If you desire to entertaining books, lots of novels, tale, jokes, and more fictions collections are afterward launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections The Roman History The Reign Of Augustus Classics that we will utterly offer. It is not on the costs. Its roughly what you infatuation currently. This The Roman History The Reign Of Augustus Classics , as one of the most vigorous sellers here will enormously be accompanied by the best options to review.

**The Roman History** - Velleius Paterculus 2011-09-15

This essential document for the study of Roman history traces the story of Rome from Romulus and the foundations of Rome to the reign of the Emperor Tiberius. It is especially valuable to historians and students for its vivid eyewitness account of the dramatic years that saw the Roman Empire emerge from the chaos left by the shattered Republic. Rendered with the non-specialist in mind, the translation—the first English language translation in nearly ninety years—seeks to remain faithful to the original while avoiding technical and obscure jargon. The volume includes a substantial introduction to Velleius' life and times, and to the literary context of his historical work, as well as generous and detailed notes on the text, a bibliography, map, glossary of unfamiliar terms, and an index.

**Abridgement of Roman History** - Eutropius 2021-04-10

"Abridgement of Roman History" by Eutropius (translated by John Selby Watson). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Cassius Dio: The Augustan Settlement** - Dio Cassius 1990-12-01

Dio Cassius' Roman History contains the fullest surviving account of the reign of Augustus. This edition of Books 53–55 covers the years 28–5 BC and includes Dio's extended discussion of the constitutional settlement of 27 BC and the imperial system it inaugurated. Ancient Greek text with facing translation, introduction and commentary.

**Augustan Rome 44 BC to AD 14** - J. S. Richardson 2012

Augustus: How the Roman Empire came about The reign of Augustus, the first of the Roman emperors, has been seen, both by contemporaries and over the centuries that have followed, as a pivotal moment in the history of Rome. The final stage in the move to monarchical government and the structures he put in place, which were to last largely unchanged for over two hundred years, ensured this; but Augustus himself remains an enigmatic figure. J. S. Richardson explores the processes which resulted in such a massive shift, and the often unforeseen events which led to the establishment of an empire and a dynasty. Key features: \* a pivotal volume in the series \* traces the changing shape of the entity that was ancient Rome through its political, cultural and economic history \* demonstrates how the effectiveness and dominance of Rome as the centre of work power became increasingly obvious Keywords: Augustus; Roman Empire.

**The Age of Augustus** - Werner Eck 2007-08-13

In this updated edition of his concise biography, Werner Eck tells the extraordinary story of Augustus, Rome's first monarch. Incorporates literary, archaeological, and legal sources to provide a vivid narrative of Augustus' brutal rise to power Written by one of the world's leading experts on the Roman empire Traces the history of the Roman revolution and Rome's transformation from a republic to an empire Includes a new chapter on legislation, further information on the monuments of the Augustan period, more maps and illustrations, and a stemma of Augustus' family Thorough, straightforward, and organized chronologically, this is an ideal resource for anyone approaching the subject for the first time

**Aspects of Roman History 31 BC-AD 117** - Richard Alston 2013-11-07

This new edition of Aspects of Roman History 31 BC- AD 117 provides an easily accessible guide to the history of the early Roman Empire. Taking the reader through the major political events of the crucial first 150 years of Roman imperial history, from the Empire's foundation under Augustus to the height of its power under Trajan, the book examines the emperors and key events that shaped Rome's institutions and political

form. Blending social and economic history with political history, Richard Alston's revised edition leads students through important issues, introducing sources, exploring techniques by which those sources might be read, and encouraging students to develop their historical judgement. The book includes: chapters on each of the emperors in this period, exploring the successes and failures of each reign, and how these shaped the empire, sections on social and economic history, including the core issues of slavery, social mobility, economic development and change, gender relations, the rise of new religions, and cultural change in the Empire, an expanded timeframe, providing more information on the foundation of the imperial system under Augustus and the issues relating to Augustan Rome, a glossary and further reading section, broken down by chapter. This expanded and revised edition of Aspects of Roman History, covering an additional 45 years of history from Actium to the death of Augustus, provides an invaluable introduction to Roman Imperial history, surveying the way in which the Roman Empire changed the world and offering critical perspectives on how we might understand that transformation. It is an important resource for any student of this crucial and formative period in Roman history.

