**When the Reckoning Comes** - LaTanya McQueen 2021-08-03

A haunting novel about a black woman who returns to her hometown for a plantation wedding and the horror that ensues as she reconnects with the blood-soaked history of the land and the best friends she left behind. More than a decade ago, Mira fled her small, segregated hometown in the south to forget. With every mile she traveled, she distanced herself from her past: from her best friend Celine, mocked by their town as the only white girl with black friends; from her old neighborhood; from the eerie Woodsman plantation rumored to be haunted by the spirits of slaves; from the terrifying memory of a ghost she saw that terrible day when a dare-gone-wrong almost got Jesse—the boy she secretly loved—arrested for murder. But now Mira is back in Kipsen to attend Celine's wedding at the plantation, which has been transformed into a lush vacation resort. Mira hopes to reconnect with her friends, and especially, Jesse, to finally tell him the truth about her feelings and the events of that devastating long-ago day. But for all its fancy renovations, the Woodsman remains a monument to its oppressive racist history. The bar serves antebellum drinks, entertainment includes horrifying reenactments, and the service staff is nearly all black. Yet the darkest elements of the plantation's past have been carefully erased—rumors that slaves were tortured mercilessly and that ghosts roam the lands, seeking vengeance on the descendants of those who tormented them, which includes most of the wedding guests. As the weekend unfolds, Mira, Jesse, and Celine are forced to acknowledge their history together, and to save themselves from what is to come.

**Long Time Coming** - Michael Eric Dyson 2020-12-01

AN INSTANT NATIONAL BESTSELLER This edition includes illustrations by Everett Dyson From the New York Times bestselling author of *Tears We Cannot Stop*, a passionate call to America to finally reckon with race and start the journey to redemption. "Powerfully illuminating, heart-wrenching, and enlightening." - Ibram X. Kendi, bestselling author of *How to Be an Antiracist* "Crushingly powerful, Long Time Coming is an unfiltered Marlboro of black pain." - Isabel Wilkerson, bestselling author of *Caste* "Formidable, compelling...has much to offer on our nation's crucial need for racial reckoning and the way forward." - Bryan Stevenson, author of *Just Mercy* The night of May 25, 2020 changed America. George Floyd, a 46-year-old Black man, was killed during an arrest in Minneapolis when a white cop suffocated him. The video of that night's events went viral, sparking the largest protests in the nation's history and the sort of social unrest we have not seen since the sixties. While Floyd's death was certainly the catalyst, (heightened by the fact that it occurred during a pandemic whose victims were disproportionately of color) it was in truth the fuse that lit an ever-filling powder keg. Long Time Coming grapples with the cultural and social forces that have shaped our nation in the brutal crucible of race. In five beautifully argued chapters—each addressed to a black martyr from Breonna Taylor to Rev. Clementa Pinckney—Dyson traces the genealogy of anti-blackness from the slave ship to the street corner where Floyd lost his life—and where America gained its will to confront the ugly truth of systemic racism. Ending with a poignant plea for hope, Dyson's exciting new book points the way to social redemption. Long Time Coming is a necessary guide to help America finally reckon with race.

Love and Trouble - Claire Dederer 2017

From the New York Times best-selling author of *Poser: My Life in Twenty-Three Yoga Poses*, a ferocious, sexy, hilarious memoir about going off the rails at midlife and trying to reconcile the girl she was with the woman she has become. From her hilarious chapter titles ("How to Have Sex with Your Husband of Seventeen Years") to her subjects--from the boyfriend she dumped at fourteen the moment she learned how to give herself an orgasm, to the girls who ruled her elite private school ("when I left Oberlin I thought I had done with them forever, but it turned out ...they also edited all the newspapers and magazines, and wrote all the books"), to raising a teenage daughter herself--Dederer writes with an electrifying blend of wry wit and raw honesty. She exposes herself utterly, and in doing so captures something universal about the experience of being a woman, a daughter, a wife.

