Win Every Day - Mark Miller 2020-03-10

All high performance organizations have one thing in common: execution. The men and women who work there sustain performance at seemingly otherworldly levels of precision, accuracy, and consistency. In the fifth and final book of Mark Miller's High Performance series, he uses his trademark business fable format to show how any organization can cultivate the kind of everyday habits that yield extraordinary results. Miller tells the story of Blake Brown, a CEO who learns how to help his team to consistently excel at execution from a perhaps unlikely source: his son's high school football coach. The story is fictional, but the principles and practices are very real, derived from years of research led by a team from Stanford University. Miller and his team interviewed leaders and employees from numerous world-class organizations, including the Navy SEALs, Starbucks, Apple, Southwest Airlines, the Seattle Seahawks, Mayo Clinic, Cirque du Soleil, and more. The lessons learned were then field-tested with over seventy businesses employing over 7,000 people. Miller gives you proven tools to release the untapped potential in your people, create a strong competitive advantage, and win not just on game day but every day.

Islam in Theory and Practice - Maryam Jameelah 2004

Qur'anic Guidance for Good Governance - Abdullah al-Ahsan 2017-08-06

This book is a study of religious principles of good governance in our contemporary societies.

Historically, religion has provided guidance for organizing societies. In modern times, however, religious ideas have been marginalized in social science literature. Contributors to this work explore what values and practices the Qur'an can contribute to governing our economic, political, and social life today.

The Book of Revenue - Abu Ubayd Sallam 2003
Kitab al-Amwal (The Book of Revenue) is the work of a brilliant legal mind. Abu Ubayd al-Qasim ibn Sallam provides us with an accurate record of legal precedents laid down in the first two centuries of Islam, in particular those pertaining to the sources of revenue and the avenues of public expenditure. The power of the book, however, lies in the method of the author and the analysis undertaken by him. He gathers together the traditions of the Prophet (pbuh), the opinions of his companions and the views of eminent jurists, and then subjects them to legal analysis that is unparalleled in Islamic legal literature. This book, now in paperback, is essential for every student of Islamic law, especially those who wish to master the art of interpreting and analyzing legal traditions and early precedents. In the discipline known as fiqh al-sunnah, there is no book or manual that can compete with this outstanding work.

Muhammad the Prophet - Maulana Muhammad Ali 2011-05-25

Researched biography of the Holy Prophet. Corrects misconceptions about his life; answers western criticism. "(1) Muhammad The Prophet (2) The Early Caliphate, by Muhammad Ali, together constitute the most complete and satisfactory history of the early Muslims hitherto compiled in English" — Islamic Culture, Hyderabad, India " ... He has now produced a biography of the Prophet of Islam in English ... It is not only Muslims who should feel grateful to him for the publication. The book should, indeed, give greater gratification to the English-speaking non-Muslims, whom it gives an opportunity of knowing the truth about the life and personality of one who is admitted on all hands to be the greatest reformer in the history of the world." — The New Orient "...it is written in an authoritative and interesting fashion, and from a historical point of view will be well worth perusing by adherents of religions other than Islam." — The Civil and Military Gazette, Lahore, Pakistan

The Criminals of Islam - Shabbir Ahmed
2011-01-13

A book of this kind has never been written before. It took courage to write this book and it will take courage to read it. One of our most popular books, THE CRIMINALS OF ISLAM unveils the true faces of the revered stalwarts " of Islam who emerged over the last 1400 years. So-called Imams ", Historians ", Ulema ", Sheikhs ", Sufis " and Maulanas " - all have made a mockery of Islam. They have converted the beautiful Message revealed to the exalted Prophet into the counterfeit, alien and deplorable manmade religion that we see today. It is a far cry from Ad-Deen, Islam, The Benevolent Social System of Life presented in the Qur'an. Shabbir Ahmed quotes extensively from the Ahadith literature, and enlightens the reader on how and why the once thriving Muslim world has deteriorated into its present state.

Understanding International Relations - Chris Brown 2009-04-14

The fourth edition of this well-established and popular introductory textbook has been updated to cover recent developments in the field of International Relations and world events, whilst still navigating the complexities of the discipline for new students. Brown and Ainley provide systematic coverage of the classical concerns of International Relations theory - power, national interest, foreign policy and war - alongside analysis of the impact of globalization on security, governance and the world economy. The authors actively avoid using a singular theoretical lens to conduct their survey, instead evaluating and using many throughout this book to further illustrate the nuances of the discipline. This is all while maintaining the focus on the discipline's focus on real world events, with case studies ranging from the recent rise of China and Russia to the global economic downturn, to teach students how the discipline can be applied to understanding the central and difficult questions that the world faces today. Clear and accessible, but also critical and penetrating, this book is an essential text for undergraduate International Relations students today.

Murtadha Mutahhari 2017-05-27

This book is one of the many Islamic publications distributed by Mustafa Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Mustafa Organization is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being

misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!
