**Good and Cheap** - Leanne Brown 2015-07-14  
A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like

spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Be Revived - Katie Souza 2020-03-03

You don't have to grow old. You can live forever. This book will help you walk in God's promises of long-lasting health. The Bible is full of promises related to believers having supernatural youth restored even in their advanced years. Yet few are actually walking in those promises. Instead, a huge percentage of Christians are suffering from some sort of pain,

disease, or disorder and are physically and mentally exhausted. Plus, many depend on cosmetic procedures and surgeries to recapture their youthful look. But what if it were possible to tap into the youth-restoring promises the Bible says are ours? What if these revelations would enable us to run faster, serve stronger, and last longer? What if we could look better than we have in decades without cosmetic surgery and costly procedures? Katie Souza has found secrets in the Bible that show how we can see these manifestations in every part of our bodies. In this explosive study she gives readers the keys that will enable them to tap into the fountain of youth God promised His people.

**FEATURES AND BENEFITS:** Gives readers tools to prepare themselves to physically keep up with the new wine of revival God is going to pour out upon the earth Shows readers how to guard themselves against spiritual attacks on their physical well-being and experience supernatural healing and rejuvenation Includes questions at

Everything Happens for a Reason - Kate Bowler  
2018-02-06

NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath Becomes Air* and Atul Gawande’s *Being Mortal*.”—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to

point toward “blessing.” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious

retinue of friends, mega-church preachers, relatives, and doctors. Everything Happens for a Reason tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for Everything Happens for a Reason “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of Love Warrior and president of Together Rising [God's Prescription for Divine Health](#) - Gloria Copeland 1995-06-01

There is a medicine so powerful it can cure every sickness and disease known to man. It has no dangerous side effects. It's even safe in massive doses. Sound too good to be true? It s Not! Gloria proves by the Word of God and confirms by personal experience that such a supernatural medicine exists. Even more

important, she shows how you can get it anytime, anywhere you don't even have to call your doctor or drive to the pharmacy. If you've received healing by the laying on of hands, following this prescription will help you maintain your healing. If you've believed for healing, but are experiencing lingering symptoms, it will help you stand strong until you are completely symptom-free. And if you're healthy now, it will help you stay that way not just for a short time, but for the rest of your life. Discover God's Prescription for Divine Health today...it's powerful medicine!

### **Global Pentecostal and Charismatic Healing**

- Candy Gunther Brown 2011-02-24

Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of

the world's two billion Christians and is growing rapidly. This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing. Contrary to popular stereotypes of flamboyant, fraudulent, anti-medical "faith healing" televangelists who preach a materialistic, "health and wealth" gospel, handle serpents, or sensationally "exorcize" demons, this book offers a more nuanced portrait. The collected essays illumine local variations, hybridities, and tensions in practices on six continents, and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources. This is the first book of its kind. Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation. This volume's distinguished, international team of contributors

includes sociologists, anthropologists, historians, political scientists, theologians, and religious studies scholars from North America, Europe, and Africa. Read together, these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today-globalization, pentecostalism, and healing-each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways.
