It will not waste your time. take me, the e-book will unconditionally flavor you other situation to read. Just invest little get older to right to use this on-line broadcast **Word By Word** as capably as review them wherever you are now.

A Word a Day - Joseph Piercy
2019-09-19

A Word a Day contains 365 carefully selected words that will enhance and expand your vocabulary, along with their meanings, origins and sample usage and fascinating word-related facts and trivia. It is estimated that on average an English-speaking adult has acquired a functioning vocabulary of 25,000 words by the time they reach middle age. That sounds like a lot - and more than enough for the daily purposes of communicating

with each other in speech and writing. However, it is hard to feel quite so sanguine about our word power when considering those 25,000 words account for less than fifteen per cent of the total words in current usage in the English language.

Furthermore, new words are created all the time and, as the word pool flourishes, can we afford to allow our vocabulary to stagnate? Logophile Joseph Piercy has the answer: a simple challenge to learn A Word a Day from this user-friendly

onomasticon (that's a word list designed for a specific purpose - in case you were wondering .). Each of the 365 words have been carefully selected for their elegance and pertinence in everyday situations and every entry contains a clear and concise outline of meaning, origin and sample usage in context, alongside fascinating word related facts and trivia. A Word a Day is a treasure trove of fascination and fun for all language lovers - delve in and enhance your vocabulary.

The Word Book - 1976

May I Have a Word? - Caron Levis 2017-05-23

A battle of the magnet letters ensues across the refrigerator door in *May I Have a Word?* when C and K get into a fight about who gets to start the cooler (kooler?) words. When the two letters storm off in opposite directions, everything is turned upside down. SOCKS are now SO, there aren't any CLOCKS to TICK or TOCK, and the world is just out of LUCK--until other letters work to bring C and K back together

again.

Children's Writer's Word Book - Alijandra Mogilner 1999-07-15

Provides writing samples and vocabulary appropriate for grades one through six and lists synonyms of various reading levels for hundreds of words

Word by Word - Kory Stamper 2017-03-14

"We think of English as a fortress to be defended, but a better analogy is to think of English as a child. We love and nurture it into being, and once it gains gross motor skills, it starts going exactly where we don't want it to go: it heads right for the goddamned electrical sockets." With wit and irreverence, lexicographer Kory Stamper cracks open the obsessive world of dictionary writing, from the agonizing decisions about what to define and how to do it to the knotty questions of ever-changing word usage. Filled with fun facts—for example, the first documented usage of "OMG" was in a letter to Winston Churchill—and Stamper's own

Downloaded from

stories from the linguistic front lines (including how she became America's foremost "irregardless" apologist, despite loathing the word), *Word by Word* is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language.

The Teacher's Word Book - Edward L. Thorndike
2020-07-15

The Weighty Word Book - Paul M. Levitt 2009-04-15

"[*The Weighty Word Book*] will appeal to kids who want to sound as smart as they are. It offers a clever, funny way to introduce new words into the vocabulary. . . . There's one word for every letter of the alphabet--wait until you see what they do with dogmatic, juxtapose and zealot."--*The Gazette* (Colorado Springs, Colorado) "Each of these twenty-six short stories takes an elaborate, circuitous path that leads to a 'weighty' one-word punch line. . . . It's a creative and humorous approach to vocabulary

building, and a natural lead in to having students create their own tall tales with multisyllabic conclusions."--*School Library Journal*

One Good Word a Day - Kristin Demery 2021-10

If you were to pick one word for the year, what would it be? Invite . . . Abide . . . Balance . . . Simplify . . . ? Every January, many of us proclaim our word for the year, choosing something inspiring that will help us set our intention for the coming months. But what would happen if rather than choosing one word for an entire year (because let's face it, some of us forget by March), we focused on one good word each day--one thought-provoking, spiritually relevant, and encouraging word that reveals the many lovely and delightful truths of who Jesus is in our lives? *One Good Word a Day*, by the creators of the online community, *The Ruth Experience*, offers simple, but deeply spiritual meditations that will help readers linger on one word each day so they can identify and reflect on how

Jesus as the Word influences their daily lives. Jesus is more than one word. He offers us abundance, hope, peace, kindness, courage, mercy, and so much more. One Good Word a Day reminds readers that in Christ, we find all we need to live encouraged and uplifted every day.

