**Bloodless** - Douglas Preston 2021-08-17

INSTANT #1 NEW YORK TIMES BESTSELLER: Agent Pendergast faces his most unexpected challenge yet when bloodless bodies begin to appear in Savannah, GA. A fabulous heist: On the evening of November 24, 1971, D. B. Cooper hijacked Flight 305—Portland to Seattle—with a fake bomb, collected a ransom of \$200,000, and then parachuted from the rear of the plane, disappearing into the night...and into history. A brutal crime steeped in legend and malevolence: Fifty years later, Agent Pendergast takes on a bizarre and gruesome case: in the ghost-haunted city of Savannah, Georgia, bodies are found with no blood left in their veins—sowing panic and reviving whispered tales of the infamous Savannah Vampire. A case like no other: As the mystery rises along with the body count, Pendergast and his partner, Agent Coldmoon, race to understand how—or if—these murders are connected to the only unsolved skyjacking in American history. Together, they uncover not just the answer...but an unearthly evil beyond all imagining.

**We Are Prisoners** - Oskar Graf 2019-12-07

The autobiography of Oskar Maria Graf, his first major work, was published in 1927. It covers his early youth growing up in the village of Berg by Lake Starnberg, his cruel abuse by his older brother, his escape to Munich, where he worked as a baker, and then to anarchist communes in Switzerland. Graf is drafted into the army, where he reluctantly serves as a horse-groom on the supply trains. He is discharged as mentally unfit, spends a year in an asylum, then returns to Munich, working in a biscuit factory, starting his literary career and making money on the black market. We Are Prisoners paints a fascinating picture of bohemian life in Schwabing, the radical politics of the time, and climaxes with the short-lived Bavarian Soviet Republic of 1919. Many of the characters in the novel became well known artists and writers in Weimar Germany. We Are Prisoners (A Confession) is an honest and blithe personal account of momentous events. Graf's quirky literary style combines a self-deprecating and anarchic sense of humour, sympathy for the downtrodden and the Heimat genre of German culture. "He behaves disgracefully and provokes laughter and disbelief, but in so doing, he wins our hearts." THOMAS MANN Translated and introduced by Ed Walker.

**Transforming the Cottage Industry** - 2015-03-10

Dental Support Organizations have grown in popularity and power because of the needs expressed by the community of dentists here in the United States and globally. Transforming the Cottage Industry will outline this growing need for change in the dental community, the adaptation of the DSO model to meet the changing times and the concerns of the solo practice model. Also, it will address the misconceptions that all new models can foster. This book will also endeavor to look at the more human and sociological side of why we are at this crossroads in the first place, since change, no matter how timely or important, is always resisted. This book will address what makes change difficult and many times threatening to an old paradigm. We will look at the invaluable opportunity for those willing to adapt and shift.

[The Frightened Lady](#) - Edgar Wallace 2008-01-11

Everyone tried to conceal the truth but the Frightened Lady is unable to hide her fear. Chief Inspector Tanner quickly realises that many things about the household of Lord and Lady Lebanon are not easily explained. Why are two American 'toughs' employed as footmen? Why is Lady Lebanon so unwilling to

answer any questions? What he does know is that the only obviously innocent person is utterly consumed with terror. Here is Inspector Tanner's first real clue.

**The Legal Protection of Databases** - Mark J. Davison 2003-06-26

Mark Davison examines several legal models designed to protect databases, considering in particular the EU Directive, the history of its adoption and its transposition into national laws. He compares the Directive with a range of American legislative proposals, as well as the principles of misappropriation that underpin them. In addition, the book also contains a commentary on the appropriateness of the various models in the context of moves for an international agreement on the topic. This book will be of interest to academics and practitioners, including those involved with databases and other forms of new media.

[The Girl who Reached for the Stars](#) - Luca Di Fulvio 2015-10-26

THE GIRL WHO REACHED FOR THE STARS is a breathtaking tale of daring dreams and a love that surmounts all barriers. Set against the evocative background of Medieval Venice, this riveting story is told from the perspectives of several people whose destinies are tightly intertwined: a young pickpocket, a savvy Jewish survival artist, and a teenage girl with a remarkable talent. All of them are torn apart by violence, intrigue, revenge, and greed but also united by friendship, dreams of justice, and the courage to reach for the stars. Echoing his international bestseller THE BOY WHO GRANTED DREAMS, Luca Di Fulvio's novel tells the unforgettable love story between a Christian boy and a Jewish girl against the backdrop of the first Jewish ghetto in sixteenth-century Venice.

