The Dispossessed - Ursula K. Le Guin 1999
An astonishing tale of one man's search for Utopia.

Science Fiction and Psychology - Gavin Miller
2020-01-31

The psychologist may appear in science fiction as the herald of utopia or dystopia; literary studies have used psychoanalytic theories to interpret science fiction; and psychology has employed science fiction as an educational medium. *Science Fiction and Psychology* goes beyond such incidental observations and engagements to offer an in-depth exploration of science fiction literature's varied use of psychological discourses, beginning at the birth of modern psychology in the late nineteenth century and concluding with the ascendance of neuroscience in the late twentieth century. Rather than dwelling on psychoanalytic readings, this literary investigation combines with history of psychology to offer attentive textual readings that explore five key psychological schools: evolutionary psychology, psychoanalysis, behaviourism, existential-humanism, and cognitivism. The varied functions of psychological discourses in science fiction are explored, whether to popularise and prophesy, to imagine utopia or dystopia, to estrange our everyday reality, to comment on science fiction itself, or to abet (or resist) the spread of psychological wisdom. *Science Fiction and Psychology* also considers how psychology itself has made use of science fiction in order to teach, to secure legitimacy as a discipline, and to

comment on the present.

[Art in the Anthropocene](#) - Etienne Turpin
2015-06-11

Taking as its premise that the proposed epoch of the Anthropocene is necessarily an aesthetic event, this collection explores the relationship between contemporary art and knowledge production in an era of ecological crisis. *Art in the Anthropocene* brings together a multitude of disciplinary conversations, drawing together artists, curators, scientists, theorists and activists to address the geological reformation of the human species. With contributions by Amy Balkin, Ursula Biemann, Amanda Boetzkes, Lindsay Bremner, Joshua Clover & Juliana Spahr, Heather Davis, Sara Dean, Elizabeth Ellsworth & Jamie Kruse (smudge studio), Irmgard Emmelhainz, Anselm Franke, Peter Galison, Fabien Giraud, & Ida Soulard, Laurent Gutierrez & Valerie Portefaix (MAP Office), Terike Haapoja & Laura Gustafsson, Laura Hall, Ilana Halperin, Donna Haraway & Martha Kenney, Ho Tzu Nyen, Bruno Latour, Jeffrey Malecki, Mary Mattingly, Mixrice (Cho Jieun & Yang Chulmo), Natasha Myers, Jean-Luc Nancy & John Paul Ricco, Vincent Normand, Richard Pell & Emily Kutil, Tomas Saraceno, Sasha Engelmann & Bronislaw Szerszynski, Ada Smailbegovic, Karolina Sobocka, Richard Streitmatter-Tran & Vi Le, Anna-Sophie Springer, Sylvere Lotringer, Peter Sloterdijk, Zoe Todd, Etienne Turpin, Pinar Yoldas, and Una Chaudhuri, Fritz Ertl, Oliver Kellhammer & Marina Zurkow. Film Genre Reader IV - Barry Keith Grant
2012-12-01

From reviews of the third edition: "Film Genre Reader III lives up to the high expectations set by its predecessors, providing an accessible and relatively comprehensive look at genre studies. The anthology's consideration of the advantages and challenges of genre studies, as well as its inclusion of various film genres and methodological approaches, presents a pedagogically useful overview." —Scope Since 1986, *Film Genre Reader* has been the standard reference and classroom text for the study of genre in film, with more than 25,000 copies sold. Barry Keith Grant has again revised and updated the book to reflect the most recent developments in genre study. This fourth edition adds new essays on genre definition and cycles, action movies, science fiction, and heritage films, along with a comprehensive and updated bibliography. The volume includes more than thirty essays by some of film's most distinguished critics and scholars of popular cinema, including Charles Ramírez Berg, John G. Cawelti, Celestino Deleyto, David Desser, Thomas Elsaesser, Steve Neale, Thomas Schatz, Paul Schrader, Vivian Sobchack, Janet Staiger, Linda Williams, and Robin Wood.

Unprotected with the Mob Boss (Aleksiev Bratva) - Nicole Fox 2020-05-27

My enemy's daughter. My unprotected bride. Allison thinks that this is a fair world, that justice exists. I'm here to show her there is no such thing as innocence. In my world, it's might makes right. Kill or be killed. And I've caused my fair share of bloodshed. But when I discover her with an innocent man's blood on her hands, we both know that there's only one way out of this mess: On her knees before me. So I give her an

offer she cannot refuse. Become my wife. Carry my baby. Or prepare to suffer the consequences. A police chief's daughter makes a terrible mistake—and finds herself at the mercy of a ruthless Bratva mob boss, in this standalone, bad boy mafia romance from bestselling author Nicole Fox. Can Lev twist Allison to the breaking point? Or will his fake wife end up on top? Find out in *UNPROTECTED WITH THE MOB BOSS*.

