**House of Darkness House of Light** - Andrea Perron 2014-08-11

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

He trusts her, but therein lies the danger. Emily has a secret, the very thing that brought her to him in the first place, and that secret could destroy them both. This is book ONE of FOUR in Shane and Emily's story. Excerpt from *Hard Rules* (Dirty Money book #1) His hand curls around mine and he drags it to his knee, and the way he's looking at me, like the rest of the room, no, the rest of the world, doesn't exist, steals my breath. I haven't allowed anyone to really look at me in a very long time. "Emily," he says, doing whatever he does to turn my name into a sin that seduces rather than destroys me. "Shane," I manage, but just barely. "Did you say yes to dinner because you didn't want to be alone?" I am not sure where he is going with this, if it's about reading me or if he needs validation that I am here for him, so I give him both. "I like being alone," I say, and on some level, it really is true. "I said yes to dinner because you are the one who asked." My lips curve. "Actually you barely asked. You mostly ordered." "I couldn't let you say no." "I'm actually really glad you didn't." "And yet you say you like being alone?" "It's simple and without complication." "Spoken like someone who's lived the opposite side of the coin." "Haven't we all?" "Who burned you, Emily?" I blanch but recover with a quick, "Who says anyone burned me?" "I see it in your eyes." "Back to my eyes," I say. "Yes. Back to your eyes." "Stop looking." "I can't." Those two words sizzle, matching the heat in his eyes, and my throat goes dry. "Then stop asking so many questions." He reaches up, brushing hair behind my ear, his fingers grazing my cheek, and suddenly he is closer, his breath a tease on my cheek, his fingers settling on my jaw. "What if I want to know more about you?" "What if I don't want to talk?" "Are you suggesting I shut up and kiss you?" Yes, I think. Please. But instead I say, "I don't know. I haven't interviewed you as you have me. I know nothing about you. I want to know if you—" He leans in, and then his lips are on mine, a caress, a tease, that is there and gone, and yet I am rocked to the core, a wave of warmth sliding down my neck and over my breasts. He lingers, his breath fanning my lips, promising another touch I both need and want, as he asks, "You want to know if I what?" Everything. "Nothing."

**When I Say Yes** - Lisa Renee Jones 2022-01-25

I believe that there is one person in this world that can both break us and make us whole. One person who can love us more than life can hurt us. With this comes deep, intense passion, and a burning connection. But in turn, that person can destroy us, cut us, make us bleed in ways no other ever could. They have power over us. For me, that one person is Dash Black. He walked into my life in a rush of sunshine, in the darkness of heartache and uncertainty. We were broken apart, and whole together. He healed me. I

believed I did the same for him. Until the past became the present, and every moment of suffering in his life consumed him. Instead of seeking refuge in me, he pushed me away. As the famous quote from an unknown author says, "If you love something, set it free. If it comes back, it's yours; if it doesn't, it never was." I've set Dash Black free. Now, I wait. When I Say Yes is the third and final book in the Necklace Trilogy.