The 4 Word Answer - Rob

Shuter 2021-09-21

Working for the biggest stars in the world—Jennifer Lopez, P. Diddy, Alicia Keys, and Jessica Simpson, officially as a publicist but in reality, as a confidante—Rob Shuter has seen it all. In fifteen years as a celebrity publicist, Rob has been privileged to have a front-row seat to the most successful people in the world. Before Jessica Simpson told then-husband Nick Lachey that they were getting divorced, she called Rob. Jon Bon Jovi flew Rob to each of his shows on a private jet for the primary purpose of escorting out press before his fabulous hair flopped. Rob was responsible for making sure an Asian pear was within feet of Jennifer

Lopez at any given moment, per her very specific demands. Being involved in the lives of the best and the brightest, Rob quickly discovered it wasn't talent all his super successful clients had in common. Rather, what all these extraordinary people share is they know exactly who they are—in just four words.

Other-Wordly - Yee-Lum Mak
2016-10-11

Discover words to surprise, delight, and enamor. Learn terms for the sunlight that filters through the leaves of trees, for dancing awkwardly but with relish, and for the look shared by two people who each wish the other would speak first. Other-Wordly is an irresistible ebook for lovers of words and those lost for words alike.

Once Upon a Word - Jess

Where do words come from?-- Learning new words by understanding their stories The English language is made up of words from different places, events, and periods of time. Each of those words has an

Downloaded from
omahafoodtruckassociation.org
on by guest

exciting story to tell us about where, when, how, and why they came about. Once Upon a Word is packed with easy-to-understand definitions and awesome word-origin stories. With this dictionary for kids, you can understand the history and meaning of English words, improve your vocabulary and spelling, and learn to play with language. Explore how weird words like gnome, fun words like zombie, and common words like caterpillar came to exist. Discover why some words sound funnier than others (like cackle, sizzle, and twang) and why some groups of words start with the same few letters (like hydrate, hydrogen, and fire hydrant). In this dictionary for kids, there's a whole world of English words to uncover! This unique dictionary for kids includes: Roots & branches--Learn about the building blocks that make up words, called roots, prefixes, and suffixes. Kid-friendly definitions--Look up definitions designed for your reading level in this dictionary for kids. Word snack--Find out

where your favorite food words got their start, from bacon to marshmallow, spaghetti, yogurt, and beyond. See how the English language evolved--from its beginnings to today--with this colorful dictionary for kids.

Word Hacks - Andrew Savikas
2004-11-22

As one of the applications in Microsoft Office, Word is the dominant word-processing program for both Windows and Mac users. Millions of people around the globe use it. But many, if not most, of them barely skim the surface of what is possible with Microsoft Word. Seduced by the application's supposed simplicity, they settle for just what's obvious--even if it doesn't satisfy their wants and needs. They may curse the wretched Bullets and Numbering buttons multiple times a day or take hours to change the font size of every heading in a lengthy report, yet they're reluctant to dig deeper to take advantage of Word's immense capabilities and limitless customization

tools. Let Word Hacks be your shovel. Let it carve your way into Word and make this most popular and powerful application do precisely what you want it to do. Filled with insider tips, tools, tricks, and hacks, this book will turn you into the power user you always wanted to be. Far beyond a tutorial, Word Hacks assumes you have a solid working knowledge of the application and focuses on showing you exactly how to accomplish your pressing tasks, address your frequent annoyances, and solve even your most complex problems. Author Andrew Savikas examines Word's advanced (and often hidden) features and delivers clever, time-saving hacks on taming document bloat, customization, complex search and replace, Tables of Contents and indexes, importing and exporting files, tables and comments, and even using Google as a dictionary! With him as your guide, you'll soon be understanding--and hacking--Word in ways you never thought possible. Covering

Word 2000, 2002 and Word 2003, Word Hacks exposes the inner workings of Word and releases your inner hacker; with it, you will be equipped to take advantage of the application's staggering array of advanced features that were once found only in page layout programs and graphics software and turning Word into your personal productivity powerhouse.

