizing his legacy on both sides of the Atlantic. In effervescent prose, shot through with sly wit, Geoffrey Wheatcroft illuminates key moments and controversies in Churchill’s career—from the tragedy of Gallipoli, to his shocking imperialist and racist attitudes, dealings with Ireland, support for Zionism, and complicated engagement with European integration. Charting the evolution and appropriation of Churchill’s reputation through to the present day, Churchill’s Shadow colorfully renders the nuance and complexity of this giant of modern politics.

Winston Churchill: 94 Fascinating Facts for Kids - David Railton 2019-12-24

Winston Churchill: 94 Fascinating Facts For Kids
Winston Churchill was one of the most important people of the 20th century. He led Britain with determination and courage in the war against Hitler and the Nazis, inspiring the British people with his now-famous speeches and radio broadcasts. But Winston Churchill wasn't just a wartime leader - In his early life, he was a courageous soldier who fought in India and Africa. He became a successful writer and rose to the top of British politics to become Prime Minister, leading his country in its hour of need. David Railton's book brings you the significant events and milestones in the life of Winston Churchill by way of a detailed list of important facts. Reading a complete biography can sometimes be daunting for a young person, but Railton gives you Winston Churchill's life in 94 easy-to-understand sections. We hope that the facts about Winston Churchill in this book will fascinate you and encourage you to discover even more about this great man and his

remarkable life. This book is suitable for 9-year-olds and older. Chapters: The Early Years | Winston Churchill the Soldier | Winston Churchill the Politician | World War One | Out of Government | The Nazi Threat | The Battle of Britain | The USA Enters the War | D-Day & Victory | After the War | Assorted Winston Churchill Facts

A Daughter's Tale - Mary Soames 2012-07-24

In this charming and intimate memoir, the youngest daughter of Winston Churchill shares stories from her remarkable life—and tells of the unbreakable bond she forged with her father through some of the most tumultuous years in British history. Through a combination of personal reminiscences and never-before-published diary entries, Mary Soames, the youngest daughter of Clementine and Winston Churchill, describes what it was like growing up as the scion of one of the lions of twentieth-century statecraft. Warm memories of a childhood spent roaming the grounds of the

family's country estate, tending to a small menagerie of pets, evoke the idyllic mood of England between the wars. As she matures into one of her father's most trusted companions, we are given rare glimpses inside the glittering social milieu through which the Churchills moved—as well as the rough-and-tumble world of British politics. With fly-on-the-wall immediacy, Mary describes the momentous debate in Parliament where Prime Minister Neville Chamberlain was driven from office, paving the way for Winston Churchill's ascension and the grueling crucible of World War II. During the war Mary served as a gunner in the women's auxiliary, helping to shoot down the German V-1 rockets then bedeviling London. Styling herself as Private M. Churchill to avoid publicity, she led a unique double life that comes vividly alive again in the retelling. Splitting her time between luncheons at Chequers—where she spent time with the likes of Lord Mountbatten—and the turret of an anti-aircraft

Downloaded from
omahafoodtruckassociation.org on by
guest

battery, she was never far from the center of the action. Hitler even reportedly hatched a plan, never consummated, to hire spies to seduce her in order to gain access to secret British war plans. She attended the Potsdam Conference as her father's aide-de-camp, arranging a memorable dinner with Harry Truman and Josef Stalin (whom she acidly remembers as "small, dapper, and rather twinkly"). And when British voters overwhelmingly turned on Winston Churchill in the 1945 election, it is left to Mary to recount the pain and devastation her father could never publicly express. The mutual love and affection between Mary Soames and her parents pours forth from every page of this elegantly written memoir. A Daughter's Tale is both a moving personal history and a source of untold insight into one of the enduring icons of British national life.

