This book examines how writers have addressed ecological crises and environmental challenges that transcend national, cultural, political, social, and linguistic borders. It demonstrates how, as the environmental humanities developed and emerged as a critical discipline, it generated a diverse range of interdisciplinary fields of study such as ecogeographics, ecodesign, ecocinema, ecotheology, ecofeminism, ethnobotany, ecolinguistics, and bioregionalism, and formed valuable, interdisciplinary networks of critique and advocacy—and its contemporary expansion is exceptionally salient to social, political, and public issues today.

Patterns of Religious Narrative in the Canterbury Tales - Roger Ellis 2019-09-01
Originally published in 1986. This study asks 'What problems confront the narrator of a religious story?' and 'What different solutions to those problems are offered by the religious narratives of The Canterbury Tales?' The introduction explains the grounds for inclusion of the tales here studied then examined in three sections. The first includes the tales of the Clerk, Prioress and Second Nun, and Chaucer's Melibee, and explores the parallels between the production of a religious narrative and that of a faithful translation. The second considers how the tales of the Man of Law, Monk and Physician, though formally similar to those in the first section, subvert the offered parallel by their creation of narrators who actively mediate them to their audience, and who seem as concerned with the projection of their own personalities as with the transmission of the given story. The final section shows how the tales of the Pardoner and Nun's Priest highlight the dilemma and provide distinctive resolutions. The whole study aims to explore the dynamic relationships that exist between two contrasting positions: an artist's commitment to the authority of a given story and his need to assert himself over it.

Sources and Analogues of the Canterbury Tales - Robert M. Correale 2002

The publication of this volume completes the new edition of the sources and major analogues of all the Canterbury Tales prepared by members of the New Chaucer Society. This collection, the first to appear in over half a century, features such additions as a fresh interpretation of Chaucer's sources for the frame of the work, chapters on the sources of the General Prologue and Retractions, and modern English translations of all foreign language texts, with glosses for the Middle English. Chapters on the individual tales contain an updated survey of the present state of scholarship on their source materials. Several sources and analogues discovered during the

past fifty years are found here together for the first time, and some other familiar sources are re-edited from manuscripts closer to Chaucer's copies. Besides the General Prologue and the Retractions, this volume includes chapters on the Miller, Summoner, Merchant, Physician, Shipman, Prioress, Sir Thopas, Canon's Yeoman, Manciple, the Knight and the prologues and tales of the Man of Law and Wife of Bath.

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the

Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Sometimes We Tell the Truth - Kim Zarins

2016-09-06

In this contemporary retelling of The Canterbury Tales, a group of teens on a bus ride to Washington, DC, each tell a story—some fantastical, some realistic, some downright scandalous—in pursuit of the ultimate prize: a perfect score. Jeff boards the bus for the Civics class trip to Washington, DC, with a few things on his mind: -Six hours trapped with his classmates sounds like a disaster waiting to happen. -He somehow ended up sitting next to his ex-best friend, who he hasn't spoken to in years. -He still feels guilty for the major part he played in pranking his teacher, and the trip's chaperone, Mr. Bailey. -And his best friend Cannon, never one to be trusted and banned from the trip, has something "big" planned for DC. But Mr. Bailey has an idea to keep everyone in line: each person on the bus is going to have the chance to tell a story. It can be fact or fiction, realistic or fantastical, dark or funny or sad. It doesn't matter. Each person gets a story, and whoever tells the best one will get an

automatic A in the class. But in the middle of all the storytelling, with secrets and confessions coming out, Jeff only has one thing on his mind—can he live up to the super successful story published in the school newspaper weeks ago that convinced everyone that he was someone smart, someone special, and someone with something to say. In her debut novel, Kim Zarins breathes new life into Chaucer's The Canterbury Tales in a fresh and contemporary retelling that explores the dark realities of high school, and the subtle moments that bring us all together.
