White Noise - David A. Carter 2010

"White Noise," which is a laptop sculpture garden, a romp through cubism and futurism, and a lesson in early--20th-century modernist formalism. Each spread, designed to make crackly, crinkly, creaky, tinkling or snapping noises as the pages are turned, evokes children's construction-paper cutouts. As sophisticated as the mechanics are, the primary colors and seemingly random tangles of "bits and pieces," as one page describes them, combine in such imperfect forms that they give the illusion that anyone could make this book"--Web site

Things I Like - Anthony Browne 2009

"Browne brings a fresh perspective and his own witty visual imagination even to such simple-seeming books as these small catalogs of enthusiasms. Mass-market appeal combined with excellent quality."--Kirkus