The Last Lion Box Set - Paul Reid 2012-11-20
Universally acclaimed for their compelling narrative, their fresh insights, and their objective renderings of Winston Churchill's life, The Last Lion trilogy presents a revelatory and unparalleled portrait of this brilliant, flawed, and dynamic adventurer, aristocrat, soldier, and statesman. Born at the end of the 19th century when Imperial Britain still stood at the splendid pinnacle of her power, Churchill would witness the shift a few years later as the Empire hovered on the brink of a catastrophic new era. One of the greatest wartime leaders of our time, he would go on to stand alone, politically isolated in Parliament, as he took the lead in warning of the growing Nazi threat, and would lead Britain to victory against Nazi Germany and the Axis powers in World War II. Now, celebrated historian William Manchester's landmark biographies are collected together for the first

time, along with the eagerly anticipated final installment Churchill's last years in power. More than thirty years in the making, *The Last Lion* is the definitive work on this remarkable man whose courageous vision guided the destiny of a nation during darkly troubled times-and who looms as one of the greatest figures of our century.

Iron Lady - Andrew John 2012-01-04

Allowing you to uncover the woman behind the 'Iron Lady' image, 'Iron Lady: The Thatcher Years' takes a thorough at the life and times of Britain's longest-serving twentieth-century prime minister. As both the first woman to become leader of a European country and the first British premier to achieve re-election for three consecutive terms, Margaret Thatcher's has left behind a long and hugely important legacy. Reflecting on her life and character, from her early days growing up as the daughter of a Lincolnshire grocer, to her years as one of the most powerful and controversial of leaders,

through to her iconographic status as an international statesman and thinker, this study is accompanied by a selection of quotes by and about this formidable woman.

The Wicked Wit of Charles Dickens - Shelley Klein 2011-05-26

Admired by his contemporaries, and a hugely celebrated writer of his day, Charles Dickens is now remembered as one of the greatest English novelists and an influential spokesman for the conscience of Victorian England. His work has inspired, enthralled and entertained millions across the globe, and his social commentary remains as relevant in the modern day as ever. *The Wicked Wit Of Charles Dickens* explores and reveals aspects of the author's personal and professional life, whilst celebrating his flair for witty and satirical observations about society and human nature. Containing lengthy extracts from scenes of great amusement in his novels, as well as pithy remarks uttered by his unique characters, this is a wonderful collection which

his journalism, speeches and broadcasts run to millions of words. From 1940 he inspired and united the British people and guided their war effort. Behind the public figure, however, was a man of vast humanity and enormous wit. His most famous speeches and sayings have passed into history but many of his aphorisms, puns and jokes are less well-known. This enchanting collection brings together hundreds of his wittiest remarks as a record of all that was best about this endearing, conceited, talented and wildly funny Englishman. Also available in the series are collections from Shakespeare, To Be or Not To Be, and Oscar Wilde, I Can Resist Everything Except Temptation.

Churchill - Winston Churchill 2012-06-05

A collection of the best and most quoted speeches and writings of Nobel Prize-winner Winston Churchill Winston Churchill knew the power of words. In speeches, books, and articles, he expressed his feelings and laid out his vision for the future. His wartime writings and

speeches have fascinated generation after generation with their powerful narrative style and thoughtful reflection. Martin Gilbert, Churchill's official biographer, has chosen passages that express the essence of Churchill's thoughts and describe-in his own inimitable words-the main adventures of his life and the main crises of his career. From first to last, they give insight into his life, how it evolved, and how he made his mark on the British and world stage.

The Wicked Wit of Ireland - Myles Byrne
2019-02-21

'An Irishman will always soften bad news, so that a major coronary is no more than "a bad turn" and a near hurricane that leaves thousands homeless is "good drying weather".' Hugh Leonard The people of Ireland are renowned for their wit, and they have migrated from Ireland to most corners of the world, taking that famous sense of humour with them. Modern comedians and comic writers as varied as Dylan Moran,

