The Explosion Chronicles - Yan Lianke  
2016-10-04

Man Booker International finalist Yan Lianke has been lauded for his imaginative satire and insightful cultural critique as "one of China's greatest living authors" (Guardian). His internationally bestselling new novel, *The Explosion Chronicles*, follows the excessive expansion of a rural community from small village to megalopolis. With the Yi River on one side and the Balou Mountains on the other, the village of Explosion was founded more than a millennium ago by refugees fleeing a seismic volcanic eruption. But in the post-Mao era the name takes on a new significance as the community grows explosively from a small village to a vast metropolis. Behind this rapid expansion are members of the community's three major families, including the four Kong brothers; Zhu Ying, the daughter of the former village chief; and Cheng Qing, who starts out as a secretary and goes on to become a powerful political and business figure. Linked together by a complex web of loyalty, betrayal, desire, and ambition, these figures are the driving force behind their hometown's transformation into an urban superpower. Brimming with absurdity, intelligence, and wit, *The Explosion Chronicles* considers the high stakes of passion and power, the consequences of corruption and greed, the polarizing dynamics of love and hate between families, as well as humankind's resourcefulness through the vicissitudes of life.

Desire for Chocolate - Care Santos 2016-11-29  
Three women, three centuries and the same bone-china chocolate pot: Sara, the scion of a dynasty of chocolatiers from Barcelona, who prides herself on maintaining the family

tradition; Aurora, the daughter of a nineteenth-century maidservant, for whom chocolate is a forbidden luxury; Mariana, the wife of the most famous seventeenth-century chocolate manufacturer, an official purveyor to the French court and the inventor of a revolutionary chocolate mill. Through her passion for chocolate, Care Santos takes us on a spellbinding journey through its evolution, from the cocoa bean's first arrival in Europe to the many sophisticated products derived from it today, and shows us how we can understand the great shifts in history through the study of small things. Luscious and addictive, this novel will delight the reader's senses from start to finish.

My Mother's Secret - J.L. Witterick 2014-09-02  
Inspired by a true story, *My Mother's Secret* is a captivating and ultimately uplifting tale intertwining the lives of two Jewish families in hiding from the Nazis, a fleeing German soldier, and the mother and daughter who save them all. Franciszka and her daughter, Helena, are simple, ordinary people...until 1939, when the Nazis invade their homeland. Providing shelter to Jews in Nazi-occupied Poland is a death sentence, but Franciszka and Helena do exactly that. In their tiny home in Sokal, they hide a Jewish family in a loft above their pigsty, a Jewish doctor with his wife and son in a makeshift cellar under the kitchen, and a defecting German soldier in the attic—each party completely unknown to the others. For everyone to survive, Franciszka will have to outsmart her neighbors and the German commander. Told simply and succinctly from four different perspectives—all under one roof—*My Mother's Secret* is a testament to the kindness, courage, and generosity of ordinary

people who chose to be extraordinary.

This is an ideal introduction to the whole history of Catalonia from the remotest times until the present. It is a rigorous and accessible vision aimed at everyone, which can be read quickly and easily. It also explains how this state was attacked for two centuries until its destruction on 11 September 1714 and the subsequent struggle by Catalans to be reborn from their ashes and recover their place in history.

Especially as his sailor dad is keen to drown his sadness in drink, and all the local matrons are narrowly watching the pair of them. And then he saves old Simon from a frozen death in the woods, and Joel becomes a local hero.

**Prayers to My King** - Sheri Rose Shepherd 2005-01-17

Prayers to My King is a beautiful gift book created to help women connect intimately with their God. Where the first book in the His Princess™ series reminded us that we are loved intimately and unconditionally by our King, this second book helps us express our deepest thoughts, desires, fears and failures by emulating King David in the Psalms and crying out to God through prayer. Christian women will gain a personal, dynamic prayer life. You want to feel God's presence... embrace His promises... cry out to Him... ..but don't know how! From your heart's deepest cry to life's joyful praises, nothing is off limits to Him. Go confidently now before His throne as you claim these powerful prayers as your own. He hears every word. He's

waiting to hear from you. If from there you will seek the Lord your God, you will find Him if you seek Him with all your heart and soul and life. Deuteronomy 4:29, AMP Story Behind the Book "Too many of God's "chosen ones" don't know how to have a real relationship with their Lord. We want to feel His presence, but we don't know how to let Him in. We want to see His promises come true, but we don't believe they are for us personally. We want to experience His power, but we keep trying to live life in our own strength. We want to cry out to Him, but we're afraid to break down and admit that we're weak. My prayer for this book is that women of God will have a personal, life-changing prayer life and be transformed into the daughters of the King they were destined to be from the beginning."
