**I'll Show You Mine** - Katie Huisman 2011-02

[Pussypedia](#) - Zoe Mendelson 2021-08-03

Written by the creators of the popular website, this rigorously fact-checked, accessible, and fully illustrated guide is essential for anyone with a pussy. If the clitoris and penis are the same size on average, why is the word "small" in the definition of clitoris but strangely missing from the definition of penis? Sex probably doesn't cause yeast infections? But racism probably does cause BV? Why is masturbating so awesome? How hairy are butt cracks . . . generally? Why is labiaplasty on a global astronomical rise? Does egg freezing really work? Should I stick an egg-shaped rock up there or nah? There is still a shocking lack of accurate, accessible information about pussies and many esteemed medical sources seem to contradict each other.

Pussypedia solves that with extensive reviews of peer-reviewed science that address old myths, confusing inconsistencies, and the influence of gender narratives on scientific research--always in simple, joyful language. Through over 30 chapters, Pussypedia not only gives the reader information, but teaches them how to read science, how to consider information in its context, and how to accept what we don't know rather than search for conclusions. It also weaves in personal anecdotes from the authors and their friends--sometimes funny, sometimes sad, often cringe-worthy, and always extremely personal--to do away with shame and encourage curiosity, exploration, and agency. A gift for your shy niece, your angsty teenager, your confused boyfriend, or yourself. Our generation's *Our Bodies, Ourselves*, with a healthy dose of fun.

*Pink Pussy Love* - Gordon Denman 2012-04  
Text in English, French & German. Why do we love to look at flowers and to sniff them, even though we have already seen and sniffed so many flowers? The pussy pictures shown here are much more than a guided tour through a garden of exotic blossoms. They depict the object to which our ancestors devoted cultic veneration throughout the millennia of prehistory: the vulva. These images touch us in a way that's not only aesthetic and sexual, but also archaic. The artist and photographer Gordon Denman shows us the vulvas of exciting and hot-blooded women, including some dark-skinned models with velvety brown skin, as well as beauties of Asian origin. An homage to the vulva, its colours and its wonderful shapes!

**The Vagina Monologues** - Eve Ensler 2008  
Drawing on conversations with hundreds of women about their genitalia, the author presents a collection of performance pieces from her one-woman show of the same name.

*Sex, Politics, and Putin* - Valerie Sperling 2015  
Is Vladimir Putin macho, or is he a "fag"? *Sex, Politics, and Putin* investigates how gender stereotypes and sexualization have been used as tools of political legitimation in contemporary Russia. Despite their enmity, regime allies and detractors alike have wielded traditional concepts of masculinity, femininity, and homophobia as a means of symbolic endorsement or disparagement of political leaders and policies. By repeatedly using

machismo as a means of legitimation, Putin's regime (unlike that of Gorbachev or Yeltsin) opened the door to the concerted use of gendered rhetoric and imagery as a means to challenge regime authority. Sex, Politics, and Putin analyzes the political uses of gender norms and sexualization in Russia through three case studies: pro- and anti-regime groups' activism aimed at supporting or undermining the political leaders on their respective sides; activism regarding military conscription and patriotism; and feminist activism. Arguing that gender norms are most easily invoked as tools of authority-building when there exists widespread popular acceptance of misogyny and homophobia, Sperling also examines the ways in which sexism and homophobia are reflected in Russia's public sphere.

**Read My Lips** - Debby Herbenick 2011-11-16  
Many, if not most, people remain in the dark about the actual workings of the vagina and vulva. The primary purpose of Read My Lips is to educate women and men about the vulva and vagina in a manner that is smart, informative, and entertaining. Readers, both women and men alike, will come to think differently about women's genitals and become a little more curious and a lot more comfortable with them. They will learn more about the female body in terms of health, sex, pleasure, culture, and art. Though based on sound scientific and medical research, Read My Lips is accessible to the masses, so women and men who are curious about the clitoris, Brazilian waxing, labiaplasty, or whether the G-spot really exists, will find something of interest in these pages. Chapters focus on sex and the vulva/vagina which, in spite of the many interesting cultural and historical aspects of vulva and vagina lore, remains of central interest to many people - as it should, given that women's genitals, and how they work, especially in regard to sex, remain a mystery to so many well-intentioned lovers. In keeping with the overall theme of celebration and education, the authors take a sex-positive, pleasure-focused perspective on women's genitals, pointing out the parts that can help women to enjoy sex and feel more comfortable in their own bodies. Tips on technique will also be shared alongside information on vaginal health.

