insightful text. The book captures both the grandeur of the West Coast as well as the tiniest things that a thru-hiker notices and experiences during a 140-day trek. Through the written word, graphic design, and illustration, *The Pacific Crest Trail: A Visual Compendium* conveys the beauty and the beastliness of a 2,650-mile wilderness hike from Mexico to Canada. The author chronicles the PCT through infographics about the trail and the thru-hikers' experience, and includes arresting illustrations of the landscape and minutiae of the trail. Everything from trail markers, weather challenges, and the stories behind popular toponyms to the songs stuck in a hiker's head, thru-hiker trail names, and food consumed will be addressed, making this an ideal gift for any outdoor enthusiast.

**Russia - Culture Smart!** - Culture Smart!  
2021-03-04

Don't just see the sights—get to know the people. Discovering the Russian soul is like opening a matryoshka, a Russian doll, revealing the many layers. The Russian orthodox religion is unique; Russian history is tragic; and the people are unpredictable. Russia's military and political power, as well as the rich contribution of its art and culture, is the result of an inner dynamic not always understood by outsiders. Culture Smart! Russia sets out to help you to become a more perceptive traveler, and to make your trip more personally fulfilling. It explores the connections between Russia's turbulent past and its paradoxical present; it describes present-day values and attitudes, and offers practical advice on what to expect and how to behave in different social circumstances. Have a richer and more meaningful experience abroad through a better understanding of the local culture. Chapters on history, values, attitudes, and traditions will help you to better understand your hosts, while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas.
