Suns Will Rise - Jessica Brody 2021-08-03

Les Misérables meets The Lunar Chronicles in this thrilling conclusion to the System Divine trilogy that's an "explosion of emotion, intrigue, romance, and revolution" (Stephanie Garber, #1 New York Times bestselling author of the Caraval series). An heir. A renegade. A convict. A cyborg A défecteur. Five rebels. One revolution. It's been three months since the Patriarche was beheaded, leaving behind no known heir. Now, the planet of Laterre is unrecognizable. General Bonnefaçon has cleaned up the streets, fed the hungry, and restored peace while the next leader is decided upon. From the outside, Laterre seems to be flourishing. But dangerous rifts threaten to shatter the planet from within. The Red Scar has been killing off anyone with a legitimate claim to the Regime, while the Vangarde are preparing for the return of their infamous leader. Then, it's revealed that the Patriarche had a daughter who is still alive. A missing Paresse heir...Alouette has been locked in a secret facility for months, interrogated on the whereabouts of the General's renegade grandson. Marcellus is desperately searching for Alouette, knowing she's the key to the Vangarde's plan to overthrow the corrupt Regime, but unaware that he, himself, is being hunted by a new cyborg tasked with tracking down the planet's most wanted criminals. Meanwhile Chatine is growing restless, living underground with a rebel group she doesn't fit into. Until an old friend solicits her help to save the Défecteur community from a mysterious, new threat. A threat that will tie them all together. When the general makes an explosive play for power, allegiances will shift, rebels will become leaders, barricades will rise, and the tinderbox of Laterre will finally ignite, launching a revolution five hundred years in the making.

Champion - Marie Lu 2013-11-05

The explosive finale to Marie Lu's New York Times bestselling LEGEND trilogy—perfect for fans of THE HUNGER GAMES and DIVERGENT! He is a Legend. She is a Prodigy. Who will be Champion? June and Day have sacrificed so much for the people of the Republic—and each other—and now their country is on the brink of a new existence. June is back in the good graces of the Republic, working within the government's elite circles as Princeps Elect while Day has been assigned a high level military position. But neither could have predicted the circumstances that will reunite them once again. Just when a peace treaty is imminent, a plague outbreak causes panic in the Colonies, and war threatens the Republic's border cities. This new strain of plague is deadlier than ever, and June is the only one who knows the key to her country's defense. But saving the lives of thousands will mean asking the one she loves to give up everything he has. With heart-pounding action and suspense, Marie Lu's bestselling trilogy draws to a stunning conclusion.

Lilith - Ada Langworthy Collier 1885

Eden's Escape - M. Tara Crowl 2016-09-06

Eden's greatest wish has finally come true. No longer confined to her lamp, she begins a spectacular life in Manhattan with her new guardian, Pepper, a bubbly genie alum who's also a Broadway actress. Eden only gets a taste of the city's wonders before she's whisked away for a wish granting--she is still a genie with a job, after all. David Brightly isn't like other wishers Eden has met. The owner of the world's leading tech company seems more interested in tapping into the lamp's power than making his first wish. Trapped in Brightly's laboratory and unable to get to the lamp, Eden has no choice but to escape and go on the run. She finds herself on the streets of Paris, nowhere near out of danger. Brightly has half the city searching for Eden, claiming she is his kidnapped daughter. She manages to don a disguise and get word of her predicament out to the loyal genies on earth. But Paris is also headquarters of Electra, a group of former genies bent on revenge against Eden, and it seems the scheming Sylvana has teamed up with Brightly to seize the lamp's power once and for all. Eden embarks on a

dangerous mission to retrieve the lamp and protect the centuries-old genie legacy. But Brightly has more tricks up his sleeve than any mortal Eden has met. Soon, every genie will have to pick a side in an epic showdown against the greatest threat the lamp has ever faced.