The Last Slave Ship - Ben Raines 2022-01-25

The incredible true story of the last ship to carry enslaved people to America, the remarkable town its survivors founded after emancipation, and the complicated legacy their descendants carry with them to this day—by the journalist who discovered the ship's remains. Fifty years after the Atlantic slave trade was outlawed, the *Clotilda* became the last ship in history to bring enslaved Africans to the United States. The ship was scuttled and burned on arrival to hide evidence of the crime, allowing the wealthy perpetrators to escape prosecution. Despite numerous efforts to find the sunken wreck, *Clotilda* remained hidden for the next 160 years. But in 2019, journalist Ben Raines made international news when he successfully concluded his obsessive quest through the swamps of Alabama to uncover one of our nation's most important historical artifacts. Traveling from Alabama to the ancient African kingdom of Dahomey in modern-day Benin, Raines recounts the ship's perilous journey, the story of its rediscovery, and its complex legacy. Against all odds, Africatown, the Alabama community founded by the captives of the *Clotilda*, prospered in the Jim Crow South. Zora Neale Hurston visited in 1927 to interview Cudjo Lewis, telling the story of his enslavement in the New York Times bestseller *Barracoon*. And yet the haunting memory of bondage has been passed on through generations. *Clotilda* is a ghost haunting three communities—the descendants of those transported into slavery, the descendants of their fellow Africans who sold them, and the descendants of their American enslavers. This connection binds these groups together to this day. At the turn of the century, descendants of the captain who financed the *Clotilda*'s journey lived nearby—where, as significant players in the local real estate market, they disenfranchised and impoverished residents of Africatown. From these parallel stories emerges a profound depiction of America as it struggles to grapple with the traumatic past of slavery and the ways in which racial oppression continue to this day. And yet, at its heart, *The Last Slave Ship* remains optimistic—an epic tale of one community's triumphs over great adversity and a celebration of the power of human curiosity to uncover the truth about our past and heal its wounds.

NAMED ONE OF THE MOST ANTICIPATED BOOKS OF SUMMER 2018 BY O Magazine, Entertainment Weekly, New York Post, The Millions, Southern Living, POPSUGAR, The Wall Street Journal, Chicago Review of Books Praised by the Washington Post as "Tennessee Williams . . . transposed to the twenty-first-century South," Nick White returns with a stunning short-story collection that tackles issues of masculinity, identity, and place, with a sharp eye for social commentary and a singular handling of character. At first glance, the stories in *Sweet and Low* seem grounded in the everyday: they paint pictures of idyllic Southern landscapes, characters fulfilling their roles as students, wives, boyfriends, sons. In these stories, Nick White deconstructs the core qualities of Southern fiction, exposing deeply flawed and fascinating characters—promiscuous academics, aging podcasters, woodpecker assassins, and lawnmower enthusiasts, among others—all on wildly compelling quests. From finding an elusive bear to locating a prized timepiece to making love on the grave of an iconic writer, each story is a thrilling adventure with unexpected turns. White's honest and provocative prose will jolt readers awake with its urgency.

*Love on the Sweet Side* - Mariah Ankenman 2016-05-11

Maggie Evans is back in Peak Town, Colorado to take over her grandmother's cupcake shop, but problems keep arising. Is it rotten luck...or something more nefarious? To top it off, her former best friend/childhood crush, Colton Denning, won't leave her alone. He's sexier than ever. But Maggie has no time for love. When his best friend comes back into town all grown up, Colton finds his feelings for her go far beyond friendship. Unfortunately, the pretty baker only sees him as the town playboy. He plans to convince her otherwise, but may not get the chance when someone starts threatening Maggie's life. Whether she likes it or not, Colton plans to take her safety into his own hands. How will Maggie keep her shop afloat with a madman after her? More importantly, how will she keep her heart intact when Colton admits her safety isn't the only thing he wants in his hands?
