Sacred Treasure - Joseph Peter Swain 2012
In the discussions and debates surrounding liturgical music of the past fifty years, music theorists, critics, and historians have contributed little, and their counsel has rarely been sought. Whenever the matter of liturgical music arises, most often in parishes, but sometimes in episcopal conferences or in the academy or in Vatican documents, the nature of the music, as music, almost never affects the discussion. With *Sacred Treasure*, Joseph Swain, a distinguished musicologist and accomplished performer, attempts to change that. He offers a theory for building authentic traditions of liturgical music for Roman Catholic parishes. This book is an exercise in pragmatic music criticism. By providing a rational basis for evaluating the essential issues, Swain seeks to show how a spiritually wholesome stability might supplant the confusion. *Sacred Treasure* shows how the hard facts of music must be taken into account in any holistic conception and any lasting form of liturgical music.

In Caelo (Hymnal) - Liam Lawton 1999

I Am the Bread of Life - Suzanne Toolan 2007
Forty years ago, Toolan composed the words and music of the famous hymn I Am the Bread of Life, performed in 25 languages worldwide. Today, Toolan is one of the most respected writers of religious hymns in the world; the story behind her work sparks creativity in other artists and musicians. (Motivation)

Fanny J. Crosby An autobiography - Fanny J. Crosby 2020-06-24

Downloaded from
omahafoodtruckassociation.org on by
guest

For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.

Encyclopedia of Great Popular Song Recordings
- Steve Sullivan 2013-10-04

The Encyclopedia of Great Popular Song Recordings, Volumes 1 and 2 covers the full range of popular music recordings with virtually unprecedented breadth and depth. In this 2-volume encyclopedia, Sullivan explores approximately 1,000 song recordings from 1889 to the present, telling the stories behind the songs, recordings, performers, and songwriters. From the Victorian parlor ballad and ragtime hit at the end of the 19th century to today's rock classics, the Encyclopedia progresses through a parade popular music styles, from jazz to blues to country Western, as well as the important but too often neglected genres of ethnic and world music, gospel, and traditional folk. This book is the ideal research tool for lovers of popular music in all its glorious variety.

Faith, Romance, and Creations Through Psychosis - Megan Jackson Hall 2021-10-07
Megan Jackson Hall has struggled with her mental health for decades. Faith, Romance, and Creations through Psychosis is her powerful memoir that delves into a range of personal topics, including the author's continued distrust of her ex-husband and her belief in his connections to the mafia. It also explores her dream of a free worldwide online JK-doctorate institute, her ideas for revolutionizing the Catholic Church, and creating a healing ranch for people suffering from mental health issues. Faith, Romance, and Creations through Psychosis delves into how the author learns about her past and the connections of her family to the mafia. She recounts recurring dreams of a romantic relationship with a man named Gary Barlow, whom she believes communicates with her through his songs. She provides comfort for Catholics who want a church to come home to, and a clarion call for all who believe in access for everyone to free education and an easier way to receive treatment for mental health. The innovations that swirl through her head offer the promise of a brighter, more efficient future.

Where the Water Goes Around - Bill Wylie-Kellermann 2017-05-30

Where the Water Goes Around is a biblical and political reading of Detroit over the course of three decades by an activist pastor. Detroit is a place where one can take the temperature of the world. Think on the rise of Fordism and auto-love, the Arsenal of Democracy, the practice of the sit-down strike, or the invention of the expressway and suburban mall. Consider more recently the rebellion of 1967, the deindustrialization of a union town, the assault on democracy in this black-majority city, the structural adjustments of municipal bankruptcy, and now a struggle for water as a human right. Bill Wylie-Kellermann tells the story of working out his "place-based vocation" with a simultaneous commitment to gospel nonviolence. He evokes the place Anishinabe peoples tread lightly the banks of Wawiatanong, "where the waters go round." One narrative thread walks a procession through the streets, a contemporary "stations of the cross," to the

locations of crucifixion today. It names the occupying principalities and their outposts on the ground. Another tells the story of resurrection in struggle and human community. Herein are public disruptions, liturgical direct actions, and courtroom trials. In resistance and risk, this book proclaims gospel in context.

Wonder, Love, and Praise - John L. Hooker 2001-09

This is an indispensable companion to the pew edition of Wonder, Love, and Praise. Written specifically for the musician, clergy person, worship planner, and accompanist, this volume contains all the music from the pew edition plus interesting background information on each selection. It also includes performance and teaching suggestions, ideas for liturgical use, additional instrumental parts, and a layout designed for ease in accompanying.
