Early Urdu Literary Culture and History - Shamsurrahmān Fārūqī
2001

This Path Breaking Work Raises Several New Questions About Urdu Literary Culture And Traces The Origins And Development Of Urdu Literary Thought From 1300 To 1850

Airwork - Keith McCloskey 2012-11-01

Airwork Ltd/Airwork Services, now owned by VT group plc, has a long and distinguished history. It played an important role in defence support services to the RAF, Fleet Air Arm and overseas air forces, as well as in the development of civil aviation. Created at Heston in 1928, it maintained Whitley bombers and de Havilland Tiger Moths in the 1930s and established the precursors of the post-WW2 airlines of Egypt, India and Rhodesia. Post-war it was the first airline to be awarded a troop flying contract and expanded into civil aviation, developing flights to Africa and the US. The main independent airline in the 1950s, it became part of British United Airways in 1960, also establishing many airlines around the world, including Deutsche Flugdienst (Condor), Misr-Airwork (Egyptair), and the Sudanese National Airline. Here Keith McCloskey presents the first history of this important airline and reveals its impact on aviation history.

Ars Americana, Ars Politica - Peter Swirski 2010-08-10

As partisan attacks have become increasingly bitter in American politics, contemporary culture has found ways to channel this outrage into the outrageous, responding with comedy and satire from both sides of the political spectrum. *Ars Americana, Ars Politica* cross-examines American politics, culture, and history by examining Irving Wallace's *The Man*, Richard Condon's *Death of a Politician*, P.J. O'Rourke's *Parliament of Whores*, Warren Beatty's film *Bulworth*, and Michael Moore's *Stupid White Men* to show how these popular artists have used soap-box partisanship and box-office arertainment to affect history.

Tulip in the Desert - Sir Muhammad Iqbal 2000

The national poet of Pakistan, Muhammed Iqbal (1887-1938), is widely credited with having lunched the idea of a seperate Muslim homeland which came to fruition with Jinnah's campaign for an independent Pakistan. However, Iqbal is best known for his Persian and Urdu poetry, which with its deep philosophical insights, has captured the minds of

many readers.

The Gift of the Magi - O. Henry 2009-06-01

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

The Voyage of the Beagle - Charles Darwin 1909

This is Charles Darwin's chronicle of his five-year journey, beginning in 1831, around the world as a naturalist on the H.M.S. Beagle.

War Against the Mafia - Don Pendleton 2014-12-16

The first book in the classic vigilante action series from a “writer who spawned a genre” (The New York Times). Overseas, Mack Bolan was dubbed “Sgt. Mercy” for the compassion he showed the innocent. On the home front, they’re calling him the Executioner for what he’s doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it’s not to reunite with his family, it’s to bury them—victims in a mass murder/suicide. Even though Bolan’s own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero “who would make Jack Reacher think twice,” this is the first book in the iconic series of vigilante justice that has become a publishing

phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics’ The Punisher, credits the Executioner as “my inspiration . . . that’s what gave me the idea for the lone, slightly psychotic avenger.” The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

A Story of True Love - Har Govind Mathur 2000

It Is An English Translation Of An Urdu Novel, (Reward Of Kindness) Written In 1928. Shows The Times And Life Of Aristocratic English Families In The Late Nineteenth Century.

Traces - Gamal al-Ghitani 2020-04-14

One of Egypt's greatest contemporary writers reflects on life and love. This haunting memoir, written ten years before Ghitani’s death, weaves together a series of vignettes in a style that mimics the uneven, discontinuous nature of memory itself. These fragments are summoned from across the span of a singular lifetime. We read of his childhood adventures, his erotic awakenings, his time as a political prisoner, and his reports from the battlefield in Iraq and the corridors of power in Syria. Vivid passages capture fleeting glances of strangers through car windows, flavors and scents of delicacies savored, dreams and sorrows of neighbors in the apartment blocks of Cairo before Nasser, as well as chance conversations at points of transit, in cafés, on elegant streets, and with unnamed paramours. These memories, and Ghitani’s musings on memory’s own finitude and mutability, make Traces both a memoir and a meditation on memory itself, in all its inscrutable workings and inevitable betrayals.

Colloquial Urdu is easy to use and completely up-to-date. Written by experienced teachers for self-study or class-use, the course offers you a step-by-step approach to spoken and written Urdu.

Canadian Books in Print - 1994

Points to Ponder - Mirza Bashir-ud-Din Mahmud Ahmad 2011-01-01

The stories related in this collection share a common theme, that is, they describe incidents in which the main characters consistently display the ability and the courage to say or to do 'the right thing,' no matter what. By exemplifying virtues such as piety, integrity, honesty and self-discipline, these people confirm to us that standing up for what is right during times of challenge and controversy is the best way to teach others. They bring truth to the adage that states: 'Setting an example is not the main means of influencing another, it is the only means.'

Raptors of the World: A Field Guide - James Ferguson-Lees 2020-09-17

Raptors of the World (Helm, 2001) is the definitive handbook to this most popular group of birds. This new field guide uses all of the plates from Raptors of the World, with a concise, revised text on facing pages, to create a conveniently-sized, lightweight field reference covering all 340 raptor species. Several of the plates have been reworked and repainted for this guide. The book also has an updated colour distribution map for each species. Much of the extensive introductory material has been retained in this guide, with the addition of a complete species list containing all subspecies and brief details of their ranges. Armed with this guide, birders will be able to identify with confidence any raptor encountered anywhere in the world.