**The Romans in the Age of Augustus** - Andrew Lintott 2009-12-23

Incorporating the most recent scholarship, this book offers a fascinating history of Rome and the Roman peoples during the rule of the first Roman emperor, Augustus. Written in an easily accessible style, making it the ideal introduction to Augustan Rome for those with little previous knowledge Offers compelling insight into the workings of Roman society during this pivotal period in its history Incorporates the most recent scholarship on aspects of Augustus's reign including the armed forces, religion, and intellectual and cultural life Andrew Lintott is a widely respected expert on the Roman Republic

**Chronicle of the Roman Emperors** - Chris Scarre 2012-02-01

Offers profiles of the Roman emperors, from Augustus to Constantine, and looks at the most important events during this period in Roman history.

**Empire of the Romans** - John Matthews 2021-02-01

A wide-ranging survey of the history of the Roman Empire—from its establishment to decline and beyond Empire of the Romans, from Julius Caesar to Justinian provides a sweeping historical survey of the Roman empire. Uncommonly expansive in its chronological scope, this unique two-volume text explores the time period encompassing Julius Caesar's death in 44 BCE to the end of Justinian's reign six centuries later. Internationally-recognized author and scholar of Roman history John Matthews balances broad historical narrative with discussions of important occurrences in their thematic contexts. This integrative approach helps readers learn the timeline of events, understand their significance, and consider their historical sources. Defining the time period in a clear, yet not overly restrictive manner, the text reflects contemporary trends in the study of social, cultural, and literary themes. Chapters examine key points in the development of the Roman Empire, including the establishment of empire under Augustus, Pax Romana and the Antonine Age, the reforms of Diocletian and Constantine, and the fall of the Western Roman Empire. Discussions of the Justinianic Age, the emergence of Byzantium, and the post-Roman West help readers understand the later Roman world and its impact on the subsequent history of Europe. Written to be used as standalone resource or in conjunction with its companion Volume II: Selective Anthology, this innovative textbook: Combines accessible narrative exposition with thorough examination of historical source material Provides well-rounded coverage of Roman economy, society, law, and literary and philosophical culture Offers content taken from the author's respected Roman Empire survey courses at Yale and Oxford University Includes illustrations, maps and plans, and chapter-by-chapter bibliographical essays Empire of the Romans, from Julius Caesar to Justinian is a

valuable text for survey courses in Roman history as well as general readers interested in the 600 year time frame of the empire.

**Augustus** - Anthony Everitt 2007-10-09

He found Rome made of clay and left it made of marble. As Rome's first emperor, Augustus transformed the unruly Republic into the greatest empire the world had ever seen. His consolidation and expansion of Roman power two thousand years ago laid the foundations, for all of Western history to follow. Yet, despite Augustus's accomplishments, very few biographers have concentrated on the man himself, instead choosing to chronicle the age in which he lived. Here, Anthony Everitt, the bestselling author of *Cicero*, gives a spellbinding and intimate account of his illustrious subject. Augustus began his career as an inexperienced teenager plucked from his studies to take center stage in the drama of Roman politics, assisted by two school friends, Agrippa and Maecenas. Augustus's rise to power began with the assassination of his great-uncle and adoptive father, Julius Caesar, and culminated in the titanic duel with Mark Antony and Cleopatra. The world that made Augustus—and that he himself later remade—was driven by intrigue, sex, ceremony, violence, scandal, and naked ambition. Everitt has taken some of the household names of history—Caesar, Brutus, Cassius, Antony, Cleopatra—whom few know the full truth about, and turned them into flesh-and-blood human beings. At a time when many consider America an empire, this stunning portrait of the greatest emperor who ever lived makes for enlightening and engrossing reading. Everitt brings to life the world of a giant, rendered faithfully and sympathetically in human scale. A study of power and political genius, Augustus is a vivid, compelling biography of one of the most important rulers in history.