Sleeping in Eden - Nicole Baart 2013-05-21

The lives of a middle-aged doctor and a love-struck young woman intersect across time in *Sleeping in Eden*, Nicole Baart's haunting novel about love, jealousy, and the boundaries between loyalty and truth. She knew what he wrote . . . One little word that made her feel both cheated and beloved. One word that changed everything. MINE. On a chilly morning in the Northwest Iowa town of Blackhawk, Dr. Lucas Hudson is filling in for the vacationing coroner on a seemingly open-and-shut suicide case. His own life is crumbling around him, but when he unearths the body of a woman buried in the barn floor beneath the hanging corpse, he realizes this terrible discovery could change everything. . . . Years before Lucas ever set foot in Blackhawk, Meg Painter met Dylan Reid. It was the summer before high school and the two quickly became inseparable. Although Meg's older neighbor, Jess, was the safe choice, she couldn't let go of Dylan no matter how hard she tried. Caught in a web of jealousy and deceit that spiraled out of control, Meg's choices in the past ultimately collide with Lucas's discovery in the present, weaving together a taut story of unspoken secrets and the raw, complex passions of innocence lost.

The Glamour Boys - Chris Bryant 2021-08-05

A STORY OF UNSUNG BRAVERY AT A DEFINING MOMENT IN BRITAIN'S HISTORY 'Superb' Stephen Fry 'Thrillingly told' Dan Jones 'Fascinating' Neil MacGregor 'Astonishing' Peter Frankopan We like to think we know the story of how Britain went to war with Germany in 1939, but there is one chapter that has never been told. In the early 1930s, a group of young, queer British MPs visited Berlin on a series of trips that would change the course of the Second World War. Having witnessed the Nazis' brutality first-hand, these men were some of the first to warn Britain about Hitler, repeatedly speaking out against their government's policy of appeasing him. Prime Minister Neville Chamberlain hated them. Branding them 'the glamour boys' to insinuate something untoward about them, he had their phones tapped and threatened them with deselection and exposure. At a time when even the suggestion of homosexuality could land you in prison, the bravery these men were forced to show in their personal lives gave them extraordinary courage in public. Undaunted, they refused to be silenced and when war came, they enlisted. Four of them died in action. And without them, Britain would never have faced down the Nazis. A Guardian Book of Autumn 2020

This Mortal Coil - Emily Suvada 2017-11-07

"Redefines 'unputdownable.'" —Amie Kaufman, New York Times bestselling author of *Iluminae* "I was thrilled. I was shocked." —NPR "Stunning twists and turns." —BCCB (starred review) In this gripping debut novel, seventeen-year-old Cat must use her gene-hacking skills to decode her late father's message concealing a vaccine to a horrifying plague. Catarina Agatta is a hacker. She can cripple mainframes and crash through firewalls, but that's not what makes her special. In Cat's world, people are implanted with technology to recode their DNA, allowing them to change their bodies in any way they want. And Cat happens to be a gene-hacking genius. That's no surprise, since Cat's father is Dr. Lachlan Agatta, a legendary geneticist who may be the last hope for defeating a plague that has brought humanity to the brink of extinction. But during the outbreak, Lachlan was kidnapped by a shadowy organization called Cartaxus, leaving Cat to survive the last two years on her own. When a Cartaxus soldier, Cole, arrives with news that her father has been killed, Cat's instincts tell her it's just another Cartaxus lie. But Cole also brings a message: before Lachlan died, he managed to create a vaccine, and Cole needs Cat's help to release it and

save the human race. Now Cat must decide who she can trust: The soldier with secrets of his own? The father who made her promise to hide from Cartaxus at all costs? In a world where nature itself can be rewritten, how much can she even trust herself?

Hollywood Eden - Joel Selvin 2021-04-06

"Hollywood Eden brings the lost humanity of the record business vividly back to life ... [Selvin's] style is blunt, unpretentious and brisk; he knows how to move things along entertainingly ... Songs about surfboards and convertibles had turned quaint, but in this book, their coolness is restored." — New York Times From surf music to hot-rod records to the sunny pop of the Beach Boys, Jan & Dean, the Byrds, and the Mama's & the Papa's, Hollywood Eden captures the fresh blossom of a young generation who came together in the epic spring of the 1960s to invent the myth of the California Paradise. Central to the story is a group of sun-kissed teens from the University High School class of 1959 — a class that included Jan & Dean, Nancy Sinatra, and future members of the Beach Boys — who came of age in Los Angeles at the dawn of a new golden era when anything seemed possible. These were the people who invented the idea of modern California for the rest of the world. But their own private struggles belied the paradise portrayed in their music. What began as a light-hearted frolic under sunny skies ended up crashing down to earth just a few short but action-packed years later as, one by one, each met their destinies head-on. A rock 'n' roll opera loaded with violence, deceit, intrigue, low comedy, and high drama, Hollywood Eden tells the story of a group of young artists and musicians who bumped heads, crashed cars, and ultimately flew too close to the sun.