Downloaded from
omahafoodtruckassociation.org on by
guest

Sharon Horgan, Tommy Tiernan, Alison Spittle, Graham Linehan and Ed Byrne have their own distinctive ways of celebrating and mocking their origins while still occasionally acknowledging the traditional 'paddywackery' (meaning the rain-soaked, Guinness-sodden Oirish stereotype of old). The roots of Irish humour are much more complex: for centuries classic Irish writers have used black humour and sarcasm, ranging from the satires of Jonathan Swift, George Bernard Shaw and Oscar Wilde through to the hilarity of J.P. Donleavy and the sublime nonsense of Flann O'Brien and Spike Milligan ('Many people die of thirst but the Irish are born with one.') This collection combines a pinch of traditional Irish humour, from shamrocks to limericks, and blarney stones to drinking stories, mixed with distinctly modern one-liners, quips and quotes from the best of the current crop of humorists, along with sections on the Irish mammy, literary feuds and putdowns and epitaphs.

the-wicked-wit-of-winston-churchill

She Said - Dominique Enright 2018-06-14
She Said is a wonderful celebration of the wit and wisdom of women through the ages. In it you'll find writers, artists, politicians, actors, musicians, fashionistas, from Sappho to Beyoncé and Dorothy Parker to Carrie Fisher, all of whom have two things in common: brilliant minds and barbed wits that sting with their precision. Featuring women from as far back as 700 BC and right up to the modern day, the quotations and classic one-liners found here will inspire and delight, whether they are cheeky retorts from the outspoken, barbed reflections from the thoughtful or righteous indignation from the slighted. In the words of Elizabeth von Arnim (1866-1941), 'A woman's tongue is a deadly weapon and the most difficult thing in the world to keep in order.'

Incarnations - Sunil Khilnani 2017-01-12

For all of India's myths, stories and moral epics, Indian history remains a curiously unpeopled place. In *Incarnations*, Sunil Khilnani fills that space, recapturing the human dimension of how the world's largest democracy came to be. His trenchant portraits of emperors, warriors, philosophers, film stars and corporate titans—some famous, some unjustly forgotten—bring feeling, wry humour and uncommon insight to dilemmas that extend from ancient times to our own.

Clementine Churchill - Sonia Purnell
2019-10-08

Foreword by Harriet Walter. *Clementine Churchill: A Life in Pictures* is a fully illustrated

and abridged edition of Sonia Purnell's acclaimed biography, *First Lady*, including over 100 stunning and rarely seen photographs. Without Winston Churchill's inspiring leadership Britain could not have survived its darkest hour. Without his wife Clementine, however, he might never have become Prime Minister. By his own admission, his role in the Second World War would have been impossible but for 'Clemmie'. That Clementine should have become Britain's First Lady was by no means preordained. She may have been born an aristocrat but her childhood was far from gilded. Deprived of affection, a secure home and sometimes even food on the table, by the time she entered high society she had become the target of cruel snobbery. Yet in Winston she discovered a partner as emotionally insecure as herself; and in his career she found her mission. Theirs was a marriage that was to change the course of history. Clementine gave Winston confidence, conviction and counsel. Not only was she

Downloaded from
omahafoodtruckassociation.org *on by*
guest

involved in some of the most crucial decisions of the war, she also exerted an influence over her husband and his governments that might be judged scandalous today. Her ability to manage this exceptional man, and to charm Britain's allies, earned her the deep respect of world leaders, ministers, generals and critics alike. While her tireless work to alleviate suffering on the Home Front and abroad made her a champion to many in the population at large. From the personal and political upheavals of the Great War, through the Churchills' 'wilderness years' in the 1930s, to Clementine's desperate efforts to sustain Winston during the struggle against Hitler, *Clementine Churchill: A Life in Pictures* continues to uncover the memory of one of the most remarkable women of modern times. *Never Give In!* - Sir Winston S. Churchill

2013-10-14

A great statesman, a masterful historian whose writings won him the Nobel Prize for literature and a war-time leader with few peers, Sir

Winston Churchill is remembered perhaps most clearly today for the sheer power of his oratory: the speeches that rallied a nation in its darkest hour and steered that nation for victory against the might of the Fascist powers. *Never Give In!* celebrates this oratory by gathering together Churchill's most powerful speeches from throughout his public career. Carefully selected by his grandson, this collection includes all his best known speeches - from his great war-time broadcasts to the "Iron Curtain" speech that heralded the start of the Cold War - and many lesser known but inspirational pieces. In a single volume *Never Give In!* provides a powerful testimony to one of the great public figures of the 20th century.