*The Power of Images in the Age of Augustus* - Paul Zanker 1990

Examines the imperial mythology that was reflected by Roman art and architecture during the rule of Augustus Caesar

**Greek and Latin Literature of the Roman Empire** - Albrecht Dihle 1994

This is the first in-depth guide to Greek and Latin literature between the 1st century BC and the 6th century AD. Working from Friedrich Schlegel's observation that art, customs and political life in classical antiquity are closely intertwined, Albrecht Dihle produces a history which encompasses not only literature but all works of cultural and socio-historical significance, including Jewish and Christian literature. His study also shows how the mutual interpenetration of Greek and Roman culture during the Empire, and especially during the period of Christianization, made possible the formation of a unified and vastly influential classical culture. Dihle discusses poetry and prose, letters and scholarly investigations, philosophy and rhetoric, historical writing and jurisprudence, giving individual attention to major authors like Seneca, Tacitus, Plotinus and Augustine, as well as other writers who made significant contributions to their fields and have been unjustly forgotten. Also addressed are the exact sciences—geography, medicine, mathematics and technology. As the work of a single author, *Greek and Latin Literature of the Roman Empire* is a towering achievement—an authoritative yet personal presentation of 700 years of cultural life. This book provides unprecedented synoptic treatment of an unusually rich period of history.

**Augustus Caesar** - David Shotter 2005-02-15

Revised throughout, the second edition of this successful book takes the most recent research in the field into account and reviews the evidence in order to place Augustus firmly in the context of his own times. History sees Augustus Caesar as the first emperor of Rome, whose system of ordered government provided a firm and stable basis for the expansion and prosperity of the Roman Empire. Hailed as 'restorer of the Republic' and regarded by some as a deity in his own lifetime, Augustus was emulated by many of his successors. Key topics discussed include: the background to Augustus Caesar's spectacular rise to power his political and imperial reforms the creation of the Republic of Augustus the legacy Augustus Caesar left to his successors. Including more coverage of the social and cultural aspects of this complex character's reign, together with an expanded guide to further reading, students will not miss a beat if this book is included on their course reading lists.

**The Roman History** - Cassius Dio 1987-07-07

Following Rome's long road to peace after decades of civil war, Cassius Dio provides the fullest account of the reign of the first emperor in Books 50 through 60 of his *Roman History*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide

authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*Ten Caesars* - Barry Strauss 2020-03-03

Bestselling classical historian Barry Strauss delivers "an exceptionally accessible history of the Roman Empire...much of *Ten Caesars* reads like a script for *Game of Thrones*" (*The Wall Street Journal*)—a summation of three and a half centuries of the Roman Empire as seen through the lives of ten of the most important emperors, from Augustus to Constantine. In this essential and "enlightening" (*The New York Times Book Review*) work, Barry Strauss tells the story of the Roman Empire from rise to reinvention, from Augustus, who founded the empire, to Constantine, who made it Christian and moved the capital east to Constantinople. During these centuries Rome gained in splendor and territory, then lost both. By the fourth century, the time of Constantine, the Roman Empire had changed so dramatically in geography, ethnicity, religion, and culture that it would have been virtually unrecognizable to Augustus. Rome's legacy remains today in so many ways, from language, law, and architecture to the seat of the Roman Catholic Church. Strauss examines this enduring heritage through the lives of the men who shaped it: Augustus, Tiberius, Nero, Vespasian, Trajan, Hadrian, Marcus Aurelius, Septimius Severus, Diocletian, and Constantine. Over the ages, they learned to maintain the family business—the government of an empire—by adapting when necessary and always persevering no matter the cost. *Ten Caesars* is a "captivating narrative that breathes new life into a host of transformative figures" (*Publishers Weekly*). This "superb summation of four centuries of Roman history, a masterpiece of compression, confirms Barry Strauss as the foremost academic classicist writing for the general reader today" (*The Wall Street Journal*).

*History of the Later Roman Commonwealth* - Thomas Arnold 1845

*Roman History* - Titus Livius 2009

Titus Livius (59 BiAD 17), known as Livy in English, was a Roman historian who wrote a monumental history of Rome, *Ab Urbe Condita*, from its founding (traditionally dated to 753 BC) through the reign of Augustus in Livy's own time. The title of his most famous work, *Ab Urbe Condita* ("From the Founding of the City"), expresses the scope and magnitude of Livy's undertaking. He wrote in a mixture of annual chronology and narrative. Livy claims that lack of historical data prior to the sacking of Rome in 387 BC by the Gauls made his task more difficult. He wrote the majority of his works during the reign of Augustus. However, he is often identified with an attachment to the Roman Republic and a desire for its restoration. His writing style was poetic and archaic in contrast to Caesar's and Cicero's styles. Also, he often wrote from the Romans' opponent's point of view in order to accent the Romans' virtues in their conquest of Italy and the Mediterranean.

