Tales from the Cleveland Cavaliers Locker Room - Roger Gordon  
2021-03-30

Long before “The Decision,” four MVP awards, and back-to-back NBA championships with the Miami Heat, LeBron James opened the 2003–04 season as an untested rookie with the Cleveland Cavaliers. In Tales from the Cleveland Cavaliers Locker Room: The Rookie Season of LeBron James, first published in 2004, readers will find anecdotes about this extraordinary rookie who grew up a stone’s throw away in Akron. Fans will read about the rest of the Cavaliers, from celebrations on the day lottery luck shone upon the team and the anticipation of LeBron’s debut to disappointments like the season-opening five-game losing streak and 6–19 start; from the excitement of a young team maturing under the guidance of head coach Paul Silas to the shrewd moves of general manager Jim Paxson. There were also the moments bordering on the absurd, like the near-riot on LeBron James Bobblehead Night. And there was the heartbreaking late-season injury to a key player that likely cost the Cavs a playoff berth. Through the eyes and ears of the media, coaches, players, fans, and more, this book is a must-read for any Cavs or NBA fan. It is a whimsical reflection on the rebirth of a forlorn franchise that was quite possibly a Ping-Pong ball away from relocating to another state. It is a look back at how a team led by a teenage kid with

remarkable skills, awesome strength, and incredible poise went from being the laughingstock of the NBA to becoming a true playoff contender. In 2014, LeBron James decided to come home, where he remained through 2018, bringing the team its first-ever NBA championship and the city it’s first since the 1964 Browns. In this newly updated edition, Tales from the Cleveland Cavaliers Locker Room will make Cavs fans remember the joy of victory at the hands of King James.

**LeBron James** - Jeff Savage 2016

**LeBron's Dream Team** - LeBron James 2010-04-27

The DREAM TEAM was a bunch of kids from Akron, Ohio-LeBron James and his best friends-who first met on a youth basketball team of the same name when they were ten and eleven years old. United by their love of the game and their yearning for companionship, they quickly forged a bond which would carry them through thick and thin (a lot of thin) and, at last, to the brink of a national championship. They were a motley group who faced challenges all too typical of inner-city America. LeBron grew up without a father and had moved with his mother more than a dozen times by the age of 10. Willie McGee, the quiet one, had left both his parents behind in Chicago to be raised by his older brother in Akron. Dru Joyce was outspoken, and his dad, who was ever-present, would end up coaching all five of the boys in high school. Sian Cotton, who also played football, was the happy-go-lucky enforcer, while Romeo Travis was unhappy, bitter, even surly, until he finally opened himself up to the bond his team mates offered. In the summer after seventh grade, the DREAM TEAM tasted glory when they qualified for a national championship tournament in Memphis. But they lost their focus, and had to go home early. They promised each other they would stay together and do whatever it took to win a national title. They had no idea how hard it would be to pursue that promise. In the years that followed, they would endure jealousy, hostility, exploitation, resentment from the black community (because they went to a "white" high school), and the consequence of their own over-confidence. Not least, they would all have to wrestle with LeBron's outsize success, which brought too much attention and even a whiff of scandal their way. But together these five boys became men as they sought a national championship.

*The Last Enforcer* - Charles Oakley 2022-02-01

In this "incredible read on some incredible days and nights in the old association" (Adrian Wojnarowski, ESPN senior NBA insider) Charles Oakley—one of the toughest and most loyal players in NBA history—tells his unfiltered stories about his basketball journey and his relationships with Michael Jordan, LeBron James, Charles Barkley, Patrick Ewing, Phil Jackson, Pat Riley, James Dolan, Donald Trump, George Floyd, and many others. If you ask a New York Knicks fan about Charles Oakley, you better prepare to hear the love and a favorite story or two. But his individual stats weren't remarkable, and while he helped power the Knicks to ten consecutive playoffs, he never won a championship. So why does he hold such a special place in the minds, hearts, and memories of NBA players and fans? Because over the course of nineteen years in the league, Oakley was at the center of more unbelievable encounters than *Forrest Gump*, and nearly as many fights as Mike Tyson. He was the friend you wish you had, and the enemy you wish you'd never made. If any opposing player was crazy enough to start a fight with him, or God forbid one of his teammates, Oakley would end it. "I can't remember

every rebound I grabbed but I do have a story—the true story—of just about every punch and slap on my resume,” he says. In *The Last Enforcer*, Oakley shares one incredible story after the next—all in his signature “unflinchingly tough, honest, and ultimately endearing” (Harvey Araton, *New York Times* bestselling author) style—about his life in the paint and beyond, fighting for rebounds and respect. You’ll look back on the era of the 1990s NBA, when tough guys with rugged attitudes, unflinching loyalty, and hard-nosed work ethics were just as important as three-point sharpshooters. You’ll feel like you were on the court, in the room, can’t believe what you just saw, and need to tell everyone you know about it.

Legacy & Future An excerpt from the book: LeBron James is a basketball player whose talent was home grown in the city of Akron, Ohio. Currently he is the unquestioned leader of the Cleveland Cavaliers and one of the most respected icons of sports history, James has accomplished great feats in a decade as a professional basketball player. A two-time NBA Champion with the Miami Heat, LeBron has received the Finals MVP twice, and assembled a collection of four MVP trophies. A complete cleaner on the stat sheet, James has also lead in the intangible areas of the game, specifically on the defensive end. LeBron has been a member of the All Defensive First Team for five years. People all around the world recognize his legendary persona. His current mission is to bring a title to his championship-deprived city of Cleveland. James is an international icon. In the business world, James has established himself as one of the powerhouse figures in sports marketing through his basketball play. The LeBron James brand is one of the most valuable in terms of sports branding. According to Forbes, James surpassed Tiger Woods in being one of the most valuable sports names in the world. His game, like his physical build, is something the world has never seen before. At an incredible 6' 9", James showed the ability to run the floor with a guard-like poise. Prior to the 2004 NBA season, the NBA and its fans never saw a specimen like James. Everything from his biological make-up to his ability to understand the game in a cerebral way seemed to be a manifestation of what was only created by a basketball god may. Contrary to what his doubters would have liked, LeBron appeared to seamlessly transition from his high school style of play into the NBA.
