Needs Analysis for Language Course Design - Marjatta Huhta 2013-02-21
An essential toolkit for language teachers who need to design language courses for working professionals, vocational schools, undergraduate and graduate students. Needs Analysis for Language Course Design is a handbook for those who prepare and teach courses in ESP. The book shows the reader how needs analysis can be used to create a detailed profile of the professional learner and how this profile can then be used to tailor make a course in language and communication for working professionals and for those studying towards a professional or vocational qualification.

The ERASMUS Phenomenon - Symbol of a New European Generation? - Feyen Benjamin 2013-06-27

In 2012, the ERASMUS programme celebrated its 25th anniversary. As one of the best-known initiatives of the EU, it has already enabled almost three million students to spend a part of their studies abroad. But ERASMUS is more than just a simple academic exchange programme: designed to contribute to the creation of a «People's Europe», it has become a successful political instrument for shaping generations of European students. This interdisciplinary volume attempts to explain the fascination behind ERASMUS. The authors examine the role of student mobility within the European integration process and judge its impact on

how young citizens identify with Europe. Is there a «Generation ERASMUS», and what characteristics does it have? Can ERASMUS serve as a symbol for «new» Europeans?

Learn Danish - Christopher Panaretos 2020-05-09

Serbian - Lila Hammond 2005

An up-to-date and practical reference guide to the most important aspects of Serbian as used by contemporary native speakers of the language, this jargon-free text presents an accessible description of the language, focusing on the real patterns of use today.

How to be German in 50 easy steps - Adam Fletcher 2013-07-10

Breakfast lavishly, pre-book all your holidays years in advance, dress sensibly and obey the red man! «How to be German» presents all the little absurdities that make living in Germany such a pleasure. It's required reading for all Ausländer and for Germans who sometimes have the feeling they don't understand their own country. We learn why the Germans speak so freely about sex, why they are so obsessed with «Spiegel Online» and why they all dream of being naked in a lake of

Apfelsaftschorle. At the end, the only thing left to say to Adam Fletcher's love letter to Germany is «Alles klar!» This e-book is also available in German: «Wie man Deutscher wird in 50 einfachen Schritten. Eine Anleitung von Apfelsaftschorle bis Tschüss». The printed edition has been published as a bilingual turn-around book.

Multilingual Identities - Inke Du Bois 2013

The contributions in this volume shed light on lived multilingualism around the globe. A small, but still representative selection of the multitude of migrant experiences, all studies share the intertwining of geographical mobility and non-mainstream linguistic practices which serves as a resource of agency and promotes alternative multiple identities of the immigrant speakers. This volume is based on the two core tenets of sociolinguistic identity research. First, it accepts the idea that identities or sub-identities are in a sense pre-given and can be formulated through membership categories. Second, identities are viewed as being enacted and performed, thus constituting social realities. In the social construction of identity, national and linguistic boundaries dissolve. The originating countries of the participants (and/or their ancestors) in the studies of this volume include Argentina, Ethiopia, Yugoslavia, Russia, Morocco, the Phillipines, Korea, Kazakhstan, Suriname and India. The countries of immigration include Germany, the USA, Israel, France and the Netherlands.

Am I Small? Adim Obere? - 2014-02-12

Bilingual Edition English-Igbo "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... Reviews "This is baby's favorite book!" -Amazon Customer Review from the United States "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "This has been my daughter's favourite book since she was 4 months old. The sentences are nice and short so she doesn't lose interest in the pictures while I'm reading each page." -Amazon Customer Review from the UK "Muito legal esse livro. Singelo, divertido e relacionado ao universo da criança. Bom pra desenvolver o vocabulário. As ilustrações

são lindas. Meu filho adorou." -Amazon Customer Review from Brazil "You are small or big depending on with what you relate to. A simple cute book which exactly portrays this message." -Amazon Customer Review from India "Muy buen libro infantil. Dinámico, orgánico, perfecto para aprender en romaji. De fácil lectura y con una protagonista realmente encantadora" -Amazon Customer Review from Mexico "Beautifully illustrated and cleverly written." -Amazon Customer Review from Australia "We are in love with this book!"-Amazon Customer Review from the United States "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review from the United States "Whenever I have time to read to her, she wants this book. And she repeats words. That's insanely cute." -Amazon Customer Review from Canada "Mia figlia di due anni e mezzo è entusiasta dei disegni bellissimi e dei colori. Apprezza anche le vicende di una bimba nè grande nè piccola ma giusta così." -Amazon Customer Review from Italy "My three year olds love it and the story's concept will grow with them for several years to come making it a keeper." -Amazon Customer Review from the U.S. "A nuestra hija le ha encantado. [...] Estamos muy satisfechos con la compra." -Amazon Customer Review from Spain "I got this book to read with my granddaughters, one from the US and one from Portugal. It is so incredibly cute! They loved it, and I did too. I highly recommend this book!" -Amazon Customer Review from the U.S. "Ce petit livre est tout ce que j'aime !!! Le graphisme, les couleurs, tout y est magnifiquement soigné, poétique et charmant !!! [...] Une merveille de beauté et de magie à ne pas louper !!!" -Amazon Customer Review from France "My little boy loves this as a bedtime story. It's colourful and quirky. [...] I thought it would be uninteresting to a child, to be read to in another language, but he asks for 'Bin ich klein' and it melts my heart!" - Amazon Customer Review from the United Kingdom "readers will emerge from this book feeling slightly more confident about themselves- whatever their size."-ForeWord Clarion Reviews "This is done with simplicity at its finest. The art is whimsical, the message is clear and most of all my grandson loves it. I would recommend this book to any child provider as part of their reading library." -Amazon Customer

