Will Work from Home - Tory Johnson 2008-08-05

Escape the cube. Ditch the commute. It's not just a dream anymore. Many people already spend 12 hours a day getting to work, working, getting home from work. Here's some good news: thanks to advances in technology, acceptance of outsourcing, the trend towards corporate flextime, and other factors, working from home is easier than ever. Good Morning America's Workplace Contributor Tory Johnson and consumer advocate Robyn Freedman Spizman tell readers exactly how to turn today's cultural change to their advantage without giving up an income. Specific business plans will teach them how to:

- Take their current position home
- Find a new company whose policies will allow them to work from home
- Reseach a product

The G.I. Collector's Guide: U.S. Army Service Forces Catalog, European Theater of Operations - Henri-Paul Enjames 2022-06-01

In World War II, the U.S. Army not only supplied its soldiers with the most modern equipment and uniforms, suitable for any combat situation, but went as far as providing them with their favorite drinks or candy bars, and seemingly anything else they might require. This comprehensive reference book brings together all the equipment issued to American soldiers in the European Theater of Operations, 1943-45. Each item is presented with its catalog numbers, described in detail and fully depicted in photographs, including close-ups of the labels to aid identification of items. Graphics and diagrams offer additional information and context. This second volume of the G.I. Collector's Guide is fully revised with the addition of sections including personal equipment, trophies and souvenirs, the wartime draft and Stateside training, and the life of

POWs in German camps. More than one thousand new artifacts with detailed captions are featured in this completely revised new work. Expert Henri-Paul Enjames describes all variations of uniform, insignia, badges, weapons, and equipment in detail. As a complete catalog with high-quality photographs, this book is invaluable to both family historians researching grandpa's kit found in the attic and to collectors in their quest to find authentic items among the reproductions that flood the modern market.