*Women in the Weimar Republic* - Helen Boak 2015-11-01

This book is the first comprehensive survey of women in the Weimar Republic, exploring the diversity and multiplicity of women's experiences in the economy, politics and society. Taking the First World War as a starting point, this book explores the great changes in the lives, expectations, and perceptions of German women, with new opportunities in employment, education and political life and greater freedoms in their private and social life, all played out in the media spotlight. Engaging with the most recent research and debates, this book portrays the Weimar Republic as a period of progressive change for young, urban women, to be stalled in 1933. This book will be essential reading for students and researchers of German women in the early twentieth century, and will also appeal to anyone interested in the Weimar Republic and women's history.

*The Story of the Amulet* - Edith Nesbit 1906

[An Exclusive Love](#) - Johanna Adorjan 2011-01-11

Two people who have grown old together decide to take their own lives. He is terminally ill; she doesn't

want to be without him. One Sunday in autumn 1991, they carry out their plan. Vera and István go to their deaths holding hands. It is the logical end of a love that shut out the entire rest of the world, even their own children. They used the formal "Sie" form of address for each other throughout their whole lives together, chain-smoked and were incredibly good-looking. They also had a past they did not speak about — a past they did not want to remember. As Hungarian Jews, they had survived the Holocaust, had become Communists and during the uprising in Budapest in 1956 had fled the country. They started a new life in Denmark and — so it seemed — never looked back. Sixteen years after her grandparents' deaths, Johanna Adorján ignored the family rule of "That's something we don't talk about." She set out to look for the blind spots in the lives of her grandparents and in the process found out things that have more to do with herself than she had expected. Against the backdrop of the disasters of twentieth-century European history, she brings Vera and István back to life — a fascinating couple, unconventionally elegant, often going against the grain.

*The Nazarenes* - Cordula Grewe 2015-03-31

"Traces the Nazarene 'art of the concept' from its Romantic inception to its academic transformation in the 1830s. Arguing that the Nazarenes, despite their revivalist agenda, were a quintessentially modern movement, the book provides a revisionist understanding of modernity in nineteenth-century art"--Provided by publisher.

*Fairies and Fusiliers* - Robert Graves 1918

**Imperial Germany 1850-1918** - Edgar Feuchtwanger 2002-01-04

Imperial Germany focuses on the domestic political developments of the period, putting them into context through a balanced guide to the economic and social background, culture and foreign policy. This important study explores the tensions caused within an empire which was formed through war, against the prevailing liberal spirit of the age and poses many questions among them: \* Was the desire to unify Germany the cause of the aggressive foreign policy leading to the First World War? \* To what extent was Bismarck's Second Reich the forerunner of Hitler's Third? \* Did Bismarck's authoritarian rule permanently hinder the political development of Germany? Recent debates raised by German scholarship are made accessible to English speaking readers, and the book summarises the important controversies and competing interpretations of imperial German history.

*The Death of Titian* - Hugo von Hofmannsthal 1920

The Toll - Neal Shusterman 2019-11-05

In the highly anticipated finale to the New York Times bestselling trilogy, dictators, prophets, and tensions rise. In a world that's conquered death, will humanity finally be torn asunder by the immortal beings it created? Citra and Rowan have disappeared. Endura is gone. It seems like nothing stands between Scythe Goddard and absolute dominion over the world scythedom. With the silence of the Thunderhead and the reverberations of the Great Resonance still shaking the earth to its core, the question remains: Is there anyone left who can stop him? The answer lies in the Tone, the Toll, and the Thunder.

**88 Names** - Matt Ruff 2020-03-17

The critically acclaimed author of *Lovecraft Country* returns with a thrilling and immersive virtual reality epic—part cyberthriller, part twisted romantic comedy—that transports you to a world where identity is fluid and nothing can be taken at face value. John Chu is a “sherpa”—a paid guide to online role-playing games like the popular *Call to Wizardry*. For a fee, he and his crew will provide you with a top-flight character equipped with the best weapons and armor, and take you dragon-slaying in the Realms of Asgarth, hunting rogue starships in the Alpha Sector, or battling hordes of undead in the zombie apocalypse. Chu’s new client, the pseudonymous Mr. Jones, claims to be a “wealthy, famous person” with powerful enemies, and he’s offering a ridiculous amount of money for a comprehensive tour of the world of virtual-reality gaming. For Chu, this is a dream assignment, but as the tour gets underway, he begins to suspect that Mr. Jones is really North Korean dictator Kim Jong-un, whose interest in VR gaming has more to do with power than entertainment. As if that weren’t enough to deal with, Chu also has to worry about “Ms. Pang,” who may or may not be an agent of the People’s Republic of China, and his angry ex-girlfriend, Darla Jean Covington, who isn’t the type to let an international intrigue get in the way of her own plans for revenge. What begins as a whirlwind online adventure soon spills over into the real world. Now Chu must use every trick and resource at his disposal to stay one step ahead—because in real life, there is no reset button.

