[The Kissing Sailor](#) - Lawrence Verria 2012-05-15  
On August 14, 1945, Alfred Eisenstaedt took a picture of a sailor kissing a nurse in Times Square, minutes after they heard of Japan's surrender to the United States. Two weeks later LIFE magazine published that image. It became one of the most famous WWII photographs in history (and the most celebrated photograph ever published in the world's dominant photo-journal), a cherished reminder of what it felt like for the war to finally be over. Everyone who saw the picture wanted to know more about the

nurse and sailor, but Eisenstaedt had no information and a search for the mysterious couple's identity took on a dimension of its own. In 1979 Eisenstaedt thought he had found the long lost nurse. And as far as almost everyone could determine, he had. For the next thirty years Edith Shain was known as the woman in the photo of V-J DAY, 1945, TIMES SQUARE. In 1980 LIFE attempted to determine the sailor's identity. Many aging warriors stepped forward with claims, and experts weighed in to support one candidate over another. Chaos ensued. For almost two decades Lawrence Verria and George Galdorisi were intrigued by the controversy surrounding the identity of the two principals in Eisenstaedt's most famous photograph and collected evidence that began to shed light on this mystery. Unraveling years of misinformation and controversy, their findings propelled one claimant's case far ahead of the others and, at the same time, dethroned the supposed kissed nurse when another candidate's claim proved

more credible. With this book, the authors solve the 67-year-old mystery by providing irrefutable proof to identify the couple in Eisenstaedt's photo. It is the first time the whole truth behind the celebrated picture has been revealed. The authors also bring to light the couple's and the photographer's brushes with death that nearly prevented their famous spontaneous Times Square meeting in the first place. The sailor, part of Bull Halsey's famous task force, survived the deadly typhoon that took the lives of hundreds of other sailors. The nurse, an Austrian Jew who lost her mother and father in the Holocaust, barely managed to escape to the United States. Eisenstaedt, a World War I German soldier, was nearly killed at Flanders.

**The Match** - Sarah Adams 2020-05-11

Having worked for Southern Service Paws for a few years now, I like to think I'm prepared for just about any client meeting under the sun. I am dead wrong. The day I meet with single dad, Jacob Broaden, about potentially matching his daughter with one of our service dogs, I learn a few valuable lessons. 1) Always set my alarm clock. 2) Single dads are way hotter than I previously thought. 3) It is possible to go from fantasizing about kissing someone to wishing they would be run over by a truck in a matter of two minutes. Unfortunately, I don't hold that opinion of him for very long. Not when he shows me a different side of himself--one that's sweet as maple syrup and hot as apple pie fresh out of the oven. Too bad this guy is so far out of my league that I shouldn't even be allowed to enter the game. Jake doesn't seem to get that memo though. And after a few days of working closely with him and his daughter, he starts looking at me with fire in his eyes, making me dream of something I probably shouldn't...A family. The

Match is a feel-good romantic comedy! Perfect for readers who enjoy a sizzling romance without explicit content.