The F-Word - Jesse Sheidlower
2009-09-04

We all know what *frak*, popularized by television's cult hit *Battlestar Galactica*, really means. But what about *feck*? Or *ferkin*? Or *foul*--as in *FUBAR*, or "Fouled Up Beyond All Recognition"? In a thoroughly updated edition of *The F-Word*, Jesse Sheidlower offers a rich, revealing look at the *f-bomb* and its illimitable uses. Since the fifteenth century, no other word has been adapted, interpreted, euphemized, censored, and shouted with as much ardor or force; imagine Dick Cheney telling Democratic Senator Patrick Leahy to "go damn

himself" on the Senate floor--it doesn't have quite the same impact as what was really said. Sheidlower cites this and other notorious examples throughout history, from the satiric sixteenth-century poetry of James Cranstoun to the bawdy parodies of Lord Rochester in the seventeenth century, to more recent uses by Ernest Hemingway, Jack Kerouac, Ann Sexton, Norman Mailer, Liz Phair, Anthony Bourdain, Junot Diaz, Jenna Jameson, Amy Winehouse, Jon Stewart, and Bono (whose use of the word at the Grammys nearly got him fined by the FCC). Collectively, these references and the more than one hundred new entries they illustrate double the size of *The F-Word* since its previous edition. Thousands of added quotations come from newly available electronic databases and the resources of the OED, expanding the range of quotations to cover British, Canadian, Australian, New Zealand, Irish, and South African uses in addition to American ones. Thus we learn why a fugly must hone his or

her sense of humor, why Canadian Prime Minister Pierre Trudeau muttered "fuddle duddle" in the Commons, and why Fanny Adams is so sweet. A fascinating introductory essay explores the word's history, reputation, and changing popularity over time. and a new Foreword by comedian, actor, and author Lewis Black offers readers a smart and entertaining take on the book and its subject matter. Oxford dictionaries have won renown for their expansive, historical approach to words and their etymologies. *The F-Word* offers all that and more in an entertaining and informative look at a word that, while now largely accepted as an integral part of the English language, still confounds, provokes, and scandalizes.

The Word Book - 2011

Word by Word - Christopher Hager 2013-02-14

Consigned to illiteracy, American slaves left little record of their thoughts and feelings—or so we have

omahafoodtruckassociation.org
on by guest

believed. But a few learned to use pen and paper to make sense of their experiences, despite prohibitions. These authors' perspectives rewrite the history of emancipation and force us to rethink the relationship between literacy and freedom.

Word by Word - Kory Stamper 2017

"While most of us might take dictionaries for granted, the process of writing dictionaries is in fact as lively and dynamic as language itself ... Stamper cracks open the complex, obsessive world of lexicography, from the agonizing decisions about what and how to define, to the knotty questions of usage in an ever-changing language. She explains why the small words are the most difficult to define, how it can take nine months to define a single word, and how our biases about language and pronunciation can have tremendous social influence. Throughout Stamper brings to life the hallowed halls ... of Merriam-Webster, a ... world inhabited by quirky and erudite

individuals who quietly shape the way we communicate"--
My Epic Life Word Book - Mrs. Wordsmith 2019-09-03
From the creators of the bestseller Storytellers Dictionary comes the My Epic Life Dictionary for children ages 4-8 years. All the hilariously illustrated words every child needs to learn to express themselves in today's world. This is not your average dictionary. It is a dictionary, but it's also a handbook for any child who wants to live a truly epic life. Designed by literacy experts to be hilariously fun and endlessly surprising, each page bursts with Hollywood illustration. The words are curated from relevant, global curriculum lists for kids aged four to eight, with extra challenging vocabulary added to the mix. This dictionary gives children the words they need to express themselves in every part of life from emotions to maths, food to philosophy, making a big mucky mess to cleaning up, as well as a whole section on the future of technology. "This is the