**Why Good Sex Matters** - Nan Wise 2020-01-28

A sex therapist and neuroscientist describes anhedonia, the inability to feel a satisfactory amount of pleasure--and provides the pathway back to fully enjoying sex, food, time with family and friends, and other pastimes, while also staving off depression, anxiety, and addiction.

*Naked at Our Age* - Joan Price 2011-05-24

In *Naked at Our Age*, women and men, coupled and single, straight and gay talk candidly about how their sex lives and relationships have changed with age, and about how they see themselves, their partners, or their single life. Many of them are having unsatisfying sex, or no sex at all, and are seeking advice. Price presents their personal stories, and follows up with tips from sex therapists, health professionals, counselors, sex educators, and other knowledgeable experts. *Naked at Our Age* is an entertaining and indispensable guide to handling and understanding the issues of senior sex and relationships.

**This is How You Vagina** - Nicole E. Williams, MD 2021-09-21

The history, mystery, and majesty of the most fascinating organ In *This is How You Vagina*, Dr. Nicole Williams presents readers with a much-needed education on the history, science, and attitudes of the most fascinating and misunderstood part of the female anatomy: the vagina. She covers valuable information about sexual function, childbirth, and physiology and provides answers to her patients' (and probably your) most asked questions. She matter-of-factly dispels the most common myths and misinformation concerning female genitalia, including—

- No, your vagina doesn't need steaming
- Those panty liners are unnecessary—your vagina needs to breathe
- It's actually perfectly normal for your vagina to have an odor—consider it your personal brand

This book is an easy-to-understand guide, complete with illustrations, for women to explore and understand their vaginas in a way they never have before. You will learn what's normal and what's not, including that, yes, yours is most certainly normal too. *This is How You Vagina* is essential reading for anyone who is looking to better understand the form and function of this most majestic and fascinating organ.

The Menopause Manifesto - Dr. Jen Gunter  
2021-05-25

An Instant New York Times, Washington Post, USA Today, San Francisco Chronicle, and Publishers Weekly Bestseller! A Next Avenue Influencer in Aging 2021 #1 Canadian Bestseller Just as she did in her groundbreaking bestseller *The Vagina Bible*, Dr. Jen Gunter, the internet's most fearless advocate for women's health, brings you empowerment through knowledge by countering stubborn myths and misunderstandings about menopause with hard facts, real science, fascinating historical perspective, and expert advice. "I feel more equipped to care for my patients, challenge the patriarchy, and empower & educate thanks to her work and advocacy." —Dr. Danielle Jones (Mama Doctor Jones) "An exhilarating read and a comprehensive review of all things menopause." —North American Menopause Society "Gynecologist Gunter (*The Vagina Bible*) helps women navigate the ins and outs of menopause in this delightfully conversational and strongly feminist guide. Readers looking to separate menopausal fact from fiction should take note." —Publishers Weekly "Gunter mixes sound medical information with a bit of humor and a lot of candor...[this] frank and expert guide provides an informative and reassuring look at a long, often baffling and infuriating

phase of life." —Booklist The only thing predictable about menopause is its unpredictability. Factor in widespread misinformation, a lack of research, and the culture of shame around women's bodies, and it's no wonder women are unsure what to expect during the menopause transition and beyond. Menopause is not a disease—it's a planned change, like puberty. And just like puberty, we should be educated on what's to come years in advance, rather than the current practice of leaving people on their own with bothersome symptoms and too much conflicting information. Knowing what is happening, why, and what to do about it is both empowering and reassuring. Frank and funny, Dr. Jen debunks misogynistic attitudes and challenges the over-mystification of menopause to reveal everything you really need to know about: \*Perimenopause \* Hot flashes \* Sleep disruption \* Sex and libido \* Depression and mood changes \* Skin and hair issues \* Outdated therapies \* Breast health \* Weight and muscle mass \* Health maintenance screening \* And much more! Filled with practical, reassuring information, this essential guide will revolutionize how women experience menopause—including how their lives can be even better for it! "Read this book immediately." —New York Times bestseller Ayelet Waldman, author of *A Really Good Day* and *Love & Treasure* "This is the new 'it' book for women who want to prepare for or understand what menopause is (and isn't)." —Dr. Jennifer Lincoln  
**Cyber Zen** - Gregory Price Grieve 2016-12-08  
*Cyber Zen* ethnographically explores Buddhist practices in the online virtual world of Second Life. Does typing at a keyboard and moving avatars around the screen, however, count as real Buddhism? If authentic practices must mimic the actual world, then Second Life Buddhism does not. In fact, a critical investigation reveals that online Buddhist practices have at best only a family resemblance to canonical Asian traditions and owe much of their methods to the late twentieth-century field of cybernetics. If, however, they are judged existentially, by how they enable users to respond to the suffering generated by living in a highly mediated consumer society, then Second Life Buddhism consists of authentic spiritual practices. *Cyber Zen* explores how Second Life

Buddhist enthusiasts form communities, identities, locations, and practices that are both products of and authentic responses to contemporary Network Consumer Society.