Transpositions - Rosi Braidotti 2006-03-27
"This book offers an account of ethical and political subjectivity in contemporary culture. It makes a case for a non-unitary or nomadic conception of the subject, in opposition to the claims of ideologies such as conservatism, liberal individualism and techno-capitalism. Braidotti takes a stand against moral universalism, while offering a vigorous defence of nomadic ethics against the charges of relativism and nihilism. She calls for a new form of ethical accountability that takes "Life" as the subject, not the object, of enquiry. The nomadic ethical subject negotiates successfully the complex tension between the multiplicity of political forces on the one hand and the sustained commitment to emancipatory politics on the other."

The Alien King's Pet - Loki Renard 2021-01-10
She's a fast food worker from New York. He's an alien king looking for a new pet. It's a match made in, oh no. At first, being abducted on her way to work seems like a lucky break to Katie. Swept off her feet, and then off the planet by a muscular winged king who wants to pamper, protect, and procreate with her, she's the luckiest girl in the universe. But the king's love comes with, well not strings. More like chains. And collars. And leashes. And expectations of obedience, and submission. And...Well. Anyway. Beats working for tips, right? Step into the world of Alien Kings! These dominant, possessive, powerful aliens claim their human mates as is their royal right. Spanning many galaxies and species, each Alien King has a distinct set of desires which can only be sated by his fated human mate, a woman who will be captured, claimed, and thoroughly broken to his will if necessary. Royal Aliens is a series of alpha aliens, feisty heroines, smexy scenes, and standalone stories.

The Alien's Pet - Loki Renard 2016-08-31

When an injured stranger breaks into her small-

town veterinary clinic late at night and demands that she assist in treating his wounds, Serena Spiers knows right away that something is amiss. Though he is undoubtedly handsome, the intruder's oddly colored eyes and extraordinary height leave no doubt in her mind that he is not of this world. Seeking to escape her predicament, she treats his wounds and then does her best to discretely sedate him, but a tranquilizer shot proves far less effective than she had hoped. Her captor is none too pleased by her attempt at subterfuge, and before she knows it Serena is blushing crimson as she is held firmly across his muscular thighs, completely naked, while her bare bottom is soundly spanked. Serena's ordeal is just beginning, however. It turns out that her alien visitor is a high-ranking commander among his people, and when he realizes that the discovery of her encounter with him could put Serena in grave danger, he takes it upon himself to ensure her safety by bringing her along as he leaves Earth behind. But his people have very specific rules about transporting primitive species aboard their ships, and she will not be treated as his guest or even as his prisoner, but as his pet. She will be expected to submit to him completely, and any defiance will earn her a painful, humiliating punishment. Yet despite her fury at the indignity of it all, Serena cannot help reacting with shameful, helpless arousal as she is stripped bare, thoroughly examined, and then claimed in any way her new master pleases, sometimes in full view of the ship's crew. Can she learn to yield to the pleasure that results from his conquest of her body, or will she spend the entire voyage with her bottom sore both inside and out? Publisher's Note: *The Alien's Pet* is an erotic romance novel that contains spankings, sexual scenes, pet play, medical play, elements of BDSM, and more. Twelve Years a Slave - Solomon Northup

2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Beyond the Light Barrier - Elizabeth Klarer

2009-06-06

Beyond the Light Barrier is the autobiographical story of Elizabeth Klarer, a South African woman and Akon, an astrophysicist from Meton, a planet of Proxima Centuri that, at a distance of about 4.3 light years, is our nearest stellar neighbor. Elizabeth was taken in his spaceship to Meton, where she lived with him and his family for four months and where she bore his child. Her life on Meton is fascinatingly described. Akon brought Elizabeth back to Earth after the birth of their son, and continued to visit her thereafter. Akon explained how his spaceship's light-propulsion technology operated, and how it allowed him and his people to travel across vast interstellar distances. This technology is explained in detail in the book. Elizabeth was given a standing ovation at the 11th International Congress of UFO Research Groups at Weisbaden in 1975, and her speech as guest of honor was applauded by scientists of twenty-two nations. French Ecocriticism - Daniel Finch-Race 2017

This book expounds fruitful ways of analysing matters of ecology, environments, nature, and the non-human world in a broad spectrum of material in French. Scholars from Canada, France, Great Britain, Spain, and the United States examine the work of writers and thinkers including Michel de Montaigne, Victor Hugo, Émile Zola, Arthur Rimbaud, Marguerite Yourcenar, Gilbert Simondon, Michel Serres, Michel Houellebecq, and Éric Chevillard. The diverse approaches in the volume signal a common desire to bring together form and content, politics and aesthetics, theory and practice, under the aegis of the environmental humanities.