dictionary for the 21st century. I can't imagine a more delightful way to learn about words than with these wild and hilarious characters. What's especially exciting is that My Epic Life uses the very latest in the science of learning to grab children's attention and teach them words about their world. Educators take note! This dictionary will not only improve children's vocabulary, it will accelerate it at epic speed." -- Susan Neuman, Professor of Childhood Education and Literacy Development, NYU "My Epic Life Dictionary is pure magic! Driven by compelling research on the importance of vocabulary development and socio-emotional learning for every child's growth and development, this modern marvel is filled with compelling characters, powerful themes, and remarkable story-telling assets that every child and parent will love. It has been decades since I encountered a children's dictionary that was so delightful and important!" -- Michael Levine, Chief

Knowledge Officer, Sesame Street
National Geographic Little Kids Word Book - National Geographic Society (U.S.) 2011 Presents hundreds of words with images representing each word, grouped together by such themes as shapes, food, games, pets, music, and seasons.

Word Origins - John Ayto
2008-05-29

The average contemporary English speaker knows 50,000 words. Yet stripped down to its origins, this apparently huge vocabulary is in reality much smaller, derived from Latin, French and the Germanic languages. It is estimated that every year, 800 neologisms are added to the English language: acronyms (nimby), blended words (motel), and those taken from foreign languages (savoir-faire). Laid out in an A-Z format with detailed cross references, and written in a style that is both authoritative and accessible, Word Origins is a valuable historical guide to the English language.

Curious to know what Norwegian steam is, or what a jäääär is? The answers are all here. For all of the logofascinated among us, this is an immensely pleasurable and unpredictable collection that is guaranteed to raise eyebrows (the literal meaning, incidentally, of supercilious). 'Brilliant for anyone interested in the effervescent oddness of English' --Stig Abell
Word 2016 - Editions ENI,
2015-10-14

Ce guide pratique vous présente dans le détail l'ensemble des fonctions de cette nouvelle version du célèbre traitement de texte Microsoft® Word 2016 ; il s'adresse à toute personne désirant découvrir et approfondir l'ensemble de ses fonctionnalités. Après la description de l'environnement de travail comprenant le ruban, l'onglet Fichier, vous apprendrez à créer, enregistrer vos documents sur votre ordinateur, sur le réseau ou encore sur OneDrive, l'espace de stockage en ligne proposé par Microsoft, à modifier un

fichier PDF directement dans Word ; vous verrez ensuite comment saisir et modifier le texte puis comment mettre en page et imprimer le document. La partie suivante vous explique dans le détail comment mettre en forme le texte en appliquant des mises en valeur de caractères, des mises en forme de paragraphe et de page. Pour optimiser vos mises en forme, vous apprendrez à appliquer un thème au document, à créer des styles et modèles. Vous irez plus loin dans la gestion du texte en exploitant les fonctions de recherche et remplacement, en utilisant le vérificateur orthographique, le dictionnaire des synonymes et la fonction de traduction. Dans la partie suivante consacrée à l'exploitation des longs documents, vous verrez comment créer des notes et signets, un plan, une table des matières, un index, une bibliographie et un document maître. Un document Word peut contenir d'autres éléments que du texte : des tableaux, des objets

graphiques, des images sur lesquels vous pourrez appliquer de nombreux effets artistiques mais aussi des vidéos que vous pourrez visionner directement dans Word. Vous verrez aussi comment créer un formulaire, réaliser un mailing, travailler avec les autres applications Office, travailler à plusieurs sur un même document à l'aide du Suivi des modifications et des commentaires, personnaliser l'interface, gérer les comptes utilisateur et créer des macro-commandes.