Review from the U.S. Languages Available for every country in at least one official language. Please note: This book is a bilingual picture book with a 1:1 translation created by human translators (see translator's credits for details).

Life Advanced Student's Book and App - Paul Dummett 2017-10-19

Mein Englisch-Bildwörterbuch - 2004

Trotz anderem Cover: Identisch in Themen, Illustrationen und Vokabeln ist das Buch schon mehrfach aufgelegt worden: Zunächst als "Ur"Version "Ich lerne Englisch" (BA 10/97). Dann, 2001 im Gondrom Verlag, als "Mein erstes großes Englisch Bildwörterbuch", ISBN 3811218697, (nicht besprochen, inzwischen nicht mehr erhältlich). Der GondromVerlag baute den Titel auch als ganze Reihe aus, u.a. "Mein erstes großes Italienisch Bildwörterbuch", "Mein erstes großes Türkisch Bildwörterbuch" (beide BA 9/03). Mit neuem Cover, etwas kleinerformatiger, etwas günstiger, ansonsten unverändert, wird die Reihe nun wieder beim LoeweVerlag herausgegeben. Sprich: Wer bereits eine der beiden oben genannten EnglischBildwörterbücher besitzt, braucht diesen Titel außer als Austausch oder Staffelexemplar demnach nicht zu kaufen. Für alle anderen gilt die sehr positive Bewertung der "UrVersion" immer noch trotz der inzwischen größeren Anzahl von Konkurrenzprodukten. So kann vorliegender Titel jetzt neben dem etwas umfangreicheren "Bildwörterbuch Englisch" von Langenscheidt (BA 7/03) vorbehaltlos empfohlen werden. In Themen wie Familie, Alltag, Freizeit etc. wird ein Wortschatz von rund 800 Wörtern vermittelt. Ab 6.

[Animal Beauty](#) - Christiane Nusslein-Volhard 2019-05-14

An illustrated exploration of colors and patterns in the animal kingdom, what they communicate, and how they function in the social life of animals. Are animals able to appreciate what humans refer to as "beauty"? The term scarcely ever appears nowadays in a scientific description of living things, but we humans may nonetheless find the

colors, patterns, and songs of animals to be beautiful in apparently the same way that we see beauty in works of art. In *Animal Beauty*, Nobel Prize-winning biologist Christiane Nusslein-Volhard describes how the colors and patterns displayed by animals arise, what they communicate, and how they function in the social life of animals. Watercolor drawings illustrate these amazing instances of animal beauty. Darwin addressed the topic of ornament in his 1871 book *The Descent of Man and Selection in Relation to Sex*, and did not hesitate to engage with criteria of beauty, convinced that animals experienced color and ornament as attractive and agreeable in the same way that we do, and that the role this played in mate choice pointed to a "sexual selection" distinct from natural selection. Nusslein-Volhard examines key examples of ornament and sexual selection in the animal kingdom and lays the groundwork for biological aesthetics. Noting that color patterns have not been a research priority—perhaps because they appeared to be nonessential luxuries rather than functional necessities—Nusslein-Volhard looks at recent scientific developments on the topic. In part because of Nusslein-Volhard's own research on the zebrafish, it is now possible to decipher the molecular genetic mechanisms that lead to production of colors in animal skin and its appendages and control its pattern and distribution.

