Classics of Organization Theory - Jay M. Shafritz 1978
This volume collects the most important works in organization theory, as written by the most influential authors in the field. These are the works of the "masters"-and, having withstood the test of time, the ideas presented by each of the works are commonly referenced in the

study of organizational theory. This text is designed to help students learn about, understand, and appreciate key themes and perspectives in the field. The authors begin the text by describing what organization theory is, how it has developed, and how its development has coincided with developments in other fields. Each chapter focuses on

one major perspective of organization theory, helping students absorb these concepts before moving onto new ones.

Organizational Behavior: Required for BUSI 500: Liberty University - Stephen P. Robbins

Essentials of Organizational Behaviour, Global Edition - STEPHEN. JUDGE ROBBINS (TIMOTHY.) 2021-06-02

Essentials of Organizational Behavior - Stephen P. Robbins 2011-06-02

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products

may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students. ORGANIZATIONAL BEHAVIOR. - 2016

Managing Organizational Behavior - John R. Schermerhorn, Jr. 1985-03

Organizational Behavior -

Stephen P. Robbins 2019

Essentials of Organizational Behavior, Student Value Edition - Stephen P. Robbins 2017-01-09

Beyond Bumper Sticker Ethics - Steve Wilkens 2011-08-02

Steve Wilkens exposes the complex ethical systems lurking behind the most common slogans of our culture, offering a Christian evaluation of each. In this revised and expanded edition, the author has updated his introductory remarks about each ethical system and has included new chapters on evolutionary ethics and narrative ethics.

Human Resources Management: Concepts, Methodologies, Tools, and Applications - Management Association, Information Resources 2012-05-31

Human resources management is essential for any workplace environment and is deemed most effective when a strategic focus is in place to ensure that people can facilitate that

achievement of organizational goals. But, effective human resource management also contains an element of risk management for an organization which, as a minimum, ensures legislative compliance. *Human Resources Management: Concepts, Methodologies, Tools, and Applications* compiles the most sought after case studies, architectures, frameworks, methodologies, and research related to human resources management. Including over 100 chapters from professional, this three-volume collection presents an in-depth analysis on the fundamental aspects, tools and technologies, methods and design, applications, managerial impact, social/behavioral perspectives, critical issues, and emerging trends in the field, touching on effective and ineffective management practices when it comes to human resources. This multi-volume work is vital and highly accessible across the hybrid domain of business and management, essential for any

library collection.

Decide and Conquer -

Stephen P. Robbins 2014-10-06
Make better decisions - every day, everywhere! *Decide and Conquer, Second Edition* brings together all the practical skills you need to do just that. This quick, concise book identifies every key obstacle to quality decision-making and shows exactly how to overcome them. You'll discover how your personality impacts your decision-making, why instincts and experience can lead you astray, how to simplify complex decisions without oversimplifying them and much more. Renowned management author Dr. Stephen P. Robbins translates cutting-edge research findings about human behavior and decision-making into language anyone can understand - and act upon. In this Second Edition, he provides many new and updated examples, updated research, and new coverage, including these crucial new topics: Are you a Maximizer or a Satisficer - and what it means for your

decision-making Overcoming the familiarity bias, adaptation bias, and fear-of-loss bias How to stop throwing good money after bad Knowing when doing nothing is your best option Accounting for gendered decision-making styles Decide and Conquer, Second Edition covers everything from goal-setting and risk-taking to overconfidence to procrastination, and offers indispensable insights for overcoming the multiple biases that are built into all human decision-makers. You'll use Robbins' powerful techniques to improve every decision you make - about your relationships, career, finances, everything!

A comprehensive book with extensive accompanying online resources makes this a must-have package for anyone wanting to understand the theory and practice of organisational behaviour. Practitioner case studies, supporting video interviews where solutions and approaches are discussed, review questions at the end of every chapter make this an essential resource. Covering organisational behaviour in the context of individuals, groups and teams and managing organisations as well as the importance of organisational structures and emerging

issues, Introduction to Organisational Behaviour gives understanding and guidance on the full spectrum of organisational behaviour issues. Supported by extensive online resources including video interviews, clips of key skills lecture slides, additional tutorial activities and a test bank of multiple choice questions make this a truly integrated print and electronic learning package.

