Why I Love the Apostle Paul - John Piper 2019-01-17

"Besides Jesus, no one has kept me from despair, or taken me deeper into the mysteries of the gospel, than the apostle Paul." —John Piper No one has had a greater impact on the world for eternal good than the apostle Paul—except Jesus himself. For John Piper, this impact is very personal. He does not just admire and trust Paul. He loves him. Piper gives us thirty glimpses into why his heart and mind respond this way. Can a Christian-killer really endure 195 lashes from a heart of love? Can a mystic who thinks he was caught up into heaven be a model of lucid rationality? Can an ethnocentric Jew write the most beautiful call to reconciliation? Can a person who lives with the unceasing anguish of empathy be always rejoicing? Can a man's description of the horrors of human sin be exceeded by his delight in human splendor? Can a man with a backbone of steel be as tender as a nursing mother? If we know this man—if we see what Piper sees—we too will love him. Paul's testimony is a matter of life and death. Piper invites you into his relationship with Paul in the hope that you will know life, forever.

Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible, ' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." -- Kirkus Reviews

The David Story: A Translation with Commentary of 1 and 2 Samuel - Robert Alter 2009-10-21

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.