Word Book - Ludwig

Wittgenstein 2020-04-21

Wittgenstein's dictionary for children: a rare and intriguing addition to the philosopher's corpus, in English for the first time "I had never thought the dictionaries would be so frightfully expensive. I think, if I live long enough, I will produce a small dictionary for elementary schools. It appears to me to be an urgent need." - Ludwig Wittgenstein In 1925, Ludwig Wittgenstein, arguably one of the most influential philosophers of the 20th

century, wrote a dictionary for elementary school children. His Wörterbuch für Volksschulen (Dictionary for Elementary Schools) was designed to meet what he considered an urgent need: to help his students learn to spell. Wittgenstein began teaching kids in rural Austria in 1920 after abandoning his life and work at Cambridge University. During this time there were only two dictionaries available. But one was too expensive for his students, and the other was too small and badly put together. So Wittgenstein decided to write one. Word Book is the first-ever English translation of Wörterbuch. This publication aims to encourage and reinvigorate interest in one of the greatest modern philosophers by introducing this gem of a work to a wider audience. Word Book also explores how Wörterbuch portends Wittgenstein's radical reinvention of his own philosophy and the enduring influence his thinking holds over how art, culture and language are understood. Word

Book is translated by writer and art historian Bettina Funcke, with a critical introduction by scholar Désirée Weber, and accompanied with art by Paul Chan. Ludwig Wittgenstein (1889-1951) was an Austrian-born British philosopher, regarded by many as the greatest philosopher of the 20th century. He played a decisive if controversial role in 20th-century analytic philosophy, and his work continues to influence fields as diverse as logic and language, perception and intention, ethics and religion, aesthetics and culture.

The Word Exchange - Alena Graedon 2014-04-08

A dystopian novel for the digital age, *The Word Exchange* offers an inventive, suspenseful, and decidedly original vision of the dangers of technology and of the enduring power of the printed word. In the not-so-distant future, the forecasted “death of print” has become a reality. Bookstores, libraries, newspapers, and magazines are things of the past, and we spend our time

glued to handheld devices called Memes that not only keep us in constant communication but also have become so intuitive that they hail us cabs before we leave our offices, order takeout at the first growl of a hungry stomach, and even create and sell language itself in a marketplace called the Word Exchange. Anana Johnson works with her father, Doug, at the North American Dictionary of the English Language (NADEL), where Doug is hard at work on the last edition that will ever be printed. Doug is a staunchly anti-Meme, anti-tech intellectual who fondly remembers the days when people used email (everything now is text or videoconference) to communicate—or even actually spoke to one another, for that matter. One evening, Doug disappears from the NADEL offices, leaving a single written clue: ALICE. It’s a code word he devised to signal if he ever fell into harm’s way. And thus begins Anana’s journey down the proverbial rabbit hole . . . Joined by Bart, her bookish

Downloaded from
omahafoodtruckassociation.org
on by guest

NADEL colleague, Anana's search for Doug will take her into dark basements and subterranean passageways; the stacks and reading rooms of the Mercantile Library; and secret meetings of the underground resistance, the Diachronic Society. As Anana penetrates the mystery of her father's disappearance and a pandemic of decaying language called "word flu" spreads, The Word Exchange becomes a cautionary tale that is at once a technological thriller and a meditation on the high cultural costs of digital technology.

Teaching Word Meanings -

Steven A. Stahl 2007-07-10

Learning new words is foundational to success in school and life. Researchers have known for years that how many word meanings a student knows is one of the strongest predictors of how well that student will understand text and be able to communicate through writing. This book is about how children learn the meanings of new words (and the concepts they convey) and how teachers can be strategic

in deciding which words to teach, how to teach them, and which words not to teach at all. This book offers a comprehensive approach to vocabulary instruction. It offers not just practical classroom activities for teaching words (though plenty of those are included), but ways that teachers can make the entire curriculum more effective at promoting students' vocabulary growth. It covers the 'why to' and 'when to' as well as the 'how to' of teaching word meanings. Key features of this exciting new book include: *A variety of vocabulary activities. Activities for teaching different kinds of words such as high frequency words, high utility words, and new concepts, are explained and illustrated. *Guidelines for choosing words. A chart provides a simple framework built around seven basic categories of words that helps teachers decide which words to teach and how to teach them. *Word learning strategies. Strategies are offered that will help students use context, word parts, and

