Consuming Knowledge: Studying Knowledge Use in Leisure and Work Activities - Steven D. Silver 2012-12-06

It is difficult to overstate the importance of personal consumption both to individual consumers and to the economy. While consumers are recognized as valuing market goods and services for the activities they can construct from them in the frameworks of several disciplines, consequences of the characteristics of goods and services they use in these activities have not been well studied. In the discourse to follow, I will contrast knowledge-yielding and conventional goods and services as factors in the construction of activities that consumers engage in when

they are not in the workplace. Consumers will be seen as deciding on non-work activities and the inputs to these activities according to their objectives, and the values and cumulated skills they hold. I will suggest that knowledge content in these activities can be efficient for consumer objectives and also have important externalities through its effect on productivity at work and economic growth. The exposition will seek to elaborate these points and contribute to multi disciplinary dialogue on consumption. It takes as its starting point the contention that consumption is simultaneously an economic and social psychological process and that integration of content can contribute to explanation. *Administration's welfare reform proposal* - United States. The Color Purple - Alice Walker 2011-09-20

Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone

with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker

including rare photos from the author's personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.
