Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. The Care and Management of Lies - Jacqueline Winspear 2014-07-01

The New York Times bestselling author of the Maisie Dobbs series turns her prodigious talents to this World War I standalone novel, a lyrical drama of love struggling to survive in a damaged, fractured world. By July 1914, the ties between Kezia Marchant and Thea Brissenden, friends since girlhood, have become strained—by Thea's passionate embrace of women's suffrage, and by the imminent marriage of Kezia to Thea's brother, Tom, who runs the family farm. When Kezia and Tom wed just a month before war is declared between Britain and Germany, Thea's gift to Kezia is a book on household management—a veiled criticism of the bride's prosaic life to come. Yet when Tom enlists to fight for his country and Thea is drawn reluctantly onto the battlefield, the farm becomes Kezia's responsibility. Each must find a way to endure the ensuing cataclysm and turmoil. As Tom marches to the front lines, and Kezia battles to keep her ordered life from unraveling, they hide their despair in letters and cards filled with stories woven to bring comfort. Even

Tom's fellow soldiers in the trenches enter and find solace in the dream world of Kezia's mouth-watering, albeit imaginary meals. But will well-intended lies and self-deception be of use when they come face to face with the enemy? Published to coincide with the centennial of the Great War, *The Care and Management of Lies* paints a poignant picture of love and friendship strained by the pain of separation and the brutal chaos of battle. Ultimately, it raises profound questions about conflict, belief, and love that echo in our own time.

The heart-rending story of a child 'Tampa' refugee who grew up to become a Fulbright scholar, highlighting the plight and potential of refugees everywhere. When the Taliban were at the height of their power in 2001, Abbas Nazari's parents were faced with a choice: stay and face persecution in their homeland, or seek security for their young children elsewhere. The family's desperate search for safety took them on a harrowing journey from the mountains of Afghanistan to a small fishing boat in the Indian Ocean, crammed with more than 400 other asylum seekers. When their boat started to sink, they were mercifully saved by a cargo ship, the Tampa. However, one of the largest maritime rescues in modern history quickly turned into an international stand-off, as Australia closed its doors to these asylum seekers. The Tampa had waded into the middle of Australia's national election, sparking their hardline policy of offshore detention. While many of those rescued by the Tampa were the first inmates sent to the island of Nauru, Abbas and his family were some of the lucky few to be resettled in New Zealand. Twenty years after the Tampa affair, Abbas tells his amazing story, from living under Taliban rule, to spending a terrifying month at sea, to building a new life at the bottom of the world. The Clasp - Sloane Crosley 2015-10-06

Part comedy of manners, part treasure hunt, the first novel from the writer whom David Sedaris calls "perfectly, relentlessly funny" Kezia, Nathaniel, and Victor are reunited for the extravagant wedding of a college friend. Now at the tail end of their twenties, they arrive completely absorbed in their own lives—Kezia the second-in-command to a madwoman jewelry designer in Manhattan; Nathaniel the former literary cool kid, selling his wares in Hollywood; and the Eeyore-esque Victor, just fired from a middling search engine. They soon slip back into old roles: Victor loves Kezia. Kezia loves Nathaniel. Nathaniel loves Nathaniel. In the midst of all this semi-merriment, Victor passes out in the mother of the groom's bedroom. He wakes to her jovially slapping him across the face. Instead of a scolding, she offers Victor a story she's never even told her son, about a valuable necklace that disappeared during the Nazi occupation of France. And so a madcap adventure is set into motion, one that leads Victor, Kezia, and Nathaniel from Miami to New York and L.A. to Paris and across France, until they converge at the estate of Guy de Maupassant, author of the classic short story "The Necklace." Heartfelt, suspenseful, and told with Sloane Crosley's inimitable spark and wit, The Clasp is a story of friends struggling to fit together now that their lives haven't gone as planned, of how to separate the real from the fake. Such a task might be possible when it comes to precious stones, but is far more difficult to pull off with humans.