**History of the Later Roman Commonwealth ... and of the Reign of Augustus** - Thomas Arnold 2015-11-08

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**History of the later Roman commonwealth ... and of the reign of Augustus: with a life of Trajan. Republ. from The Encyclopædia metropolitana** - Thomas Arnold 1845

*Empire* - Steven Saylor 2011-05-01

In the international bestseller *Roma*, Steven Saylor told the story of the first thousand years of Rome by following the descendants of a single bloodline. Now, in *Empire*, Saylor charts the destinies of five more generations of the Pinarius family, from the reign of the first emperor, Augustus, to the glorious height of Rome's empire under Hadrian. Through the eyes of the Pinarii, we witness the machinations of

Tiberius, the madness of Caligula, the cruel escapades of Nero, and the chaos of the Year of Four Emperors in 69 A.D. The deadly paranoia of Domitian is followed by the Golden Age of Trajan and Hadrian—but even the most enlightened emperors wield the power to inflict death and destruction on a whim. Empire is strewn with spectacular scenes, including the Great Fire of 64 A.D. that ravaged the city, Nero's terrifying persecution of the Christians, and the mind-blowing opening games of the Colosseum. But at the novel's heart are the wrenching choices and seductive temptations faced by each new generation of the Pinarii. One unwittingly becomes the sexual plaything of the notorious Messalina. One enters into a clandestine affair with a Vestal virgin. One falls under the charismatic spell of Nero, while another is drawn into the strange new cult of those who deny the gods and call themselves Christians. However diverse their destinies and desires, all the Pinarii are united by one thing: the mysterious golden talisman called the fascinum handed down from a time before Rome existed. As it passes from generation to generation, the fascinum seems to exercise a power not only over those who wear it, but over the very fate of the empire. Praise for Steven Saylor: 'Saylor expertly weaves the true history of Rome with the lives and loves of its fictional citizens.' Daily Express 'Saylor's scholarship is breathtaking and his writing enthralls' Ruth Rendell 'With the scalpel-like deftness of a Hollywood director, Saylor puts his finger on the very essence of Roman history.' Times Literary Supplement 'Readers will find his work wonderfully (and gracefully) researched... this is entertainment of the first order.' Washington Post

**The Roman History Under the First Triumvirate, and the Reign of Augustus. in Two Volumes. ... of 2; Volume 1 - MULTIPLE CONTRIBUTORS.** 2018-04-23

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Rich in titles on English life and social history, this collection spans the world as it was known to eighteenth-century historians and explorers. Titles include a wealth of travel accounts and diaries, histories of nations from throughout the world, and maps and charts of a world that was still being discovered. Students of the War of American Independence will find fascinating accounts from the British side of conflict. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. A History of Rome Down to the Reign of Constantine - Max Cary 1967  
Classical work on the history of the Roman Empire - For senior history students - Many illustrations of Roman antiquities - Map of ancient Rome - Map of the Roman Empire under Augustus, Trajan and Hadrian - Lazio (Latium) - Rome.

**A History of Rome under the Emperors** - Theodor Mommsen 2005-11-03

This book caused a sensation when it was published in Germany in 1992, and was front page news in many newspapers. For readers of English, it will be an authoritative survey of four centuries of Roman history, and a unique window on the German tradition of the last century. Theodor Mommsen (d. 1903) was one of the greatest Roman historians of the nineteenth century, and the only one ever to be awarded the Nobel Prize for Literature. His fame rests on his History of Rome as well as his work on Roman law and on the Roman provinces. But the work that would have concluded his history of Rome - which ran to the reign of Augustus - was never completed. This book represents that great lost work. In 1980 Alexander Demandt discovered in an antiquarian bookshop a full and detailed handwritten transcript of the lectures on the Roman Empire, which Mommsen gave for many years from 1863 to 1886, made by two of his students. This transcript has been edited to provide the authoritative reconstruction of the book Mommsen never wrote, A History of Rome Under the Emperors. Barbara and Alexander Demandt have carefully edited the text and provided detailed annotation and explanatory references. For the English edition, Professor Thomas Wiedemann has written an introduction which surveys Mommsen's position and influence in nineteenth century German scholarship and introduces his work for English speaking readers.