Green Line - Harald Weisshaar 2017

The Silver Lamp / Srebrna lampa - Ana Bilic

The Silver Lamp / Srebrna lampa - from the series 'Croatian Made Easy' is a reader for learners of the Croatian language. It is a mini novel with a vocabulary list at the end of the book. Level 0 - Easystarts - Up to 400 words For more information about other mini novels, please visit the website <http://www.croatian-made-easy.com> Description: John from Pittsburgh, US spends his holidays at his friends' in Osijek, Croatia. While his friends are at work, John walks through the city, cooks lunch for them and also practices the Croatian language that his grandmother has taught him. One day John buys bread in the bakery, with the unusual name „The Silver Lamp“. After a while John finds out that the bakery is substantially connected to the past of his family and that he himself might relive that past. A heartwarming story.

In My Brother's Shadow - Uwe Timm 2006

Uwe Timm was born in Germany in 1940. Just three years later his brother, Karl-Heinz, who was sixteen years his senior and a sapper in the elite SS Death's Head Division, was killed. His notebook was returned to the family, and the last entry read- 'I close my diary here because I don't see any point in recording the cruel things that sometimes happen.' When Timm decided to write this astonishing memoir, he feared the possibility that his brother's unit had taken part in the shooting of civilians and Jews. Yet he wanted to piece together his brother's experience, and also that of his nation, which once considered the qualities of an SS man so exemplary. As Timm unleashes his memories of this devastating time, he also pinpoints the questions that his parents' generation seemed unable to face, and offers new insights into the impact of the war on ordinary Germans.

Oxford Picture Dictionary - Jayme Adelson-Goldstein 2009-06

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour

dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

The Co-construction of Conversation in Group Oral Tests - Fumiyo Nakatsuhara 2013

International language tests increasingly use group oral formats in both high- and low-stakes contexts. But how do test-takers with different characteristics interact in such formats? This book explores how test-takers with different extraversion and proficiency levels co-construct spoken interaction in groups. The impact of the two test-taker characteristics was examined across three task types and with two group sizes. Examination of group performances using both statistical and Conversation Analysis tools offered insights into how group conversation is co-constructed. By enhancing our understanding of the group oral test

construct, the findings have useful implications for international language test development and enable appropriate choices regarding task type and group size.

Conditions for Second Language Learning - Bernard Spolsky 1989

More Food from Your Garden - Jacob R. Mittleider 1975

Experiments in Ethics - Kwame Anthony Appiah 2010-03-30

In the past few decades, scientists of human nature—including experimental and cognitive psychologists, neuroscientists, evolutionary theorists, and behavioral economists—have explored the way we arrive at moral judgments. They have called into question commonplaces about character and offered troubling explanations for various moral intuitions. Research like this may help explain what, in fact, we do and feel. But can it tell us what we ought to do or feel? In *Experiments in Ethics*, the philosopher Kwame Anthony Appiah explores how the new empirical moral psychology relates to the age-old project of philosophical ethics. Some moral theorists hold that the realm of morality must be autonomous of the sciences; others maintain that science undermines the authority of moral reasons. Appiah elaborates a vision of naturalism that resists both temptations. He traces an intellectual genealogy of the burgeoning discipline of “experimental philosophy,” provides a balanced, lucid account of the work being done in this controversial and

increasingly influential field, and offers a fresh way of thinking about ethics in the classical tradition. Appiah urges that the relation between empirical research and morality, now so often antagonistic, should be seen in terms of dialogue, not contest. And he shows how experimental philosophy, far from being something new, is actually as old as philosophy itself. Beyond illuminating debates about the connection between psychology and ethics, intuition and theory, his book helps us to rethink the very nature of the philosophical enterprise.

Butterfly's Tongue - Manuel Rivas 2011-04-05

"Butterfly's Tongue" tells of the friendship between a boy and an anarchist schoolmaster, born of their mutual interest in animal and insect life, and destroyed by the start of the Spanish Civil War. "A Saxophone in the Mist" and "Carmina" also tell of first experiences with the adult world.

Cambridge English Empower Elementary Presentation Plus with Student's Book and Workbook - Herbert Puchta 2015-07-30

Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. Elementary Presentation Plus provides the complete Elementary Student's Book content and the Workbook content with built-in annotation tools, embedded audio, and class video in an easy-to-operate format for interactive whiteboards or computers and projectors.

My Long-Distance Relationship - Ana Bilic 2016-06-05

My Long-Distance Relationship / Moja daleka ljubav - from the series 'Croatian Made Easy' is a reader for learners of the Croatian language. It is a mini novel with a vocabulary list at the end. Level 0 - Easystarts - Up to 400 words For more information about other mini novels, please visit the website <http://www.croatian-made-easy.com> Description: Sofija and Denis have a long-distance relationship. The way to each other is long - Sofija lives in Dubrovnik and Denis lives in Hamburg. Their messages via email sometimes happen to be interpreted not as desired. Yet Sofija and Denis do not let themselves be misled by the digital post and handle their communication challenges with charm and perseverance. A simple and

cheerful love story.