The Children's Miscellany - 1788

[Forty Ways to Look at Winston Churchill](#) -

Gretchen Rubin 2004-05-11

Warrior and writer, genius and crank, rider in the British cavalry's last great charge and

*Downloaded from
omahafoodtruckassociation.org on by
guest*

inventor of the tank—Winston Churchill led Britain to fight alone against Nazi Germany in the fateful year of 1940 and set the standard for leading a democracy at war. Like no other portrait of its famous subject, *Forty Ways to Look at Winston Churchill* is a dazzling display of facts more improbable than fiction, and an investigation of the contradictions and complexities that haunt biography. Gretchen Craft Rubin gives readers, in a single volume, the kind of rounded view usually gained only by reading dozens of conventional biographies. With penetrating insight and vivid anecdotes, Rubin makes Churchill accessible and meaningful to twenty-first-century readers with forty contrasting views of the man: he was an alcoholic, he was not; he was an anachronism, he was a visionary; he was a racist, he was a humanitarian; he was the most quotable man in the history of the English language, he was a bore. In crisp, energetic language, Rubin creates a new form for presenting a great figure of

history—and brings to full realization the depiction of a man too fabulous for any novelist to construct, too complicated for even the longest narrative to describe, and too valuable ever to be forgotten.

London to Ladysmith Via Pretoria - Winston Churchill 1900

Churchill by Himself - Winston S. Churchill
2013-09-19

Quotations by the great statesman who helped lead Britain through two world wars:

“Magisterial . . . Should be in the library of every Churchill aficionado” (American Spectator). We shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and in the streets, we shall fight in the hills; we shall never surrender . . . Millions have been moved by these words—and by the hundreds of speeches given by Winston S. Churchill to rally the British public, spur its government to armament against Hitler, and defend the causes

for which he believed. Churchill by Himself is the first collection of quotations from a leader who had as much talent for wit as he had for inspiration and exhortation. Edited by renowned Churchill scholar Richard Langworth, this volume is the definitive collection of important quotes from one of the twentieth century's most persuasive and brilliant orators, whose writings earned him a Nobel Prize in Literature in 1953. *The Wicked Wit of Winston Churchill* - Winston Churchill 2001-08-31

This enchanting collection brings together hundreds of Winston Churchill's wittiest remarks, as a record of all that was best about this endearing, conceited, talented and wildly funny Englishman.

The Wicked Wit of Jane Austen - Dominique Enright 2011-06-30

Lauded for her eloquence, observation and wry humour, Jane Austen was a novelist who was highly regarded and greatly celebrated in her own time. However, her appeal is as great as

ever, and her insights remain as fresh and relevant today as when they were first published. This delightful volume offers thematic extracts from fiction and correspondence; featuring quotes from such novels as Emma, Northanger Abbey, Pride and Prejudice, Mansfield Park and Persuasion, alongside extracts from Austen's letters to her sister and confidante, Cassandra. It contains a host of quotations displaying Austen's sharp - indeed, often wicked - social observation and satirical wit, which will be enjoyed by fans of the author as well as readers who are new to her writing. *The Wicked Wit of Jane Austen* is a charming tribute to a writer whose work will resonate for centuries to come. Also available in the series are collections from Shakespeare, To Be or Not To Be, and Oscar Wilde, I Can Resist Everything Except Temptation.