Hart Street and Main - Tabitha Sprunger 2021-06-20

Will you be allowed to pass through to the Second World? Could you escape the terrors of Agenesis? There's only one way to find out... Skye, your slightly above average teenager, has never left the boring little farm town of Alfaro. Her senior year at Black Pine High School ends up taking a stark turn of events as she meets Olli, who she thought was the school's handsome yet mysterious foreign exchange student. While juggling the challenges of high school, dating, and graveyard golf she starts to realize something is very wrong. Skye begins to see glimpses of an impossible future. What was believed to be a simple head injury turns out to be much more. As she is taken into the magical Second World, surrounded by royalty, milkweed pixies, and even sorcerers, she is left questioning everything about the life she thought she had in the First World. Skye tries to embrace her new powers, but is also terrified by her discoveries. Can she even trust her own parents anymore? Who or what was the real Skye Hope, and could she live up to the truth?

The Sidekicks - Will Kostakis 2017-11-01

Ryan, Harley and Miles are very different people—the swimmer, the rebel and the nerd. All they've ever had in common is Isaac, their shared best friend. When Isaac dies unexpectedly, the three boys must come to terms with their grief and the impact Isaac had on each of their lives. In his absence, Ryan, Harley and Miles discover things about one another they never saw before, and realize there may be more tying them together than just Isaac. In this intricately woven story told in three parts, award-winning Australian author Will Kostakis makes his American debut with a heartwarming, masterfully written novel about grief, self-discovery and the connections that tie us all together.

Finding Eden - Kele Moon 2013-06-18

Book two in the Eden series. Handsome, angry and spoiled, Danny Carlow struggles to find his place in the world when his hatred for authority makes survival difficult. The only thing keeping him from completely giving up and turning to a life of crime is his friendship with clean-cut Paul Matting. More than his conscience and best friend, Paul's also the one Danny secretly pines for with every ounce of his being. Paul is a natural over-achiever with a football scholarship and straight A's to boast about. Yet he's haunted by an abusive childhood that's left him more scarred than anyone realizes. Looking for an escape from his demons, Paul has his own deviant secrets, ones he doesn't want anyone, especially Danny, to know about. When dark desires are accidentally revealed, Danny and Paul end up coming together in a clash of wild passion more tumultuous than either of them could have anticipated. Tasting the forbidden is sweet, but it turns the tables on their relationship, putting everything, even their lifelong friendship, in jeopardy.

Children of Eden - Joey Graceffa 2016-10-04

The electrifying #1 New York Times bestselling debut novel from YouTube sensation Joey Graceffa dares to ask the question: What would you do in order to survive if your very existence were illegal? Rowan is a second child in a world where population control measures make her an

outlaw, marked for death. She can never go to school, make friends, or get the eye implants that will mark her as a true member of Eden. Outside of Eden, Earth is poisoned and dead. All animals and most plants have been destroyed by a man-made catastrophe. Long ago, the brilliant scientist Aaron Al-Baz saved a pocket of civilization by designing the EcoPanopticon, a massive computer program that hijacked all global technology and put it to use preserving the last vestiges of mankind. Humans will wait for thousands of years in Eden until the EcoPan heals the world. As an illegal second child, Rowan has been hidden away from the ruthless Center government in her family's compound for sixteen years. Now, desperate to see the world, she recklessly escapes for what she swears will be only one night of adventure. Though she finds an exotic world, and even a friend, the night leads to tragedy. Soon Rowan becomes a renegade on the run. An instant #1 New York Times bestseller, Children of Eden is a thrilling and completely absorbing work from one of social media's brightest young storytellers. Taking the genre of dystopian fiction far beyond where it has traveled before, viral sensation Joey Graceffa's first novel introduces us to an empowering and endearing young protagonist and a world that contains as many perils as it does illuminating surprises, perfect for fans of the Divergent and Maze Runner series.

