**Arc of Justice** - Kevin Boyle 2007-04-01

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to

compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house;

suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

**The Plague Year** - Lawrence Wright 2021-06-08  
From the Pulitzer Prize-winning author of *The*

*Looming Tower*, and the pandemic novel *The End of October*: an unprecedented, momentous account of Covid-19—its origins, its wide-ranging repercussions, and the ongoing global fight to contain it "A book of panoramic breadth ... managing to surprise us about even those episodes we ... thought we knew well ... [With] lively exchanges about spike proteins and nonpharmaceutical interventions and disease waves, Wright's storytelling dexterity makes all this come alive." —The New York Times Book Review From the fateful first moments of the outbreak in China to the storming of the U.S. Capitol to the extraordinary vaccine rollout, Lawrence Wright's *The Plague Year* tells the story of Covid-19 in authoritative, galvanizing detail and with the full drama of events on both a global and intimate scale, illuminating the medical, economic, political, and social ramifications of the pandemic. Wright takes us inside the CDC, where a first round of faulty test kits lost America precious time . . . inside the

halls of the White House, where Deputy National Security Adviser Matthew Pottinger's early alarm about the virus was met with confounding and drastically costly skepticism . . . into a Covid ward in a Charlottesville hospital, with an idealistic young woman doctor from the town of Little Africa, South Carolina . . . into the precincts of prediction specialists at Goldman Sachs . . . into Broadway's darkened theaters and Austin's struggling music venues . . . inside the human body, diving deep into the science of how the virus and vaccines function—with an eye-opening detour into the history of vaccination and of the modern anti-vaccination movement. And in this full accounting, Wright makes clear that the medical professionals around the country who've risked their lives to fight the virus reveal and embody an America in all its vulnerability, courage, and potential. In turns steely-eyed, sympathetic, infuriated, unexpectedly comical, and always precise, Lawrence Wright is a formidable guide, slicing

through the dense fog of misinformation to give us a 360-degree portrait of the catastrophe we thought we knew.

Coffeeland - Augustine Sedgewick 2021-04-06  
A New York Times Book Review Editors' Choice  
"Extremely wide-ranging and well researched . . . In a tradition of protest literature rooted more in William Blake than in Marx." —Adam Gopnik, The New Yorker  
The epic story of how coffee connected and divided the modern world Coffee is an indispensable part of daily life for billions of people around the world. But few coffee drinkers know this story. It centers on the volcanic highlands of El Salvador, where James Hill, born in the slums of Manchester, England, founded one of the world's great coffee dynasties at the turn of the twentieth century. Adapting the innovations of the Industrial Revolution to plantation agriculture, Hill helped turn El Salvador into perhaps the most intensive monoculture in modern history—a place of extraordinary productivity, inequality, and

violence. In the process, both El Salvador and the United States earned the nickname "Coffeeland," but for starkly different reasons, and with consequences that reach into the present. Provoking a reconsideration of what it means to be connected to faraway people and places, Coffeeland tells the hidden and surprising story of one of the most valuable commodities in the history of global capitalism. [The Linux Command Line](#) - William E. Shotts, Jr. 2012

**Brainiac** - Ken Jennings 2006-09-12

NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia's colorful history, from America's highest-earning game show contestant of all time "Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book."—Will Shortz, crossword editor, *The New York Times* Ken Jennings is trivia's undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz

book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today's trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, "The World's Largest Trivia Contest." And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. (Who knew that there's a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that's who.) Engaging and erudite, Brainiac is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

**The Rose Code** - Kate Quinn 2021-03-09

"The reigning queen of historical fiction" -- Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue* The New York Times and USA Today bestselling author of *The Huntress* and *The Alice Network* returns with another heart-stopping World War II story of three female code breakers at Bletchley Park and the spy they must root out after the war is over. 1940. As England prepares to fight the Nazis, three very different women answer the call to mysterious country estate Bletchley Park, where the best minds in Britain train to break German military codes. Vivacious debutante Osla is the girl who has everything—beauty, wealth, and the dashing Prince Philip of Greece sending her roses—but she burns to prove herself as more than a society girl, and puts her fluent German to use as a translator of decoded enemy secrets. Imperious self-made Mab, product of east-end London poverty, works the legendary codebreaking machines as she conceals old wounds and looks for a socially advantageous