The Beast King - Loki Renard 2021-02-19

A dark standalone royal alien romance! He's a beast of a king. She's a shy wallflower. When Elizabeth is caught sneaking around his royal vessel, King Konan decides she is a spy, and must be broken. His conquest will be carnal, and absolutely complete. He will leave no part of his prisoner untouched. No imagined sin unpaid for. He will not be kind. He will not be gentle. And he will not fall in love. (Unless he can't help it.)

The Barbarian's Pet - Loki Renard 2016-08-31

Captured, stripped bare, and brought before the barbarian king whose men she had the audacity to resist, eighteen-year-old Sariah can only assume she will be made his slave. But her conqueror has other plans for his beautiful, spirited captive, and Sariah will be much more than an ordinary slave. She will be his pet, trained to come when he calls, heed his every command, and please him in any way he demands. Sariah does her best to remain proud and defiant, but the handsome, dominant warrior proves quite adept at teaching his pet obedience by means of his firm hand applied to her bare bottom. When she persists in her rebelliousness, Sariah quickly discovers that a mere spanking is far from the most humiliating punishment a naughty pet can face, and before long she has been fitted with a tail and put on display for the king and his men. To her surprise, however, in spite of her circumstances Sariah soon finds herself craving her new master's touch, and when he claims her fully his

skillful lovemaking brings her pleasure beyond anything she has felt before. But can she ever hope to find lasting happiness in the arms of the man who has made her his pet? Publisher's Note: *The Barbarian's Pet* is an erotic romance novel that contains spankings, sexual scenes, pony play, anal play, exhibitionism, elements of BDSM, and more. His Broken Human - Loki Renard 2021-10-08

A royal alien tyrant has captured me. He plans to make me pay for the sins of my species. Humans must obey their korabi overlords, but my family crossed this cruel alien king. Krush believes I am a stupid, broken human good only for receiving his wrath. He thinks my pain will absolve his. He is wrong. I am smarter than he imagines. I am stronger than he expects. And punishing the innocent is not the same as bringing the guilty to justice, even when you believe one human is the same as any other. Soon there will be questions we both must answer. Could his hatred turn to love? Would I ever forgive him if it did?

We little ones - L. H. Apauque 1883

Earth Girl - Janet Edwards 2013-03-05

A sensational YA science fiction debut from an exciting new British author! Just because she's confined to the planet, doesn't mean she can't reach for the stars. 2788. Only the handicapped live on Earth. Eighteen-year-old Jarra is among the one in a thousand people born with an immune system that cannot survive on other planets. Sent to Earth at birth to save her life, she has been abandoned by her parents. She can't travel to other worlds, but she can watch their vids, and she knows all the jokes they make. She's an "ape," a "throwback," but this is one ape girl who won't give in. Jarra makes up a fake military background for herself and joins a class of norms who are on Earth for a year of practical history studies excavating the dangerous ruins of the old cities. She wants to see their faces when they find out they've been fooled into thinking an ape girl was a norm. She isn't expecting to make friends with the enemy, to risk her life to save norms, or to fall in love. From the Hardcover edition.

Literature and sustainability - Adeline Johns-Putra 2017-08-16

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. How might literary scholarship engage with the sustainability debate? Aimed at research scholars and advanced students in literary and environmental studies, this collection brings together twelve essays by

leading and up-coming scholars on the theme of literature and sustainability. In today's sociopolitical world, sustainability has become a ubiquitous term, yet one potentially driven to near meaninglessness by the extent of its usage. While much has been written on sustainability in various domains, this volume sets out to foreground the contributions literary scholarship might make to notions of sustainability, both as an idea with a particular history and as an attempt to reconceptualise the way we live.

Essays in this volume take a range of approaches, using the tools of literary analysis to interrogate sustainability's various paradoxes and to examine how literature in its various forms might envisage notions of sustainability.

