[Poetry for historians](#) - Carolyn Steedman 2018-04-13

This is a book about the conflict between history and poetry - and historians and poets - in Atlantic World society from the end of the seventeenth century to the present day. Blending historiography and theory, it proceeds by asking: what is the point of poetry as far as historians are concerned? The focus is on W. H. Auden's Cold War-era history poems, but the book also looks at other poets from the seventeenth century onwards, providing original accounts of their poetic and historical educations. An important resource for those teaching undergraduate and postgraduate courses in historiography and history and theory, Poetry for historians will also be of relevance to courses on literature in society and the history of education.

General readers will relate it to Steedman's Landscape for a Good Woman (1987) and Dust (2001), on account of its biographical and autobiographical insights into the way history operates in modern society.

Back from Tobruk - Crosswell Bowen 2012-11-30

In 1941 photographer Crosswell Bowen joined American Field Service volunteer ambulance drivers and served alongside the British Eighth Army during World War II. As the war continued to escalate, he would have his mental, emotional, and physical well-being tested beyond anything he ever imagined. Back from Tobruk is the remarkable account of one man's journey across a world torn apart, with only his camera and his moral convictions to guide him. As Bowen watched the number of wounded and dying soldiers rise, he struggled to understand the very nature of war itself. A lifelong Catholic and devoted pacifist, he tried to reconcile his commitment to nonviolence with his growing belief that the end of this war would finally bring peace to the world. Spending time in hospitals and field dressing stations as both a caregiver and a patient, he witnessed soldiers reaching out to their former battlefield enemies, showing grace and compassion in a world seemingly bereft of both. When the great leaders sit down at the peace table, he wrote of his fellow

servicemen, they might take a lesson from those men. Later a successful journalist and author, Bowen never forgot what he had witnessed during his time in Africa and the Middle East. Back from Tobruk documents the brutality of war and the resilience of the human spirit.

[Thomas Hardy](#) - Mallikarjun Patil 1997

Thomas Hardy : The Poet Is, Undoubtedly, An Original Critical Work Which Throws Ample Light On Hardy, A Poetic Genius, So Far Neglected. From Several Perspectives Dr. Patil Analyses And Interprets Hardy'S Poetic Ouvre In An Altogether New Critical Idiom. Hardy, As The Author Argues, Is More Of A Poet Than Of A Novelist. In Fact, He Began His Literary Career As A Poet And Ended It In Becoming A Poet Of High Order. Only For The Sake Of Livelihood, He Had To Write Novels In The Middle Phase. Throughout His Life, He Was Extremely In Love With Poetry. Historically Speaking, Hardy Is Aptly Considered To Be 'A Transition Poet' As He Is The Last Victorian And The First Modern. Like G.M. Hopkins, He Made Several Experiments In Writing Poetry And Firmly Established The Modern Trend. These Things About The Poet Are Not At All Taken Seriously By Many Of His Critics; But, There Are Some Like George Saintsbury, Donald Davie, Philip Larkin And James G. Southworth Who Constantly Urge That Good Hardy Critics Are Wanted. The Present Book Explores, In-Depth, The Truth And Beauty Of Hardy'S Poetry. What The Earlier Critics Have Missed Is, Here, Pain-Stakingly Unearthed I.E., Hardy'S Views On Love, Nature, Society, Religion, God And Universe. His Evolutionary Meliorism And Scientific Humanism Are Discussed At Length. His Robust Optimism And Melancholic Demeanour Are Also Pointed At, With A Greater Clarity And Confidence. All Those Who Want To Understand Modern Poetry Must Begin By Reading This Truly Remarkable Book. Dr. Mallikarjun Patil Was Born In 1967 In A Village In Belgaum District In Karnataka. He Graduated From Karnatak Arts College, Dharwar, And Obtained His M. A. Degree From Karnatak University. He Also Did His Ph.D., On The Existential Philosophy In Thomas Hardy'S Poetry In 1995. Facing Unpleasant Facts - George Orwell 2009-10-14