husband. Both Osla and Mab are quick to see the potential in local village spinster Beth, whose shyness conceals a brilliant facility with puzzles, and soon Beth spreads her wings as one of the Park's few female cryptanalysts. But war, loss, and the impossible pressure of secrecy will tear the three apart. 1947. As the royal wedding of Princess Elizabeth and Prince Philip whips post-war Britain into a fever, three friends-turned-enemies are reunited by a mysterious encrypted letter--the key to which lies buried in the long-ago betrayal that destroyed their friendship and left one of them confined to an asylum. A mysterious traitor has emerged from the shadows of their Bletchley Park past, and now Osla, Mab, and Beth must resurrect their old alliance and crack one last code together. But each petal they remove from the rose code brings danger--and their true enemy--closer...

The Last Duel - Eric Jager 2005-09-13

NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • “A taut page-turner with all the hallmarks of a good historical thriller.”—Orlando Sentinel The gripping true story of the duel to end all duels in medieval France as a resolute knight defends his wife’s

honor against the man she accuses of a heinous crime In the midst of the devastating Hundred Years’ War between France and England, Jean de Carrouges, a Norman knight fresh from combat in Scotland, returns home to yet another deadly threat. His wife, Marguerite, has accused squire Jacques Le Gris of rape. A deadlocked court decrees a trial by combat between the two men that will also leave Marguerite’s fate in the balance. For if her husband loses the duel, she will be put to death as a false accuser. While enemy troops pillage the land, and rebellion and plague threaten the lives of all, Carrouges and Le Gris meet in full armor on a walled field in Paris. What follows is the final duel ever authorized by the Parlement of Paris, a fierce fight with lance, sword, and dagger before a massive crowd that includes the teenage King Charles VI, during which both combatants are wounded—but only one fatally. *Crossroads of Twilight* - Robert Jordan

2010-07-20

The Wheel of Time ® is a PBS Great American Read Selection! Now in development for TV! Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers

around the globe with its scope, originality, and compelling characters. The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. Fleeing from Ebou Dar with the kidnapped Daughter of the Nine Moons, whom he is fated to marry, Mat Cauthon learns that he can neither keep her nor let her go, not in safety for either of them, for both the Shadow and the might of the Seanchan Empire are in deadly pursuit. Perrin Aybara seeks to free his wife, Faile, a captive of the Shaido, but his only hope may be an alliance with the enemy. Can he remain true to his friend Rand and to himself? For his love of Faile, Perrin is willing to sell his soul. At Tar Valon, Egwene al'Vere, the young Amyrlin of the rebel Aes Sedai, lays siege to the heart of Aes Sedai

power, but she must win quickly, with as little bloodshed as possible, for unless the Aes Sedai are reunited, only the male Asha'man will remain to defend the world against the Dark One, and nothing can hold the Asha'man themselves back from total power except the Aes Sedai and a unified White Tower. In Andor, Elayne Trakland fights for the Lion Throne that is hers by right, but enemies and Darkfriends surround her, plotting her destruction. If she fails, Andor may fall to the Shadow, and the Dragon Reborn with it. Rand al'Thor, the Dragon Reborn himself, has cleansed the Dark One's taint from the male half of the True Source, and everything has changed. Yet nothing has, for only men who can channel believe that saidin is clean again, and a man who can channel is still hated and feared—even one prophesied to save the world. Now, Rand must gamble again, with himself at stake, and he cannot be sure which of his allies are really enemies. TV series update: "Sony will produce along with Red Eagle

**Thinking Inside the Box** - Adrienne Raphel

2020-03-17

"This cultural and personal history of crosswords and their fans, written by an aficionado, is

diverting, informative, and discursive." —The New York Times Book Review, Editors' Choice A delightful, erudite, and immersive exploration of the crossword puzzle and its fascinating history Almost as soon as it appeared, the crossword puzzle became indispensable to our lives. Invented practically by accident in 1913, when a newspaper editor at the New York World was casting around for something to fill empty column space, it became a roaring commercial success almost overnight. Ever since then, the humble puzzle has been an essential ingredient of any newspaper worth its salt. But why, exactly, are the crossword's satisfactions so sweet? Blending first-person reporting from the world of crosswords with a delightful telling of its rich literary history, Adrienne Raphel dives into the secrets of this classic pastime. *Thinking Inside the Box* is an ingenious love letter not just to the abiding power of the crossword but to the infinite joys and playful possibilities of language itself.