dictionaries more effectively.
*Developing Word
Consciousness. Although
specific vocabulary instruction
is fully covered, the primary
goal of this book is to develop
students' independent interest
in words and their motivation
to learn them. *Integrated
Vocabulary Instruction.
Teachers are encouraged to
improve the reading
vocabularies of their students
by looking for opportunities to
integrate vocabulary learning
into activities that are
undertaken for other purposes.

Words, Words, Words - David
Crystal 2007

Words, Words, Words is all
about the wonder of words.
Drawing on a lifetime's
experience, David Crystal
explores language in all its rich
varieties through words: the
very building blocks of our
communication. Language has
no life of its own: it only exists
in the mouths and ears, hands,
eyes and brains of its users. As
we are guided expertly and
passionately through the
mysteries and delights of word
origins, histories, spellings,

regional and social variations,
taboo words, jargon, and
wordplay, the contribution we
all play in shaping the
linguistic world around us
becomes evident. Words,
Words, Words is a celebration
of what we say and how we say
it. It invites us to engage
linguistically with who we are:
to understand what words tell
us about where we come from
and what we do. And as they
continually shape our lives, it
suggests ways that we can look
at words anew and get involved
with collecting and coining
words ourselves.

Merriam-Webster's Word of the
Day - Merriam-Webster, Inc.
2021-10

Welcome to Merriam-Webster
Kids! Fall 2021 marks the
debut of our new imprint that
serves our mission to help kids
better understand and
communicate with the world
around them through highly
engaging content designed to
foster a love of language and
learning from an early age. Our
list is small, yet focused; over
time you will see it build across
all categories and ages that

Downloaded from

serve ages 0-12 and the families, teachers, and librarians that support them. From the largest team of dictionary editors and writers in America, and one of the largest in the world, thank-you for supporting us and Merriam-Webster Kids. Inspired by Merriam-Webster's popular Word of the Day digital feature, this book builds knowledge one day at a time with 366 masterful words, ages 8-12. Become a word virtuoso in just one year with 366 crackerjack words aimed to impress. This charmingly illustrated book features boffo words selected by the masterminds at Merriam-Webster to highlight the English language and its odd and unexpected history. Word-Formation in English - Ingo Plag 2003-10-30 This textbook provides an accessible introduction to the study of word-formation, that is, the ways in which new words are built on the bases of other words (e.g. happy - happy-ness), focusing on English. The book's didactic aim is to enable students with

little or no prior linguistic knowledge to do their own practical analyses of complex words. Readers are familiarized with the necessary methodological tools to obtain and analyze relevant data and are shown how to relate their findings to theoretical problems and debates. The book is not written in the perspective of a particular theoretical framework and draws on insights from various research traditions, reflecting important methodological and theoretical developments in the field. It is a textbook directed towards university students of English at all levels. It can also serve as a source book for teachers and advanced students, and as an up-to-date reference concerning many word-formation processes in English.

The Word Detective - John Simpson 2016-10-25

Can you drink a glass of balderdash? What do you call the part of a dog's back it can't scratch? And if, serendipitously, you find yourself in Serendip, then

Downloaded from
omahafoodtruckassociation.org
on by guest

where exactly are you? The answers to all of these questions -- and a great many more -- can be found in the pages of the Oxford English Dictionary, the definitive record of the English language. And there is no better guide to the dictionary's many wonderments than the former chief editor of the OED, John Simpson. Simpson spent almost four decades of his life immersed in the intricacies of our language, and guides us through its history with charmingly laconic wit. In *The Word Detective*, an intensely personal memoir and a joyful celebration of English, he weaves a story of how words come into being (and sometimes disappear), how culture shapes the language we use, and how technology has transformed not only the way we speak and write but also how words are made. Throughout, he enlivens his narrative with lively excavations and investigations of individual words -- from deadline to online and back to 101 (yes, it's a word) -- all the

while reminding us that the seemingly mundane words (can you name the four different meanings of ma?) are often the most interesting ones. But Simpson also reminds us of the limitations of language: spending his days in the OED's house of words, his family at home is forced to confront the challenges of wordlessness. A brilliant and deeply humane expedition through the world of words, *The Word Detective* will delight and inspire any lover of language.

