Flying Magazine - 1988-12

Encyclopedia of Ephemera -

Michael Twyman 2018-10-24

The joy of finding an old box in the attic filled with postcards, invitations, theater programs, laundry lists, and pay stubs is

discovering the stories hidden within them. The paper trails of our lives -- or ephemera -- may hold sentimental value, reminding us of great grandparents. They chronicle social history. They can be valuable as collectibles or antiques. But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day-to-day life. The Encyclopedia of Ephemera is the first work of its kind,

providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts, from bookmarks to birth certificates to lighthouse dues papers. Continuing a tradition that started in the Victorian era, when disposable paper items such as trade cards, die-cuts and greeting cards were accumulated to paste into scrap books, expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace. His artifacts come from around the world and include such throw-away items as cigarette packs and crate labels as well as the ubiquitous faxes, parking tickets, and phone cards of daily life. As this major new reference shows, simple slips of paper can speak volumes about status, taste, customs, and taboos, revealing the very roots of popular culture.

The Warren Buffett CEO -
Robert P. Miles 2003-04-18

"Everyone knows Warren is the greatest investor of our time. . . . This book for the first time captures his genius as a manager." —Jack Welch The first book to reveal the investment and management strategies of the Berkshire Hathaway all-star management team. Much has been written about Warren Buffett and his investment philosophy; little has been made public about the inside management of Berkshire Hathaway. With a market cap exceeding 100 billion , Berkshire Hathaway has a market value surpassing many icons of American business such as Dell, AT&T, Disney, Ford, Gillette, American Express, and GM. Drawing on his personal experiences as well as those of Berkshire's chief executives, officers, and directors interviewed for this book, Berkshire insider Robert P. Miles provides a unique look at the Berkshire Hathaway culture and its management principles.
