The Twenty Days of Turin: A Novel - Giorgio De Maria 2017-02-07

Named one of NPR's Best Books of 2017 Written during the height of the 1970s Italian domestic terror, a cult novel, with distinct echoes of Lovecraft and Borges, makes its English-language debut. In the spare wing of a church-run sanatorium, some zealous youths create "the Library," a space where lonely citizens can read one another's personal diaries and connect with like-minded souls in "dialogues across the ether." But when their scribblings devolve into the ugliest confessions of the macabre, the Library's users learn too late that a malicious force has consumed their privacy and their sanity. As the city of Turin suffers a twenty-day "phenomenon of collective psychosis" culminating in nightly massacres that hundreds of witnesses cannot explain, the Library is shut

down and erased from history. That is, until a lonely salaryman decides to investigate these mysterious events, which the citizenry of Turin fear to mention. Inevitably drawn into the city's occult netherworld, he unearths the stuff of modern nightmares: what's shared can never be unshared. An allegory inspired by the grisly neo-fascist campaigns of its day, *The Twenty Days of Turin* has enjoyed a fervent cult following in Italy for forty years. Now, in a fretful new age of "lone-wolf" terrorism fueled by social media, we can find uncanny resonances in Giorgio De Maria's vision of mass fear: a mute, palpating dread that seeps into every moment of daily existence. With its stunning anticipation of the Internet—and the apocalyptic repercussions of oversharing—this bleak, prescient story is more disturbingly pertinent than ever. Brilliantly translated into English for the first time by Ramon Glazov, *The Twenty Days of Turin* establishes De Maria's place among the literary ranks of Italo Calvino and beside classic horror

masters such as Edgar Allan Poe and H. P. Lovecraft. Hauntingly imaginative, with visceral prose that chills to the marrow, the novel is an eerily clairvoyant magnum opus, long overdue but ever timely.

2018-07-04T12:24:00+02:00

"Mix inebriante di siti indimenticabili, maestose opere d'arte e strade palpitanti di vita, la Città Eterna è una delle capitali più suggestive e stimolanti del mondo" (Duncan Garwood, Autore Lonely Planet). Poche città al mondo possono vantare il patrimonio artistico di Roma. Nel corso dei secoli la città ha svolto un ruolo da protagonista nelle vicende dell'arte occidentale, richiamando a sé i più grandi artisti e inducendoli a sfidare i limiti dell'estro creativo. Il risultato è una somma incalcolabile di tesori. Camminando per le vie del centro a ogni passo ci si imbatte in un capolavoro: sculture di Michelangelo, dipinti di Caravaggio, affreschi di Raffaello. E poi girare senza meta, osservare il via vai delle piazze, attardarsi ai tavolini

all'aperto dei caffè sono tutte attività che fanno parte a pieno titolo dell'esperienza romana. I quartieri: Roma antica, centro storico, Tridente, Trevi e il Quirinale, Città del Vaticano, Monti, Esquilino e San Lorenzo, Trastevere e Gianicolo, San Giovanni e Testaccio, Villa Borghese e Roma nord, Roma Sud. Esperienze straordinarie: foto suggestive, i consigli degli autori e la vera essenza dei luoghi. Personalizza il tuo viaggio: gli strumenti e gli itinerari per pianificare il viaggio che preferisci. Scelte d'autore: i luoghi più famosi e quelli meno noti per rendere unico il tuo viaggio. In questa guida: il Foro Romano; gite di un giorno; itinerari a piedi; la cucina romana.
