Alternate Exercises and  
Problems - Sepe 2005-01

Intermediate Accounting, 3e,  
by Spiceland/Sepe/Tomassini  
will gain support in traditional  
and technology-driven  
accounting departments,  
especially those looking for a  
more concise, decision-making  
text that reinforces challenging  
concepts via CD-ROM. The  
revision of this text is based  
around a "Learning System."  
The revision of this "Learning  
System" was built on improving  
the clarity of the chapters,  
emphasizing more decision-  
making in order to prepare

students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the

average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.

*Intermediate Accounting* - Kin Lo  
2016-01-01

Lo/Fisher is praised for its readability and conversational

writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting accounting information from within an easily-understood theoretical framework.

Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future.
