Alistair Cooke - Nick Cooke 2012-02-28

One of the preeminent journalists of the twentieth century, Alistair Cooke has enjoyed a truly extraordinary career in print, radio, and television. Born into a working-class family and christened Alfred, Cooke swiftly broke free of his modest origins and became the foremost commentator on American life and politics, first for the British press and eventually for the entire world. Alistair Cooke: A Biography is both a fascinating record of one man's determination to reinvent himself and a lively and informative journey through the highways and byways of the twentieth century.

Breakfast in Heaven - Yavuz Güler 2019-07-23

"Aye, and I saw Sisyphus in violent torment, seeking to raise a monstrous stone with both his hands. Verily he would brace himself with hands and feet, and thrust the stone toward the crest of a hill, but as often as he was about to heave it over the top, the weight would turn it back, and then down again to the plain would come rolling the ruthless stone. But he would strain again and thrust it back, and the sweat flowed down from his limbs, and dust rose up from his head." HOMER We, Humans, are like Sisyphus. We've been trying to get the rock up the hill for the rest of our lives, but each time we roll down with the rock. The protagonist of the book tries to find a way to raise the rock and not roll back.

Champagne Football - Mark Tighe 2020-09-17

THE NO.1 BESTSELLER! 'I read it in one sitting, it's a superb book' Eamon Dunphy, The Stand 'An astonishing exposé' Martin Ziegler, The Times Over the course of fifteen years, John Delaney ran the Football Association of Ireland as his own personal fiefdom. He had his critics, but his power was never seriously challenged until 2019, when Mark Tighe and Paul Rowan published a sequence of stories in the Sunday Times containing damaging revelations about his personal compensation and the parlous financial situation of the FAI. Delaney's reputation as a great financial manager was left in tatters. He resigned under pressure, and the FAI was left hoping for a massive bail-out from the Irish taxpayer. Champagne Football is a gripping, sometimes darkly hilarious and often enraging piece of reporting by the award-winning journalists who finally pulled back the curtain on the FAI's mismanagement.

'Excellent' Irish Sun 'A jaw-dropping story ... brilliant' Irish Times

'Essential reading' Irish Daily Star 'Astonishing ... Side-splittingly

hilarious' Guardian 'A damning account' Sunday Independent 'An instant

classic, one of the all-time great Irish sports books' Alan English

'Excellent ... includes staggering detail' Daily Mail 'A cracking read ...

[An] incredible amount of jaw-dropping detail' Matt Cooper 'One of the

most hotly-anticipated sport books of the year' Brendan O'Connor 'A

masterpiece' Tommy Martin 'At last, the truth of his ruinous reign has

been rigorously and painstakingly exposed' Irish Daily Mail 'An

absolutely extraordinary book' Eoin McDevitt, Second Captains

'Remarkable. The desperate story of Irish football but also a book about

how Ireland works. Outstanding' Dion Fanning

Keep Your Donors - Tom Ahern 2011-01-04

Written by fundraising experts Tom Ahern and Simone Joyaux, Keep Your Donors is a new, winning guide to making disappointing donor retention rates a thing of the past. This practical and provocative book will show you how to master the strategies and tactics that make fundraising communications profitable. Filled with case studies and based in part on the CFRE and AFP job analyses, Keep Your Donors is your definitive guide to getting new donors—and keeping them—for many years to come.

For the Love of The Archers - Beth Miller 2015-10-08

Is there a cure for farmer's lung—and would Joe Grundy take it if he could? Who fell to his untimely death from the roof of Lower Loxley Hall one stormy January night? On which day of the week can you hear a folk version of the famous theme played by The Yetties, instead of the classic orchestral arrangement? It's been more than 60 years since the familiar dum-di-dum-di-dum-di-dum of "Barwick Green" first brought The Archers to our airwaves, and in that time millions of listeners have followed the everyday lives of country folk in Ambridge. This new companion, which brings together facts and trivia about characters, controversies, and country customs in one handy volume, will delight avid addicts and nervous newbies alike.

The Upset - Al Barkow 2012-06-01

&"Al Barkow, golf's leading historian and story-teller, unfolds the improbable Ben Hogan&-Jack Fleck tale, and the results are as wondrous as the golf itself.&" --Peter Kessler Jack Fleck had the slimmest of resumes as a professional tournament golfer. He had never even come close to winning on the PGA Tour, and was in the mere qualifier category when it came to playing in the 1955 U.S. Open at the Olympic Golf Club in San Francisco. Yet Fleck got himself into a playoff with Ben Hogan, one of the greatest players in golf history, for the game's most prestigious title. And when Fleck defeated Hogan, it was not just surprising, it was incredible. This book presents a thrilling play-by-play, shot-by-shot recounting that brings back to life the look and feel of

the entire tournament. Relying on first-hand sources, it reveals the players' mental processes as they strategized their game and handled their emotions. And it finally offers a convincing explanation for Fleck's mind-boggling victory, which was considered at the time and remains to this day one of the most unexpected outcomes in all sports history. Al Barkow is a veteran golf reporter, formerly editor-in-chief of both *Golf* and *Golf Illustrated* magazines, and recipient of the 2005 PGA Lifetime Achievement Award in Journalism. His books include *Gettin' to the Dance Floor* and *Sam: The One and Only Sam Snead*.

Diaries Volume 6: From Blair to Brown, 2005 - 2007 - Alastair Campbell
2017-09-19

One might have thought Alastair Campbell would disappear from view as Gordon Brown moved from No. 11 to No. 10. Far from it. Having negotiated the rapprochement which led to Brown taking a central role in the 2005 election win, Campbell then became central to the transition from one Prime Minister to another. Many books have already been written about Brown and Blair, but none with the intimacy and the unique perspective of Alastair Campbell. As this volume opens, Blair has just won a historic third term. But any joy is short-lived and he knows he

is running out of road. By the time it ends two years later, Brown is Prime Minister. Campbell was virtually alone in seeing that process from both sides, as Brown began to lean on him almost as much as Blair had done. Meanwhile we continue to get an insight into Campbell's mental health struggles, his attempts to rebuild a normal family life, and the plethora of new challenges he takes on which introduce dozens of new characters, not least the rugby stars he worked with for the British and Irish Lions, and the football legend he has vowed to mention to someone every day for the rest of his life, charity match teammate, Diego Maradona.