Organizational Behavior, Student Value Edition -

Stephen P. Robbins 2018-01-04

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Student Value Editions that include MyLab(tm) or Mastering(tm), several versions may exist for each title -- including customized versions

for individual schools -- and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For undergraduate and graduate courses in organizational behavior. Help students apply OB concepts The world's most successful Organizational Behavior textbook provides the research you want, in the language your students understand. This text makes current, relevant research come alive for readers. The 18th Edition reflects the most recent research and business events within the field of organizational behavior, while maintaining its hallmark features -- a clear writing style, cutting-edge content, and intuitive pedagogy. There's a reason why Robbins's textbooks have educated millions of students and have been translated into 20 languages -- and it's because of a commitment to provide engaging, cutting-edge material that helps students

understand and connect with organizational behavior. Also available with MyLab Management By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. NOTE: You are purchasing a standalone product; MyLab(tm) Management does not come packaged with this content. Students, if interested in purchasing this title with MyLab Management, ask your instructor to confirm the correct package ISBN and Course ID. Joy at Work - Dennis W. Bakke
2010-08-03

Imagine a company where people love coming to work and are highly productive on a daily basis. Imagine a company whose top executives, in a quest to create the most "fun" workplace ever, obliterate labor-management divisions and push decision-making responsibility down to the plant floor. Could such a company compete in today's bottom-line corporate world? Could it even turn a profit? Well, imagine no more. In Joy at Work, Dennis W. Bakke tells the true story of this extraordinary company-- and how, as its co-founder and longtime CEO, he challenged the business establishment with revolutionary ideas that

could remake America's organizations. It is the story of AES, whose business model and operating ethos -"let's have fun"-were conceived during a 90-minute car ride from Annapolis, Maryland, to Washington, D.C. In the next two decades, it became a worldwide energy giant with 40,000 employees in 31 countries and revenues of \$8.6 billion. It's a remarkable tale told by a remarkable man: Bakke, a farm boy who was shaped by his religious faith, his years at Harvard Business School, and his experience working for the Federal Energy Administration. He rejects workplace drudgery as a noxious remnant of the Industrial Revolution. He believes work should be fun, and at AES he set out to prove it could be. Bakke sought not the empty "fun" of the Friday beer blast but the joy of a workplace where every person, from custodian to CEO, has the power to use his or her God-given talents free of needless corporate bureaucracy. In *Joy at Work*, Bakke tells how he

helped create a company where every decision made at the top was lamented as a lost chance to delegate responsibility--and where all employees were encouraged to take the "game-winning shot," even when it wasn't a slam-dunk. Perhaps Bakke's most radical stand was his struggle to break the stranglehold of "creating shareholder value" on the corporate mind-set and replace it with more timeless values: integrity, fairness, social responsibility, and a sense of fun.

Organizational Behavior - Stephen P. Robbins 2009
Robbins/Judge provide the research you want in the language your students understand; accompanied with the best selling self-assessment software, SAL. Some topics include management functions; the social sciences; helping employees balance work and other responsibilities; improving people skills; improving customer service; motivational concepts; communication; power and politics; conflict and

Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Critical Analysis of

Organizations - Catherine Casey 2002-03-28

In this comprehensive and scholarly book, the essential critical strands in organizational analysis are explained. It examines how central traditions have realigned in relation to the challenge of postmodernism and the new reflexive turn in organizational studies. Judicious, innovative and written with the needs of students in mind, this book offers a renewed and revitalized critical accent in organization studies - one that focuses on existing and emerging social tendencies, contestations and struggles. It will be essential reading for senior students of organization studies and sociology.

The Truth About Managing People - Stephen P. Robbins 2012-10-09

In the Third Edition of the bestselling book, *The Truth About Managing People*, bestselling author Stephen Robbins shares even more proven principles for handling virtually every management

challenge. Robbins delivers 61 real solutions for the make-or-break problems faced by every manager. Readers will learn how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve your hiring and employee evaluations; how to heal "layoff survivor sickness"; how to manage a diverse culture; and ways to lead effectively in a digital world. New truths include: how to nurture friendly employees, forget about age stereotypes, first impressions count, be a good citizen, techniques for managing a diverse age group, and ethical leadership among others.

Fundamentals of Management, Eighth Canadian Edition - Stephen P. Robbins 2016-01-01
"Management Is for Everyone"
The world of business affects our lives every day, and "management" will affect the lives of all of us who work for a living. Fundamentals of Management, Eighth Canadian Edition delivers a text, supplemental materials, and online learning package that will engage students in a

positive and direct manner as they build their fundamental knowledge of business in general and management in particular. In addition to viewing the material from the student perspective, our authors strove to facilitate the instructor's use and application of the rich subject material and resources to provide a dynamic, interactive, and enjoyable classroom experience. Note: You are purchasing a standalone product; MyManagementLab does not come packaged with this content. Students, if interested in purchasing this title with MyManagementLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyManagementLab, search for: 0134283597 / 9780134283593 Fundamentals of Management, Eighth Canadian Edition Plus MyManagementLab with Pearson eText -- Access Card