The Last Correspondent - Michael Smith 2021-04-26

The ultimate insider's account: living and working in China in a period of unprecedented economic and social upheaval It was just after midnight

when China's notorious secret police came knocking... A late-night visit to his Shanghai laneway house by China's notorious secret police triggered a diplomatic storm which abruptly ended Michael Smith's stint as one of Australia's last foreign correspondents in China. After five days under consular protection, Smith was evacuated from a very different China to the country he first visited 25 years earlier. The visit marked a new twist in Australia's 50-year diplomatic relationship with China which was now coming apart at the seams. But it also symbolised the authoritarianism creeping into every aspect of society under President Xi Jinping over the last three years. From Xinjiang's re-education camps to the tear-gas filled streets of Hong Kong, Smith's account of Xi Jinping's China documents the country's spectacular economic rise in the years leading up to the coronavirus outbreak. Through first-person accounts of life on the ground and interviews with friends as well as key players in Chinese society right up to the country's richest man, *The Last Correspondent* explores what China's rise to become the world's newest superpower means for Australia and the rest of the world. PRAISE FOR THE LAST CORRESPONDENT 'Michael Smith's account of his time as a journalist in China makes for riveting reading. I learned so much about the texture of life as a foreign correspondent in this enormously complex, often mystifying and rapidly changing nation. For Australians who want to learn more about our giant neighbour but don't want to pick up an academic tome, you couldn't do better than let Michael Smith take you on his kaleidoscopic journey of discovery.' - Clive Hamilton, author of *Silent Invasion* 'Smith's account of his three turbulent years in China is a compelling, entertaining, racy read. He has a laser-like eye for the apposite anecdote drawing on extensive conversations with eyewitnesses living through these momentous historic events. Importantly, he lays bare the fibres of the twisted knot of bilateral relations between Australia and China.' - Dr Geoff Raby, Australian Ambassador to China 2007-2011 'A lively, colourful and revealing book both about China and his own experience of the country, which is full both of excitement, admiration, adventure, horror, and, finally, an escape in the most frightening circumstances.' - Richard McGregor, Lowy Institute 'An

important contribution to understanding China from a must-read China correspondent.' - Melissa Roberts and Trevor Watson, co-editors of *The Beijing Bureau*

The Garden Party and Other Stories - Katherine Mansfield 2022-07-14

If you have not discovered the work of Katherine Mansfield, you're in for a treat and this is the perfect place to start. 'The Garden Party and Other Stories' is a collection of 15 short stories written by the New Zealander, who was lauded by the likes of Virginia Woolf before she died at the age of 34. The title story, 'The Garden Party', is a consummate example of her skill as a storyteller and her ability to challenge one's thinking. The Sheridans throw a garden party, complete with all manner of entertainment and noise - even though they are fully aware that their

neighbour Mrs Scott's husband has just died. The story explores the themes of snobbery, selfishness and kindness. 'The Garden Party' was adapted into a TV short in 1973 and starred Mark Daniels and Maia Danziger. The "Other" stories tackle themes including marital equality, a sense of self, love and freedom. If you like the work of Virginia Woolf and Sylvia Plath, you will love this. Katherine Mansfield (1888-1923) was a short story writer and poet from New Zealand who was widely considered one of the most influential and important authors of the modernist movement. She settled in England at the age of 19 and Virginia Woolf and D.H. Lawrence were among her literary friends and admirers. She died of tuberculosis at the age of 34. Her life was turned into a TV series in 1973 called A Picture of Katherine Mansfield which was interwoven with adaptations of some of her best-known short stories. Many of her stories have been made into movies and TV shows such as 'Winners and Losers' (1975) based on the story 'The Woman at the Store' and the most recent from 2021 'Dill Pickle', starring Caroline Duncan and Jim Thalman.

A Doll's House is a three-act play in prose by Henrik Ibsen. The play is significant for its critical attitude toward 19th century marriage norms. In the central character of Nora, Ibsen epitomized the human struggle against the humiliating constraints of social conformity. Nora's ultimate rejection of a smothering marriage and life in 'a doll's house' shocked theatergoers of the late 1800s and opened new horizons for playwrights and their audiences.
