girl is discovered hiding in a secret room in the aftermath of a terrible crime. Half-starved and filthy, she won't tell anyone her name, or her age, or where she came from. Maybe she is twelve, maybe fifteen. She doesn't appear in any missing persons file, and her DNA can't be matched to an identity. Six years later, still unidentified, she is living in a secure children's home with a new name, Evie Cormac. When she initiates a court case demanding the right to be released as an adult, forensic psychologist Cyrus Haven must determine if Evie is ready to go free. But she is unlike anyone he's ever met—fascinating and dangerous in equal measure. Meanwhile, Cyrus is called in to investigate the shocking murder of a high school figure-skating champion, Jodie Sheehan, who died on a lonely footpath close to her home. Pretty and popular, Jodie is portrayed by everyone as the ultimate girl-next-door, but as Cyrus peels back the layers, a secret life emerges—one that Evie Cormac, the girl with no past, knows something about. A man haunted by his own tragic history, Cyrus is caught between the two cases—one girl who needs saving and another who needs justice. What price will he pay for the truth? Emotionally explosive and swiftly paced, this is an "impeccable thriller with a plot that encompasses murder, incest, drugs, abuse, torture, sex—you name it, this book has it" (New York Journal of Books).

Before: With graduation on the horizon, budding writer Claudine Henry is focused on three things: college in the fall, become a famous author, and the ever-elusive possibility of sex. She doesn't even need to be in love—sex is all she's looking for. Then her dad drops a bombshell: he and Claude's mom are splitting up. Suddenly, Claude's entire world feels like a lie, and the ground under her feet anything but stable. After: Claude's mom whisks them both away to a remote, mosquito-infested island off the coast of Georgia, a place where the two of them can start the painful process of mending their broken hearts. It's the last place Claude can imagine finding her footing, but then Jeremiah Crew happens. Miah is a local trail guide with a passion for photography, and a past he doesn't like to talk about. In this "heart-clutching psychological thriller" (People) from an author who Stephen King calls "an absolute master," a young female police officer faces danger on all fronts—from a clever victim of abuse, skeptical colleagues on the force, and even her own father. Philomena McCarthy is an ambitious police officer with the elite Metropolitan Police in London. The estranged daughter of a notorious and powerful mobster, she has defied the odds to follow her dream. On a routine patrol, Philomena responds to a domestic violence call and rescues a bloodied young woman, Tempe Brown, who is the mistress of a decorated and intimidating London detective, Darren Goodall. The incident is hushed up by the police to protect Goodall's reputation, but Philomena has now made a dangerous enemy who is afraid of no one. Philomena and Tempe strike up a tentative friendship, determined to protect each other from Goodall, but something isn't quite right about the stories Tempe tells and the secrets she keeps. Yet the young officer is drawn into Tempe's world, unsure of what is real or invented. After a bungled break-in and an unsolved murder, Philomena finds herself trapped—with her career, her impending wedding, and her very survival in doubt. Robotham's brilliant ability to render complex characters, both good and bad, keeps readers sympathetic, yet unsure of whom to trust, "maintain[ing] an air of excruciating suspense" (The Washington Post)—until the very last page.