courage to continue that counts!-Winston Churchill Winston Churchill, the man that led Britain through the trials of the Second World War. Famous for his insightful wit and profound wisdom, he was able to inspire the British nation through its darkest hour by calling upon his own sense of duty and resilience in the face of adversity. Churchill was famous for being able to bring out the humor in any situation and even laugh in the face of danger and insurmountable odds. He was also a man with deep and profound views on the world, through the life experience of a man that has seen the collapse of empires, the price of peace, and the coming and going of two centuries and two world wars. In this collection, we look at the mind of the great statesman through his quips, speeches, and one-liners that made his charisma world-famous. This book contains: ►A thought-provoking quote for every day of the year ►Funny quips and one-liners from one of Britain's greatest leaders ►Profound thoughts on the nature of war and

peace ►A year of ideas on the importance of courage, determination, and toughness Get Winston Churchill in 365 quotes Today! *God & Churchill* - Jonathan Sandys 2015-10-01 When Winston Churchill was a boy of sixteen, he already had a vision for his purpose in life. "This country will be subjected somehow to a tremendous invasion . . . I shall be in command of the defences of London . . . it will fall to me to save the Capital, to save the Empire." It was a most unlikely prediction. Perceived as a failure for much of his life, Churchill was the last person anyone would have expected to rise to national prominence as prime minister and influence the fate of the world during World War II. But Churchill persevered, on a mission to achieve his purpose. God and Churchill tells the remarkable story of how one man, armed with belief in his divine destiny, embarked on a course to save Christian civilization when Adolf Hitler and the forces of evil stood opposed. It traces the personal, political, and spiritual path

of one of history's greatest leaders and offers hope for our own violent and troubled times. More than a spiritual biography, *God and Churchill* is also a deeply personal quest. Written by Jonathan Sandys (Churchill's great-grandson) and former White House staffer Wallace Henley, *God and Churchill* explores Sandys' intense search to discover his great-grandfather—and how it changed his own destiny forever.

Pearl Harbor Christmas - Stanley Weintraub
2011-11-01

Christmas 1941 came little more than two weeks after the attack on Pearl Harbor. The shock—in some cases overseas, elation—was worldwide. While Americans attempted to go about celebrating as usual, the reality of the just-declared war was on everybody's mind. United States troops on Wake Island were battling a Japanese landing force and, in the Philippines, losing the fight to save Luzon. In Japan, the Pearl Harbor strike force returned to Hiroshima

Bay and toasted its sweeping success. Across the Atlantic, much of Europe was frozen in grim Nazi occupation. Just three days before Christmas, Churchill surprised Roosevelt with an unprecedented trip to Washington, where they jointly lit the White House Christmas tree. As the two Allied leaders met to map out a winning wartime strategy, the most remarkable Christmas of the century played out across the globe. Pearl Harbor Christmas is a deeply moving and inspiring story about what it was like to live through a holiday season few would ever forget.

My Early Life - Winston Churchill 1989
This memoir was first published in 1930 and describes the author's school days, his time in the Army, his experiences as a war correspondent and his first years as a member of Parliament.

[The Wicked Wit of the Royal Family](#) - Karen

The Wicked Wit of the Royal Family celebrates

Downloaded from
omahafoodtruckassociation.org on by
guest

the flashes of fun and brilliance of the most famous family in the world. There is no doubt that the British royal family is THE most famous family in the world. Watched and picked over in the media for everything from fashion choices to baby bumps, sporting achievements to nightclub preferences, there doesn't seem to be a moment when they can escape public scrutiny. But, somehow, they still manage to maintain a sense of humour - and it's those flashes of fun and brilliance that this book celebrates. From Prince Philip's gaffe-prone remarks (most of which appear ON camera rather than off) to the 'in' jokes shared by the knowing smiles of the younger royals and the Queen's wickedly dry and often bitingly funny remarks; from Prince Charles's asides to the Duchess of Cornwall to the self-deprecating smile of the Duchess of Cambridge and the belly laughs that appeal to Prince Harry. This book presents the other side of royal protocol and perhaps gives a glimpse of the real lives of this much-loved clan.