Words that connect, transform, and empower. From the creator of *The Dot* and *Happy Dreamer* comes a celebration of finding your own words -- and the impact you can have when you share them with the world.

Absurd Words - Tara Lazar
2022-01-02

Why use boring old words when you can expand and build your vocabulary—and have fun doing it! A user-friendly, engaging book about the power of words—perfect for educators, parents, and future word nerds. Build confidence and become a stronger reader, writer, and communicator! This fun and hilarious vocabulary builder: Includes over 750 high-level, wondrous, and wacky words! With sample

sentences and word history that help new words make sense! Bright and fun illustrations make learning new words fun! Allows to search by category so new word choices are easy to find! Kids with strong vocabularies are better readers, better writers, and even feel more confident tackling math and science. When a kid wants to learn a new word, we often send them to the dictionary or a thesaurus. But dictionaries only work if you know exactly the word you want. This dictionary-thesaurus hybrid is organized by theme and puts words in context with fun, engaging and hilarious sentences, pictures, and fun facts. You'll learn what words mean and then actually use them!

The S-Word - Chelsea Pitcher
2013-05-07

Even though Angie stopped talking to Lizzie after she caught her with her boyfriend on prom night, the high schooler tries to uncover why her former best friend killed herself and who is

posthumously slandering her.

One Word that will Change

Your Life - Dan Britton

2012-12-03

One Word is a simple concept that delivers powerful life change! In 1999, the authors discovered a better way to become their best and live a life of impact. Instead of creating endless goals and resolutions, they found one word that would be their driving force for the year. No goals. No wish lists. Just one word. Best of all . . . anyone, anytime can discover their word for the year. One Word that will Change Your Life will inspire you to simplify your life and work by focusing on just one word for this year. That's right! One Word creates clarity, power, passion and life-change. The simple power of One Word is that it impacts all six dimensions of your life - mental, physical, emotional, relational, spiritual, and financial. Simply put, One Word sticks. There is a word meant for you and when you find it, live it, and share it, your life will become more

rewarding and exciting than ever. Join thousands of people and hundreds of schools, businesses, churches, and sports teams who have found their one word . . . and discover how to harness the transformational power of One Word. The book includes a personal Action Plan and simple process to help you discover your word for the year.

One Word for Kids - Jon

Gordon 2019-11-05

From the authors who created the One Word movement, impacting schools, businesses, and sports teams around the world, comes a charming fable that can be read and shared by everyone. If you could choose only one word to help you have your best year ever, what would it be? Love? Fun? Believe? Brave? It's probably different for everyone. How you find your word is just as important as the word itself. And once you know your word, what do you do with it? In One Word for Kids, bestselling author Jon Gordon—along with coauthors Dan Britton and

Jimmy Page—asks these questions to children and adults of all ages, teaching an important life lesson in the process. This engaging, fully illustrated fable follows Stevie, a young boy falling asleep on the first day of school. His teacher gives the class an assignment: to find the one word that will help them have their best year ever. To discover their one word, they must look inside themselves,

look up, and look out. At home, Stevie is upset because he can't find his word. After his dad offers some helpful advice, Stevie excitedly begins the quest for his word. His search helps him discover a lot about himself, what he loves, and what is important to him. An easy read with a powerful message, *One Word for Kids* appeals to readers of all ages and is an ideal entry point into discussing a valuable lesson in a fun and engaging way.