Package, 8/e Package consists of: 0133856747 / 9780133856743 Fundamentals of Management, Eighth Canadian Edition 0134270517 / 9780134270517 MyManagementLab with Pearson eText -- Valuepack Access Card -- for Fundamentals of Management, Eighth Canadian Edition I Moved Your Cheese - Deepak Malhotra 2013-09-02 The author of Negotiating the Impossible “tackles our assumptions about business and life with humor, zest, and wisdom in this delightful fable” (Daniel H. Pink, New York Times-bestselling author). If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? In a world where most mice dutifully accept their circumstances, ask no questions, and keep chasing the cheese, Deepak Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. I Moved Your Cheese reveals what is possible when

we finally discard long-held and widely accepted assumptions about how we should live our lives. After all, achieving extraordinary success, personal or professional, has always depended on the ability to challenge assumptions, reshape the environment, and play by a different set of rules—our own. But rejecting deeply ingrained beliefs is not easy. As Zed explains, “You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse.” “Deepak Malhotra allows you to glimpse a world of your own making without the limits and barriers that others create.” —Stephen R. Covey, New York Times- bestselling author of *The 7 Habits of Highly Effective People* “A magnificent story with a powerful message. As someone who has encouraged scores of professionals into breaking through the maze and defining their own pursuits, I find this to be a gem of a book.” —Vinod Khosla, cofounder, former CEO and

Chairman, Sun Microsystems, and founder, Khosla Ventures “This book’s message is both profound and durable. Malhotra has left the maze, and so can we.” —Foreword
Reviews

Organizational Behavior -
Stephen P. Robbins 2018

This brief alternative for the organisational behaviour course covers all the key concepts needed to understand, predict and respond to the behaviour of people in real world organisations, including cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course.

Principles of Management -
Openstax 2022-03-25

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad

business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Contributing Authors David S. Bright, Wright State University Anastasia H. Cortes, Virginia Tech University Eva Hartmann, University of Richmond K. Praveen Parboteeah, University of Wisconsin-Whitewater Jon L. Pierce, University of Minnesota-Duluth Monique Reece Amit Shah, Frostburg State University Siri Terjesen, American University Joseph Weiss, Bentley University Margaret A. White, Oklahoma State University Donald G. Gardner, University of Colorado-Colorado Springs Jason Lambert, Texas Woman's University Laura M. Leduc, James Madison University Joy

Leopold, Webster University Jeffrey Muldoon, Emporia State University James S. O'Rourke, University of Notre Dame Organizational Behavior - Stephen P. Robbins 2013

Fundamentals of Management - Stephen P. Robbins 2001

Whether the topic is understanding e-business, six sigma, workplace violence, knowledge workers, Internet job searches, or visionary leadership, Stephen Robbins and David DeCenzo cover it thoroughly and in a way that truly captures the issues facing managers in the twenty-first century. Its not enough just to know about management you have to possess the skills to match! With Robbins and DeCenzos new edition, youll learn so much about the real world of management, including: *Why Amazon.com is revolutionizing the book-selling industry *How SiloCaf, a coffee bean processing plant, uses sophisticated technologically-based controls to enhance productivity and ensure

consistent quality in its work
*Why companies like London Fog are struggling to survive
*How teams at Hewlett-Packard redesigned a production process, cut waste, controlled costs, and increased productivity
*New techniques that can make a university more efficient and responsive to its students

Management: the Essentials

- Stephen Robbins 2013-08-28
Robbins Management: The Essentials covers the concepts essential to management in the 21st century in a fresh, lively format that's perfectly suited to a typical university semester. The second edition features new and in-depth coverage of sustainability, ethics and corporate social responsibility and new case studies from local and international businesses.

The Dawn of Everything -

David Graeber 2021-11-09
INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are

told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what

kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations

Management, 14th Edition vividly illustrates effective management theories by incorporating the perspectives of real-life managers. Through examples, cases, and hands-on exercises, students will see and experience management in action, helping them understand how the concepts they're learning actually work in today's dynamic business world.

The Essential HR Handbook
- Sharon Armstrong 2008-08-15

Whether you are a newly promoted manager, a seasoned business owner, or a human resources professional, knowing the ins and outs of dealing with HR issues is critical to your success. The Essential HR Handbook is a quick-reference guide that sheds light on the issues that keep managers up at night. It is filled with information, tools, tips, checklists, and road maps to guide managers and HR professionals through the maze of people and legal issues, from recruiting and retaining the best employees to terminating poor performers. With this book, You'll learn how to effectively and efficiently: Individually manage each employee, starting on his or her first day. Manage a multi-generational workforce. Appraise job performance. Coach and counsel. Provide equitable pay, benefits, and total rewards strategies. Identify legal pitfalls and stay out of court. The Essential HR Handbook is the one HR guide every manager needs on his or her desk!