The Scum Villain's Self-Saving System: Ren Zha Fanpai Zijiu Xitong (Novel) Vol. 1 - Mo Xiang Tong Xiu 2021-12-14

NEW YORK TIMES BEST SELLER! The blockbuster danmei/Boys' Love novels from China that inspired the animated Scumbag System series streaming in English! This hilarious story of a man reborn as a villain in a fantasy novel series who ends up romancing the male protagonist is now in English, for the very first time. Half-demon Luo Binghe rose from humble beginnings and a tortured past to become unrivaled in strength and beauty. With his dominion over both the Human and Demon Realms and his hundreds-strong harem, he is truly the most powerful protagonist...in a trashy webnovel series! At least, that's what Shen Yuan believes as he finishes reading the final chapter in Proud Immortal Demon Way. But when a bout of rage leads to his sudden death, Shen Yuan is reborn into the world of the novel in the body of Shen Qingqiu--the beautiful but cruel teacher of a young Luo Binghe. While Shen Qingqiu may have the incredible power of a cultivator, he is destined to be horrifically punished for crimes against the protagonist. The new Shen Qingqiu now has only one course of action: get into Luo Binghe's good graces before the young man's rise to power or suffer the awful fate of a true scum villain! This Chinese fantasy (xianxia) comedy built around the romanticized love between two men (danmei) has been translated into numerous languages and inspired the animated series Scumbag System, which amassed millions of streaming views--including the English version on YouTube through Tencent Video. As the first novel series by Mo Xiang Tong Xiu to spur a global multimedia franchise, this incredibly fun tale led the way to her future blockbusters in the danmei genre: Grandmaster of Demonic Cultivation and Heaven Official's Blessing. The Seven Seas English-language edition will include exclusive, all-new covers and interior illustrations from Xiao Tong Kong (Velinxi) and feature a translation by Faelicy (faelicy) & Lily (lily_och0).

The First Love Story - Bruce Feiler 2018-03-20

An exploration of the way Adam and Eve introduced the idea of love into the world, and how they continue to shape our deepest feelings about relationships, family, and togetherness. Since antiquity, Adam and Eve have stood at the center of every conversation about men and women. Yet instead of celebrating them, history has blamed them for bringing sin, deceit, and death into the world. In this fresh retelling of their story, Bruce Feiler travels from the Garden of Eden in Iraq to the Sistine Chapel in Rome, discovering how Adam and Eve should be hailed as exemplars of a long-term, healthy, resilient relationship. At a time of discord and fear over the strength of our social fabric, Feiler shows how history's first couple can again be role models for unity, forgiveness, and love.

Dark Eden - Chris Beckett 2014-04-01

WINNER OF THE ARTHUR C. CLARKE AWARD • "A stunning novel and a beautiful evocation of a truly alien world."—Sunday Times (UK)

"Beckett renders the terror of the darkness beyond the forests with a riveting deftness that evokes all primordial fears of the unknown."—N. K. Jemisin, The New York Times Book Review On the alien, sunless planet they call Eden, the 532 members of the Family take shelter beneath the light and warmth of the Forest's lantern trees. Beyond the Forest lie the mountains of the Snowy Dark and a cold so bitter and a night so profound that no man has ever crossed it. The Oldest among the Family recount legends of a world where light came from the sky, where men and women made boats that could cross the stars. These ships brought us here, the Oldest say—and the Family must only wait for the travelers to return. But young John Redlantern will break the laws of Eden, shatter the Family and change history. He will abandon the old ways, venture into the Dark . . . and discover the truth about their world. Already remarkably acclaimed in the United Kingdom, Dark Eden is science fiction as literature: part parable, part powerful coming-of-age story, set in a truly original alien world of dark, sinister beauty and rendered in prose that is at once strikingly simple and stunningly inventive. Praise for Dark Eden "A linguistic and imaginative tour de force."—The Guardian (UK) "Captivating and haunting . . . human plight and alien planet are both superbly evoked."—Daily Mail (UK) "Pure astonishment and pleasure, a storytelling ride full of brio and wonder."—Locus **Under My Skin** - Juno Dawson 2015-03-05

