Compact Advanced Student's Book without Answers with CD-ROM - Peter May 2014-09-18

A focused, 50-60 hour course for the revised Cambridge English: Advanced (CAE) exam from 2015. The Student's Book without answers provides C1-level students with thorough preparation and practice needed for exam success. All four of the revised exam papers are covered. 'Quick steps' and Writing and Speaking guides explain what to expect in the exam, and provide strategies on approaching each paper, model answers, useful expressions and further practice. The accompanying CD-ROM provides interactive language and skills practice. There are two complete practice tests for teachers to access online. Audio required for the Student's Book listening exercises is available on Class Audio CDs or in the Student's Book Pack, both available separately.

The Silver Moon - Bryce Courtenay 2014

Each of us has a place to return to in our minds, a place of clarity and

peace, a place to think, to create, to dream. For Bryce Courtenay this place was a waterhole in Africa where he used to escape to as a boy, in search of solitude. One evening, while lingering there, he witnessed the tallest of the great beasts drinking from the waterhole in the moonlight, and was spellbound. Ever since, he drew inspiration from this moment. The Silver Moon gathers together some of the most personal and sustaining life-lessons from Australia's favourite storyteller. In short stories and insights, many written in his final months, Bryce reflects on living and dying, and how through determination, respect for others and taking pleasure in small moments of joy, he lived life to the fullest. From practical advice on how to write a bestseller to general inspiration on how to realise your dreams, The Silver Moon celebrates Bryce Courtenay's lifelong passion for storytelling, language and the creative process, and brings us closer to the man behind the bestsellers.