### **Early Times - Suzanne Art 2013-07-15**

Written for middle school students, Suzanne Strauss Art's Early Times Series history books bring an easy-to-read style to the oftentimes difficult task of engaging students in the study of history. And now, full color maps and images throughout immerse students in a fully imaginable, long ago world of knights in armor, of kings, poets, and peasants. From barbarian invasions and the battles of Charlemagne's army to detailed descriptions of the everyday lives of monks and lords, The Story of the Middle Ages incorporates a comprehensive study of medieval society with a detailed look at what it was really like to be there. This comprehensive and highly readable volume traces the rising power and influence of the Christian Church, the development of nation states, the growth of towns, the creation of a middle class, the expanding role of women, the rise of

universities, and great achievements in the domains of science, art, architecture, and letters. Beginning with the chaos that arose following the fall of the Roman Empire, The Story of the Middle Ages describes how various tribal societies - the Franks, the Saxons, the Norsemen, the Arabs - restored order in many parts of the Mediterranean world. The lively narrative is highlighted by colorful portraits of Clovis, Charlemagne, Alfred the Great, and other great warriors. But it was the Christian Church that maintained a form of the old Roman bureaucracy and stood as the guardian of law and order in most of southwestern Europe and Britain. This book explains the founding and teachings of the Church and describes the important role of monasteries in extending the power of faith as well as preserving scholarship and art. Important religious figures such as St. Augustine, St. Benedict, and St. Francis are portrayed, while the description of a day in the life of a monk further enriches the narrative.

**Seven Wonders of the Ancient World** - Paul Jordan 2014-05-01

The Seven Wonders of the Ancient World, and all sorts of mysteries attaching to them, have intrigued people since the second century BCE. Why were these particular creations chosen and when? And why did the ancients want to draw up such a list in the first place? What were the technical and cultural factors involved in the creation and listing of the Wonders? The Seven Wonders still rival many of the phenomenal products of both nature and mankind in their size, majesty, and beauty. Six of them no longer stand, having been destroyed by natural disaster or by human intervention. From the Pyramids at

Giza to the Colossus of Rhodes, from the Hanging Gardens of Babylon to the Lighthouse of Alexandria, from the Temple of Ephesus to the Mausoleum at Halicarnassus and the Statue of Zeus at Olympia, the Seven Wonders of the Ancient World have never ceased to fascinate down the ages.

with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

*Cold War & 1950s - 2007*

"Involving students in real historical problems that convey powerful lessons about U.S. history, these thought-provoking activities combine core content with valuable practice in decision making, critical thinking, and understanding multiple perspectives. O'Reilly - an experienced, award winning teacher - has students tackle fascinating historical questions that put students in the shoes of a range of people from the past, from the rich and famous to ordinary citizens. Each lesson can be done either as an in-depth activity or as a "quick motivator." Detailed

teacher pages give step-by-step instructions, list key vocabulary terms, offer troubleshooting tips, present ideas for post-activity discussions, and furnish lists of related sources. Reproducible student handouts clearly lay out the decision-making scenarios, provide "outcomes," and present related primary source readings and/or images with analysis questions"--Page 4 of cover

**Gridlock** - Matt Gaffney 2006

In the spirit of Word Freak and Searching for Bobby Fischer, Gridlock is a chronicle of the quirky subculture of America's crossword puzzles. Tens of millions of Americans solve crossword puzzles regularly, but few know a thing about their genesis. Who writes crosswords, how—and for God's sake, why? Matt Gaffney is one of two dozen people who earns a living as a cruciverbalist. In Gridlock he provides an insider's look at the people who put that puzzle in your paper every day. With verve and gusto, Gaffney traces his own starving-artist struggle to find paying puzzle gigs, including

marketing hip crosswords to the Gen-X market. He then moves on to topics like the effect of computers on crossword writing, including a man versus machine battle he stages to see who writes better crosswords; the ever-evolving crossword puzzle book market, where a top-selling series now has books shaped like a toilet seat; and a trip to the American Crossword Puzzle Tournament, where the "Cru" (collective slang noun meaning "the crossword puzzle writing community") hangs out in person once a year. Gridlock also features an interview with crossword rock star Will Shortz.