Essays by the author of 1984 on topics from “remembrances of working in a bookshop [to] recollections of fighting in the Spanish Civil War” (Publishers Weekly). George Orwell was first and foremost an essayist, producing throughout his life an extraordinary array of short nonfiction that reflected—and illuminated—the fraught times in which he lived. “As soon as he began to write something,” comments George Packer in his foreword, “it was as natural for Orwell to propose, generalize, qualify, argue, judge—in short, to think—as it was for Yeats to versify or Dickens to invent.” Facing Unpleasant Facts charts Orwell’s development as a master of the narrative-essay form and unites such classics as “Shooting an Elephant” with lesser-known journalism and passages from his wartime diary. Whether detailing the horrors of Orwell’s boyhood in an English boarding school or bringing to life the sights, sounds, and smells of the Spanish Civil War, these essays weave together the personal and the political in an unmistakable style that is at once plainspoken and brilliantly complex. “Best known for his late-career classics Animal Farm and 1984, George Orwell—who used his given name, Eric Blair, in the earliest pieces of this collection aimed at the aficionado as well as the general reader—was above all a polemicist of the first rank.

Organized chronologically, from 1931 through the late 1940s, these in-your-face writings showcase the power of this literary form.” —Publishers Weekly, starred review

Six Poets - Alan Bennett 2015-10-06

The inimitable Alan Bennett selects and comments upon six favorite poets and the pleasures of their works. In this candid, thoroughly engaging book, Alan Bennett creates a unique anthology of works by six well-loved poets. Freely admitting his own youthful bafflement with poetry, Bennett reassures us that the poets and poems in this volume are not only accessible but also highly enjoyable. He then proceeds to prove irresistibly that this is so. Bennett selects more than seventy poems by Thomas Hardy, A. E. Housman, John Betjeman, W. H. Auden, Louis MacNeice, and Philip Larkin. He peppers his discussion of these writers and their verse with anecdotes, shrewd appraisal, and telling biographical detail: Hardy lyrically recalls his first

wife, Emma, in his poetry, although he treated her shabbily in real life. The fabled Auden was a formidable and off-putting figure at the lectern. Larkin, hoping to subvert snooping biographers, ordered personal papers shredded upon his death. Simultaneously profound and entertaining, Bennett’s book is a paean to poetry and its creators, made all the more enjoyable for being told in his own particular voice. its creators, made all the more enjoyable for being told in his own particular voice.

Thomas Hardy - Tim Armstrong 2018-10-08

In Thomas Hardy: Selected Poems Tim Armstrong brings together over 180 poems in the first comprehensively annotated selection of Hardy’s poetry. Unlike most previous selections, this edition preserves the shape of the poet’s career by presenting the poems in the order in which they appeared in the Collected Poems of 1930, rather than re-ordering them thematically. Head notes to each poem give the reader information about its composition, publication, sources and metrical scheme; on-the-page notes list significant variants in Hardy’s manuscripts, point out literary and other allusions, and give explanatory glosses. An appendix contains a selection of relevant passages from Hardy’s notebooks, letters, and autobiography; and a bibliography suggests further reading. Tim Armstrong’s critical Introduction discusses Hardy’s career, his poetics, his use of memory and allusion and examines his position in the context of Victorian debates on aesthetics and belief. The generous selection of poems includes many lesser-known poems as well as those which have received most critical commentary, and the important elegiac sequence ‘Poems of 1912-13’ is included in its entirety.

Yours Always - Henry Scott 2021-12-27

Bertha and Henry included the valediction “yours always” on virtually every letter that they wrote to each other from their engagement in 1892 until Henry’s death in 1911, nearly 1500 letters in all. In her last letter to Henry before their marriage, she wrote: “... there is another greater reason why I do not fear the future, my dearest. I believe that you and I truly belong to those “whom God hath joined together” and I am not afraid, my dearest, to promise “in the sight of God and of this company” to be yours always.” As one reads their letters and comes to know them, “yours always” embodies the faith and love that Bertha and Henry shared for each other.