*Studies in Germanic Philology* - Stefán Einarsson 1986

**The Question of Bruno** - Aleksandar Hemon 2002-08-13

In this stylistically adventurous, brilliantly funny tour de force—the most highly acclaimed debut since Nathan Englander's—Aleksandar Hemon writes of love and war, Sarajevo and America, with a skill and imagination that are breathtaking. A love affair is experienced in the blink of an eye as the Archduke Ferdinand watches his wife succumb to an assassin's bullet. An exiled writer, working in a sandwich shop in Chicago, adjusts to the absurdities of his life. Love letters from war-torn Sarajevo navigate the art of getting from point A to point B without being shot. With a surefooted sense of detail and life-saving humor, Aleksandar Hemon examines the overwhelming events of history and the effect they have on individual lives. These heartrending stories bear the unmistakable mark of an important new international writer.

Peking to Paris - Luigi Barzini 2007-01-01

On Last Things - Otto Weininger 2001

With his suicide in 1903, at the age of 23, Otto Weininger became a central figure in the mythology of fin-de-siècle Vienna. This volume of essays, published posthumously, is a sequel to his book, *Sex and Character*, which was banned by Nazi censors. This is its first translation into English.

**Becoming Austrians** - Lisa Silverman 2012-06-19

The collapse of Austria-Hungary in 1918 left all Austrians in a state of political, social, and economic turmoil, but Jews in particular found their lives shaken to the core. Although Jews' former comfort zone suddenly disappeared, the dissolution of the Dual Monarchy also created plenty of room for innovation and change in the realm of culture. Jews eagerly took up the challenge to fill this void, and they became heavily invested in culture as a way to shape their new, but also vexed, self-understandings. By isolating the years between the World Wars and examining formative events in both Vienna and the provinces, *Becoming Austrians: Jews and Culture between the World Wars* demonstrates that an intensified marking of people, places, and events as "Jewish" accompanied the crises occurring in the wake of Austria-Hungary's collapse, with profound effects on Austria's cultural legacy. In some cases, the consequences of this marking resulted in grave injustices. Philipp Halsmann, for example, was wrongfully imprisoned for the murder of his father years before he became a world-famous photographer. And the men who shot and killed writer Hugo Bettauer and philosopher Moritz Schlick received inadequate punishment for their murderous deeds. But engagements with the terms of Jewish difference also characterized the creation of culture, as shown in Hugo Bettauer's satirical novel *The City without Jews* and its film adaptation, other texts by Veza Canetti, David Vogel, A.M. Fuchs, Vicki Baum, and Mela Hartwig, and performances at the Salzburg Festival and the Yiddish theater in Vienna. By examining the lives, works, and deeds of a broad range of Austrians, Lisa

Silverman reveals how the social codings of politics, gender, and nation received a powerful boost when articulated along the lines of Jewish difference.

**Albert Oehlen** - Albert Oehlen 2015-02-24

This book presents a recent series of large-format collage paintings by German artist Albert Oehlen (born 1954), utilizing cheerily cheap advertising posters. The compositions reveal themselves as interiors only on second gaze: edges of walls and floors, the elegant curve of a designer chair.

*Game Changer* - Neal Shusterman 2021-02-09

"A timely, speculative thought experiment in perspective, privilege, and identity." —Kirkus "The conceit behind Shusterman's latest is truly unique. While it exhibits the author's usual storytelling aplomb, it also manages to delve into more serious and timely subject matter, such as racism, sexism, and homophobia. Despite these heavy topics, the story still moves at a lively pace and, thanks to a zany sci-fi twist, manages to pack in a few laughs as well." —Booklist All it takes is one hit on the football field, and suddenly Ash's life doesn't look quite the way he remembers it. Impossible though it seems, he's been hit into another dimension—and keeps on bouncing through worlds that are almost-but-not-really his own. The changes start small, but they quickly spiral out of control as Ash slides into universes where he has everything he's ever wanted, universes where society is stuck in the past...universes where he finds himself looking at life through entirely different eyes. And if he isn't careful, the world he's learning to see more clearly could blink out of existence... This high-concept novel from the National Book Award-winning and New York Times-best-selling author of the Arc of a Scythe series tackles the most urgent themes of our time, making this a must-buy for readers who are starting to ask big questions about their own role in the universe.

