The Four Tendencies - Gretchen Rubin

2017-09-12

In this groundbreaking analysis of personality type, bestselling author of *Better Than Before* and *The Happiness Project* Gretchen Rubin reveals the one simple question that will transform what you do at home, at work, and in life. During her multibook investigation into understanding human nature, Gretchen Rubin realized that by asking the seemingly dry question "How do I respond to expectations?" we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: Upholders, Questioners, Obligers, and Rebels. Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. More than 600,000 people have taken her online quiz, and managers, doctors, teachers, spouses, and parents already use the framework to help people make significant, lasting change. Writing from Within Level 2 Student's Book - Curtis Kelly 2011-10-31

A series that prepares students for paragraph and composition writing, while making the process enjoyable. Writing from Within, Level 2 focuses on generating topics, writing cohesive

paragraphs, and organizing them into clear, logical compositions. The book contains twelve units, each one centering around a final writing assignment. As students prepare for their assignment, they brainstorm ideas for writing and analyze sample paragraphs and compositions for both language and organization. The units offer a balance of introspective writing assignments with more conventional, task-based ones. Level 2 writing topics include a major life event, personal goals, a research report, and a newspaper article.