Gregory Price Grieve illustrates that to some extent all religion has always been virtual and gives a glimpse of possible future alternative forms of religion.

**Gynecological Diagnosis** - Walter Lincoln Burrage 1910

*Crazy Things in My Pussy and Butt* - Luis Durante 2019-11-15

Idoia, the photographers muse, loves phalluses. No matter the shape. Even the most amazing things become objects of lust: Banana, dildo, cucumber, plug, cooking whisk, saveloy sausage, double dong, apple. Idoia is the queen of detournement. Her appetite is such that she even introduces giant silicone dildos in both her holes. She has fun trying out ever new stuff. Between her legs or between her buttocks, nothing can resist her. Idoia radiates with such an urge for orgasms that she sometimes makes herself cum entirely, by stuffing her hand up to her wrist into her vagina and into her dilated anus. But the very pinnacle of eroticism is reached when the pictures show her vulva

swollen with a pussy pump. Just like the goddess of flowers from Botticellis painting Spring, with vine-shoot squirting out of her mouth, Idoia embodies lust. Even her panty disappears in her pussy -- anything makes Idoia cum.

**The Great Wall of Vagina** - Jamie McCartney 2011

Female genitalia have long been a source of fascination, recently of celebration but generally of confusion. Step in British artist Jamie McCartney who has created a monumental wall sculpture from plastic casts of 400 women vulvas. Their privates have gone public and in this book over a quarter of them tell you why...

**The Vagina Bible** - Dr. Jen Gunter 2019-08-27

**Sleeping Beauties** - Stephen King 2017-09-26  
In this spectacular New York Times bestselling father/son collaboration that "barrels along like a freight train" (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious "Eve Black," is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman's prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

*Womanhood* - Laura Dodsworth 2019-02  
*Womanhood* is a fascinating exploration of the ultimate taboo and a revelatory insight into the experience of being a woman.

**101 Gynecology Views** - Douglas O'Brian 2010-08-12

Ever wanted to look over the gynecologist's shoulder when they were working? This is as close as you will get to seeing that view, with over 100 lip-parted, exposed, or spread open vaginas. Many of them even have a speculum opening them up to show more than you ever

wanted to see. Vaginas, vaginas, and even MORE vaginas, and none of them have closed labia, or lips. Some are pulled apart, some are spread, some have fingers holding them open, and some are stretched wide open with the gynecologist tool, the speculum. These photos take you straight to (and sometimes into) the love canal, also known as the "pussy". These color pictures range from three inches away to three feet away. Men and lesbians alike will love comparing the different vagina pictures, all fully nude / naked, all in full color. This is an 5 by 8 book with one full picture per, to bring the vagina to life. Beyond topless or generally naked, or fully nude, this is all about the money shots. Don't think of this as XXX Sex Porn, think of it as beautiful feminine erotic art. All shapes, sizes, and colors of vaginas are in this book, a very compelling collection of women from around the world. A super set of pictures expanding the Female Genitalia 201 imagery, this book has no actual sex, but WARNING; VERY GRAPHIC NUDITY.

**Joyce Wieland** - Iris Nowell 2001

Joyce Wieland triumphed over what she called "obscene poverty" to achieve international celebrity as a painter, collagist, quiltmaker, and filmmaker, celebrated as Canada's most important woman artist next to Emily Carr. Her art portrays strikingly Canadian themes of environmental issues, historical passages, and aboriginal rights in buoyant, satirical images. To make her distinctive, highly personal art, Wieland uses toys, paper cut-outs, wood, glass, and pieces of her panties and dresses just as boldly and felicitously as she uses oils, watercolors, and pencils. Some of her most famous works are quilts, such as Reason Over Passion and Confedspread. She made underground films long before Andy Warhol did, producing a total of 16. Joyce Wieland achieved acclaim through unstinting courage, vivacity, and her off-the-wall humor. She was known for tucking away her secrets in her work. Author Iris Nowell has uncovered some of these secrets through primary sources, such as Joyce's friends and family, and through her own perspective of having known Joyce for many years. This intimate, rollicking, poignant biography uncovers Joyce Wieland's life as she lived it, intimately and fully—through the 1950s "Dark Ages of Art" in Toronto, for much of the 1960s in New York's grungy artist's loft community and the underground film scene, and back to Toronto for the most productive, stunning years of her life.