*The Overnight* - Ramsey Campbell 2006-04-04

Overseeing his reluctant staff during an overnight inventory, Woody, an American manager of a British bookstore, works everyone to their limits to prove himself to his superiors but finds the job compromised by a series of bizarre events, including an employee's spontaneous illiteracy and another worker's death in a hit-and-run accident. Reprint.

Alfred Döblin - Steffan Davies 2009-10-28

Döblin's texts, which range widely across contemporary discourses, are paradigms of the encounter between literary and scientific modernity. With their use of 'Tatsachenphantasie', they explode conventional language, seeking a new connection with the world of objects and things. This volume reassesses and reevaluates the uniquely interdisciplinary quality of Döblin's interdiscursive, factually-inspired poetics by offering challenging new perspectives on key works. The volume analyses not only some of Döblin's best-known novels and stories, but also neglected works including his early medical essays, political journalism and autobiographical texts. Other topics addressed are Döblin's engagement with German history; his relation to medical discourse; his topography of Berlin; his aestheticisation of his own

biography and his relation to other major writers such as Heine, Benn, Brecht and Sebald. With contributions in English and in German by scholars from Germany and the United Kingdom, the volume presents insights into Döblin that are of value to advanced researchers and to students alike.

**Cross and Burn** - Val McDermid 2013-10-22

Psychologist Tony Hill and ex-DCI Carol Jordan—the UK crime fighting partners from the TV series *Wire in the Blood*—face down a serial killer. International bestselling crime writer Val McDermid's work speaks for itself: her books have sold millions of copies worldwide, won numerous accolades, and attracted a devoted following of readers around the globe. *Cross and Burn* picks up where *The Retribution* left off: following the best crime-fighting team in the UK—clinical psychologist Tony Hill and police detective Carol Jordan—who when we last saw them were barely speaking, and whose relationship will now be challenged even further. But just because they're not talking doesn't mean the killing stops. Women are being murdered—ones who bear an unsettling resemblance to Carol Jordan. And when the evidence begins to point in a disturbing direction, thinking the unthinkable seems the only possible answer. Cornered by events, Tony and Carol are forced to fight for themselves and each other as never before. "McDermid is as smooth a practitioner of crime fiction as anyone out there . . . She's the best we've got." —The New York Times Book Review

*Tolkien and Shakespeare* - Janet Brennan Croft 2007-03-22

Tolkien and Shakespeare: one a prolific popular dramatist and poet of the Elizabethan era, the other a twentieth-century scholar of Old English and author of a considerably smaller body of work. Though unquestionably very different writers, the two have more in common than one might expect. These essays focus on the broad themes and motifs which concerned both authors. They seek to uncover Shakespeare's influence on Tolkien through echoes of the playwright's themes and even word choices, discovering how Tolkien used, revised, updated, "corrected," and otherwise held an ongoing dialogue with Shakespeare's works. The depiction of Elves and the world of Faerie, and how humans interact with them, are some of the most obvious points of comparison and difference for the two writers. Both Tolkien and Shakespeare deeply explored the uses and abuses of power with princes, politics, war, and the lessons of history. Magic and prophecy were also of great concern to both authors, and the works of both are full of encounters with the Other: masks and disguises, mirrors that hide and reveal, or seeing stones that show only part of the truth.

*Berlin Bertie* - Howard Brenton 1995

An intimate and at times savagely funny psychological study of two sisters, one of who has made her home in East Berlin and one who has stayed on in their native London. Fleeing from an encounter that has

destroyed her marriage, Rosa Brine leaves Berlin in the wake of the downing of the Wall and seeks shelter with her sister Alice. But the sinister figure of 'Berlin Bertie' follows and finds her. A turbulent Easter weekend of explosive confrontations ends in an oddly comic kind of salvation. Howard Brenton's play Berlin Bertie was first performed at the Royal Court Theatre, London, in 1992.

*War and the Works of J.R.R. Tolkien* - Janet Brennan Croft 2004  
Examines the role of war in Tolkien's life and works  
**Tramping on Life** - Harry Kemp 1922
