A man who seems to be more than human... Zaron is on Earth to facilitate the Krinar invasion—and to forget the terrible tragedy that ripped apart his life. Yet when he finds the broken body of a human girl, everything changes. For the first time in years, he feels something more than rage and grief, and Emily is the reason for that. Letting her go would compromise his mission, but keeping her could destroy him all over again. NOTE: This is a full-length, standalone romance that takes place approximately five years before *The Krinar Chronicles* trilogy (aka Mia & Korum's story). You do not have to have read that trilogy to enjoy this book.