Meet Molly Sue. Once she's under your skin there's no getting rid of her... Seventeen-year-old Sally Feather is not exactly a rebel. Her super-conservative parents and her treatment at the hands of high school bullies means that Sally's about as shy and retiring as they come - but all that's about to change. Accidentally ending up in the seedier side of town one day, Sally finds herself mysteriously lured to an almost-hidden tattoo parlour - and once inside, Sally is quickly seduced by its charming owner, Rosita, and her talk of how having a secret tattoo can be as empowering as it is thrilling. Almost before she knows what she is doing, Sally selects sexy pin-up Molly Sue, and has her tattooed on her back - hoping that Molly Sue will inspire her to be as confident and popular as she is in her dreams. But things quickly take a nightmareish turn. Almost immediately, Sally begins to hear voices in her head - or rather, one voice in particular: Molly Sue's. And she has no interest in staying quiet and being a good girl - in fact, she's mighty delighted to have a body to take charge of again. Sally slowly realises that she is unable to control Molly Sue... and before long she's going to find out the hard way what it truly means to have somebody 'under your skin'.

Appleseed - Matt Bell 2021-07-13

A NEW YORK TIMES NOTABLE BOOK · A PHILADELPHIA INQUIRER

BEST OF THE YEAR “Woven together out of the strands of myth, science fiction, and ecological warning, Matt Bell’s *Appleseed* is as urgent as it is audacious.” —Kelly Link, Pulitzer Prize finalist and national bestselling author of *Get in Trouble* A “breathtaking novel of ideas unlike anything you’ve ever read” (*Esquire*) from Young Lions Fiction Award-finalist Matt Bell, a breakout book that explores climate change, manifest destiny, humanity’s unchecked exploitation of natural resources, and the small but powerful magic contained within every single apple. In eighteenth-century Ohio, two brothers travel into the wooded frontier, planting apple orchards from which they plan to profit in the years to come. As they remake the wilderness in their own image, planning for a future of settlement and civilization, the long-held bonds and secrets between the two will be tested, fractured and broken—and possibly healed. Fifty years from now, in the second half of the twenty-first century, climate change has ravaged the Earth. Having invested early in genetic engineering and food science, one company now owns all the world’s resources. But a growing resistance is working to redistribute both land and power—and in a pivotal moment for the future of humanity, one of the company’s original founders will return to headquarters, intending to destroy what he helped build. A thousand years in the future, North America is covered by a massive sheet of ice. One lonely sentient being inhabits a tech station on top of the glacier—and in a daring and seemingly impossible quest, sets out to follow a homing beacon across the continent in the hopes of discovering the last remnant of civilization. Hugely ambitious in scope and theme, *Appleseed* is the breakout novel from a writer “as self-assured as he is audacious” (NPR) who “may well have invented the pulse-pounding novel of ideas” (Jess Walter). Part speculative epic, part tech thriller, part reinvented fairy tale, *Appleseed* is an unforgettable meditation on climate change; corporate, civic, and familial responsibility; manifest destiny; and the myths and legends that sustain us all.

Rebel Heart - Moira Young 2012-10-30

Nothing is certain and no one is safe in the scorching sequel to *Blood Red Road*, which MTV’s Hollywood Crush blog called “better than *The Hunger Games*.” There is a price on Saba’s head. She brought down a ruthless tyrant and saved her kidnapped brother. But winning has come at a terrible cost. Saba is haunted by her past—and a new enemy is on the rise, an enemy who searches for her across the Dust Lands. Saba needs Jack: his moonlit eyes, his reckless courage, his wild heart. But Jack has left. And her brother is haunted by ghosts of his own. Then news comes that tells her Jack can never be trusted again. Deceived and betrayed, haunted and hunted, Saba will need all of her warrior’s strength just to survive. For the enemy has cunning plans of his own...

