*The Inheritance of Lion Hall* - Corina Bomann  
2021-07-13

An unconventional woman defies the rules of noble turn-of-the-century Sweden in an epic novel of love, secrets, family ties, and rediscovery by the bestselling author of *The Moonlit Garden*. Sweden, 1913. Having petitioned the court for independence from her aristocratic family, the young and vibrant Agneta Lejongård takes control of her destiny. In Stockholm, she explores her bohemian passions in art and free love, joins the suffragette movement with her best friend, and defiantly resists the expectations of women in high society. Then comes news of a tragic accident and an urgent summons to return to the family's manor house in the country. As for Agneta's forward path in life, she must now follow it back home. Though the grand horse-breeding estate of Lion Hall stirs some warm memories, what lies ahead tests Agneta's independent spirit: a disapproving mother locked in the traditions of a woman's proper place, two men vying for Agneta's heart, and a twist of fate that upends her life once again. Torn between a daughter's duty and the freedom she pines for, Agneta struggles not only to rebuild her future, but also to protect the future of Lion Hall itself. Forging a new path brings challenges, rewards, and a true purpose that she never could have imagined.

**In Times of Fading Light** - Eugen Ruge 2013-06-11

An enthrallingly expansive family saga set against the backdrop of the collapse of East German communism, from a major new international voice \* Over 450,000 copies sold in Germany alone \* Rights sold in 20 countries \* Winner of the German Book Prize \* A PW "First Fiction" pick \* In Times of Fading Light begins in September 2001 as Alexander Umnitzer, who has just been diagnosed with terminal cancer,

leaves behind his ailing father to fly to Mexico, where his grandparents lived as exiles in the 1940s. The novel then takes us both forward and back in time, creating a panoramic view of the family's history: from Alexander's grandparents' return to the GDR to build the socialist state, to his father's decade spent in a gulag for criticizing the Soviet regime, to his son's desire to leave the political struggles of the twentieth century in the past. With wisdom, humor, and great empathy, Eugen Ruge draws on his own family history as he masterfully brings to life the tragic intertwining of politics, love, and family under the East German regime.

A Spear of Summer Grass - Deanna Raybourn 2017-07-01

Rediscover the adventure and romance of this evocative historical novel from bestselling author Deanna Raybourn. Paris, 1923. The daughter of a scandalous mother, Delilah Drummond is already notorious. But her latest

scandal is big enough to make even her oft-married mother blanch. Delilah is exiled to Kenya and her favorite stepfather's savanna manor house until gossip subsides. Fairlight is the crumbling, sun-bleached skeleton of a faded African dream, a world where dissolute expats are bolstered by gin and jazz records, cigarettes and safaris. As mistress of this wasted estate, Delilah falls into the decadent pleasures of society. Against the frivolity of her peers, Ryder White stands in sharp contrast. As foreign to Delilah as Africa, Ryder becomes her guide to the complex beauty of this unknown world. Giraffes, buffalo, lions and elephants roam the shores of Lake Wanyama amid swirls of red dust. Here, life is lush and teeming—yet fleeting and often cheap. Amidst the wonders—and dangers—of Africa, Delilah awakes to a land out of all proportion: extremes of heat, darkness, beauty and joy that cut to her very heart. Only when this sacred place is profaned by bloodshed does Delilah discover what is truly worth fighting for—and what she can no longer live without. Originally published in 2013

Marissa Stapley's writing is a gift." —Pam Jenoff, New York Times bestselling author When secrets tear love apart, can the truth mend it? Mae Summers and Gabe Broadbent grew up together in the idyllic Summers' Inn, perched at the edge of Alexandria Bay in upstate New York. Mae was orphaned at the age of six and Gabe needed protection from his alcoholic father, so both were raised under one roof by Mae's grandparents, Lily and George. A childhood friendship quickly developed into a first love—a love that was suddenly broken by Gabe's unexpected departure. Mae grew up and got over her heartbreak, and started a life for herself in New York City. After more than a

decade, Mae and Gabe find themselves pulled back to Alexandria Bay by separate forces. THE COMPELLING NOVEL FROM SUNDAY TIMES BESTSELLER PHILIPPA GREGORY  
'There is only one bond that I trust: between a woman and her sisters. We never take our eyes off each other. In love and in rivalry, we always think of each other.' When Katherine of Aragon is brought to the Tudor court as a young bride, the oldest princess, Margaret, takes her measure. With one look, each knows the other for a rival, an ally, a pawn, destined - with Margaret's younger sister Mary - to a sisterhood unique in all the world. The three sisters will become the queens of England, Scotland and France. United by family loyalties and affections, the three queens find themselves set against each other. Katherine commands an army against Margaret and kills her husband James IV of Scotland. But Margaret's boy becomes heir to the Tudor throne when Katherine loses her son.
