The Lucky List - Rachael Lippincott 2021-06-01

Rachael Lippincott, coauthor of #1 New York Times bestseller *Five Feet Apart*, weaves a "breezy...truly charming" (Kirkus Reviews) love story about learning who you are, and who you love, when the person you've always shared yourself with is gone. Emily and her mom were always lucky. But Emily's mom's luck ran out three years ago when she succumbed to cancer, and nothing has felt right for Emily since. Now, the summer before her senior year, things are getting worse. Not only has Emily wrecked things with her boyfriend Matt, who her mom adored, but her dad is selling the house she grew up in and giving her mom's belongings away. Soon, she'll have no connections left to Mom but her lucky quarter. And with her best friend away for the summer and her other friends taking her ex's side, the only person she has to talk to about it is Blake, the swoony new girl she barely knows. But that's when Emily finds the list—her mom's senior year summer bucket list—buried in a box in the back of her closet. When Blake suggests that Emily take it on as a challenge, the pair set off on a journey to tick each box and help Emily face her fears before everything changes. As they go further down the list, Emily finally begins to feel close to her mom again, but her bond with Blake starts to deepen, too, into something she wasn't expecting. Suddenly Emily must face another fear: accepting the secret part of herself she never got a chance to share with the person who knew her best.

George R. R. Martin's A Game of Thrones 5-Book Boxed Set (Song of Ice and Fire Series) - George R. R. Martin 2012-09-10

For the first time, all five novels in the epic fantasy series that inspired HBO's *Game of Thrones* are together in one eBook bundle. An immersive entertainment experience unlike any other, *A Song of Ice and Fire* has earned George R. R. Martin—dubbed "the American Tolkien" by Time magazine—international acclaim and millions of loyal readers. Now this bundle collects the entire monumental cycle in the most convenient format available: *A GAME OF THRONES* *A CLASH OF KINGS* *A STORM OF SWORDS* *A FEAST FOR CROWS* *A DANCE WITH DRAGONS* "One of the best series in the history of fantasy."—Los Angeles Times Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. "Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers."—The New York Times

The #1 New York Times bestseller and National Book Award Finalist from the bestselling author of Everything, Everything will have you falling in love with Natasha and Daniel as they fall in love with each other. Natasha: I'm a girl who believes in science and facts. Not fate. Not destiny. Or dreams that will never come true. I'm definitely not the kind of girl who meets a cute boy on a crowded New York City street and falls in love with him. Not when my family is twelve hours away from being deported to Jamaica. Falling in love with him won't be my story. Daniel: I've always been the good son, the good student, living up to my parents' high expectations. Never the poet. Or the dreamer. But when I see her, I forget about all that. Something about Natasha makes me think that fate has something much more extraordinary in store—for both of us. The Universe: Every moment in our lives has brought us to this single moment. A million futures lie before us. Which one will come true? ***