Rebels and Runaways - Grace McGinty 2021-02-12

Welcome to Eden Academy. Safe haven. Melting pot of preternatural beings from shifters to extraordinary humans. Carmen had been attending Eden Prep since before she knew her multiplication tables, and she was ready to graduate, do her time at the Academy and then get the hell out of dodge. She was sick of having a best friend who still saw her as a little kid despite the fact she was seventeen. She was sick of her Alpha older brother telling her what to do. She was sick of always being compared to Enit, her omega and incomparable littermate. The only place she felt free was fighting, and if her parents knew that? They’d kick her ass and keep her locked up in the tiny town of Dark River forever. Well, except her dad X. Carmen was pretty sure he was proud that she could kick ass. Carmen needed to get out into the world and live life on her own terms. But her first semester at the Academy brings more surprises than she expected. A fiery runaway with a quick smile and even quicker hands. Not to mention the arrival of a boy, no a man, with dark eyes and an even darker past. Hell, maybe Eden was living up to its name after all. This story is an Academy, reverse harem romance.

Elites of Eden - Joey Graceffa 2017-10-03

Escape from Eden - Elisa Nader 2013-07-18

Since the age of ten, Mia has rebelled against the iron fist of a fundamentalist preacher who lured her mother away to join a fanatical

family of followers. At “Edenton,” a supposed Garden of Eden deep in the South American jungle, everyone follows the reverend’s strict and arbitrary rules—even about whom they can marry. Mia dreams of slipping away from the armed guards who keep the faithful in and the curious out. When the rebellious Gabe, a new boy, arrives with his family, Mia sees her chance to escape and to free her family. But the scandalous secrets the two discover beyond the compound’s facade are more shocking than anything they imagined. While Gabe has his own terrible secrets, he and Mia bond together, more than friend and freedom fighters. But there’s no time to think about love as they race against time to stop the reverend’s paranoid plan to free his flock—but not himself—from this corrupt world. Can two kids crush a criminal mastermind? And who will die in the fight to save the ones they love from a madman whose only concern is his own secrets?

Eden’s Wish - M. Tara Crowl 2015-09-01

All twelve years of Eden’s life have been spent in an antique oil lamp. She lives like a princess inside her tiny, luxurious home, but to Eden, the lamp is nothing but a prison. She hates being a genie. All she wants, more than anything, is freedom. When Eden finds a gateway to Earth inside the lamp, she takes her chance. In a moment, she’s entered the world she loves. And this time, she won’t be sent back after three wishes. Posing as the new kid at a California middle school, Eden revels in all of Earth’s pleasures—but quickly learns that this world isn’t as perfect as she always thought it was. Eden soon finds herself in the middle of a centuries-old conflict between powerful immortals. A ruthless organization run by a former genie will stop at nothing to acquire the lamp and its power—including hurting Tyler and Sasha, the mortal friends who have given Eden a home. To save her friends—and protect the magic of the lamp—Eden will have to decide once and for all where she belongs.

In Real Life - Joey Graceffa 2015-05-19

A confessional, uplifting memoir from the beloved YouTube personality. It’s not where you begin that matters. It’s where you end up. Twenty-three year old Joey Graceffa has captured the hearts of millions of teens and young adults through his playful, sweet, and inspirational YouTube presence (not to mention his sparkling eyes and perfect hair). Yet, Joey wasn’t always comfortable in his skin, and in this candid memoir, he thoughtfully looks back on his journey from pain to pride, self-doubt to self-acceptance. To his fans, Joey is that best friend who always captures the brighter side of life but also isn’t afraid to get real. In the pages of his first book, he opens up about his years of struggling with family hardships and troubles at school, with cruel bullying and the sting of rejection. He tells of first loves and losses, embarrassing moments and surprising discoveries, loneliness, laughter, and life-changing forks in the road, showing us the incalculable value of finally finding and following your true passion in this world. Funny, warm-hearted, and inspiring, Joey Graceffa’s story is a welcome reminder that it’s not where you begin that matters, but where you end up.