Avery's levels get harder by the second. Meet the sexiest man at a slave auction: Check. Marry said sexy man, who's also the Elf King: Check. Fake seduce a madman to save a bunch of people: Check. Wear a crown that won't come off her head: Double check. Realizing you're not stuck in a video game and you are in love with the Elf King: Say what?

Her Brutal Alien - Loki Renard 2021-11-05

A brutal beast of an alien monster burst into my kitchen, killed my husband, and abducted me.

Now I find myself captive on a distant planet, caught up in royal alien intrigue, a political prisoner for reasons I cannot begin to understand. My alien captor's name is Tusk. He says hates humans. He pretends not to want me. But whenever I am near him, every part of his massive body tells me otherwise... He is my brutal alien. I am his human captive. This is our story.

The Handbook of Historical Linguistics, Volume II - Richard D. Janda 2020-09-15

An entirely new follow-up volume providing a detailed account of numerous additional issues, methods, and results that characterize current work in historical linguistics. This brand-new, second volume of *The Handbook of Historical Linguistics* is a complement to the well-established first volume first published in 2003. It includes extended content allowing uniquely comprehensive coverage of the study of language(s) over time. Though it adds fresh perspectives on several topics previously treated in the first volume, this Handbook focuses on extensions of diachronic linguistics beyond those key issues. This Handbook provides readers with studies of language change whose perspectives range from comparisons of large open vs. small closed corpora, via creolistics and linguistic contact in general, to obsolescence and endangerment of languages. Written by leading scholars in their respective fields, new chapters are offered on matters such as the origin of language, evidence from language for reconstructing human prehistory, invocations of language present in studies of language past, benefits of linguistic fieldwork for historical investigation, ways in which not only biological evolution but also field biology can serve as heuristics for research into the rise and spread of linguistic innovations, and more. Moreover, it offers novel and broadened content complementing the earlier volume so as to provide the fullest available overview of a wholly engrossing field includes 23 all-new contributed chapters, treating some familiar themes from fresh perspectives but mostly covering entirely new topics features expanded discussion of material from language families other than Indo-European provides a multiplicity of views from numerous specialists in linguistic diachrony. The Handbook of Historical Linguistics, Volume II is

an ideal book for undergraduate and graduate students in linguistics, researchers and professional linguists, as well as all those interested in the history of particular languages and the history of language more generally.

The Birthday of the World - Ursula K. Le Guin

2009-10-13

For more than four decades, Ursula K. Le Guin has enthralled readers with her imagination, clarity, and moral vision. The recipient of numerous literary prizes, including the National Book Award, the Kafka Award, and five Hugo and five Nebula Awards, this renowned writer has, in each story and novel, created a provocative, ever-evolving universe filled with diverse worlds and rich characters reminiscent of our earthly selves. Now, in *The Birthday of the World*, this gifted artist returns to these worlds in eight brilliant short works, including a never-before-published novella, each of which probes the essence of humanity. Here are stories that explore complex social interactions and troublesome issues of gender and sex; that define and defy notions of personal relationships and of society itself; that examine loyalty, survival, and introversion; that bring to light the vicissitudes of slavery and the meaning of transformation, religion, and history. The first six tales in this spectacular volume are set in the author's signature world of the Ekumen, "my pseudo-coherent universe with holes in the elbows," as Le Guin describes it -- a world made familiar in her award-winning novel *The Left Hand of Darkness*. The seventh, title story was hailed by *Publishers Weekly* as "remarkable . . . a standout." The final offering in the collection, *Paradises Lost*, is a mesmerizing novella of space exploration and the pursuit of happiness. In her foreword, Ursula K. Le Guin writes, "to create difference-to establish strangeness-then to let the fiery arc of human emotion leap and close the gap: this acrobatics of the imagination fascinates and satisfies me as no other." In *The Birthday of the World*, this gifted literary acrobat exhibits a dazzling array of skills that will fascinate and satisfy us all.

Guide to Home Language Repair - Dennis E. Baron 1994-01-01

This book examines Americans' obsession with grammar and usage, and how the flexibility and fluidity of the English language affect notions about what is and is not "correct" English. Confronting the popular image of the English teacher as a card-carrying member of the language police, the book takes a critical look at past and present attempts to play off the linguistic fears of Americans (i.e., modern usage guides). Issues such as whether the English language is dying, double standards and plagiarism, political correctness and language taboos, and the relevance of spelling bees in this age of spell checkers, are examined. The book also presents the "five best words of the 80s," the most important words of 1990, the best words of 1991, and new words for 1992. (NKA)