### **American History Through a Whiskey Glass -**

Harris Cooper 2021-06-29

Experience American history like never before with this unique, informative, and fun guide for history buffs, whiskey enthusiasts, folks who like to cook at home, and fans of popular music. American History Through a Whiskey Glass presents a unique perspective on American history. It describes how bourbon and rye

whiskey played a role in the most important events in American history, including the voyage of the Mayflower, George Washington's failed and successful political campaigns, the Civil War, pioneers moving west, Prohibition (of course), plus many more into the twenty-first century. It does so with descriptions of historical events but also with amusing anecdotes and humorous quotes from the historical figures themselves. The book carefully aligns five elements: a narrative about whiskey's role in eight periods of American history descriptions and tasting notes for American whiskeys that represent distilled spirits in each historical period tutorials on how whiskey is produced and its numerous varieties period-specific food recipes drawn mostly from historical cookbooks playlists of the popular music during each period The book gives readers an integrated and entertaining perspective on popular culture in America at different times, revealing how Americans have politicked, drank their native

**The Free World** - Louis Menand 2021-04-20  
"An engrossing and impossibly wide-ranging project . . . In *The Free World*, every seat is a good one." —Carlos Lozada, *The Washington Post* "The Free World sparkles. Fully original, beautifully written . . . One hopes Menand has a sequel in mind. The bar is set very high."  
—David Oshinsky, *The New York Times Book Review* | Editors' Choice One of *The New York Times's* 100 best books of 2021 | One of *The Washington Post's* 50 best nonfiction books of 2021 | A *Mother Jones* best book of 2021 In his follow-up to the Pulitzer Prize-winning *The Metaphysical Club*, Louis Menand offers a new intellectual and cultural history of the postwar years The Cold War was not just a contest of power. It was also about ideas, in the broadest sense—economic and political, artistic and personal. In *The Free World*, the acclaimed

Pulitzer Prize-winning scholar and critic Louis Menand tells the story of American culture in the pivotal years from the end of World War II to Vietnam and shows how changing economic, technological, and social forces put their mark on creations of the mind. How did elitism and an anti-totalitarian skepticism of passion and ideology give way to a new sensibility defined by freewheeling experimentation and loving the Beatles? How was the ideal of “freedom” applied to causes that ranged from anti-communism and civil rights to radical acts of self-creation via art and even crime? With the wit and insight familiar to readers of *The Metaphysical Club* and his *New Yorker* essays, Menand takes us inside Hannah Arendt’s Manhattan, the Paris of Jean-Paul Sartre and Simone de Beauvoir, Merce Cunningham and John Cage’s residencies at North Carolina’s Black Mountain College, and the Memphis studio where Sam Phillips and Elvis Presley created a new music for the American teenager. He examines the post war

vogue for French existentialism, structuralism and post-structuralism, the rise of abstract expressionism and pop art, Allen Ginsberg's friendship with Lionel Trilling, James Baldwin's transformation into a Civil Right spokesman, Susan Sontag's challenges to the New York Intellectuals, the defeat of obscenity laws, and the rise of the New Hollywood. Stressing the rich flow of ideas across the Atlantic, he also shows how Europeans played a vital role in promoting and influencing American art and entertainment. By the end of the Vietnam era, the American government had lost the moral prestige it enjoyed at the end of the Second World War, but America's once-despised culture had become respected and adored. With unprecedented verve and range, this book explains how that happened.

*Sapiens* - Yuval Noah Harari 2015-02-10

New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian

comes a groundbreaking narrative of humanity's creation and evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be “human.” One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, *Sapiens* integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look

ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs,

6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.