Rebel - Marie Lu 2019-10-01

Respect the Legend. Idolize the Prodigy. Celebrate the Champion. But never underestimate the Rebel. With unmatched suspense and her signature cinematic storytelling, #1 New York Times–bestselling author Marie Lu plunges readers back into the unforgettable world of *Legend* for a truly grand finale. Eden Wing has been living in his brother’s shadow for years. Even though he’s a top student at his academy in Ross City, Antarctica, and a brilliant inventor, most people know him only as Daniel Wing’s little brother. A decade ago, Daniel was known as Day, the boy from the streets who led a revolution that saved the Republic of America. But Day is no longer the same young man who was once a national hero. These days he’d rather hide out from the world and leave his past behind. All that matters to him now is keeping Eden safe—even if that also means giving up June, the great love of Daniel’s life. As the two brothers struggle to accept who they’ve each become since their time in the Republic, a new danger creeps into the distance that’s grown between them. Eden soon finds himself drawn so far into Ross City’s dark side, even his legendary brother can’t save him. At least not on his own . . .

Rebel Rose (Volume 1) - Emma Theriault 2020-11-10

Gates of Eden - Charles Degelman 2012-08

What happens when a handful of unruly but authentic young people grow up absurd in 1950s America and rush headlong into the social and

political upheavals of the 1960s? Through the hearts, minds, and actions of its young protagonists, *Gates of Eden* explores the excitement and urgency of the turbulent 60s and the struggles of an earlier generation that dared rage against the machine. From their scattered beginnings through a surge to resistance, Gates' complex, colorful characters invite us to join them as they transform 'hell no, we won't go' into a celebration of collective action, shared consciousness, and the realizations of their own fiercely personal dreams.

[We The Pretty Stars](#) - Eden O'Neill 2020-07-27

He's a supernova... wild and untamed but I refuse to let his light die. If need be, I'll be that light for him. We'll end this together. The body count is rising in Maywood Heights and Royal seems determined to add to that number. He wants to take out those who hurt Paige. Though I want justice too, I'm not sure how far his need for revenge will take him. These flames might consume him in the end. If we're not careful, they may destroy all of us, Royal's boys and myself included in that number. Something dark and deeply wicked looms over the town of Maywood Heights, but I'm determined to stand next to Royal, Knight, Jax, and LJ to do what needs to be done. My sister will get justice in this town. She deserves it and we'll be the ones to bring it to her... I just hope the ultimate price in the end isn't our souls. Warning: This enemies-to-lovers, high school romance contains some dark themes and light bullying. The book is not a standalone and is book four in a four-part series of full-length novels. Royal Prinze is the only hero of this tale... good luck getting him to share.

[Outside the Gates of Eden](#) - Lewis Shiner 2020-08-06

A 1960s rock and roll magnum opus about three friends on the cusp of musical stardom.

[East of Eden](#) - John Steinbeck 2002-02-05

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition. In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two

families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

The Eden Trilogy - Joey Graceffa 2018-10-02

Discover the thrilling and evocative #1 New York Times bestselling *Eden* trilogy as never before with this beautifully designed collection from the visionary author and digital creator Joey Graceffa. In *Children of Eden*, meet Rowan—a second child in a future world where population control makes her an outlaw. She can never go to school, make friends, or get the eye implants that will mark her as a true member of Eden. Hidden by her family for sixteen years, she recklessly escapes for what she swears will be only one night of adventure. Though she finds an exotic world, and even a friend, the night leads to tragedy and forces Rowan to become a renegade on the run. In *Elites of Eden*, she discovers there is more to her destiny than merely running and hiding. Her fate is mysteriously tied to Yarrow—an elite: rich, regal, and intended for greatness. Rowan's life is one wild party after another in Eden...until she meets a fascinating, lilac-haired girl named Lark. When these two girls discover the thread that binds them together, the collision of memories means that their lives may change drastically—and that Eden may never be the same. In the unforgettable finale *Rebels of Eden*, Rowan is finally in Harmonia—a sustainable commune in the wilderness she always thought was dead. She may be safe, but she's determined to rescue the loved ones she left behind. Though her friends are in terrible danger, her pleas for help are ignored until a shocking reminder of her past pushes her to infiltrate Eden. What she discovers is even worse than the situation she left behind. In the chaos of civil war, Rowan and her friends join forces with the second children and other rebels trapped inside. They fight for their lives, and for the fate of humanity in this broken Earth.