The Wicked Wit of Prince Philip - Karen
Dolby 2017-11-02

His Royal Highness The Duke of Edinburgh, KG, KT, OM, GBE has been at the forefront of British public life since he married Princess Elizabeth in 1947. In the seventy years since, his wit (and the occasional 'gaffe') has continued to endear him to the nation, as he travelled the world taking his unique and charmingly British sense of humour to its far-flung corners. Hailed as a god by a tribe in Vanuatu, the Prince has had his fair share of brickbats from the media nearer home, but his outspokenness never fails to raise laughs - and eyebrows. From notorious one-liners to less newsworthy witticisms and from plain speaking to blunt indifference, the Prince does what we all wish we could do now and again - forgets polite conversation and says what he thinks. In the year in which the Prince has stepped down from his royal duties, this joyous and timely book celebrates his wry humour and supremely wicked wit.

I Can Resist Everything Except Temptation -

Maria Leach 2011-04-04

I Can Resist Everything Except Temptation is a celebration of the virtuoso of well-turned phrases and the master of the studied insult - Oscar Wilde. Indeed, so perfect were Wilde's verbal thrusts that his victims were often flattered to have been the cause of them. His needle-sharp rejoinders were repeated with delight - not least by Wilde himself, who took an artist's pride in his work. Yet for all that, his jibes were rarely cruel, for behind them lay great warmth of character, generosity of spirit, and a profound understanding of human life and its vanities. This book shows us why, more than a hundred years after his death, people of every age and from all walks of life are still drawn to Wilde's dazzling repartee and the wicked brilliance of his social observations, while his plays and stories continue to entertain and enthral succeeding generations.

Winston Churchill is without doubt one of the best known names in British history. Notable for his revered leadership qualities, Churchill was also a much-quoted figure. From his words, it's obvious that Churchill was not just a politician, but also a philosopher. This book brings together some of his finest quotes on a variety of subjects, from his opinions on war to his views on life, as well as some of his more humorous moments.

Churchill: A Drinking Life - Gin Sander

2022-07-26

"An intoxicating read. You'll want to consume it twice." —A.J. Baime, New York Times bestselling author of *The Accidental President* and *Dewey Defeats Truman* A fun little book packed with historic Churchill information, drinking companions, locations, and preferences, as well as plenty of cocktail recipes! Churchill was seldom short of a witty remark, and made his views on drinking quite well-known: "I have taken far more out of alcohol than alcohol has

taken out of me.” When feeling down he said he felt like “a bottle of champagne . . . left uncorked for the night.” And when encouraging a young government minister to indulge in another drink, he promised, “Go ahead, I won’t write it in my diary.” Divided into four sections—Drink Choices, Drinking Companions, Drinking Spots, and Drink Recipes—this book will keep readers turning the pages of fresh and fun material as they lift a drink along with Winston. The book will also focus on the various eras—from the 1910s through the 1960s—the times in which he was drinking alone and with others. Working with the historic companies that kept him refreshed, it will include vintage advertisements and marketing material from their closely guarded archives. Winston certainly drank with a colorful cast of characters, and you’ll glimpse those such as FDR, Stalin, Coco Chanel, Charlie Chaplin, the Duke and Duchess of Windsor, and various other kings, queens, dukes, and duchesses. Among the elegant settings we will

pop in and out of for a drink include Hearst Castle, Chanel’s house in the South of France, the Ritz Hotel in Paris, the Dorchester in London, Monaco, the Savoy, the Biltmore, and of course the bars and first-class cabins of the famed ocean liners the Queen Elizabeth and the Queen Mary. So raise a glass and join us in toasting Churchill’s life and unique abilities!
The Wicked Wit of Winston Churchill -
Dominique Enright 2015-12-02

Sir Winston Churchill remains a British hero, lauded for his oratorical skill. He wrote histories, biographies, memoirs, and even a novel, while his journalism, speeches and broadcasts run to millions of words. From 1940 he inspired and united the British people and guided their war effort. Behind the public figure, however, was a man of vast humanity and enormous wit. His most famous speeches and sayings have passed into history but many of his aphorisms, puns and jokes are less well - known. This enchanting collection brings together hundreds of his

wittiest remarks as a record of all that was best

about this endearing, conceited, talented and wildly funny Englishman.