Augustus and the Creation of the Roman Empire - Ronald Mellor 2005-06-21

During his long reign of near-absolute power, Caesar Augustus established the Pax Romana, which gave Rome two hundred years of peace and social stability, and established an empire that would endure for five centuries and transform the history of Europe and the Mediterranean. Ronald Mellor offers a collection of primary sources featuring multiple viewpoints of the rise, achievements, and legacy of Augustus and his empire. His cogent introduction to the history of the Age of Augustus encourages students to examine such subjects as the military in war and peacetime, the social and cultural context of political change, the reform of administration, and the personality of the emperor himself. Document headnotes, a list of contemporary literary sources, a glossary of Greek and Latin terms, a chronology, questions for consideration, and a selected bibliography offer additional pedagogical support.

The History of the Decline and Fall of the Roman Empire - Edward Gibbon 1996-08-01

Edward Gibbon's six-volume History of the Decline and Fall of the Roman Empire (1776-88) is among the most magnificent and ambitious narratives in European literature. Its subject is the fate of one of the world's greatest civilizations over thirteen centuries - its rulers, wars and society, and the events that led to its disastrous collapse. Here, in volumes one and two, Gibbon charts the vast extent and constitution of the Empire from the reign of Augustus to 395 ad. And in a controversial critique, he examines the early Church, with fascinating accounts of the first Christian and last pagan emperors, Constantine and Julian. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Reign of Tiberius - Cornelius Tacitus 1890

Chronicle of the Roman Republic - Philip Matyszak 2003

Profiles the lives of nearly sixty rulers of the ancient Roman Republic, including Gaius Marius, Pompey the Great, and Mark Antony, and portrays the events taking place throughout history with timelines, illustrations, artwork, and maps.

A Literary History of the Middle Ages - Joseph Berington 1814

**The Roman History Written in Latine by Titus Livius. With the Supplements of the Learned John Freinshemius, and John Dujatius. From the Foundation of Rome to the Middle of the Reign of Augustus. Faithfully Done Into English** - Livy 1686

The Achievements of Augustus - The Transformation of the Roman Republic Into the Roman Empire - Christina Gieseler 2010-04

Essay from the year 2007 in the subject History - World History - Early and Ancient History, grade: 1,0, Hawai'i Pacific University, course: Introduction to Greco-Roman Civilization, language: English, abstract: How did Augustus transform the Roman republic into an empire? Why was he successful where Julius Caesar had not been? What was the process and what were the results of the changes Augustus introduced? In this essay, various sources about the first emperor of the Roman Empire will be examined, such as those of Augustus himself, of contemporary or later historians, and archaeological evidence. Generally, it can be stated that Augustus rather used the Republican system including all its traditional positions and regulations to gain power, whereas Caesar opposed the traditional ways of political life and therewith made himself the enemy of the state. Augustus achieved his position as the mightiest man in the empire through several strategies, e.g. by clever political/military strategies such as...

**Emperors and Political Culture in Cassius Dio's Roman History** - Caillan Davenport 2021-09-30

The Roman History of Cassius Dio provides one of the most important continuous narratives of the early Roman empire, spanning the inception of the Principate under Augustus to the turbulent years of the Severan Dynasty. It has been a major influence on how scholars have thought about Roman imperial history, from the Byzantine period down to the present day, as well as being a work of considerable literary sophistication and merit. This book, the product of an international collaborative project, brings together thirteen chapters written by

scholars based in Europe, North America, and Australia. They offer new approaches to Dio's representation of Roman emperors, their courtiers, and key political constituencies such as the army and the people, as well as the literary techniques he uses to illuminate his narrative, from speeches to wonder narratives.

**History of the Later Roman Commonwealth** - Thomas Arnold 1849

*The History of the Roman Emperors from Augustus to Constantine* - Jean Baptiste Louis Crevier 1760

**The Roman History** - Cassius Dio 1987-02-26

Augustus Caesar, the first emperor of Rome (27 BC-AD 14), brought peace and prosperity to his city after decades of savage civil war. This selection from Cassius Dio's Roman History gives the fullest description of that long struggle and ultimate triumph - detailing the brutal battles and political feuds that led to the collapse of Rome's 400-year-old republic, and Augustus' subsequent reign as emperor. Included are accounts of military campaigns from Ethiopia to Yugoslavia, and of long conflict with Antony and Cleopatra. With skill and artistry, Dio brings to life many speeches from the era - among them Augustus' damning indictment of Antony's passion for the Egyptian queen - and provides a fascinating account of the debate between the great general Agrippa and Maecenas on the virtues of republicanism and monarchy.

**The Indian Travels of Apollonius of Tyana** - Osmond de Beauvoir Priaux 2015-06-25

Excerpt from The Indian Travels of Apollonius of Tyana: And the Indian Embassies to Rome, From the Reign of Augustus to the Death of Justinian The several pieces, all relating to India, which make up this volume, appeared some years back in the Journals of the Asiatic Society. I cannot say that they then or ever excited the least interest, and but that there were omissions and faults in them which I wished to supply and correct, I certainly should not have thought of republishing them. I now for my own satisfaction reprint a small number of copies. With regard to the Indian Embassies I began the series in the hope that all of them would be as interesting and important as those to Augustus and Claudius; but when I found that they were only barely mentioned by historians, and the later ones so mentioned that it was scarcely possible to ascertain whether they were Ethiopian or Hindu, I was led on to enlarge my plan and to inquire into the Relations of the Roman Empire with India. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Augustus and the Creation of the Roman Empire - Ronald Mellor 2005-06-21

During his long reign of near-absolute power, Caesar Augustus established the Pax Romana, which gave Rome two hundred years of peace and social stability, and established an empire that would endure for five centuries and transform the history of Europe and the Mediterranean. Ronald Mellor offers a collection of primary sources featuring multiple viewpoints of the rise, achievements, and legacy of Augustus and his empire. His cogent introduction to the history of the Age of Augustus encourages students to examine such subjects as the military in war and peacetime, the social and cultural context of political change, the reform of administration, and the personality of the emperor himself. Document headnotes, a list of contemporary literary sources, a glossary of Greek and Latin terms, a chronology, questions for consideration, and a selected bibliography offer additional pedagogical support.

Augustus - Adrian Goldsworthy 2014-08-28

The acclaimed historian and author of Caesar presents "a first-rate popular biography" of Rome's first emperor, written "with a storyteller's brio" (Washington Post). The story of Augustus' life is filled with drama and contradiction, risky gambles and unexpected success. He began as a teenage warlord whose only claim to power was as the grand-nephew and heir of the murdered Julius Caesar. Mark Antony dubbed him "a boy who owes everything to a name," but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC. Over the next half century, Augustus created a new system of government—the Principate or rule of an emperor—which brought peace and stability to the vast Roman Empire. In this highly anticipated biography, Goldsworthy puts his deep knowledge of ancient sources to full use, recounting the events of Augustus' long life in greater detail than ever before. Goldsworthy pins down the man behind the myths: a consummate manipulator, propagandist, and showman, both generous and ruthless. Under Augustus' rule the empire prospered, yet his success was constantly under threat and his life was intensely unpredictable.

Augustus and the Creation of the Roman Empire - Ron Mellor 2005-09-01

The 45-year reign of Caesar Augustus (31 BCE to 14 CE) marked the creation of the Roman Empire, which would survive in the West for another five centuries. Unlike the rulers who came before him—Pompey, Julius Caesar, and Marc Antony—Augustus maintained nearly absolute power as he established the ideology and institutions of the Pax Romana, which gave the citizens of Rome two centuries of peace and social stability. This collection of primary sources offers multiple viewpoints of the rise, achievements, and legacy of Augustus and his empire. Ronald Mellor's fluid introduction parallels the organization of the documents that follow to provide students with the historical context necessary for exploring these translations of ancient texts. Document headnotes, a list of literary sources for the Age of Augustus, a glossary of Greek and Latin terms, a chronology, questions for consideration, and a selected bibliography offer additional pedagogical support and encourage students to analyze the reign that transformed the history of Europe and the Mediterranean basin.

The Roman History, from the Building of the City, to the Perfect Settlement of the Empire by Augustus Cæsar ... Fourth Edition, Carefully Revis'd, and ... Improv'd. (The Roman History, from the Settlement of the Empire ... to the Removal of the Imperial Seat by Constantine the Great ... Vol. II., Etc.). - Laurence EACHARD 1698
